

# National Assessment and Accreditation Council (NAAC) Student Feedback Analysis 2020-21

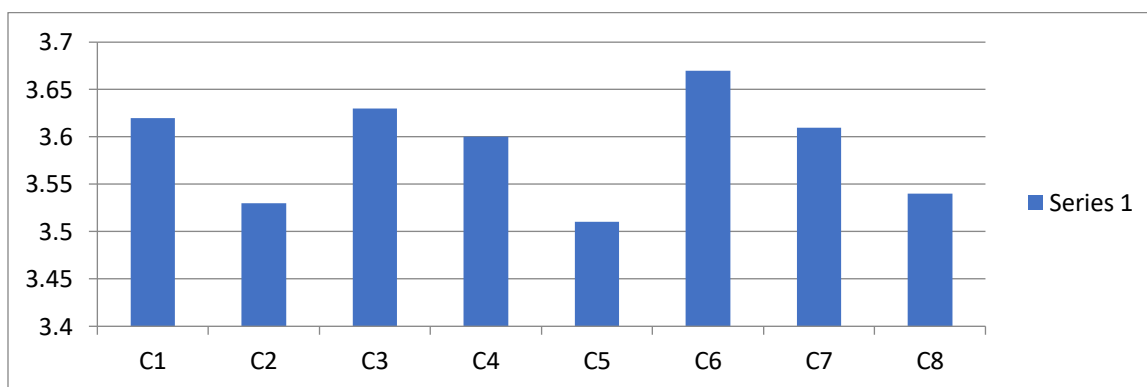

## Department of Chemistry:

### 1<sup>st</sup> Semester

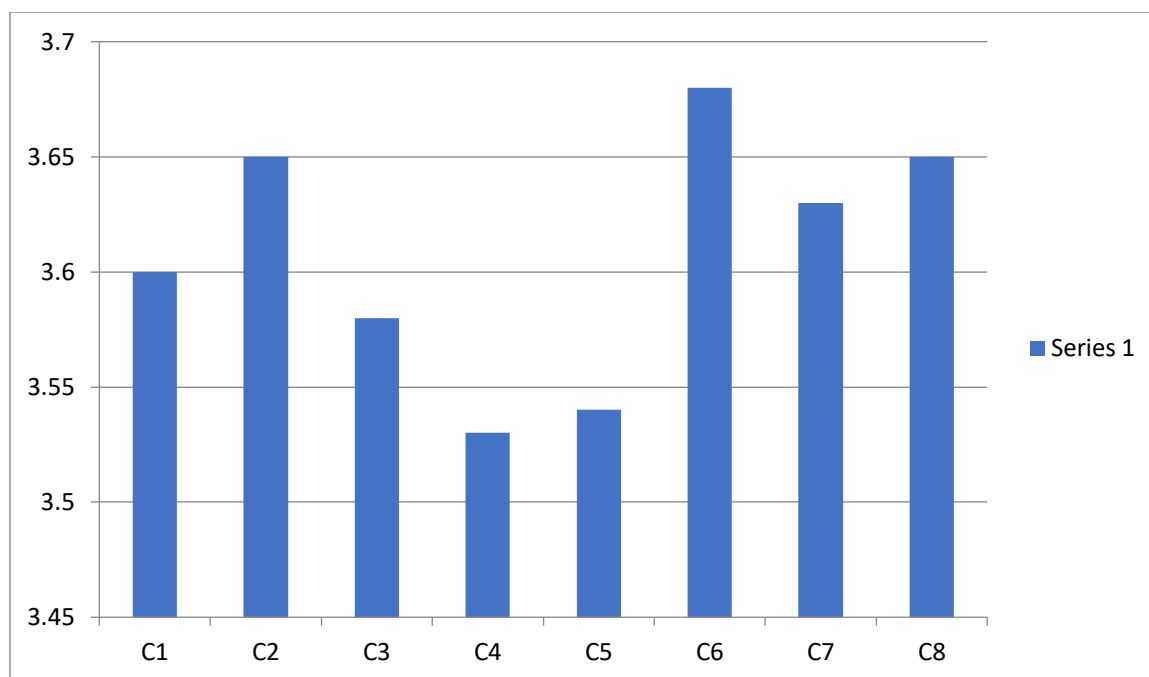

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>7</sub> (Nano science and engineering chemistry-I) subject and less satisfactory in the subject of c<sub>2</sub> (Physical Chemistry-I). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

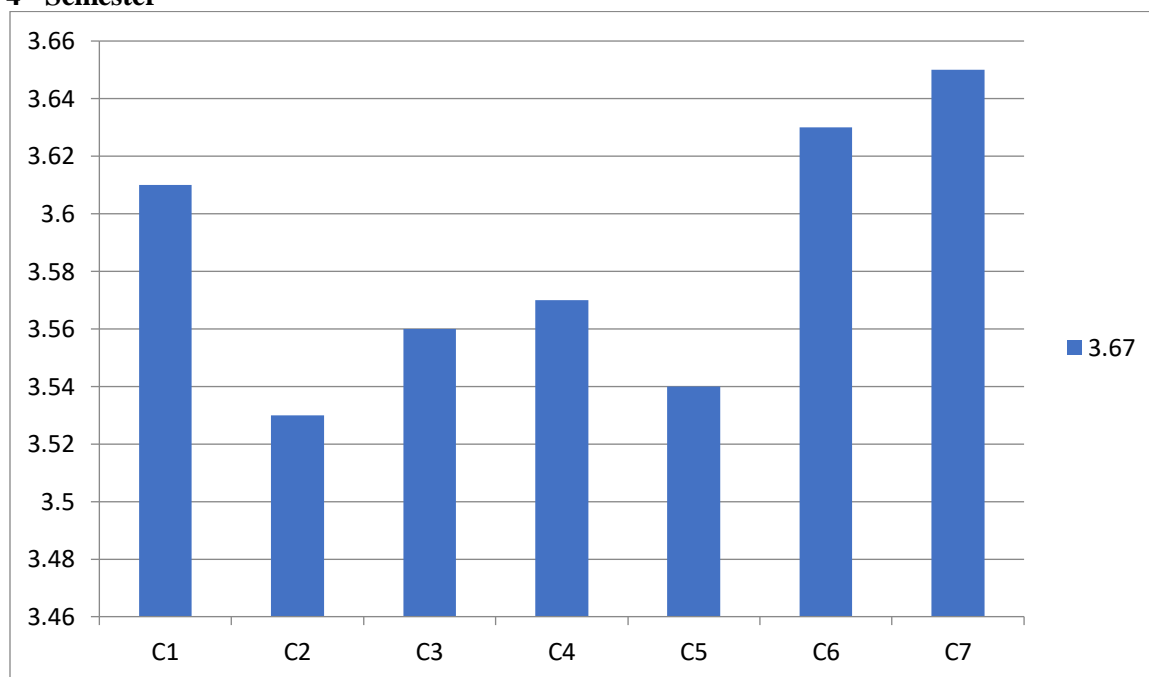

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(Analytical chemistry-II) subject and less satisfactory in the subject of c<sub>5</sub> (Practical-II). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(Nano science and engineering chemistry-III) subject and less satisfactory in the subject of c<sub>4</sub> (Practical-I). Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

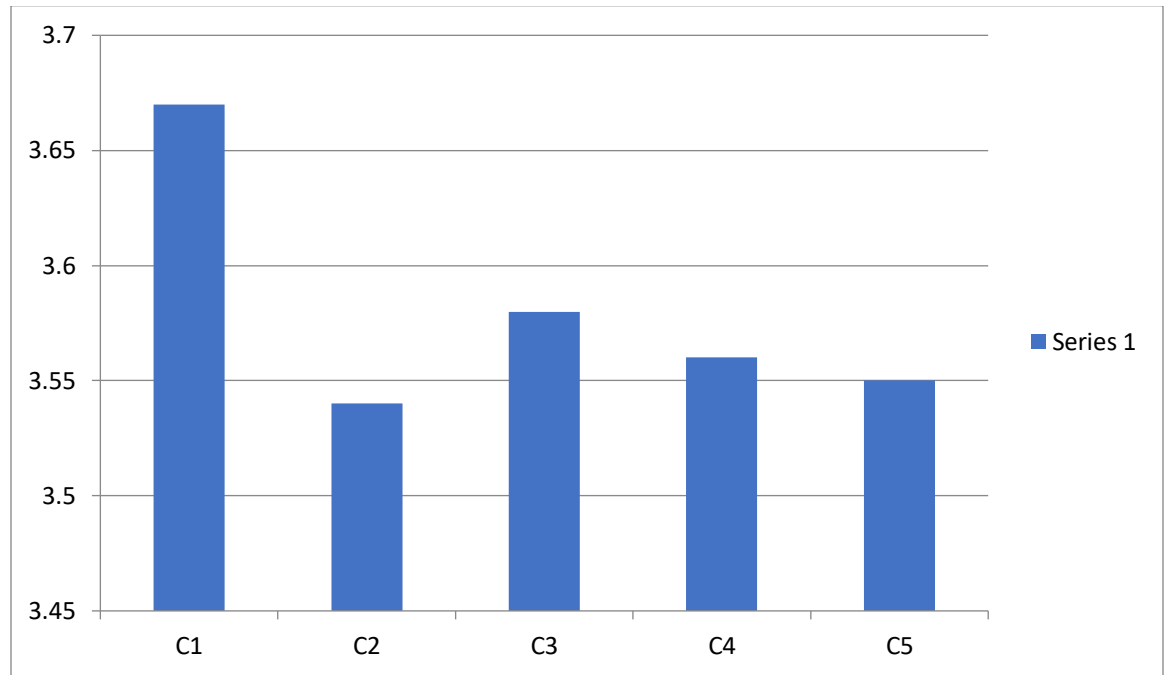

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>7</sub>(Chemistry in day today life) subject

and less satisfactory in the subject of  $c_2$  (Practical-I). Over all students satisfactory agree the all subjects.

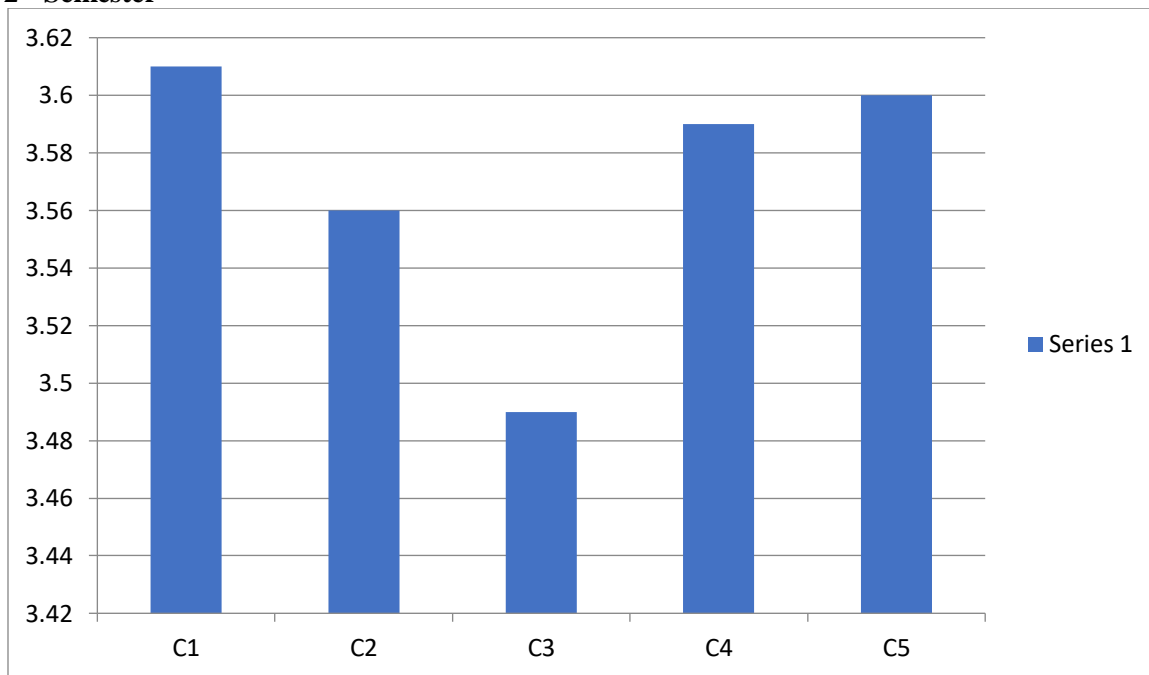

## Department of English:

### 1<sup>st</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (British literature-I) subject and less satisfactory in the subject of  $c_2$  (Dalit literature-I). Over all students satisfactory agree the all subjects.

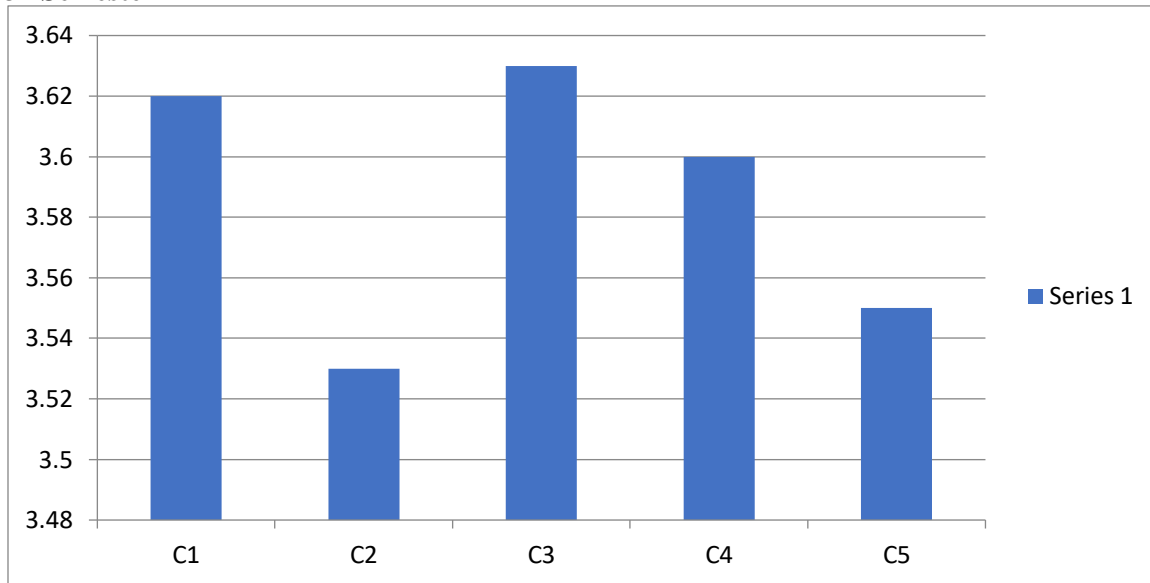

### 2<sup>nd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (British literature-II) subject and less

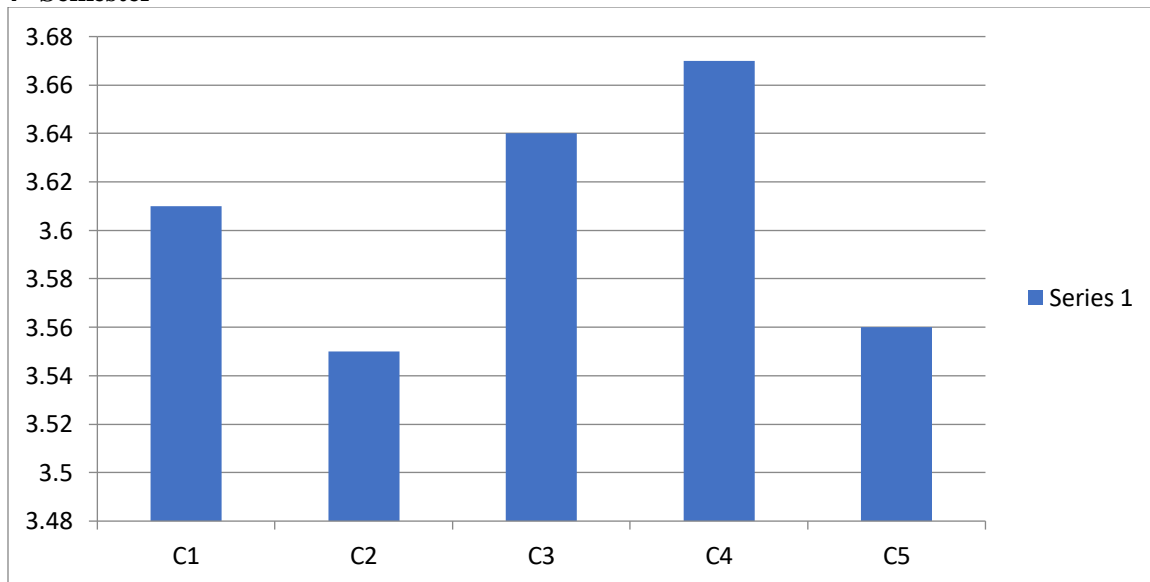

satisfactory in the subject of  $c_3$  (literature criticism). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (literary theory-III) subject and less satisfactory in the subject of  $c_2$  (American literature-I). Over all students satisfactory agree the all subjects.

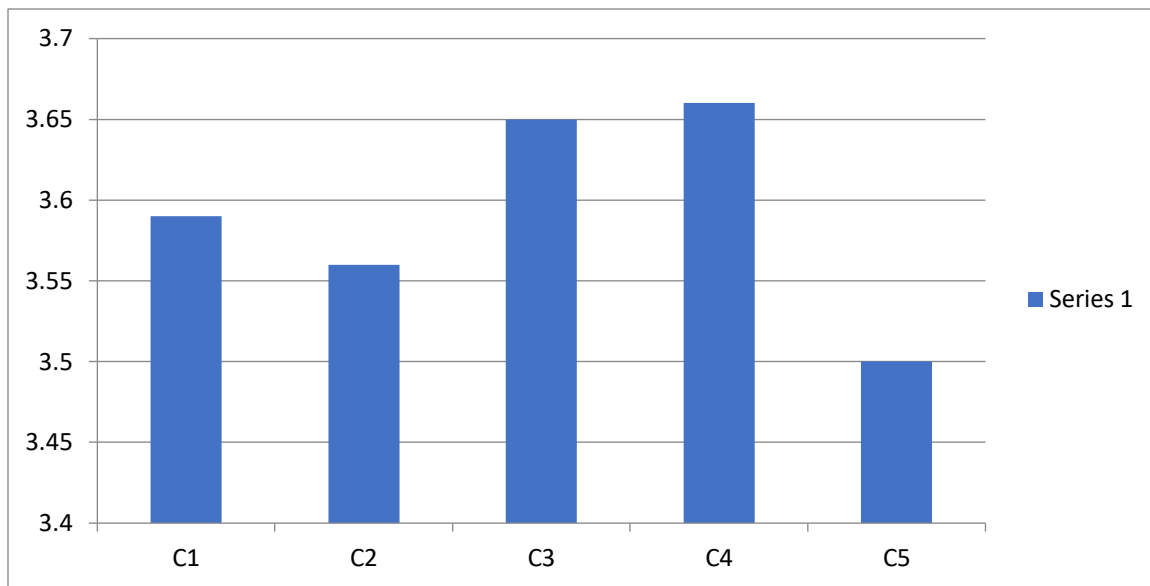

### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (translation studies ) subject and less satisfactory in the subject of  $c_2$  (American literature-II). Over all students satisfactory agree the all subjects.

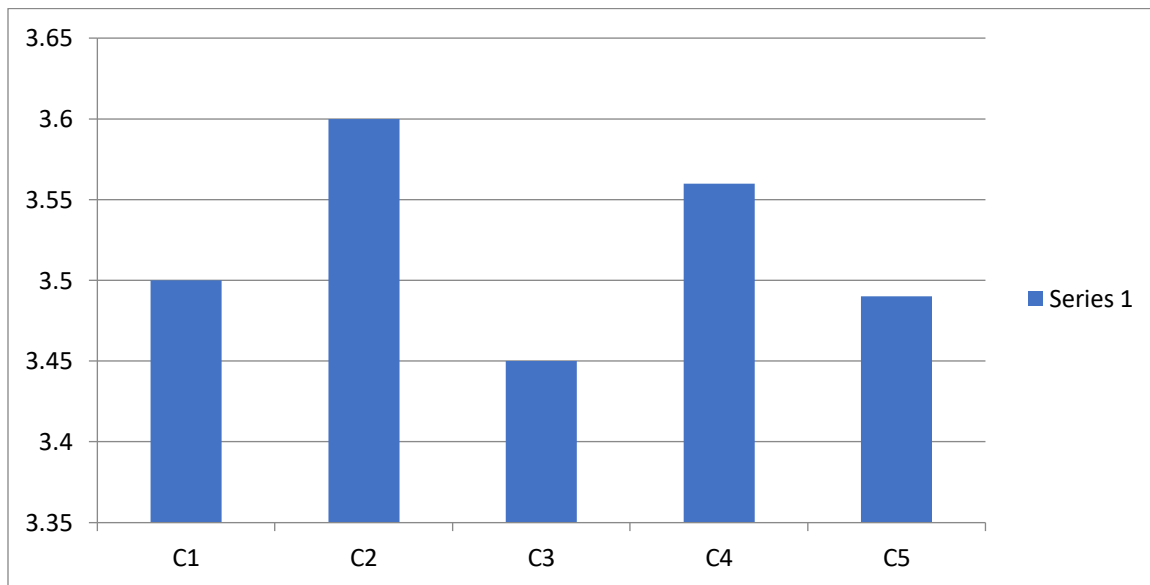

## Department of Hindi:

### 1<sup>st</sup> Semester

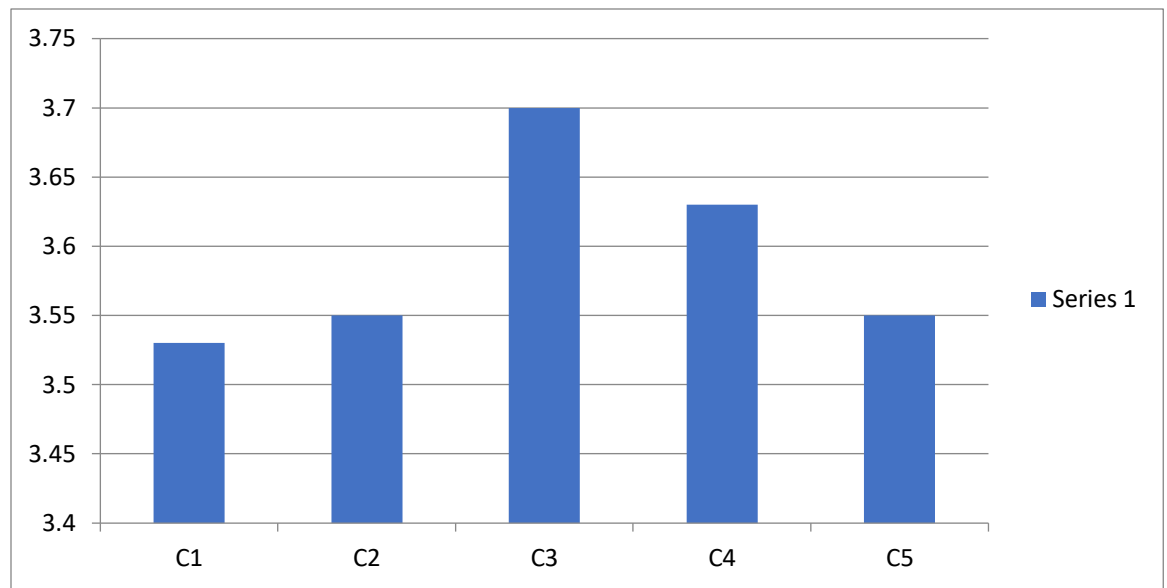

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (functional hindi and translation ) subject and less satisfactory in the subject of  $c_5$  (Open elective). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

