Chairman/Dean

Dr.S.Basavarajappa

After reading the entire syllabus pattern designed to M.Sc. Zoology programme the committee opined the following.

1. The present curriculum is heavy load for both teachers and learners
2. There is need to shorten the same by offering only two open elective theory (OET) at II and III semesters. There is no need of OET at I and IV semester levels.
3. There is need to assign minimum Rs.-50,000/- for study tour/field visits in III semester for Zoology program.

1. Item 1: Revision of the PG syllabus in Zoology with effect from the academic year 2022-23.

**Preamble:** The syllabus for MSc in Zoology was revised during 2018-19 along with enforcement of common regulations for P G programs. The syllabus had to be revised during 2021-22 itself. But owing to Post-Covid issues, the syllabus is being revised this year keeping in view the stakeholders feedback, employer's expectations, and trends in the discipline. Hence the following resolutions are drawn.

**Resolution 1:** Resolved to accept the feedback received from stakeholders and recommend the following actions to be taken.

- A. Addition of new courses like

**OET 1.8 : Environmental Biology**

**OET 2.9: Vectors and communicable diseases**

- B. Modifications/Deletions owing to canon of currency

The Units from all the courses were revised to four Units in each course with total of 52hours and a maximum of 05% revision.

The title of the paper **4.2 Applied Animal Biotechnology was modified to Animal Biotechnology.**

**Resolution 2:** Resolved to recommend accepting the revised curriculum highlighting local, regional, national and global developmental needs reflected in Graduate attributes, POs, PSOs and COs. (Revised portion is highlighted by highlighter).

**Resolution 3:** Resolved to recommend the following courses having focus on employability/entrepreneurship/skill development.

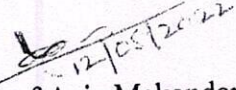

- A. Economic Zoology
- B. Basic and applied Entomology
- C. Animal Biotechnology
- D. Reproductive Biology and Endocrinology

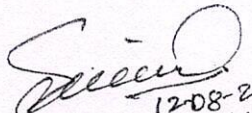

**Resolution 4:** Resolved to recommend accepting the following courses that address issues relevant to professional ethics, gender, human values, environment and sustainability.

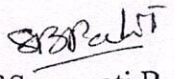

- A. Environmental Biology
- B. Applied Animal Biotechnology
- C. Animal Systematics

**Resolution 5:** Resolved to recommend the following value added course

- A. Aquaculture
- B. Sericulture
- C. Vermiculture