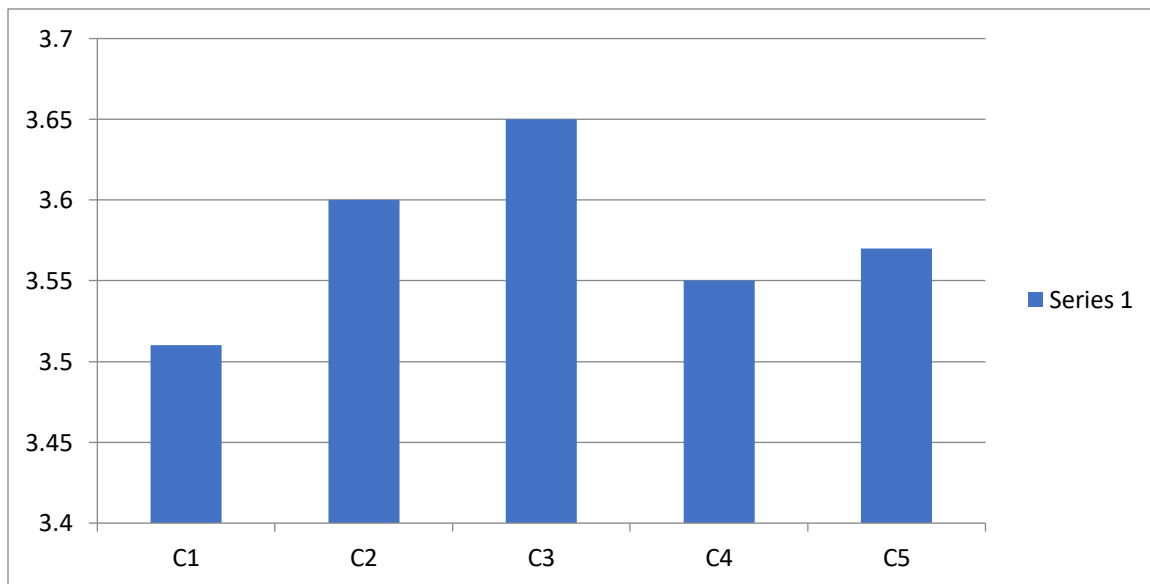

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (History of Hindi language and structure) subject and less satisfactory in the subject of  $c_3$  (Modern Hindi poetry). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

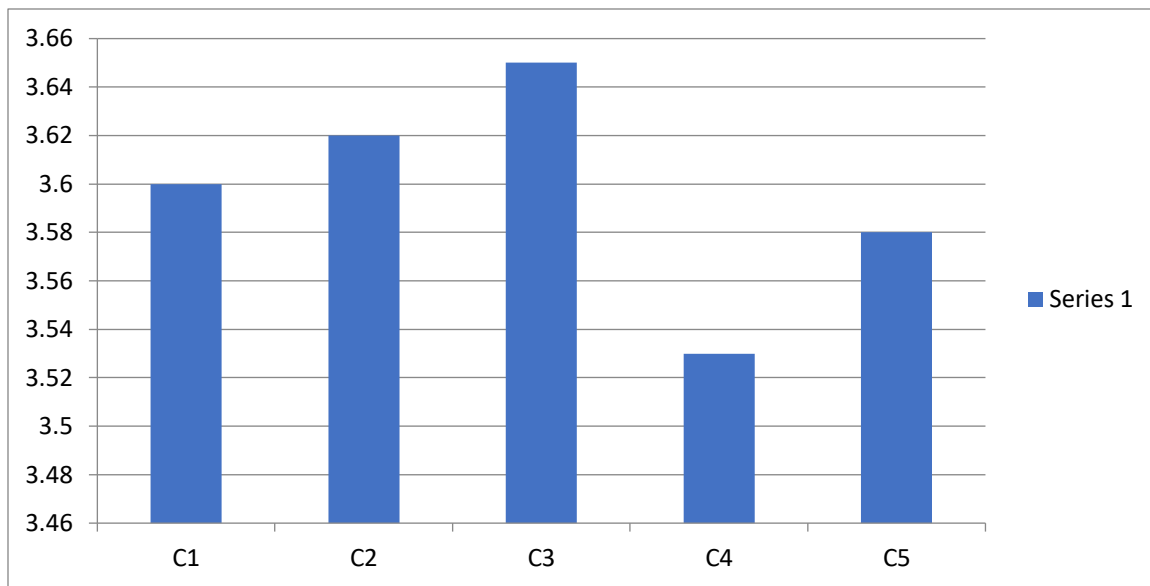

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Hindi dalit writing) subject and less satisfactory in the subject of  $c_1$  (Hindi criticism and critics). Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

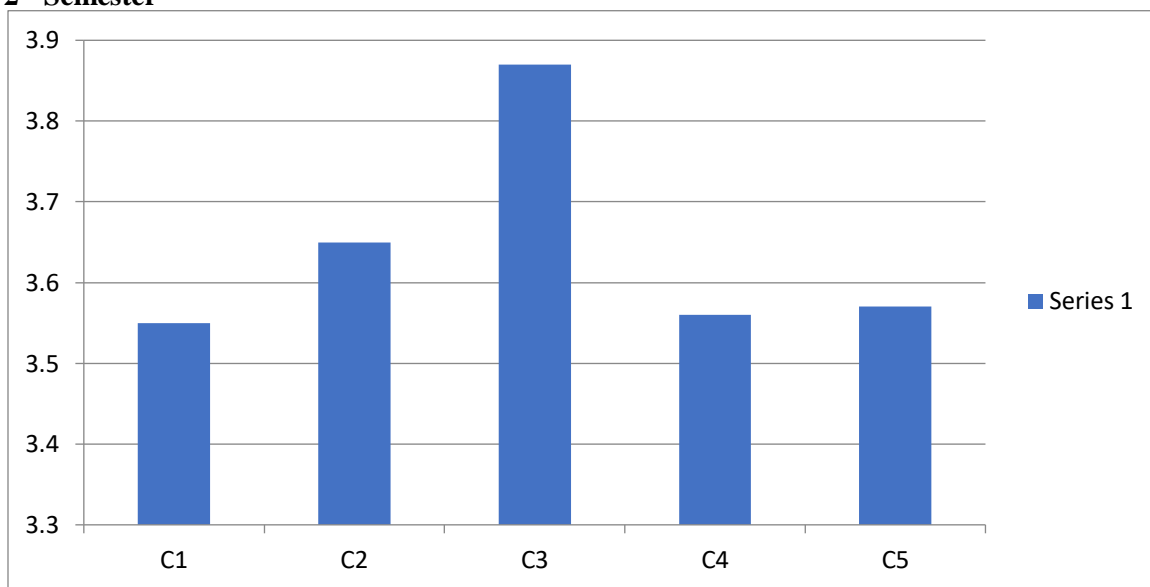

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Hindi and Indian comparative literature) subject and less satisfactory in the subject of  $c_1$  (Hindi cinema and literature). Over all students satisfactory agree the all subjects.

#### Department of History: 1<sup>st</sup> Semester

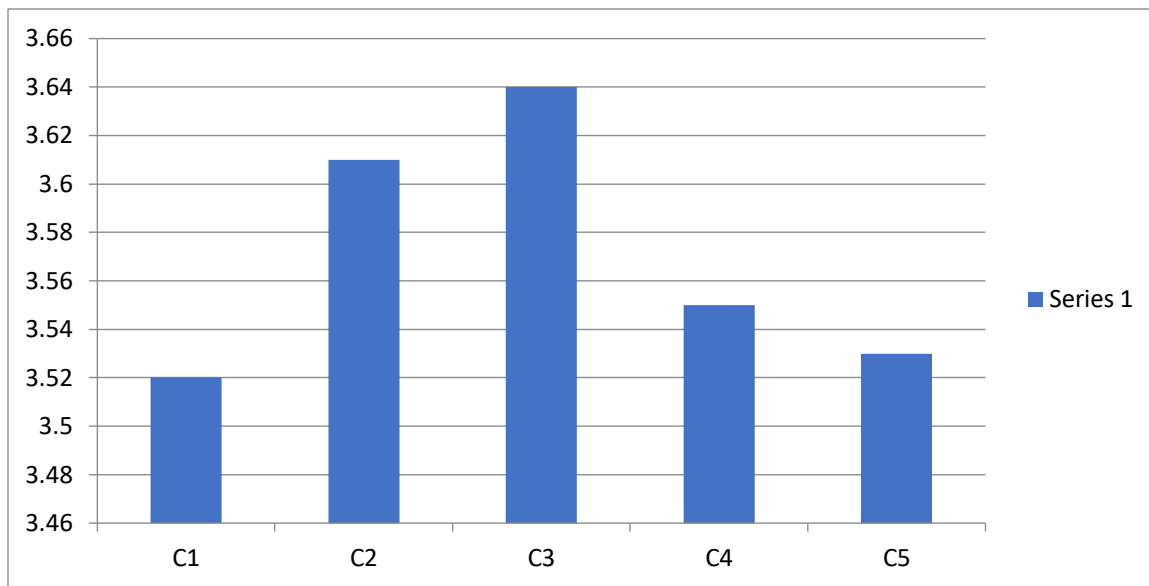

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (History of modern Europe) subject and less satisfactory in the subject of  $c_4$  (intellectual history of India). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

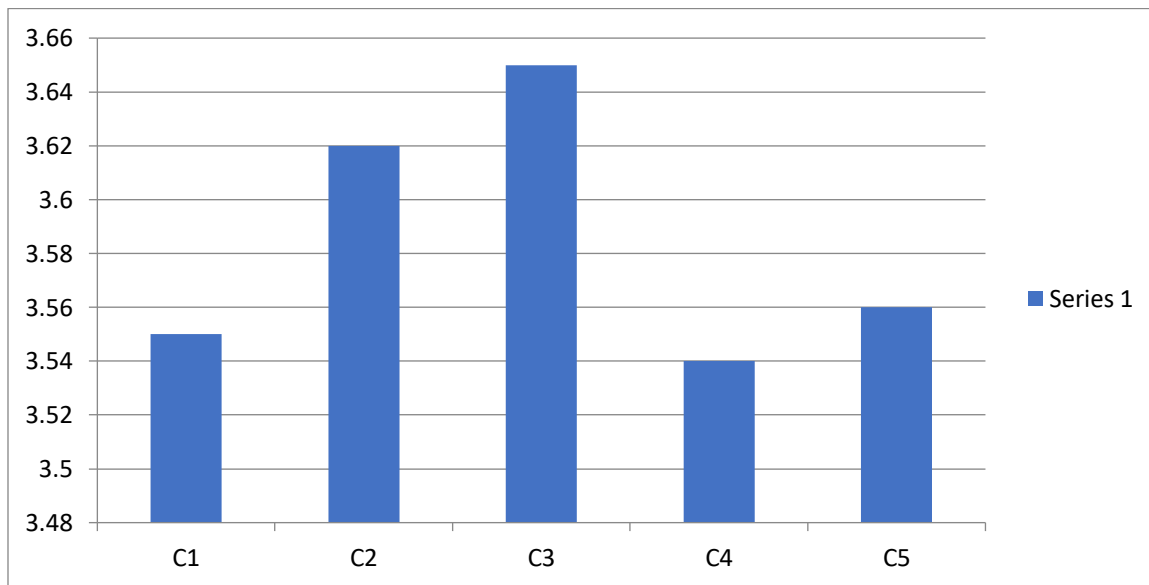

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (History of modern Europe) subject and less satisfactory in the subject of  $c_1$  (Ancient Indian History). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (research methodology ) subject and less satisfactory in the subject of  $c_1$  (History of Modern India). Over all students satisfactory agree the all subjects.

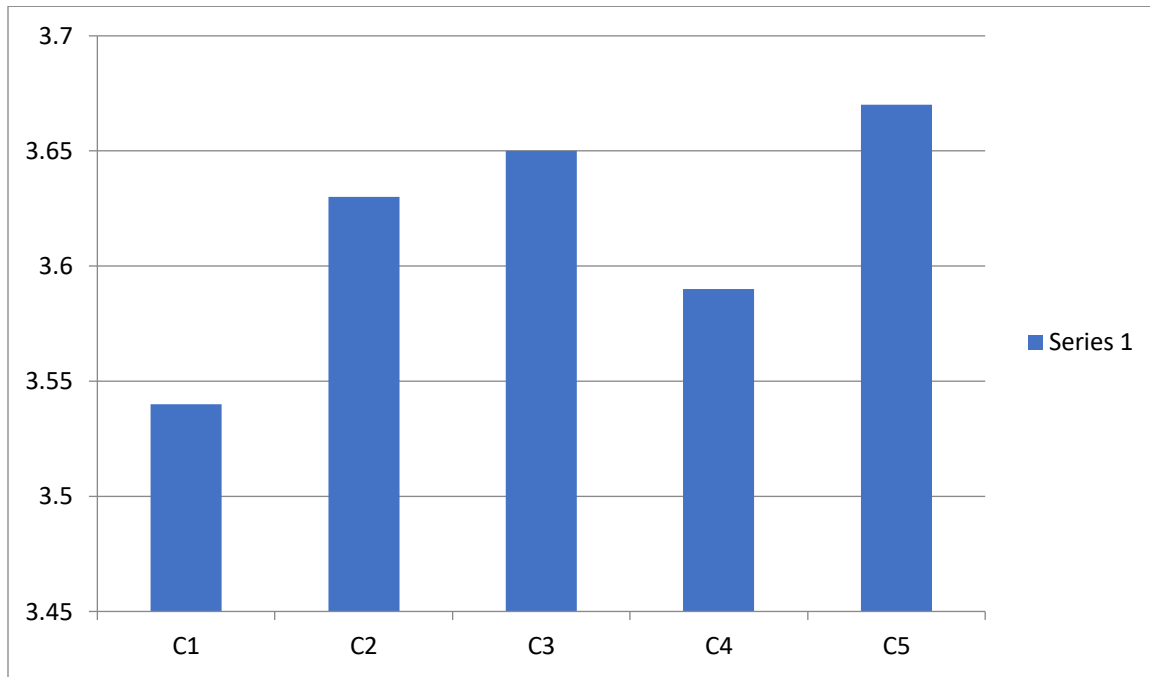

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Historiography) subject and less satisfactory in the subject of  $c_4$  (History of south India). Over all students satisfactory agree the all subjects.

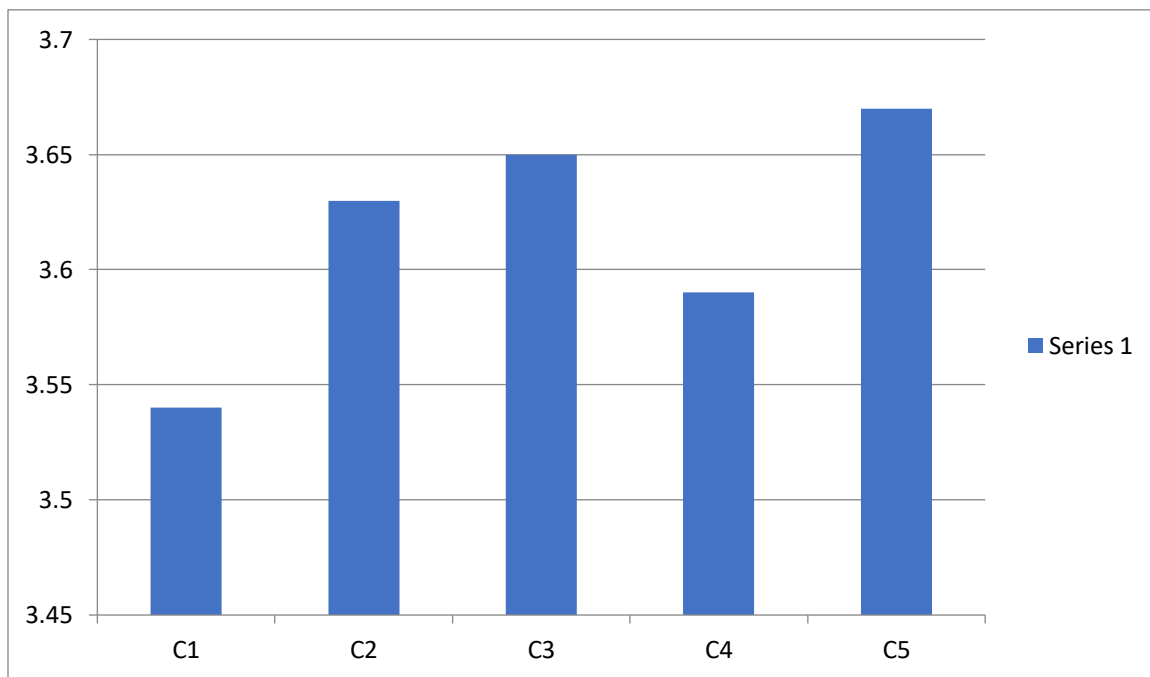

**Department of Kannada:  
1<sup>st</sup> Semester**

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(open elective) subject and less satisfactory in the subject of c<sub>1</sub> (prachine kannada sahitya ). Over all students satisfactory agree the all subjects.

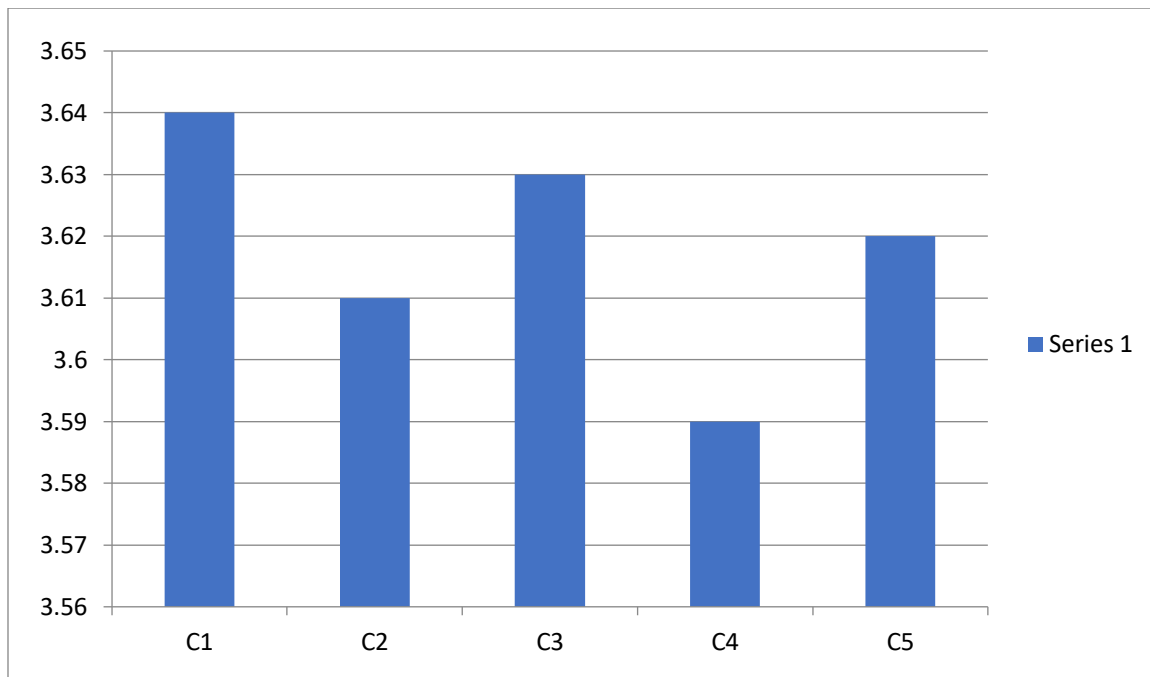

**2<sup>nd</sup> Semester**

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(open elective ) subject and less

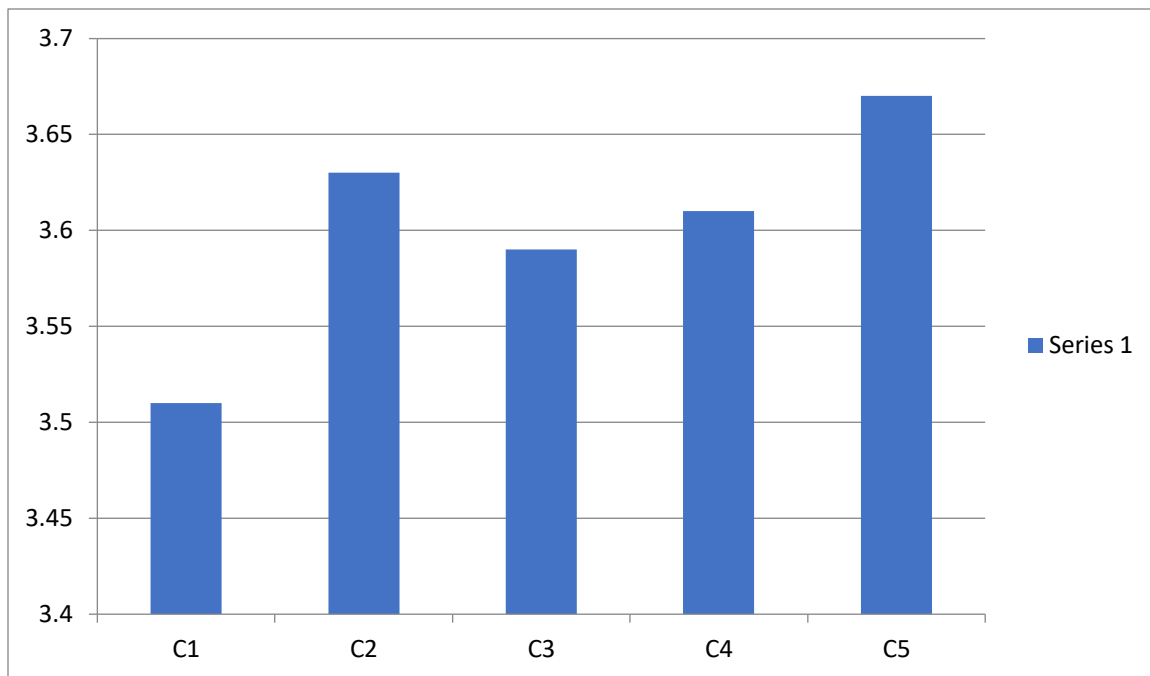

satisfactory in the subject of  $c_1$  (Madhyakalina Kannada Sahitya). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

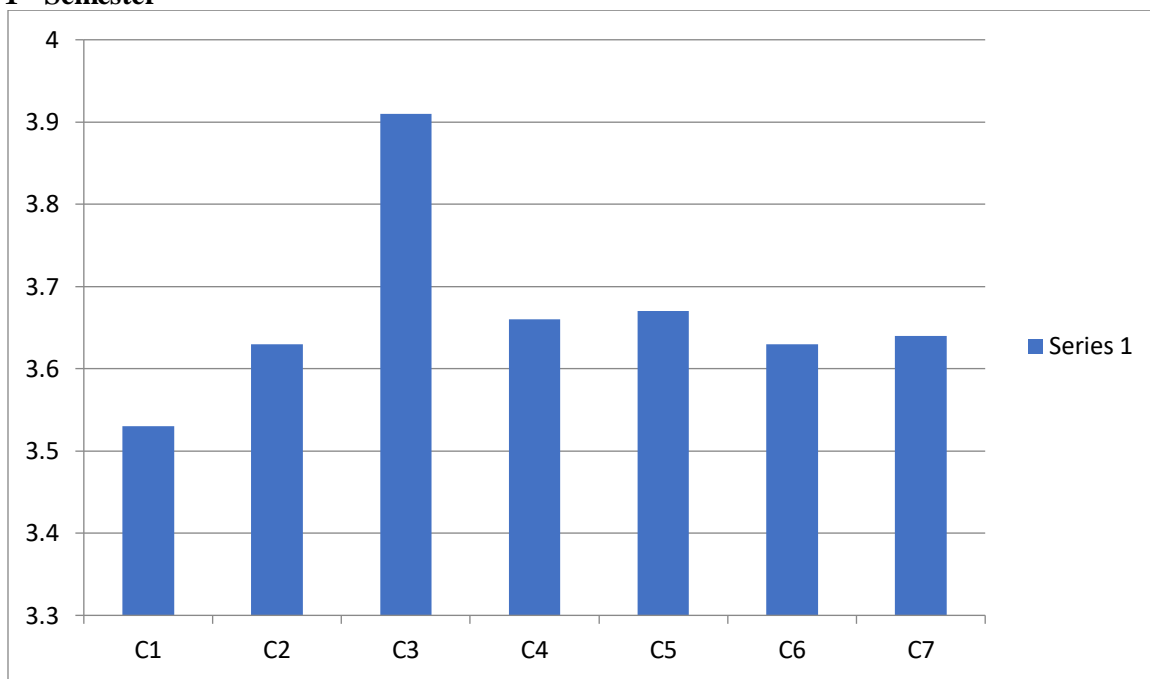

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (Adhunika kannada sahitya) subject and less satisfactory in the subject of  $c_4$  (kannada shoushodhane). Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

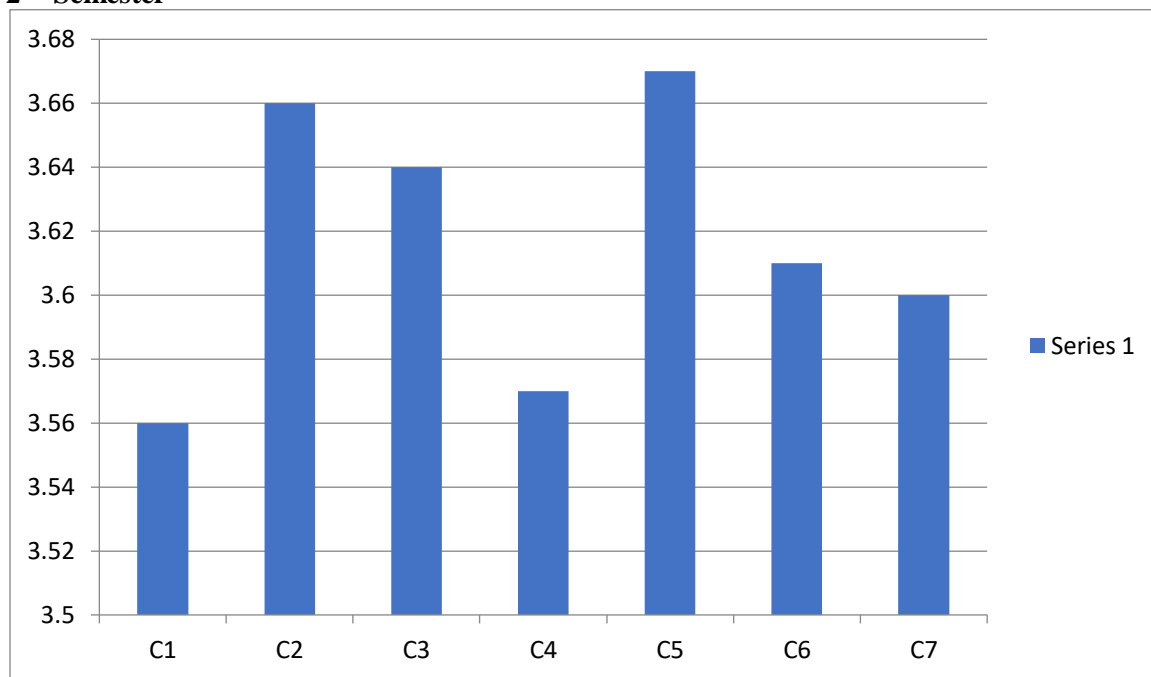

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (prabhanda rachane) subject and less satisfactory in the subject of  $c_1$  (Janapada sahitya). Over all students satisfactory agree the all subjects.

**Department of MBA:  
1<sup>st</sup> Semester**

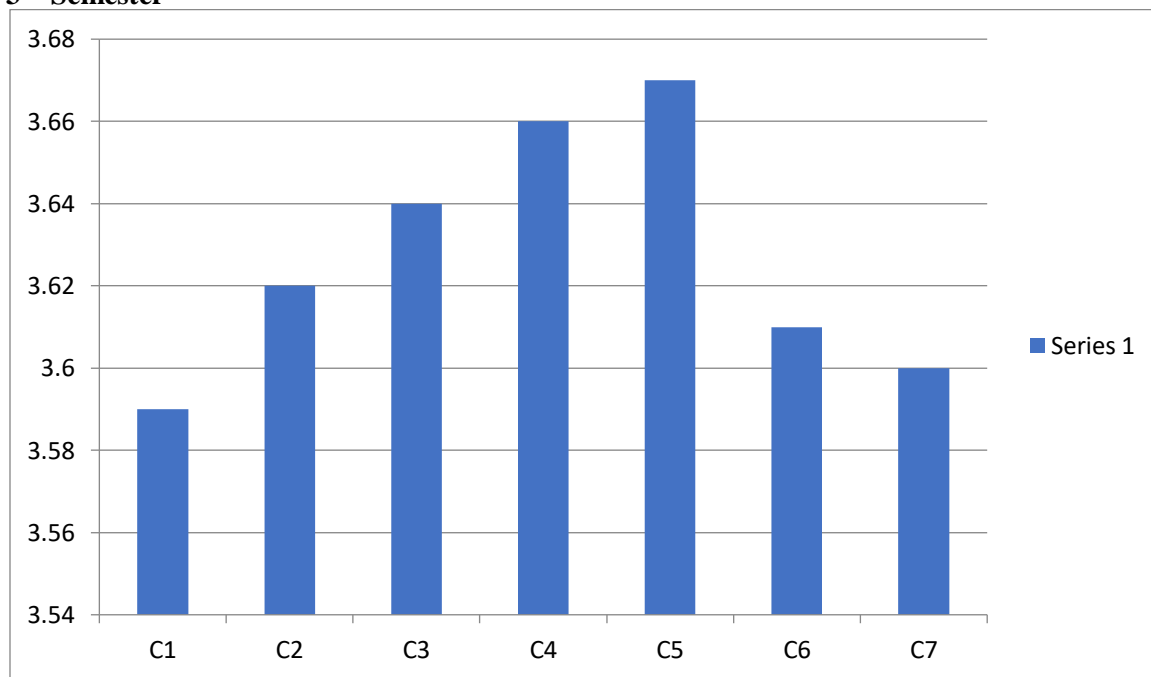

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Accounting for managers) subject and less satisfactory in the subject of  $c_1$ (Managerial Economics). Over all students satisfactory agree the all subjects.

## 2<sup>nd</sup> Semester

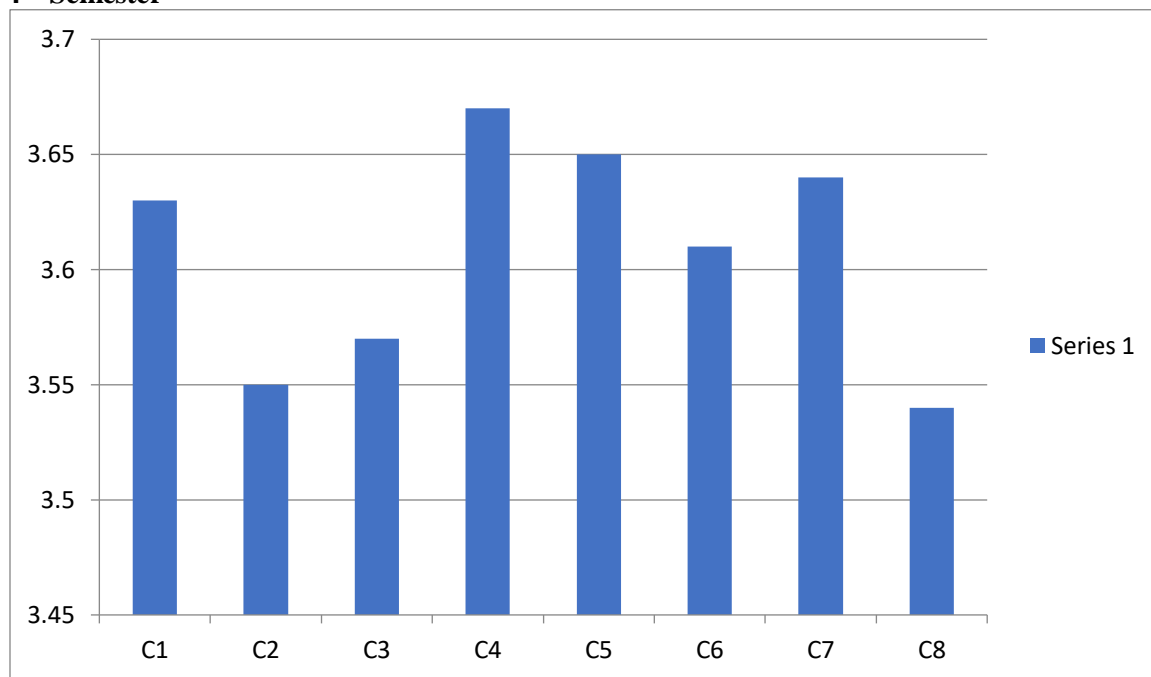

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Organisational Behaviour) subject and less satisfactory in the subject of c<sub>1</sub> (Business Research Methods). Over all students satisfactory agree the all subjects.

## 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Elective I) subject and less satisfactory in the subject of c<sub>1</sub> (Strategic management). Over all students satisfactory agree the all subjects.

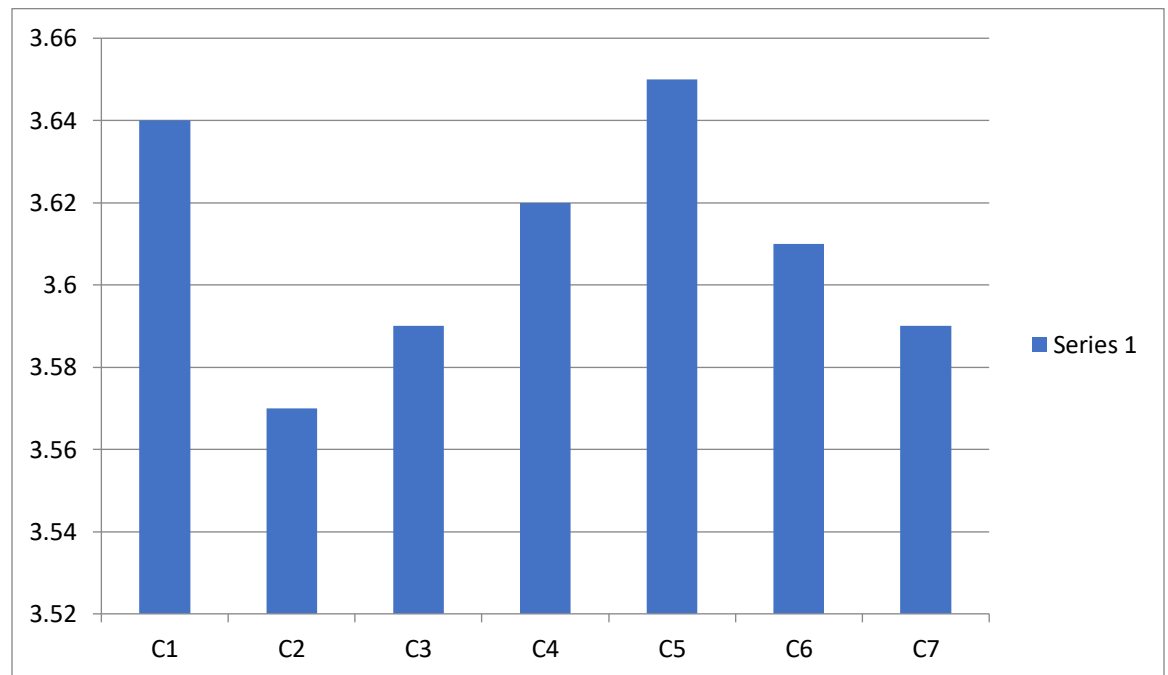

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Elective-IV) subject and less satisfactory in the subject of  $c_8$ (Entrepreneurship development and project management). Over all students satisfactory agree the all subjects.

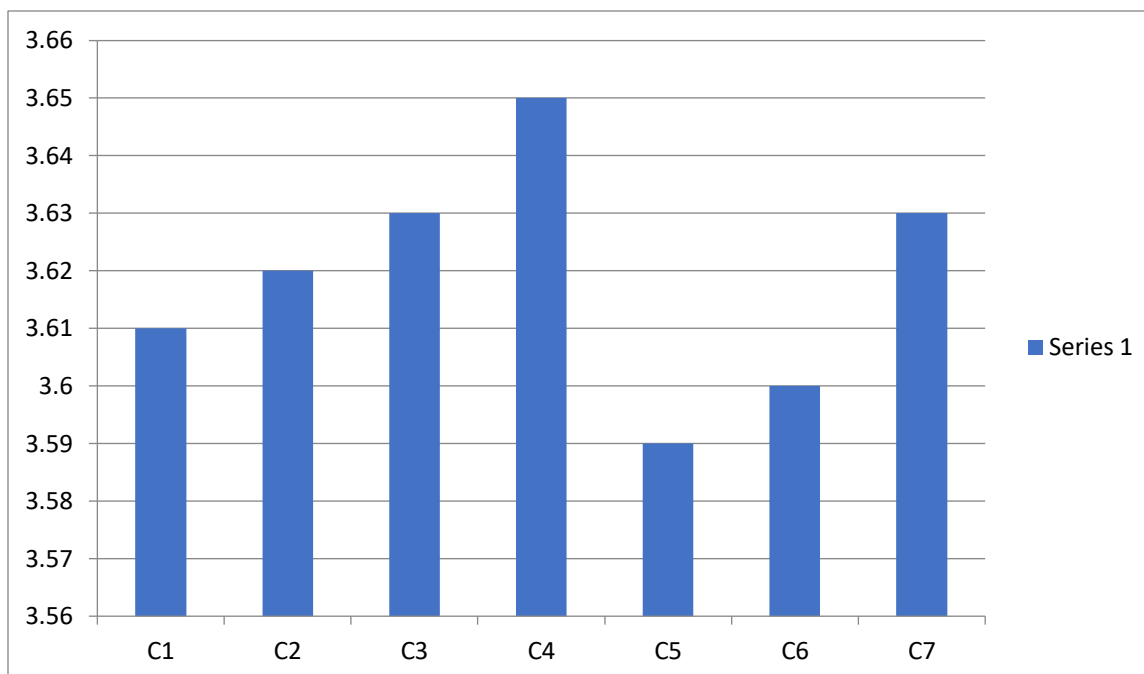

#### Department of MCA:

##### 1<sup>st</sup> Semester

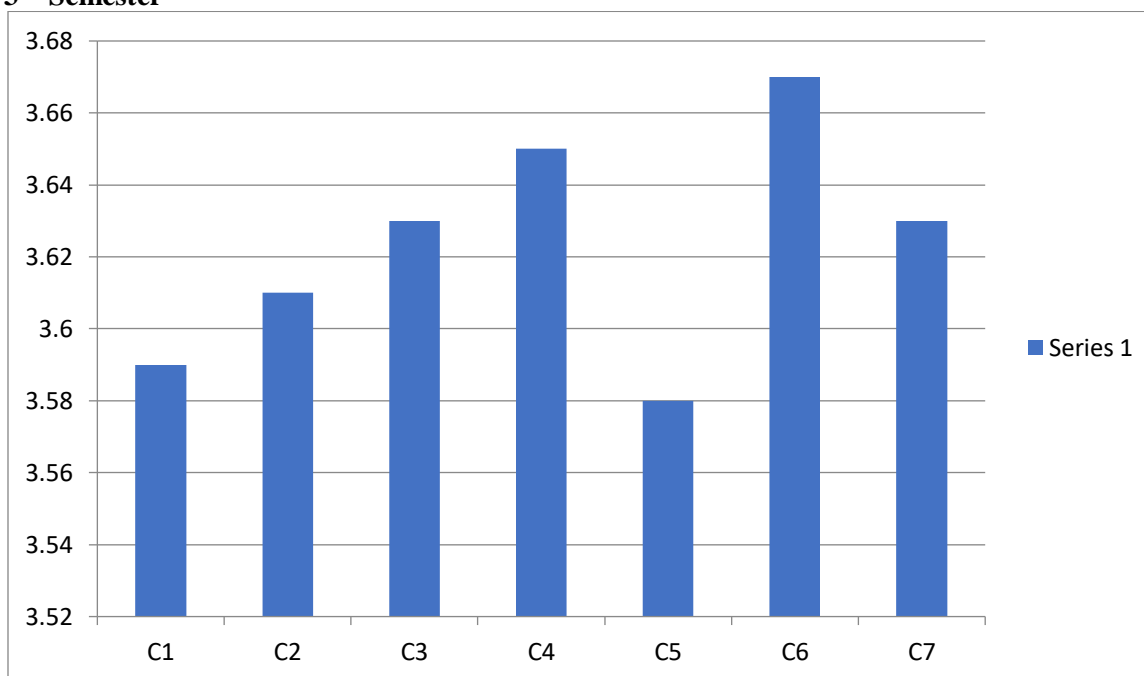

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (programming lab) subject and less satisfactory in the subject of  $c_2$ (discrete mathematical structure). Over all students satisfactory agree the all subjects.

##### 2<sup>nd</sup> Semester

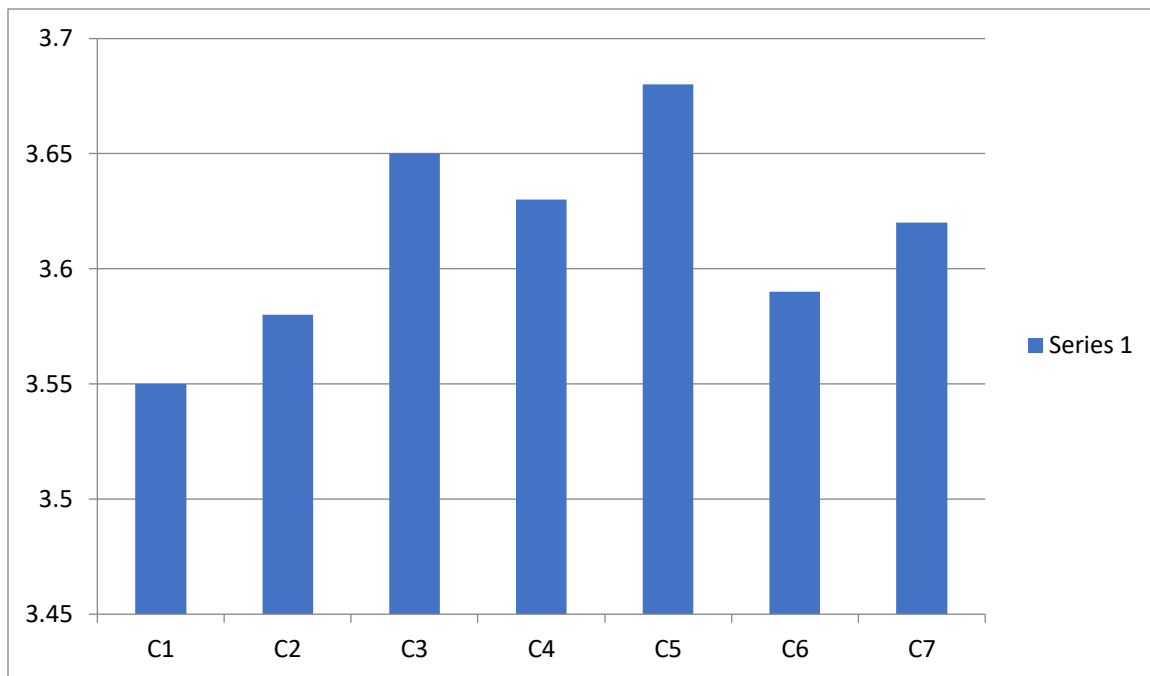

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(managerial economics) subject and less satisfactory in the subject of c<sub>5</sub> (Data Structure using Lab). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

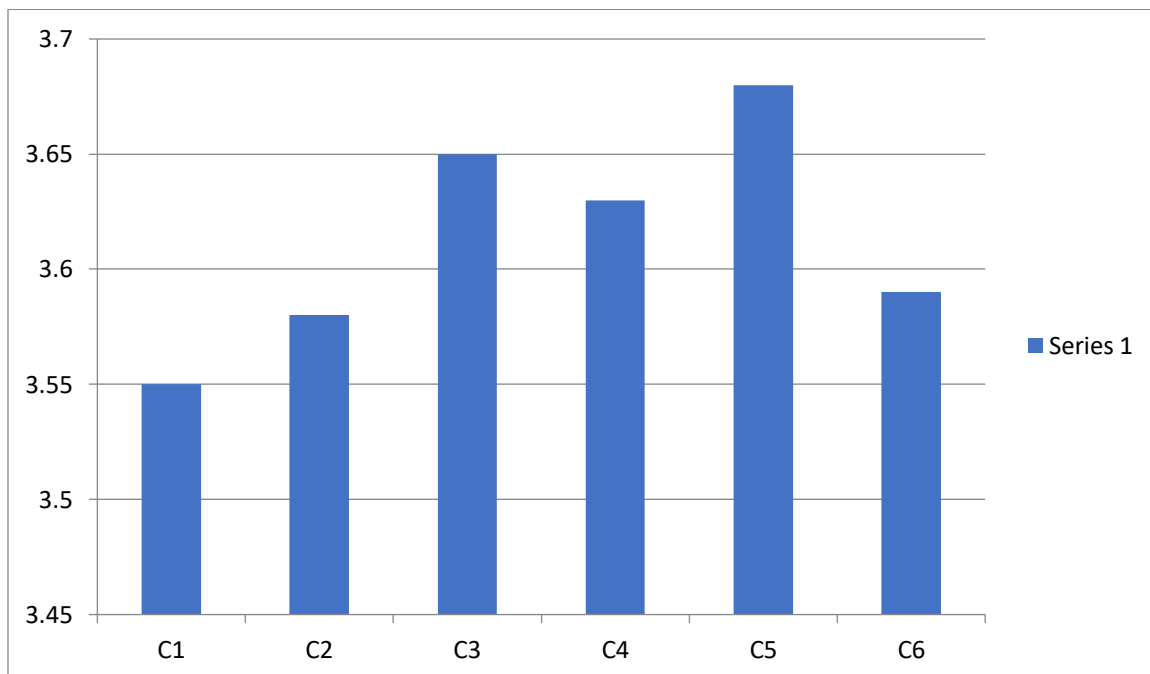

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(ADA and networking lab) subject and less satisfactory in the subject of c<sub>5</sub> (RDBMS lab). Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

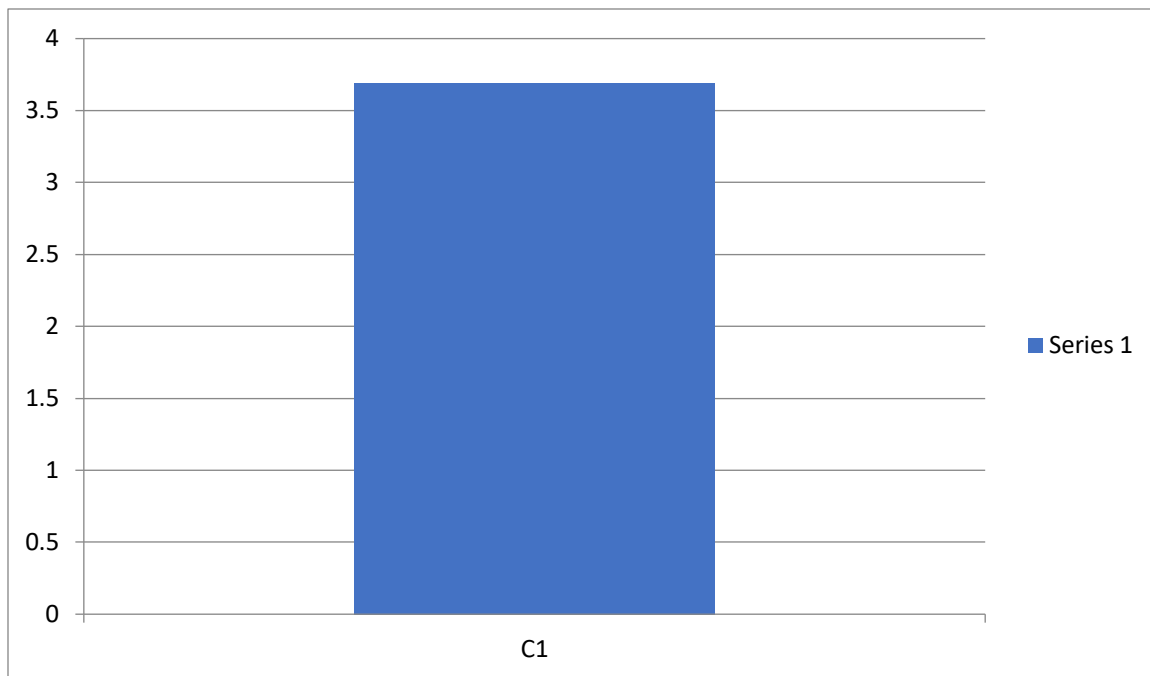

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(web programming lab) subject and less satisfactory in the subject of c<sub>1</sub> (web technology). Over all students satisfactory agree the all subjects.

### 5<sup>th</sup> Semester

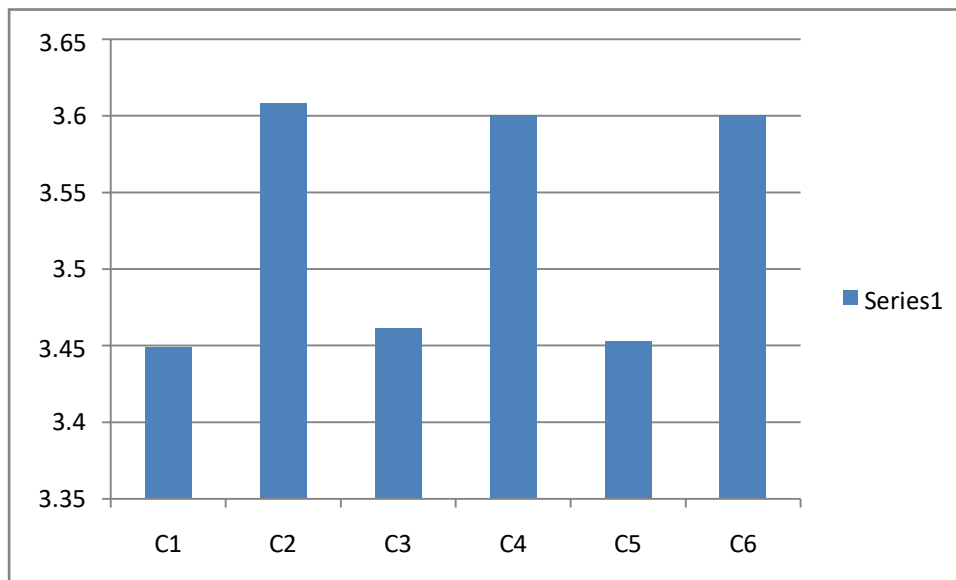

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Cloud computing lab) subject and less satisfactory in the subject of c<sub>1</sub> (web technology). Over all students satisfactory agree the all subjects.

### 6<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, number of students have good opinion for the c<sub>1</sub>(project work) subject. Over all students satisfactory agree the all subjects.

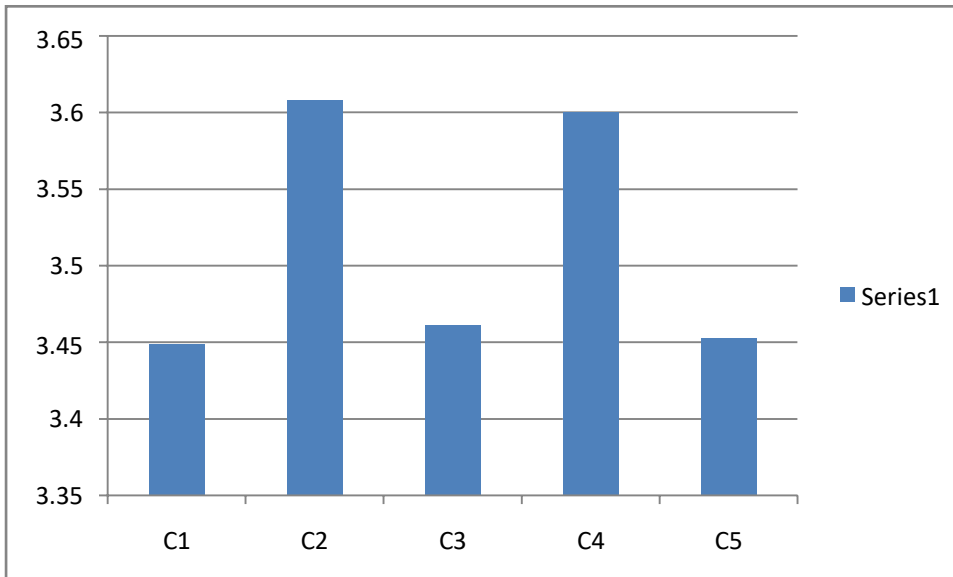

**Department of M. COM:  
1<sup>st</sup> Semester**

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Financial Management) subject and less satisfactory in the subject of c<sub>1</sub> (Management Process and Practices). Over all students satisfactory agree the all subjects

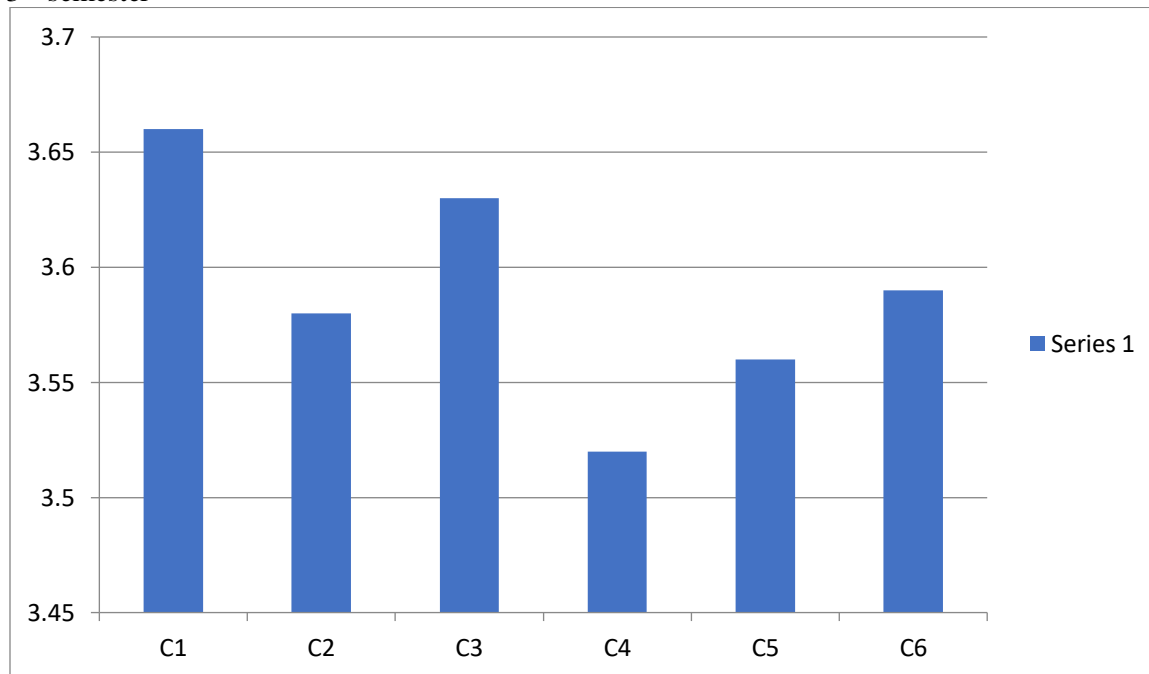

## 2<sup>nd</sup> Semester

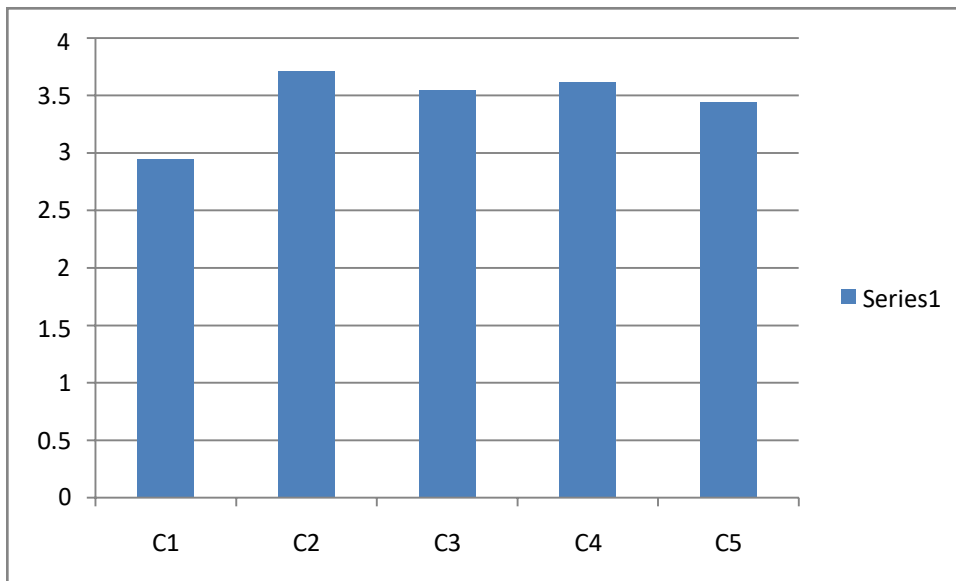

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub> (Business Research Methods) subject and less satisfactory in the subject of c<sub>1</sub> (Organizational Behaviour). Over all students satisfactory agree the all subjects.

## 3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>1</sub>(strategic management) subject and less satisfactory in the subject of c<sub>4</sub> (international business). Over all students satisfactory agree the all subjects.

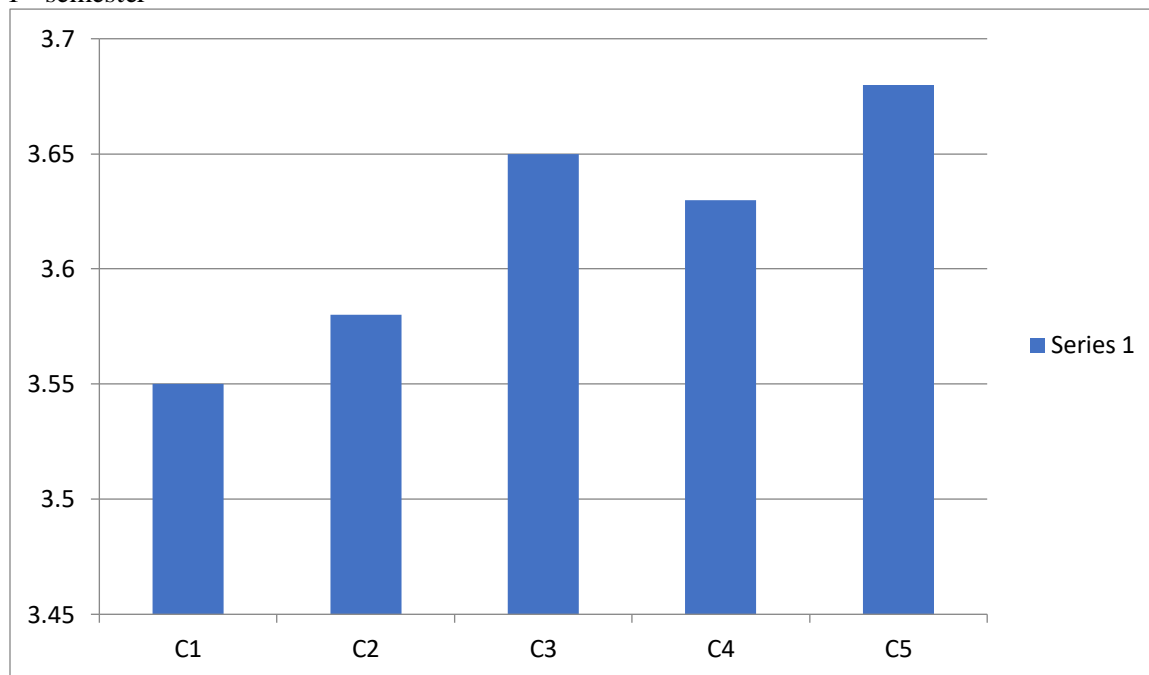

## 4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Corporate Law) subject and less satisfactory in the subject of  $c_1$  (Business Ethics and Corporate Governance). Over all students satisfactory agree the all subjects.

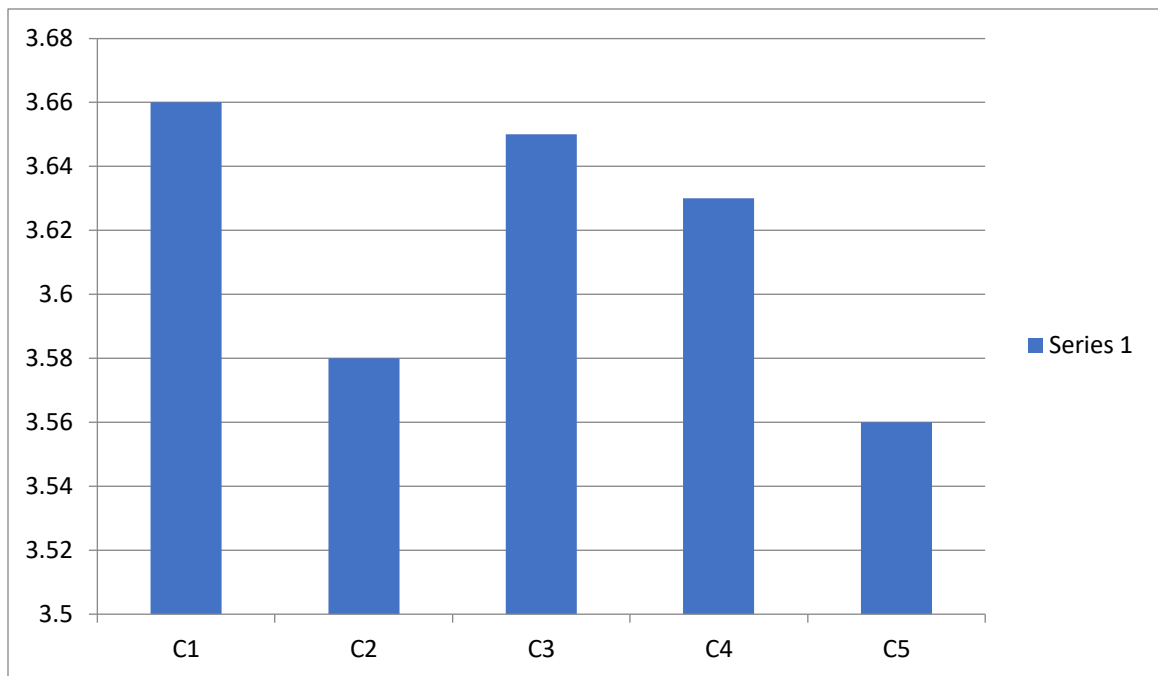

### Department of MLISc:

1<sup>st</sup> semester

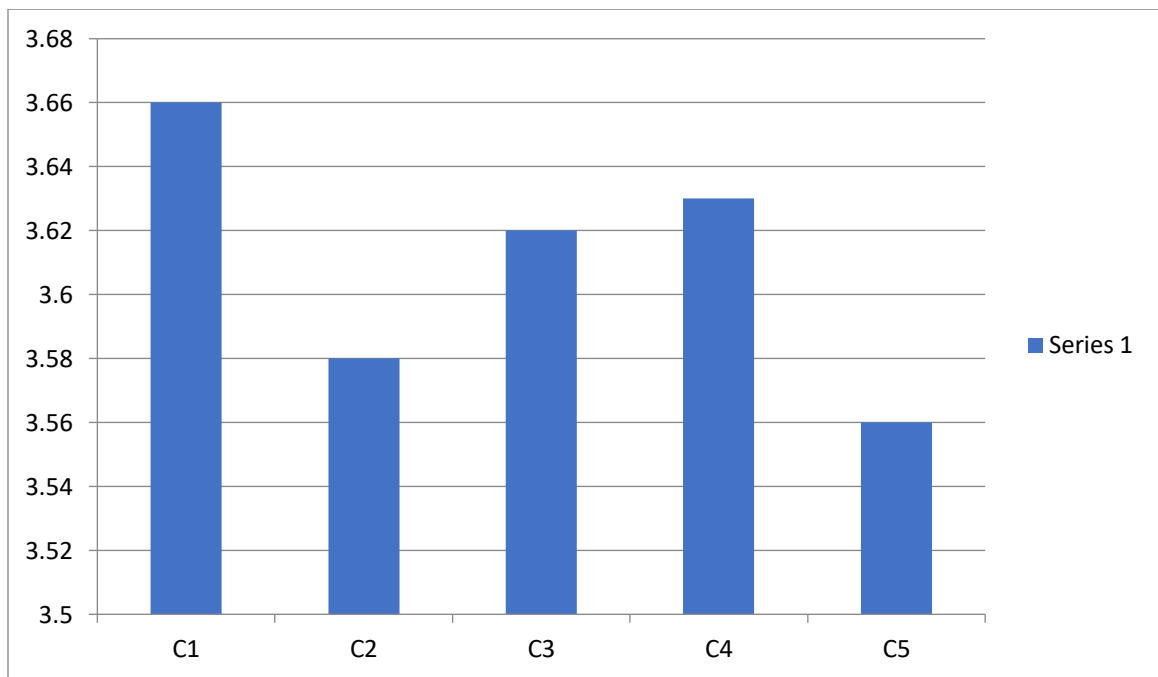

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (open elective) subject and less satisfactory in the subject of  $c_1$  (Foundations of library and information sciences). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

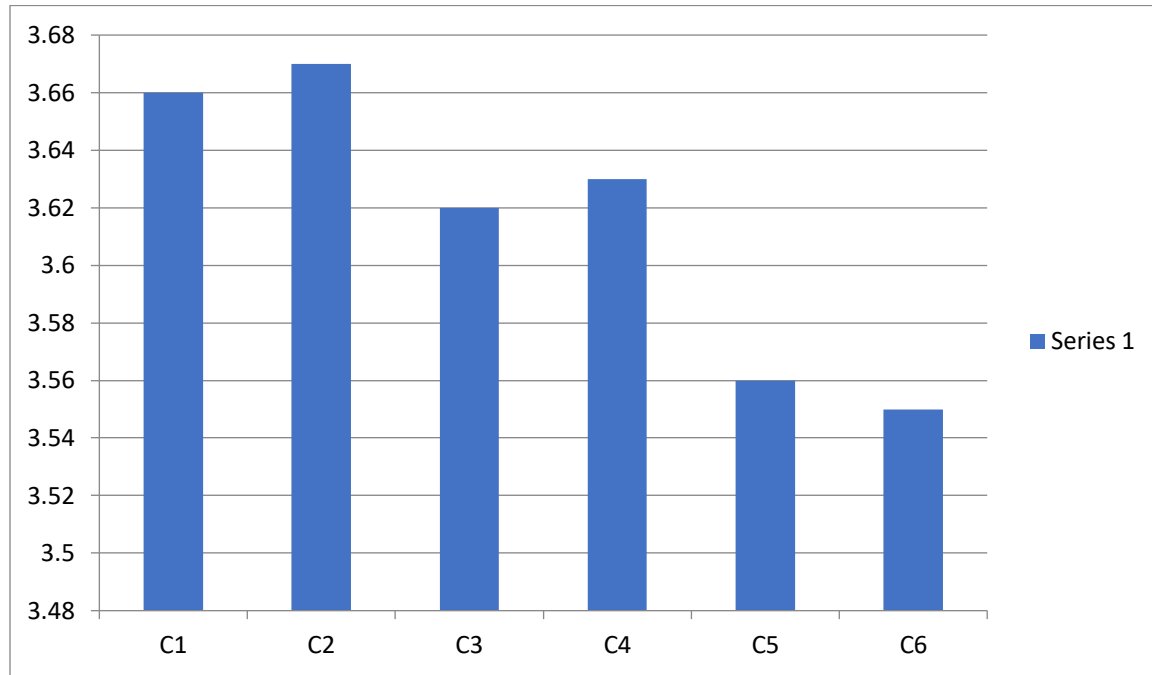

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$  (Information Sources) subject and less satisfactory in the subject of  $c_5$  (Women and health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (library automation) subject and less satisfactory in the subject of  $c_5$  (Open elective). Over all students satisfactory agree the all subjects.

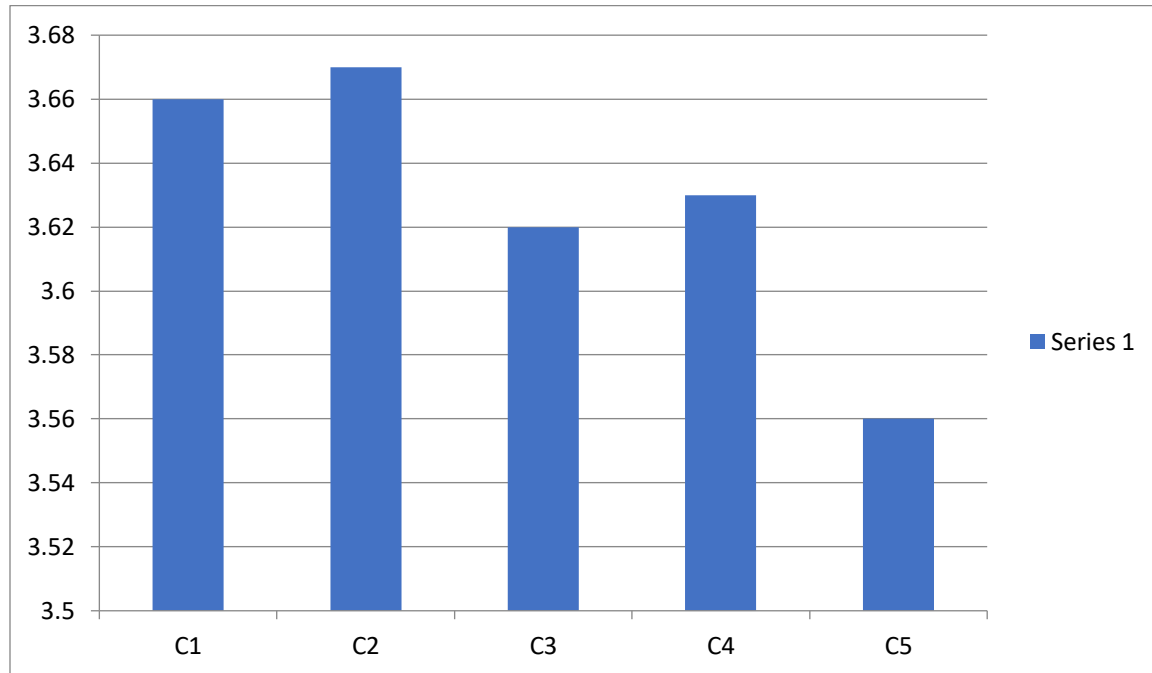

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(digital library) subject and less satisfactory in the subject of c<sub>6</sub> (open elective). Over all students satisfactory agree the all subjects.

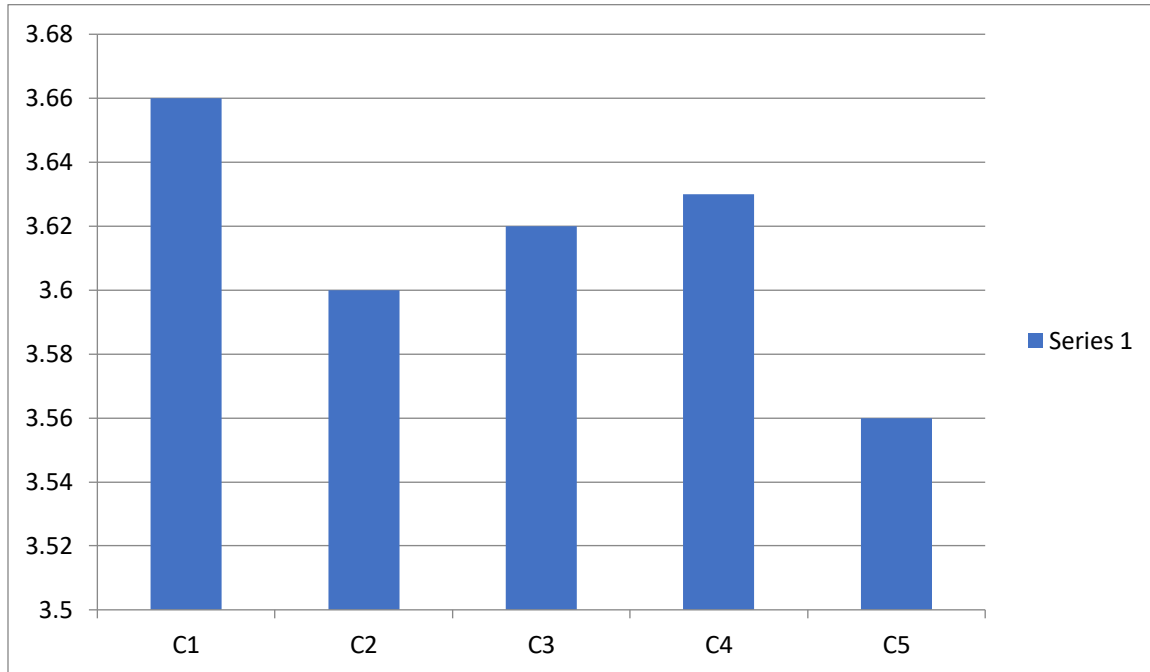

### Department of MSW

1<sup>st</sup> semester

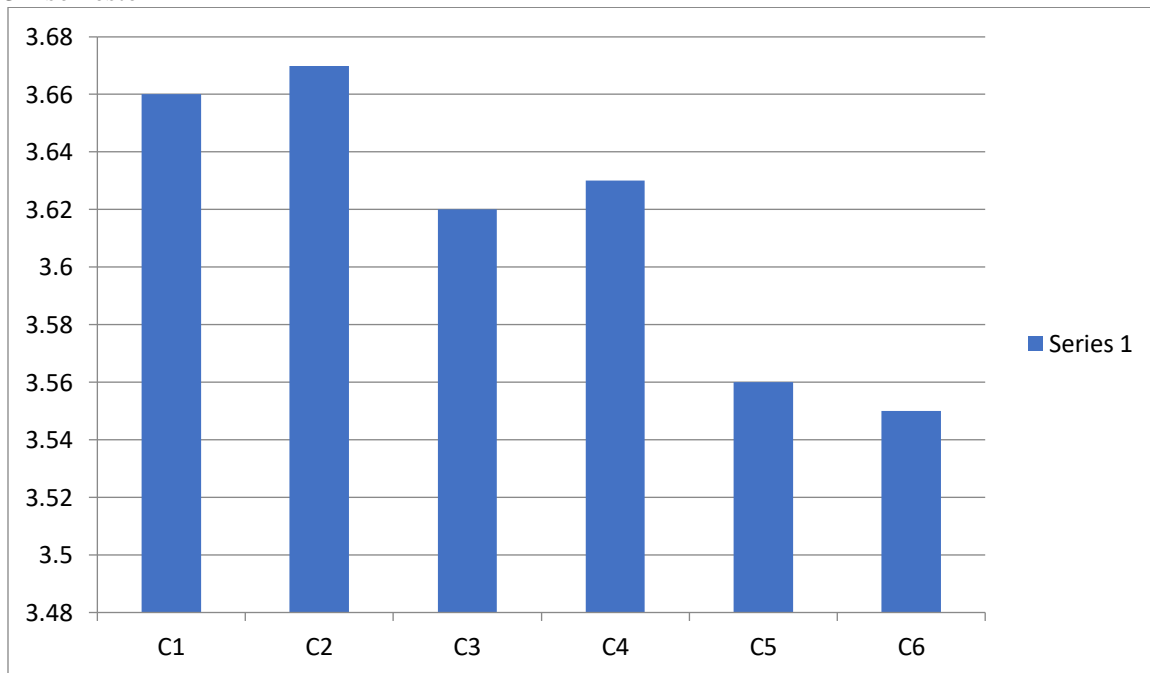

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Working with indusial and families) subject and less satisfactory in the subject of c<sub>5</sub> (Feminine Jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

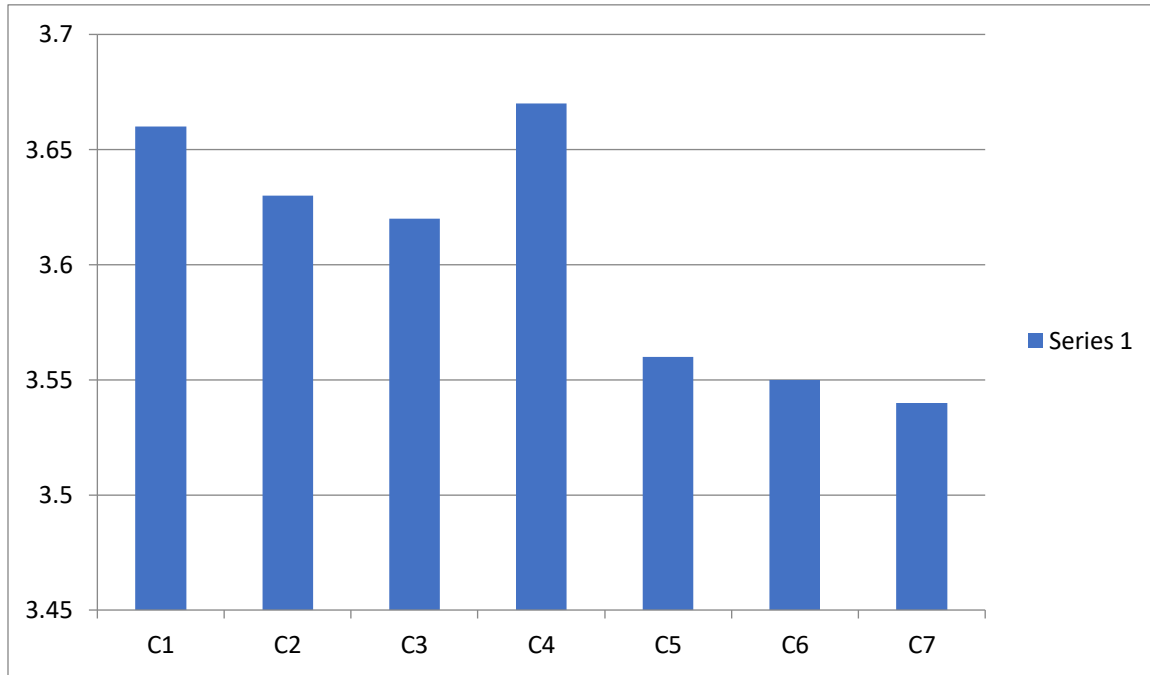

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (Working with group) subject and less satisfactory in the subject of  $c_5$  (women and health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Management of Non Governmental Organisations.) subject and less satisfactory in the subject of  $c_6$  (Open elective). Over all students satisfactory agree the all subjects.

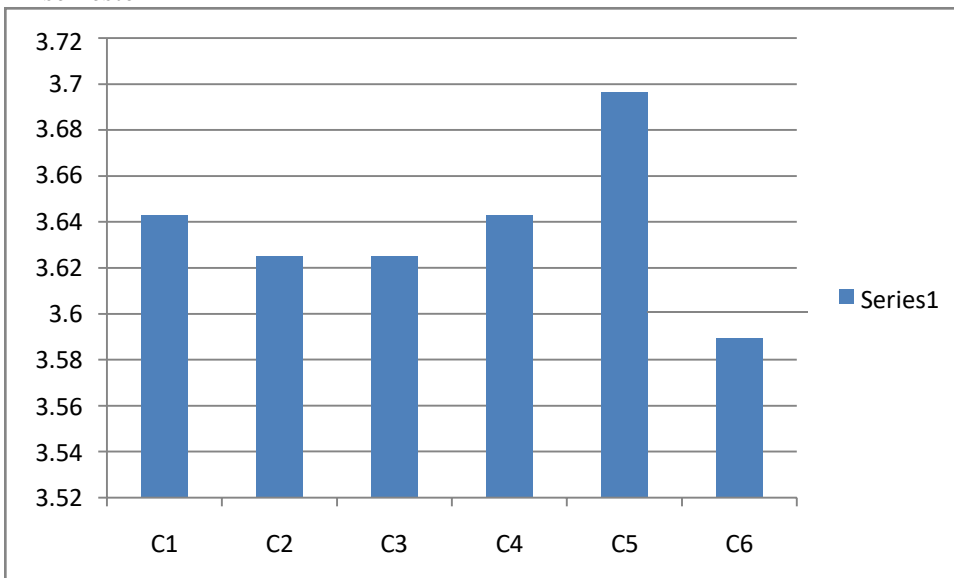

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(research project work) subject and less satisfactory in the subject of c<sub>7</sub>(Open elective). Over all students satisfactory agree the all subjects.

### Department of Music

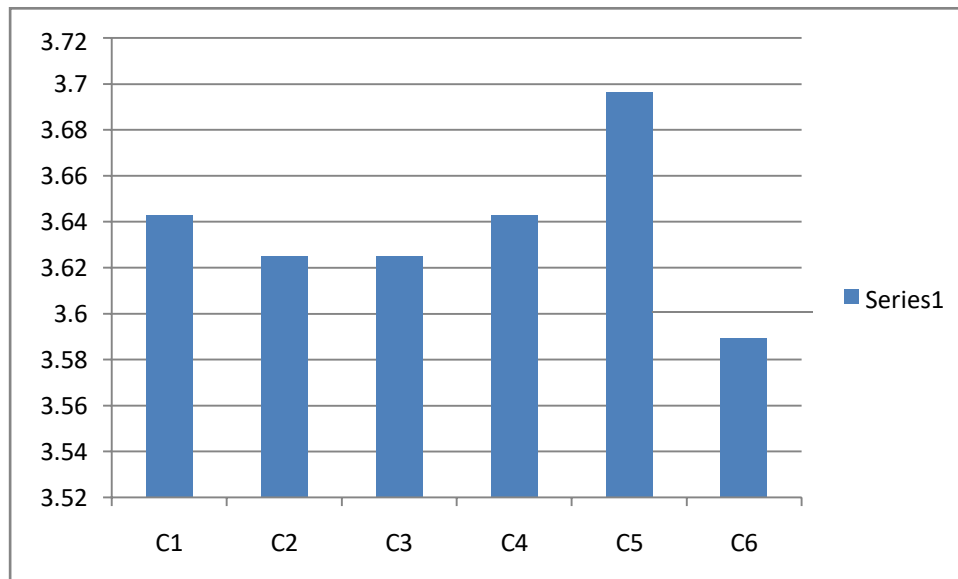

1<sup>st</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Practical Hindustani Vocal –III) subject and less satisfactory in the subject of c<sub>6</sub> (Feminist Jurisprudence). Over all students satisfactory

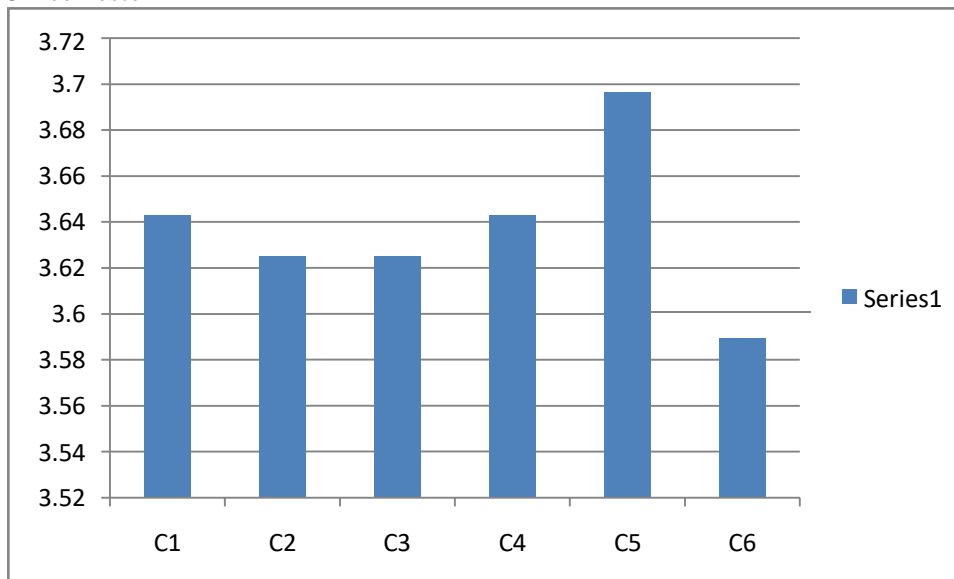

agree the all subjects.

2<sup>nd</sup> semester

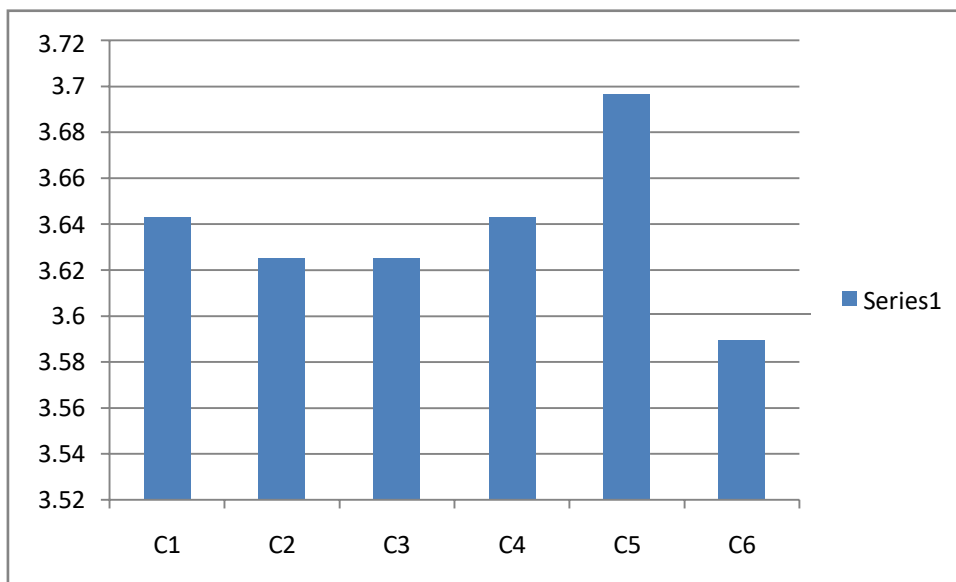

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub> (Practical Hindustani Vocal -II.) subject and less satisfactory in the subject of c<sub>6</sub> (Women's Health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Practical Hindustani Vocal -III.) subject and less satisfactory in the subject of c<sub>6</sub> (Open elective.). Over all students satisfactory agree the all subjects.

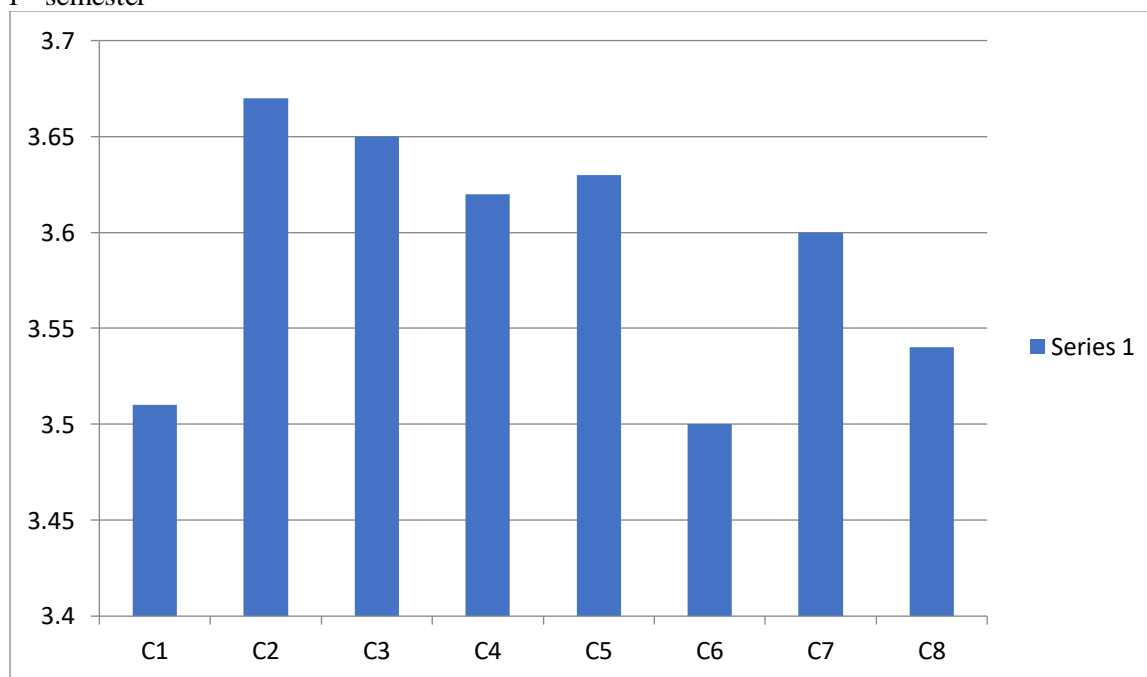

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Practical Hindustani Vocal -III.) subject and less satisfactory in the subject of  $c_6$ (Personality Development). Over all students satisfactory agree the all subjects.

### Department of Pharma chemistry

1<sup>st</sup> semester

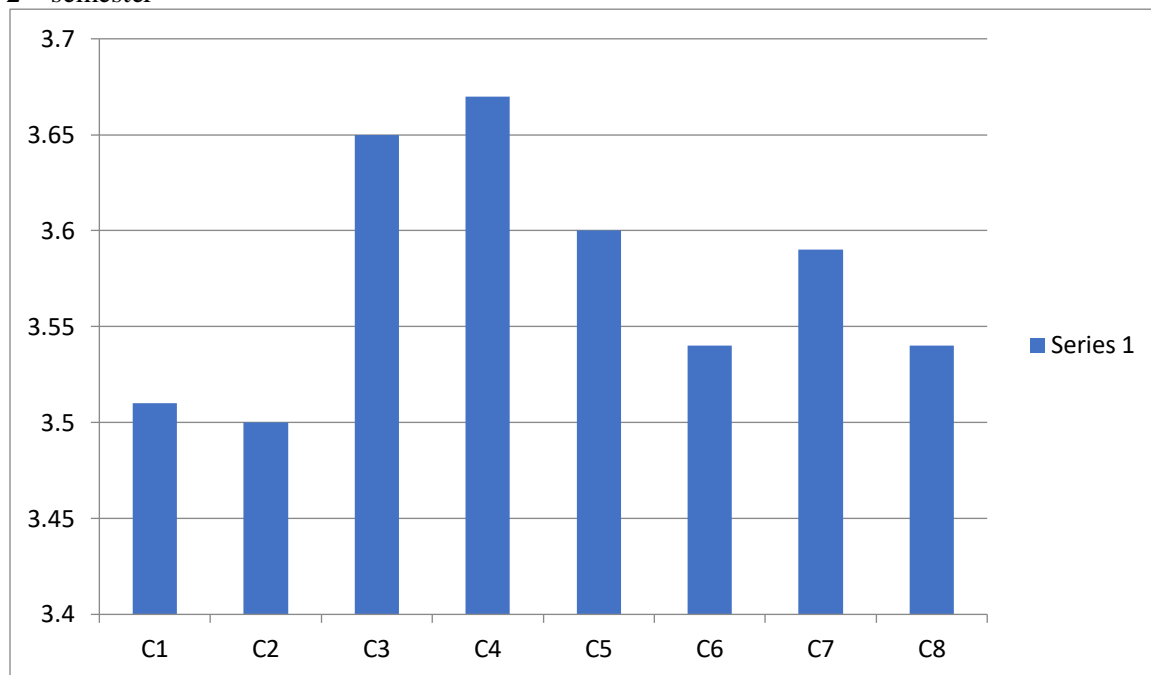

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Organic chemistry I) subject and less satisfactory in the subject of  $c_6$  (Inorganic chemistry practical I). Over all students satisfactory agree the

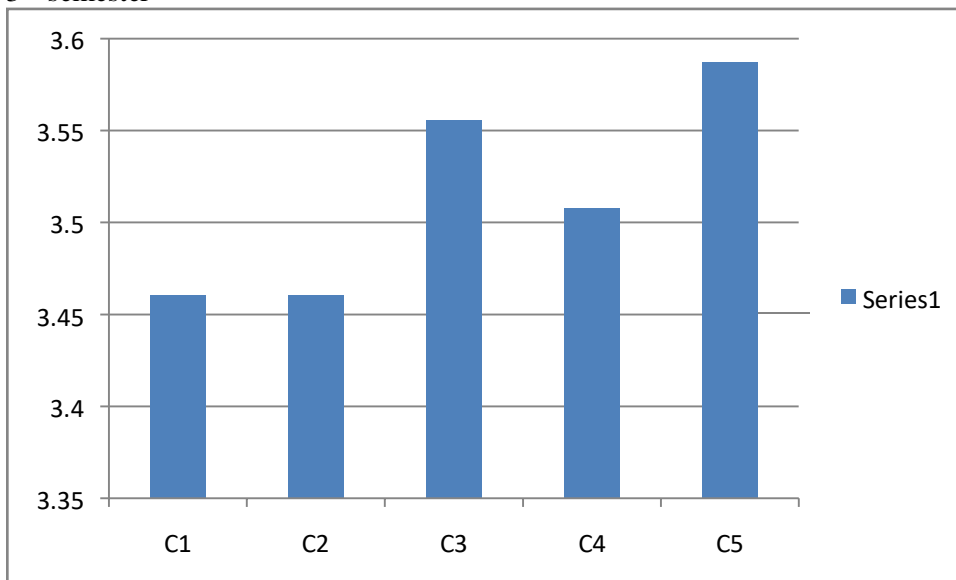

all subjects.

2<sup>nd</sup> semester

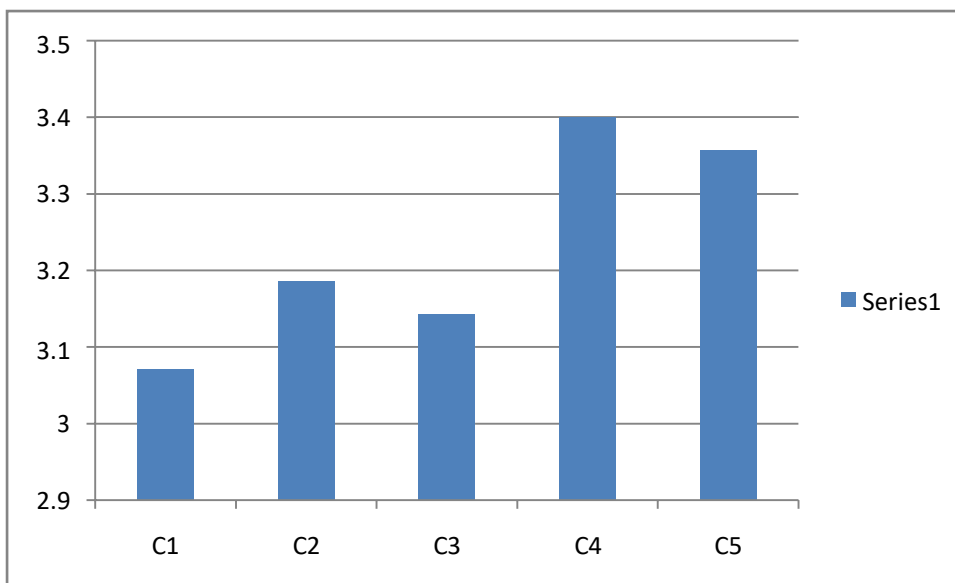

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Physical chemistry II) subject and less satisfactory in the subject of c<sub>3</sub> (Analytical chemistry II). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Assay of Drug Molecules) subject and less satisfactory in the subject of c<sub>2</sub> (Medicinal Chemistry-I). Over all students satisfactory agree the all subjects.

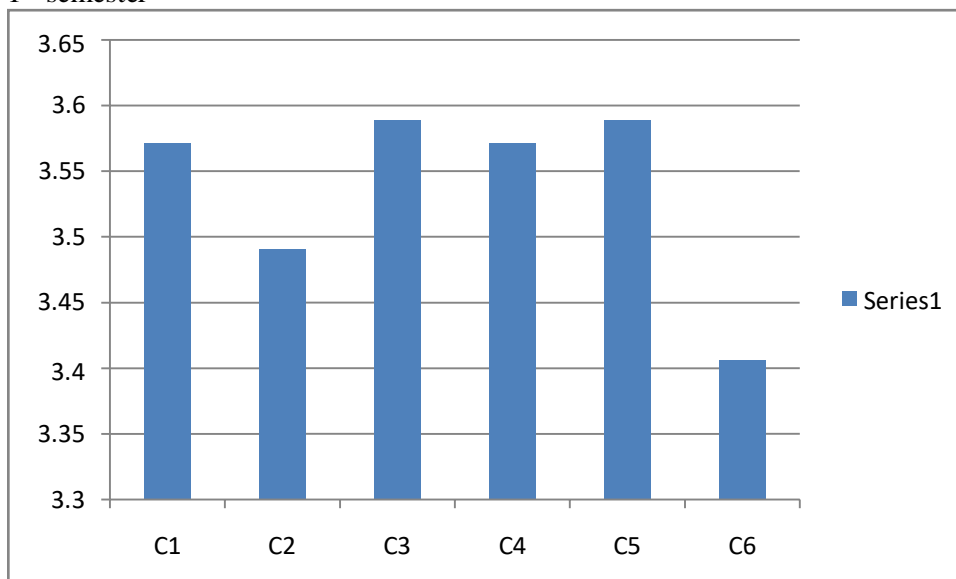

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Pharmacology and therapeutic agents) subject and less satisfactory in the subject of c<sub>1</sub> (Basics of Pharmacology and Pharmaceutics). Over all students satisfactory agree the all subjects.

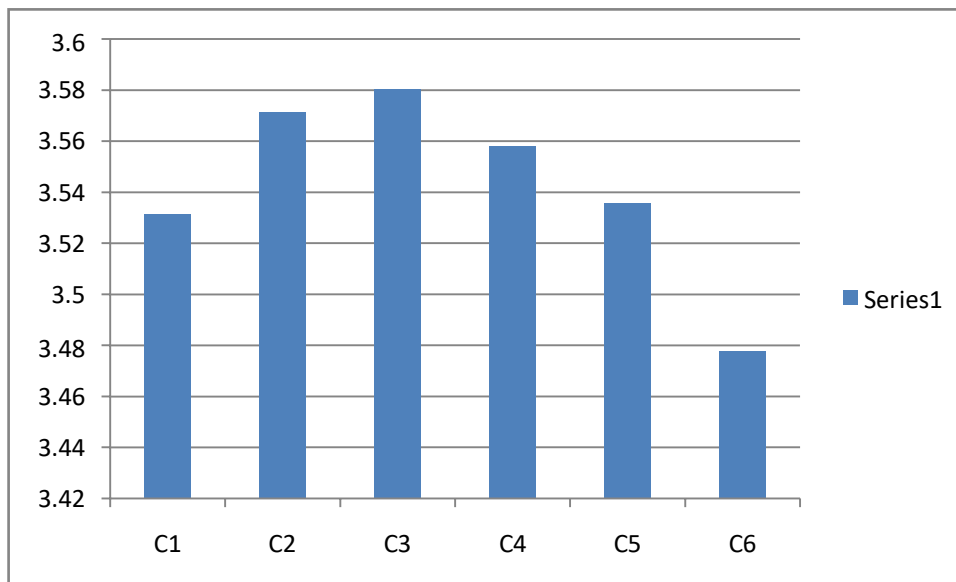

### Department of Political Science

1<sup>st</sup> semester

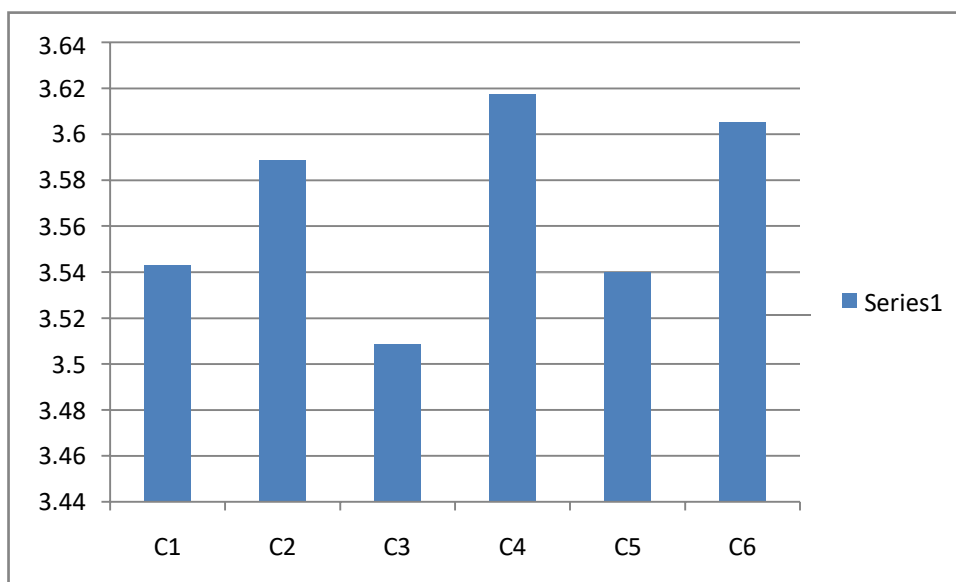

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>3</sub>(Theories of International Relations) subject and less satisfactory in the subject of c<sub>6</sub> (Feminist Jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

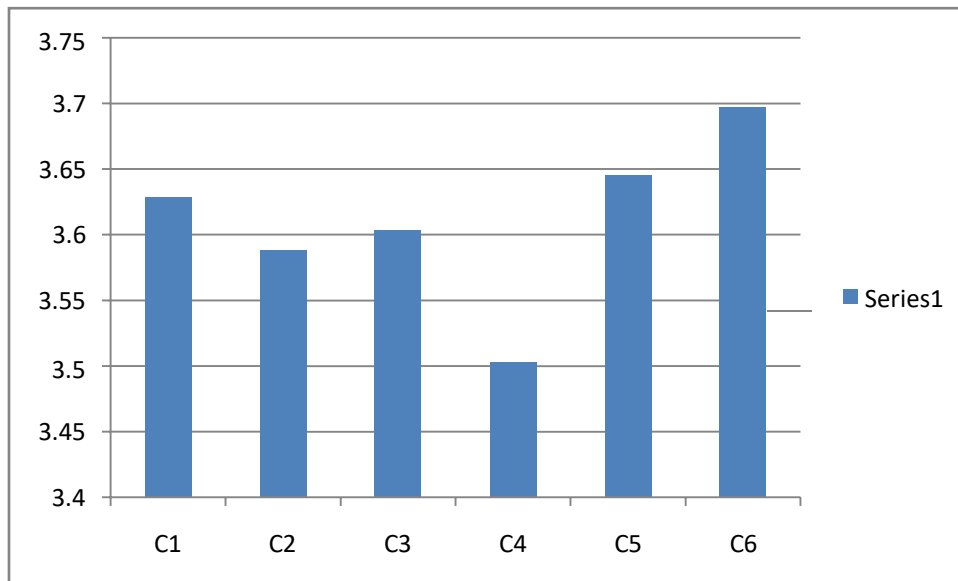

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (Major Issues in Contemporary World Politics) subject and less satisfactory in the subject of  $c_6$  (women and health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Major issues in Indian Administration) subject and less satisfactory in the subject of  $c_3$  (Research Methodology and Computer Application). Over all students satisfactory agree the all subjects.

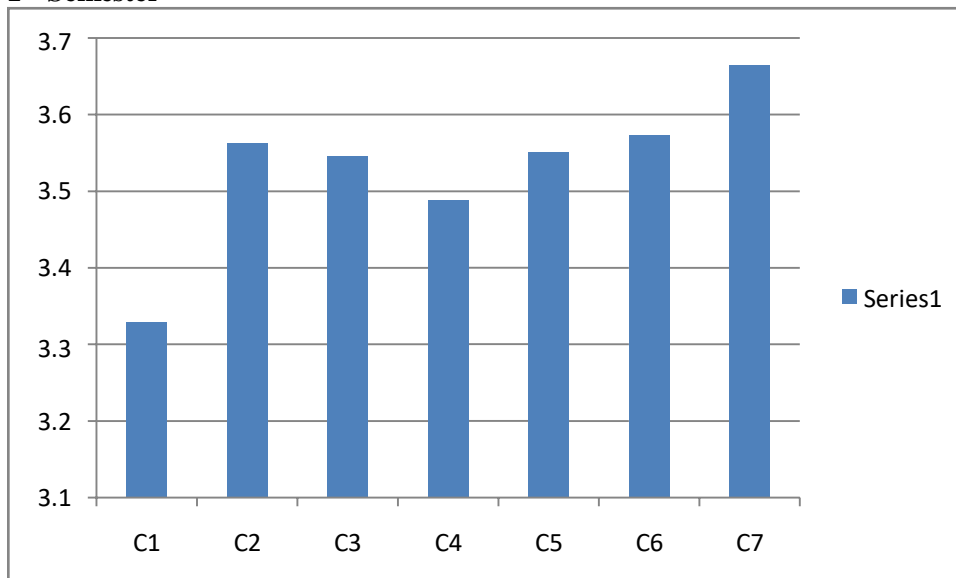

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$ (Public Administration) subject and less satisfactory in the subject of  $c_4$  (Contemporary Political Thoughts.). Over all students satisfactory agree the all subjects.

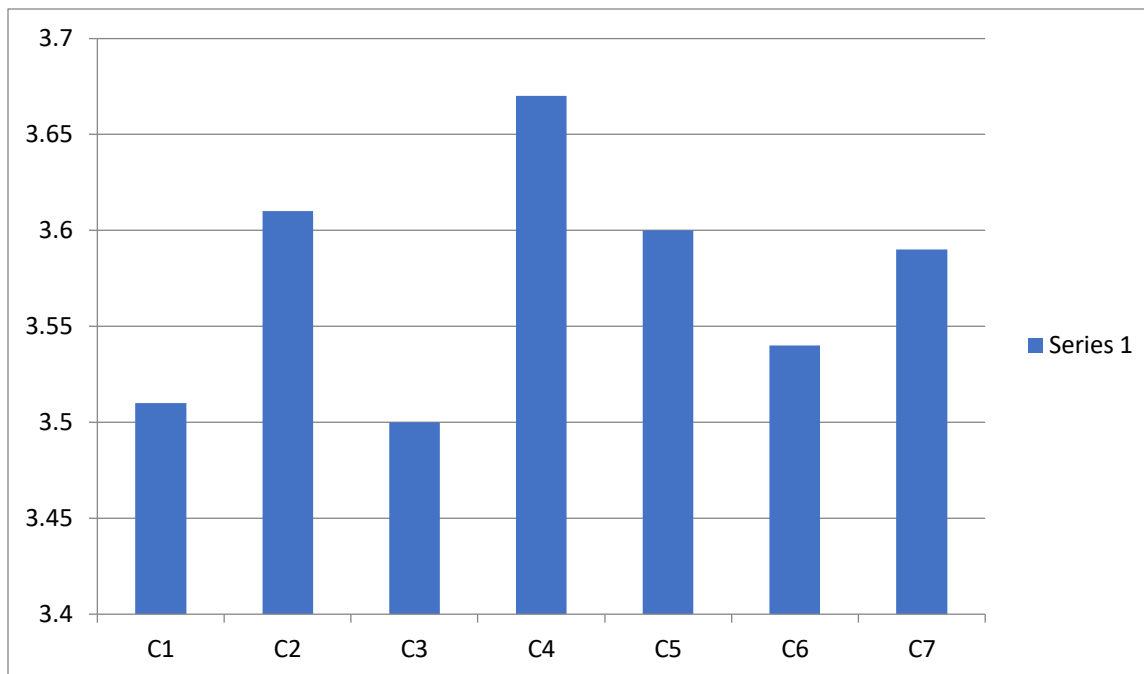

### Department of Statistics

#### 1<sup>st</sup> Semester

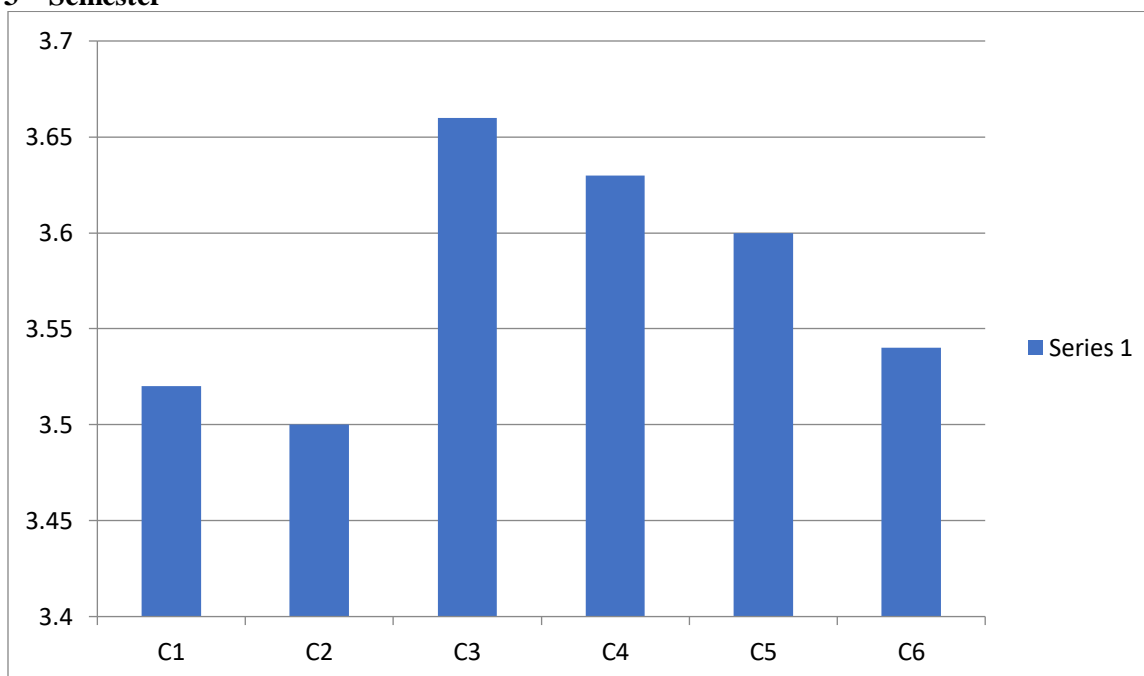

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_7$  (Statistical Methods and Applications) subject and less satisfactory in the subject  $c_1$  (Probability Theory). Over all students satisfactory agree the all subjects.

#### 2<sup>nd</sup> Semester

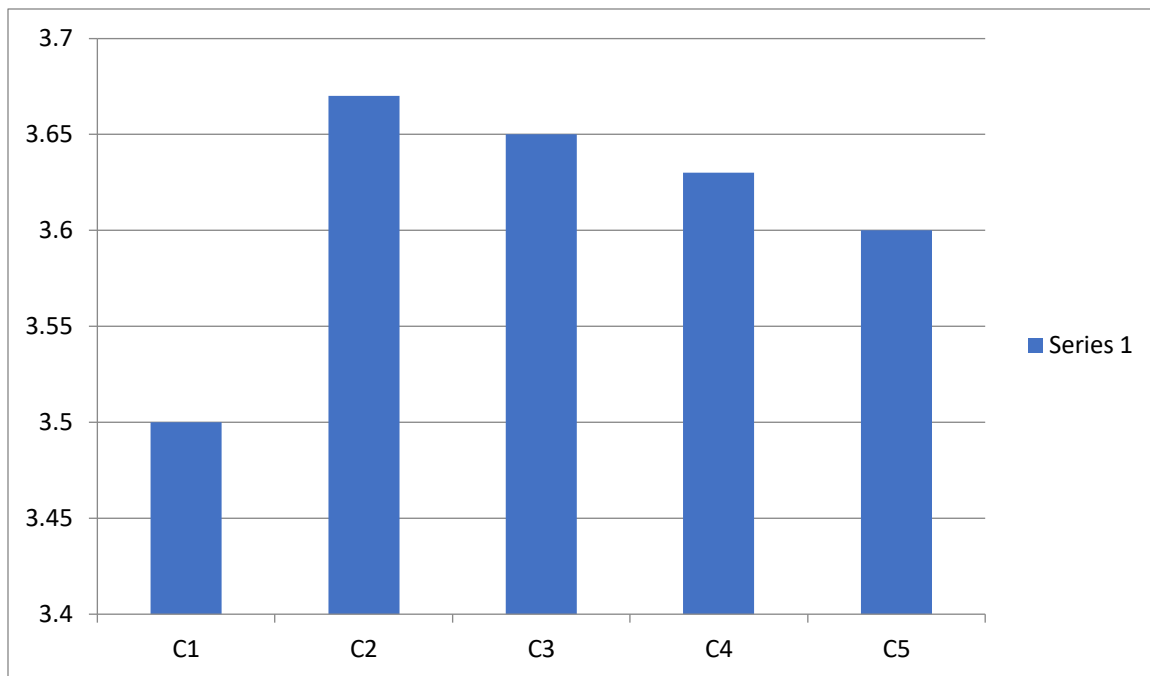

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$  (Sampling Theory) subject and less satisfactory in the subject  $c_3$  (Design of experiments). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

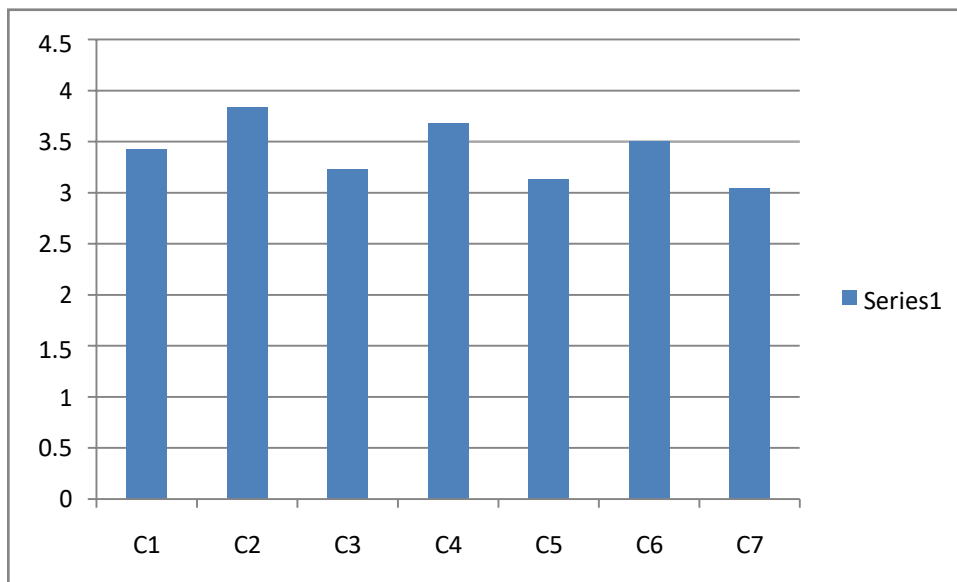

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the Bio-statistic subject and less satisfactory in the subject of Multivariate Analysis. Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

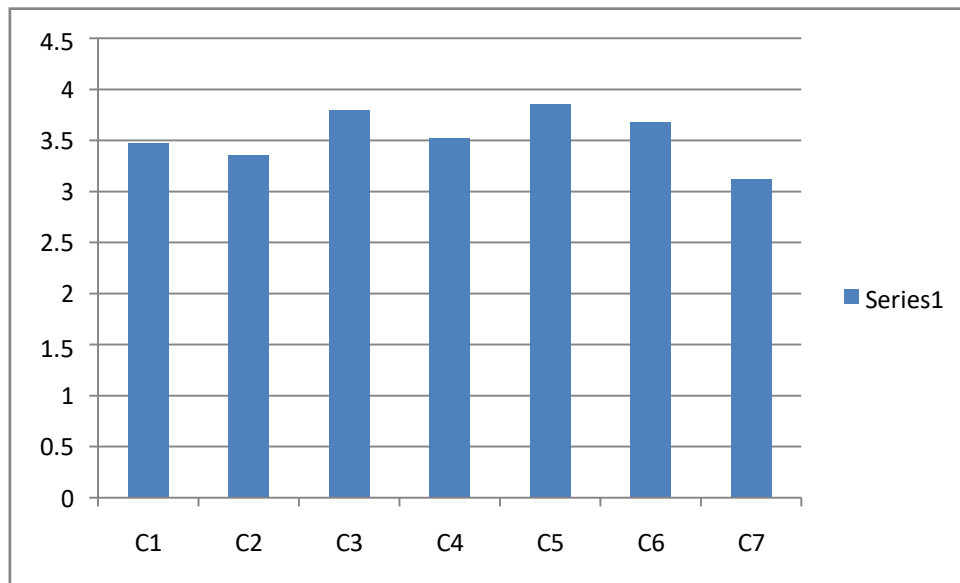

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the Statistical Machine learning algorithmic using Python subject and less satisfactory in the subject of Non-parametric methods. Over all students satisfactory agree the all subjects.

### Department of Food Processing and Nutrition 1<sup>st</sup> Semester

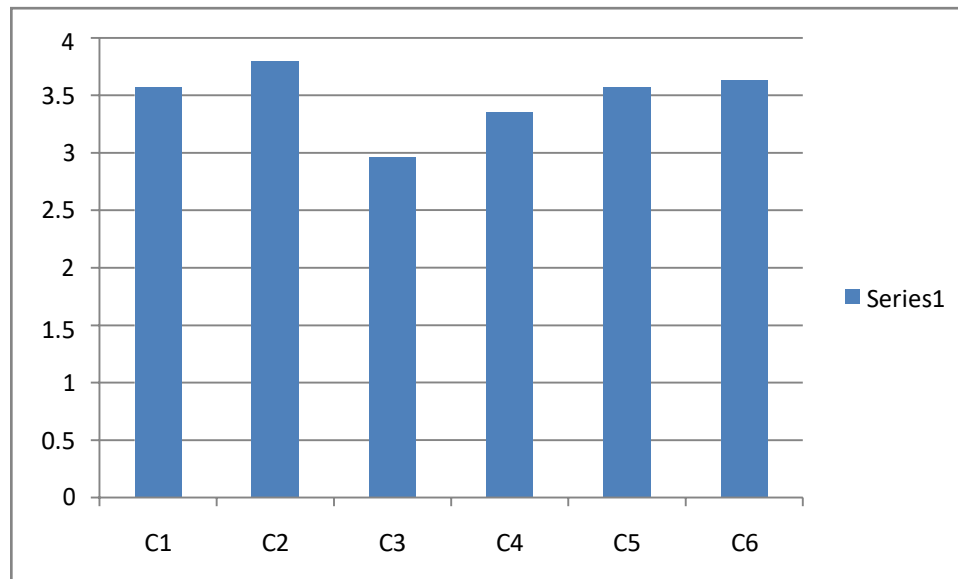

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Principles of Human Nutrition) subject and less satisfactory in the subject of c<sub>7</sub> (Practical based on FPN 1.3). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

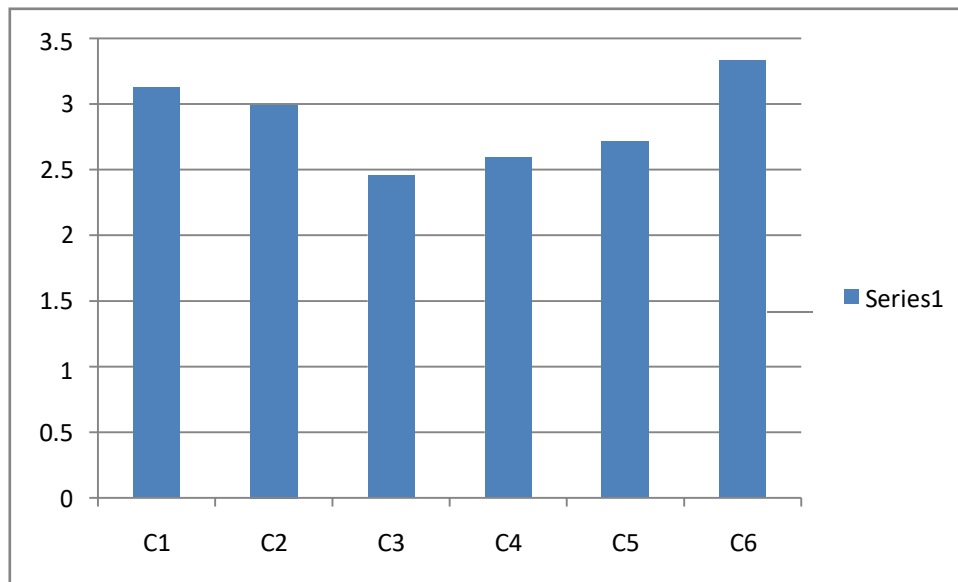

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$  (Practical based on FPN 2.1) subject and less satisfactory in the subject of  $c_7$  (Practical based on FPN 2.3) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

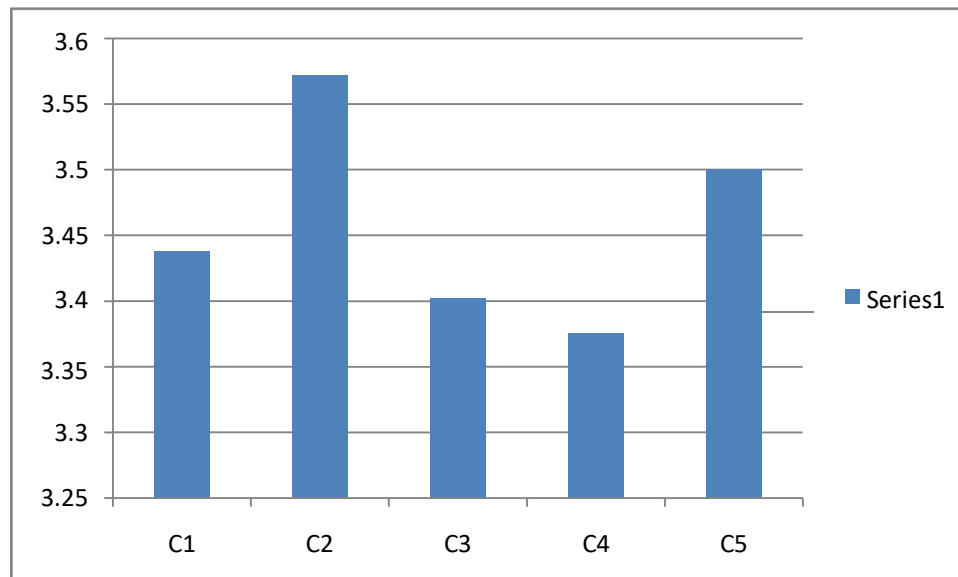

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (Public Health Nutrition) subject and less satisfactory in the subject of  $c_3$  (Nutraceuticals and Functional Foods). Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$  (Nutrition in Health and Diseases) subject and less satisfactory in the subject of  $c_3$  (Dissertation) . Over all students satisfactory agree the all subjects.

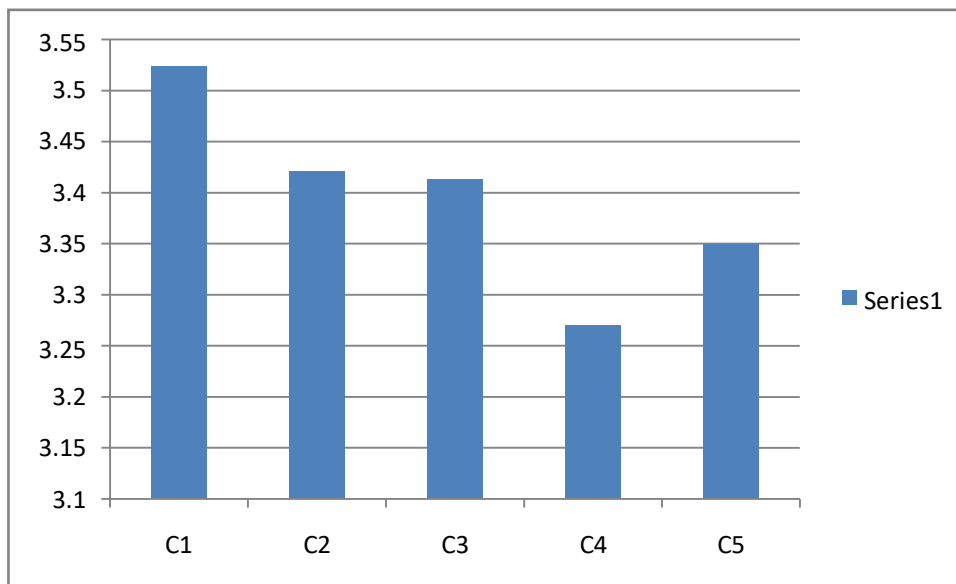

### Department of M.Ed 1<sup>st</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Historical, Political and Economic Foundations of Education) subject and less satisfactory in the subject of  $c_4$  (Curriculum Studies). Over all students satisfactory agree the all subjects.

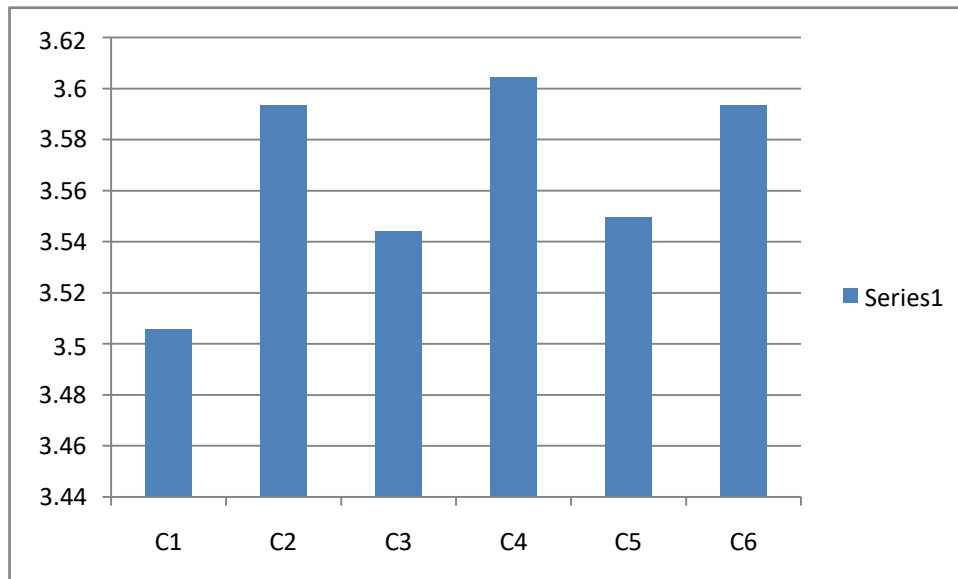

### 2<sup>nd</sup> Semester

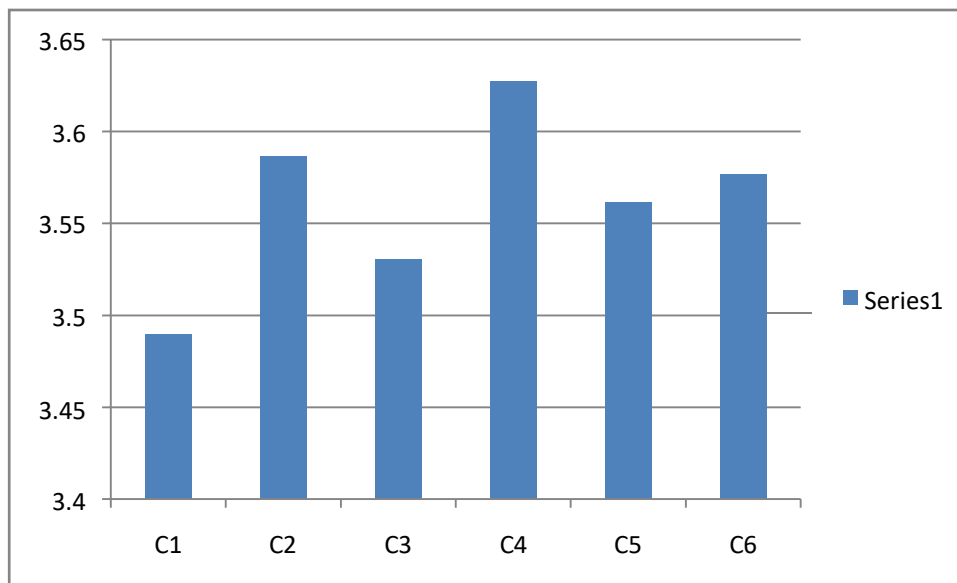

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>1</sub> (Philosophy of Education) subject and less satisfactory in the subject of c<sub>4</sub>(Pre-Service and In-Service Teacher Education) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

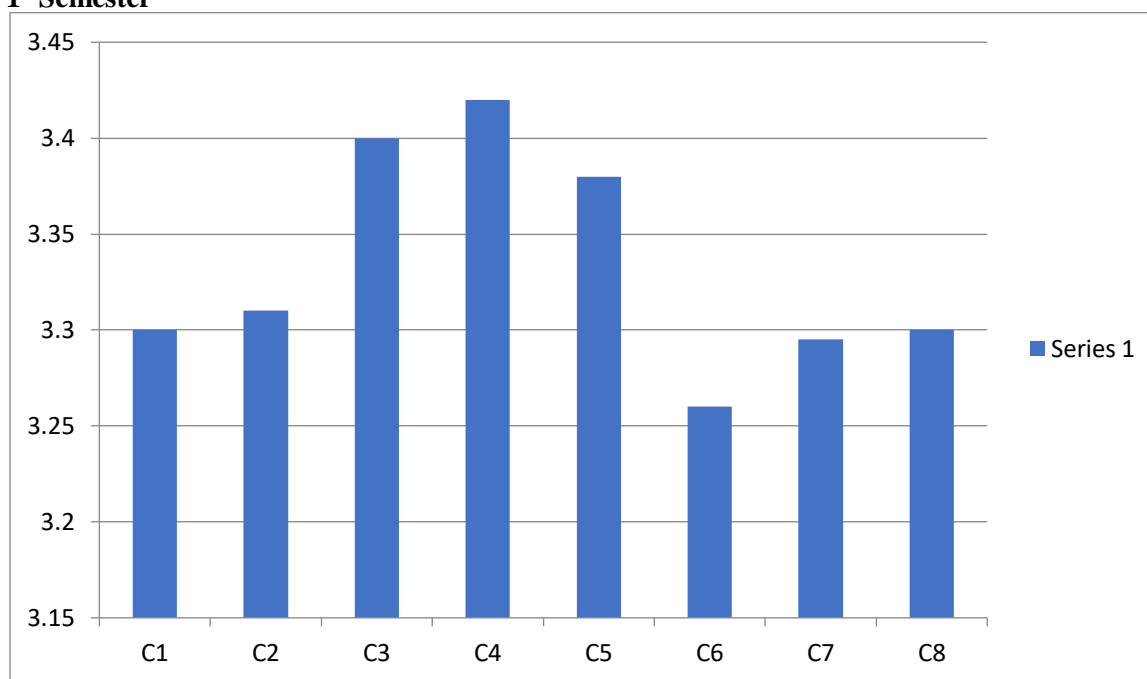

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Perspectives And Research In Teacher Education) subject and less satisfactory in the subject of c<sub>1</sub> (Policy Economics and Planning in Education) . Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

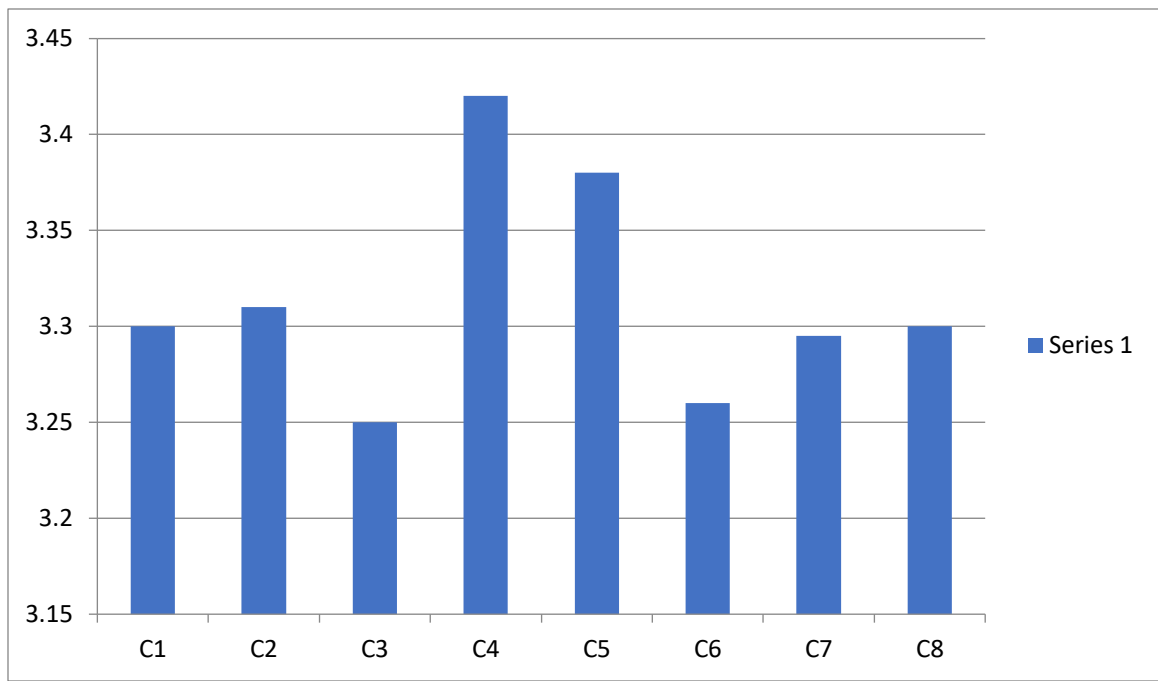

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Women In Education Management (At Secondary/Senior Secondary Level)) subject and less satisfactory in the subject of c<sub>1</sub> (Administration, Management and Leadership in Education) . Over all students satisfactory agree the all subjects.

### Department of M.PEd 1<sup>st</sup> Semester

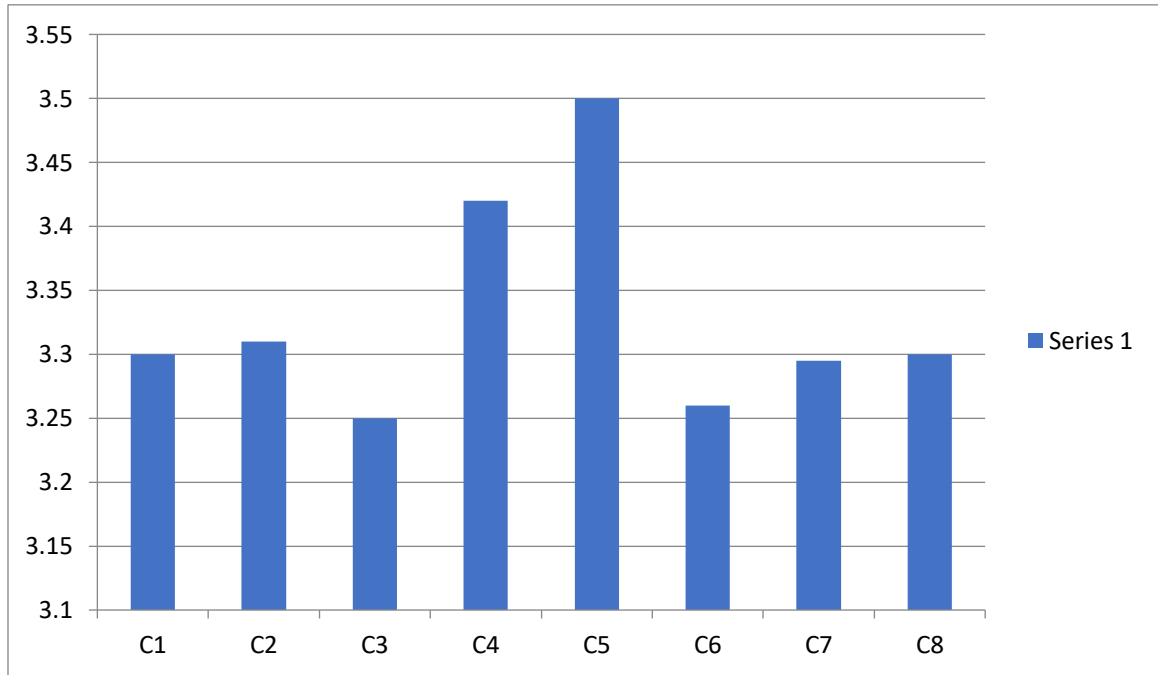

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Test, measurement and evaluation in physical education) subject and less satisfactory in the subject of c<sub>5</sub> (track and field ). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

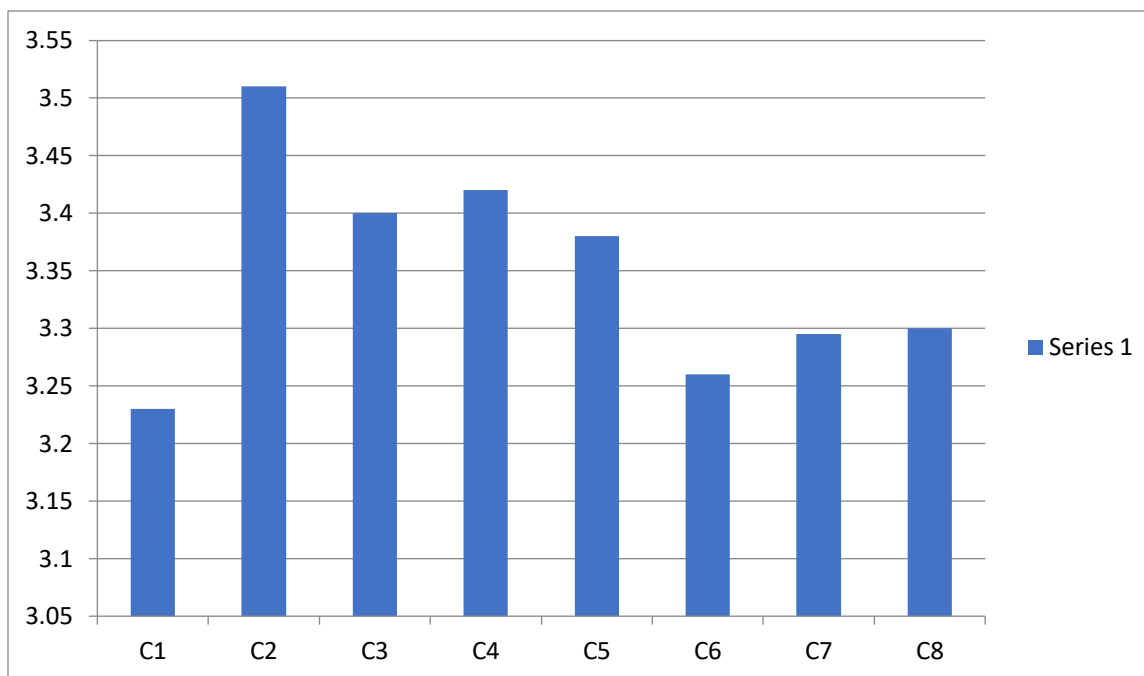

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Athlete care and Rehabilitation) subject and less satisfactory in the subject of c<sub>3</sub>(Open Elective ( Health Education and Sports Nutrition)) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup>Semester

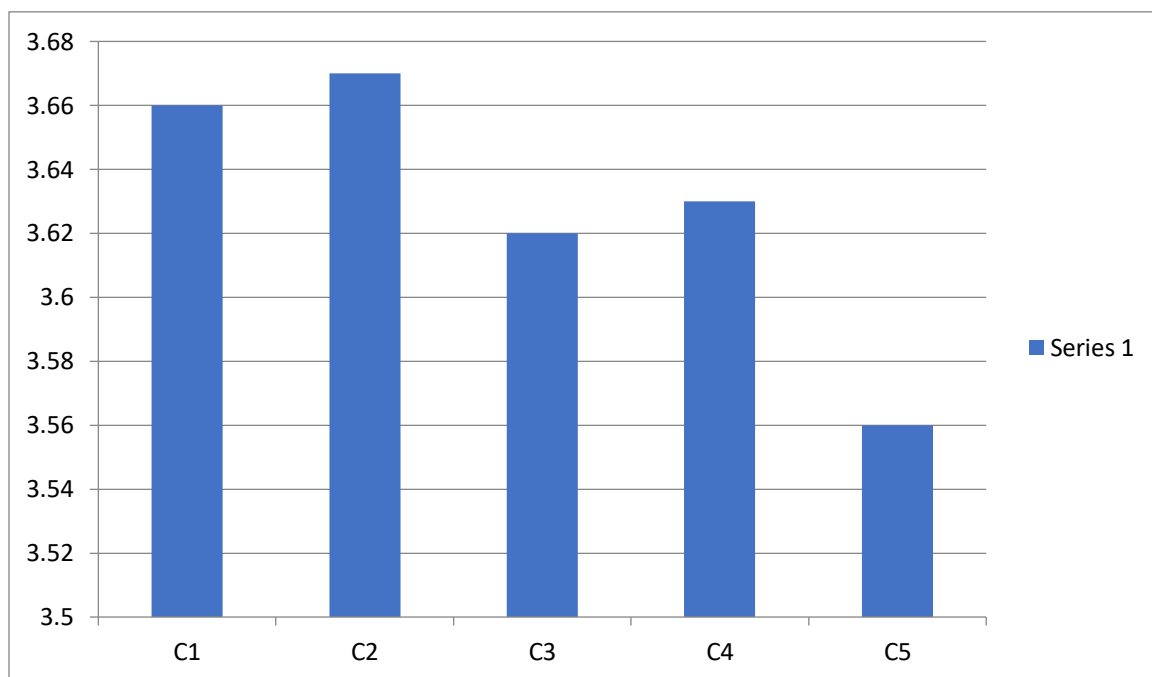

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Sports medicine ) subject and less satisfactory in the subject of c<sub>3</sub>(Health fitness and wellness) . Over all students satisfactory agree the all subjects.

### 4<sup>th</sup>Semester

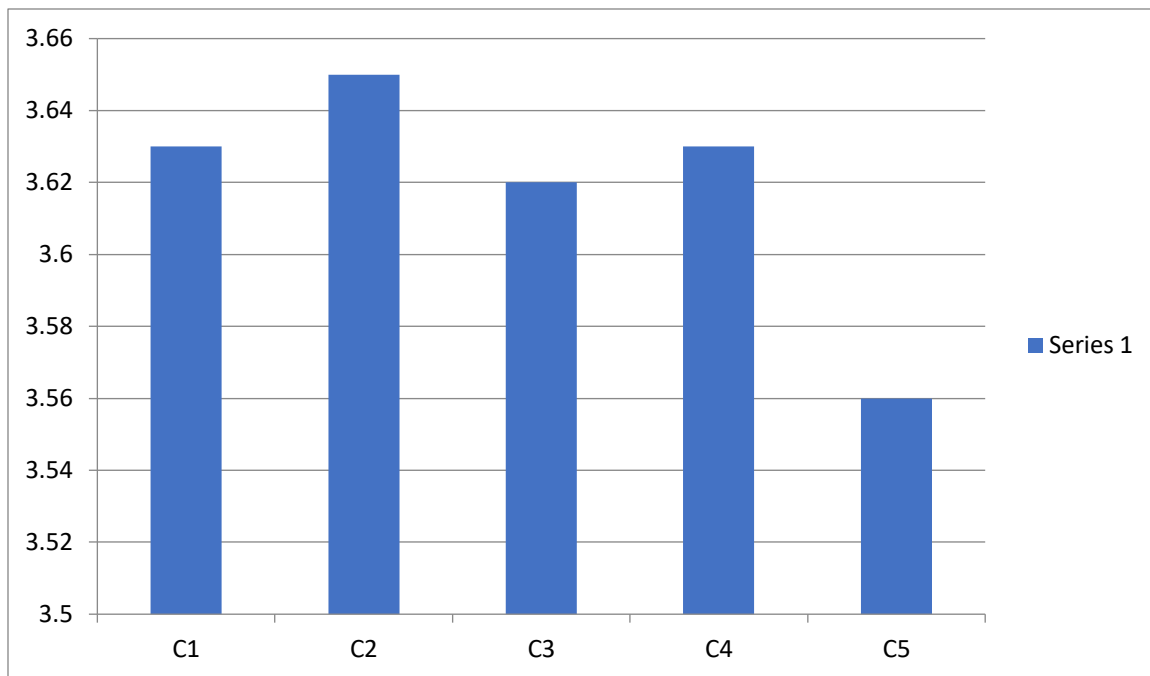

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub> (Information Communication Technology in Physical Education (ICT)) subject and less satisfactory in the subject of c<sub>1</sub> (Applied Statistics in Physical Education). Over all students satisfactory agree the all subjects.

**Department of Sociology  
1<sup>st</sup> Semester**

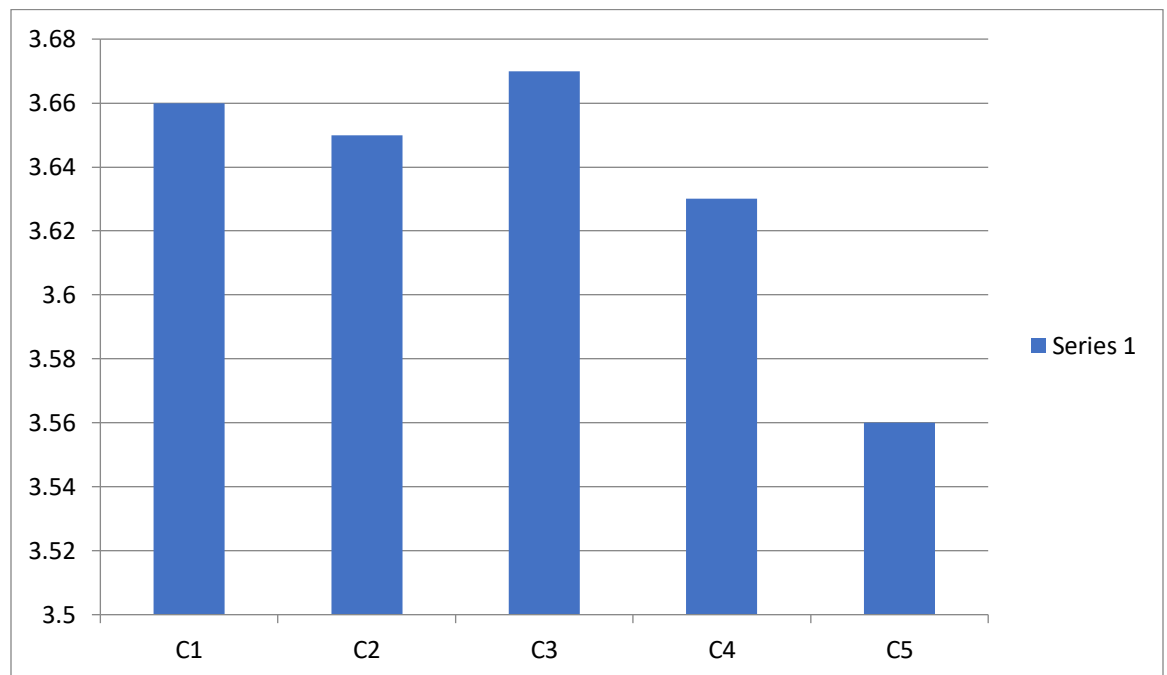

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Sociology of gender) subject and less satisfactory in the subject of c<sub>3</sub> (Sociology of tribe). Over all students satisfactory agree the all subjects.

**2<sup>nd</sup> Semester**

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (Social Statistics) subject and less satisfactory in the subject of  $c_5$ (general sociology). Over all students satisfactory agree the all subjects.

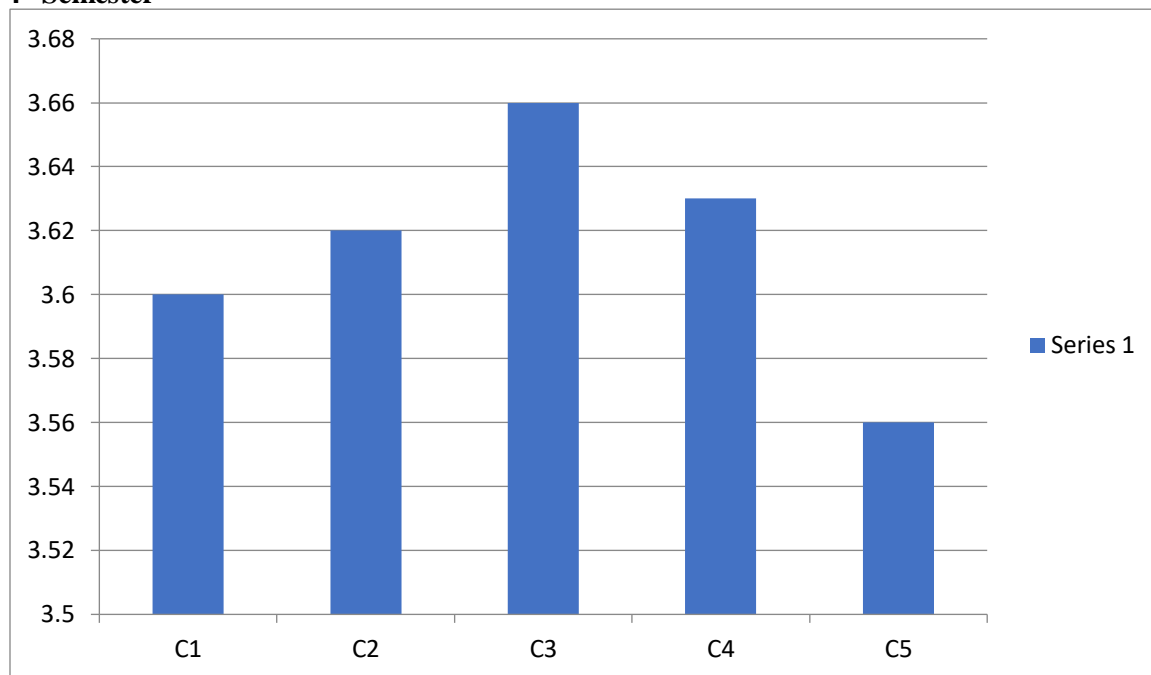

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Urban Sociology) subject and less satisfactory in the subject of  $c_5$  (contemporary social problems). Over all students satisfactory agree the all

subjects.

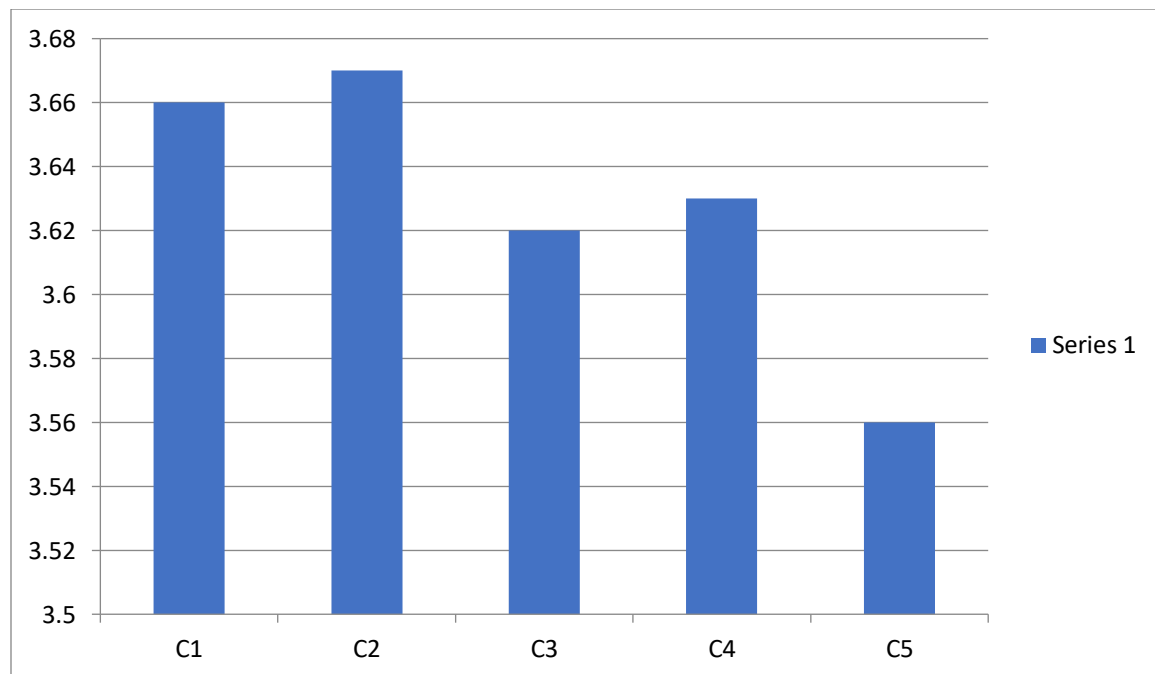

#### 4<sup>th</sup> Semester

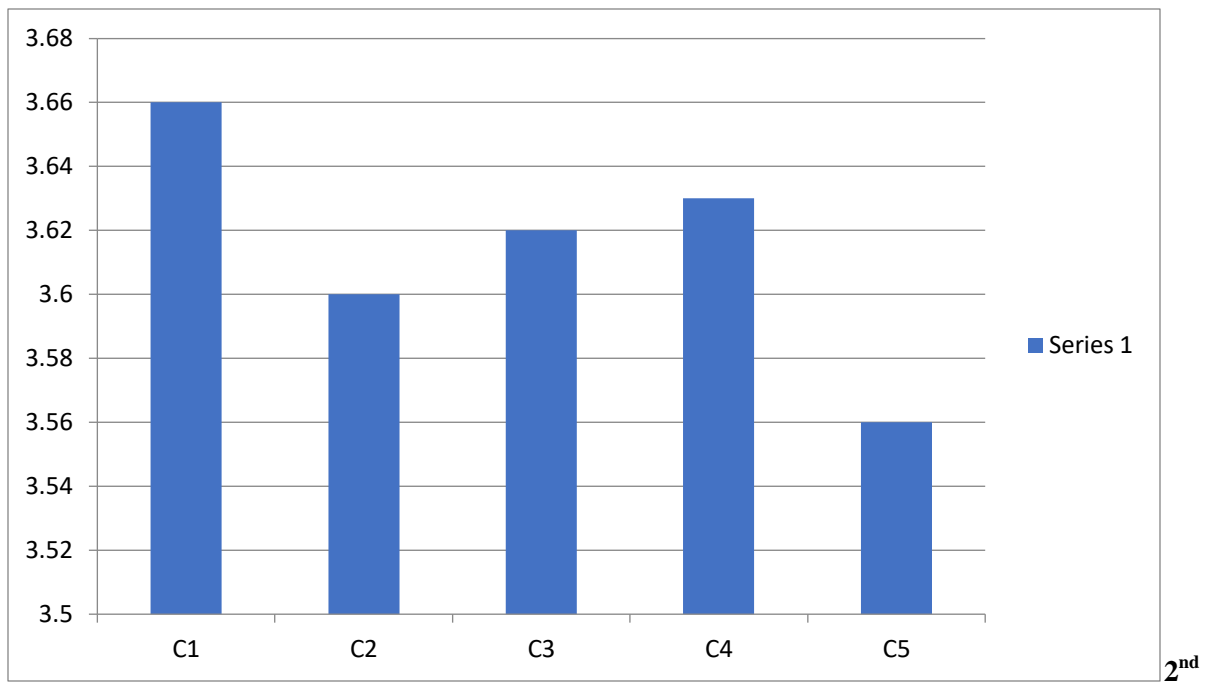

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (dissertation) subject and less satisfactory in the subject of  $c_5$  (social movement in india). Over all students satisfactory agree the all subjects.

#### Department of Urdu

#### 1<sup>st</sup> Semester

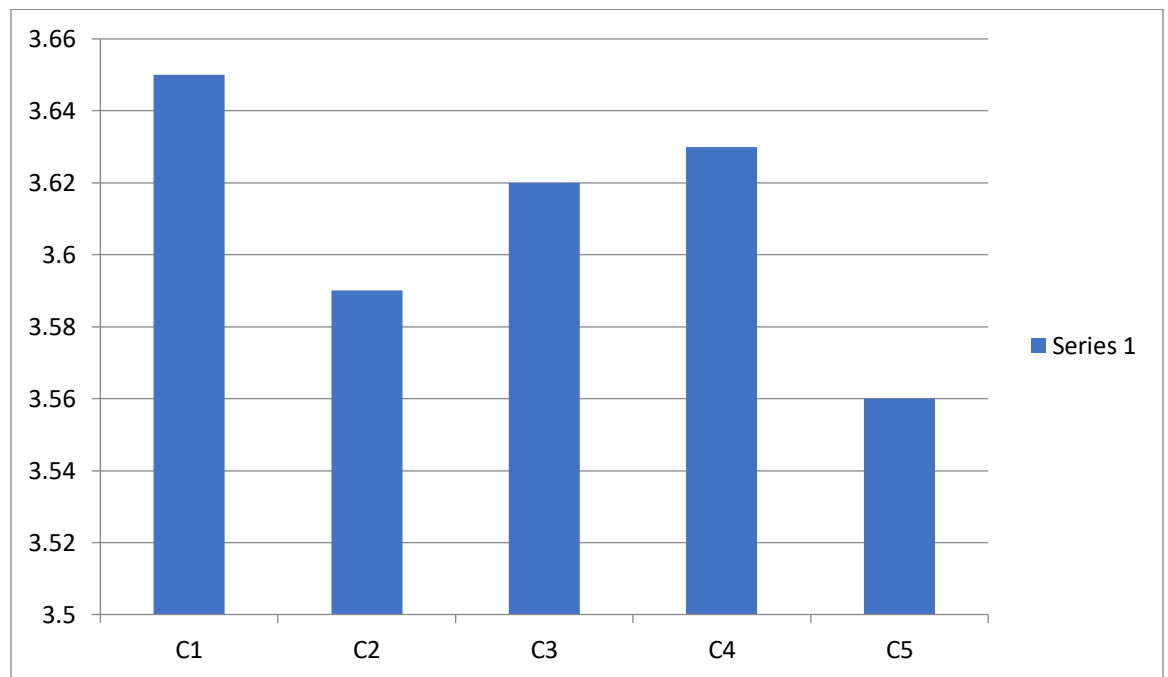

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Classical Prose (Dastanain)) subject and less satisfactory in the subject of  $c_5$  (Study of Urdu Languages & Simple Grammer). Over all students satisfactory agree the all subjects.

**Semester**

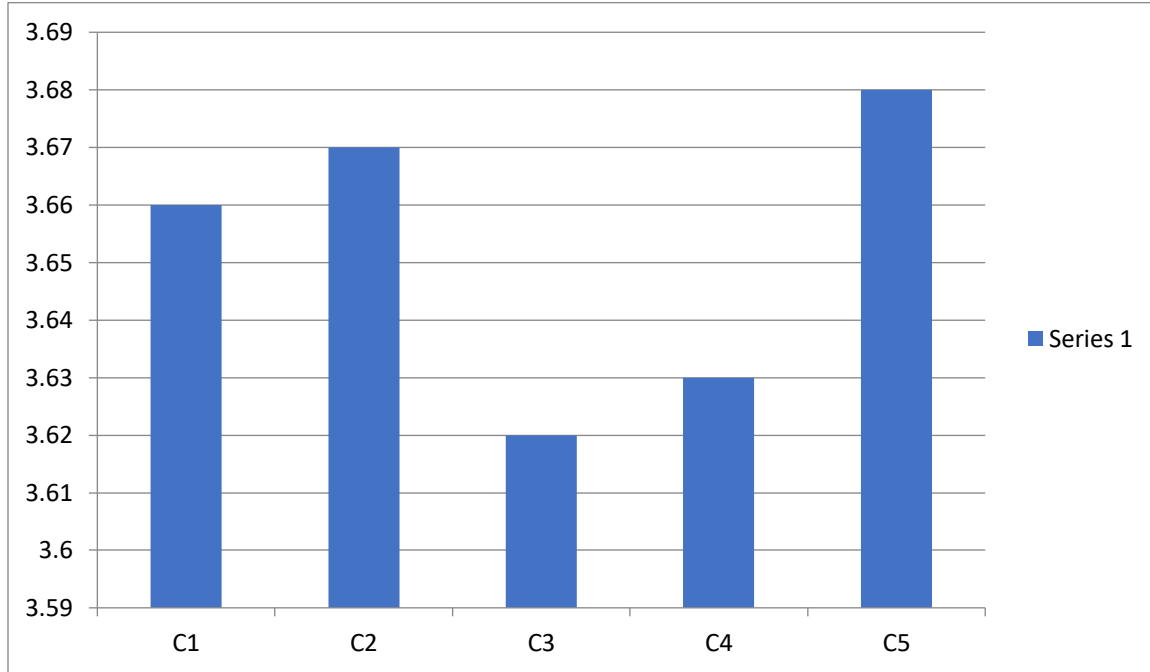

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$  (Novel Aur Afsana) subject and less satisfactory in the subject of  $c_5$ (open elective) . Over all students satisfactory agree the all subjects.

**3<sup>rd</sup> Semester**

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>1</sub>(Literary Criticism) subject and less satisfactory in the subject of c<sub>5</sub> (open elective) . Over all students satisfactory agree the all subjects.

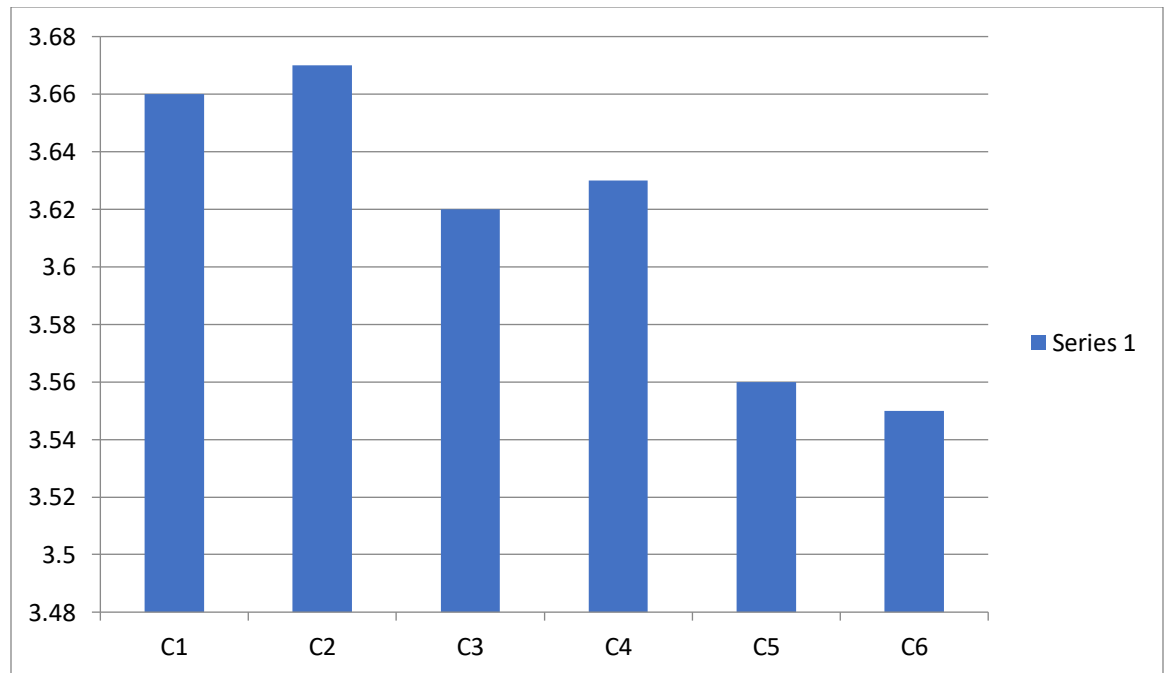

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub> (dissertation and personality development) subject and less satisfactory in the subject of c<sub>3</sub> (women's writing). Over all students satisfactory agree the all subjects.

#### Department of Mathematics

#### 1<sup>st</sup> Semester

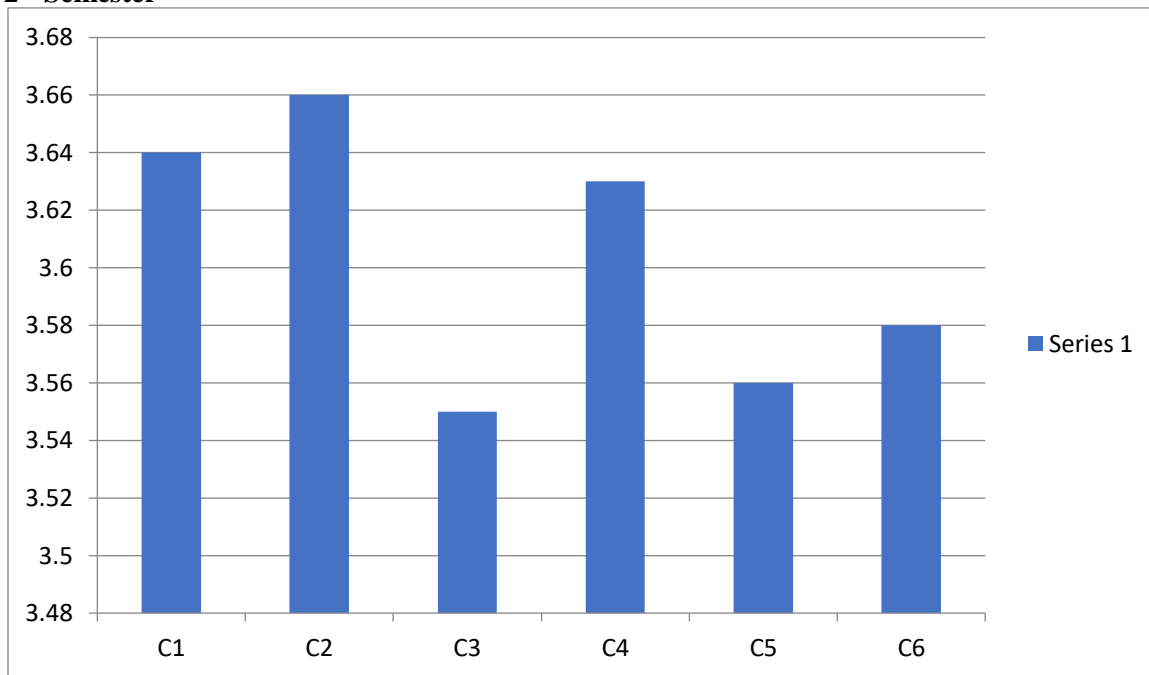

The charts shows the students have provided their feedback on the curriculum of the programme basis of

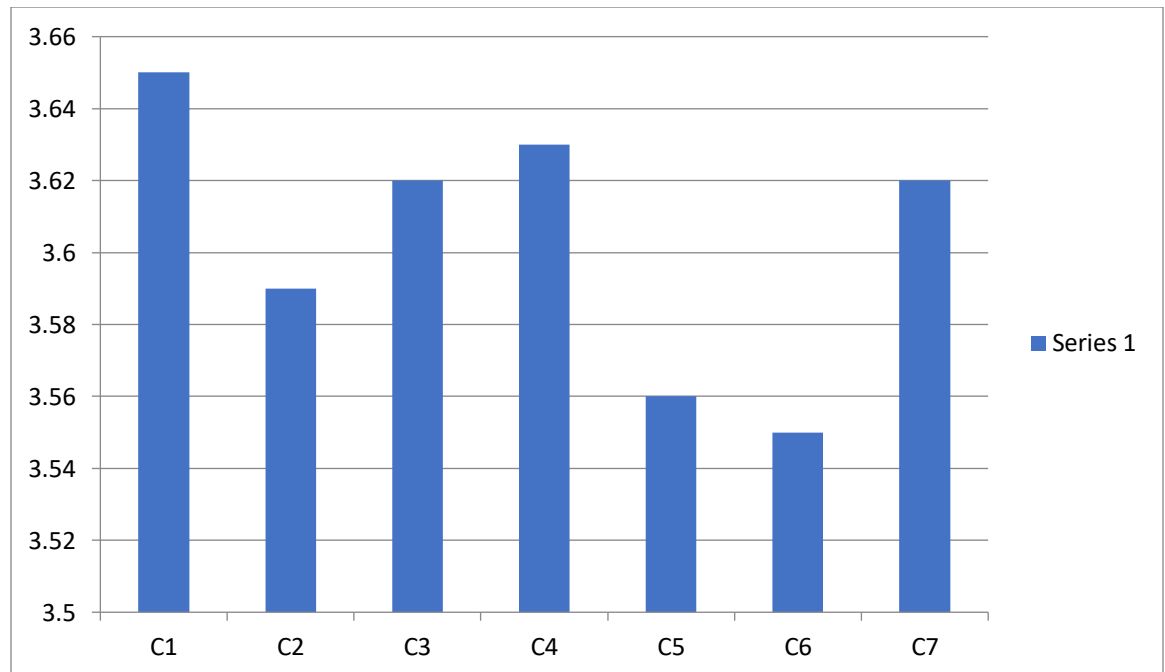

Likert's scale, more number of students have good opinion for the  $c_2$ (discrete mathematics) subject and less satisfactory in the subject of  $c_6$  (open elective). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

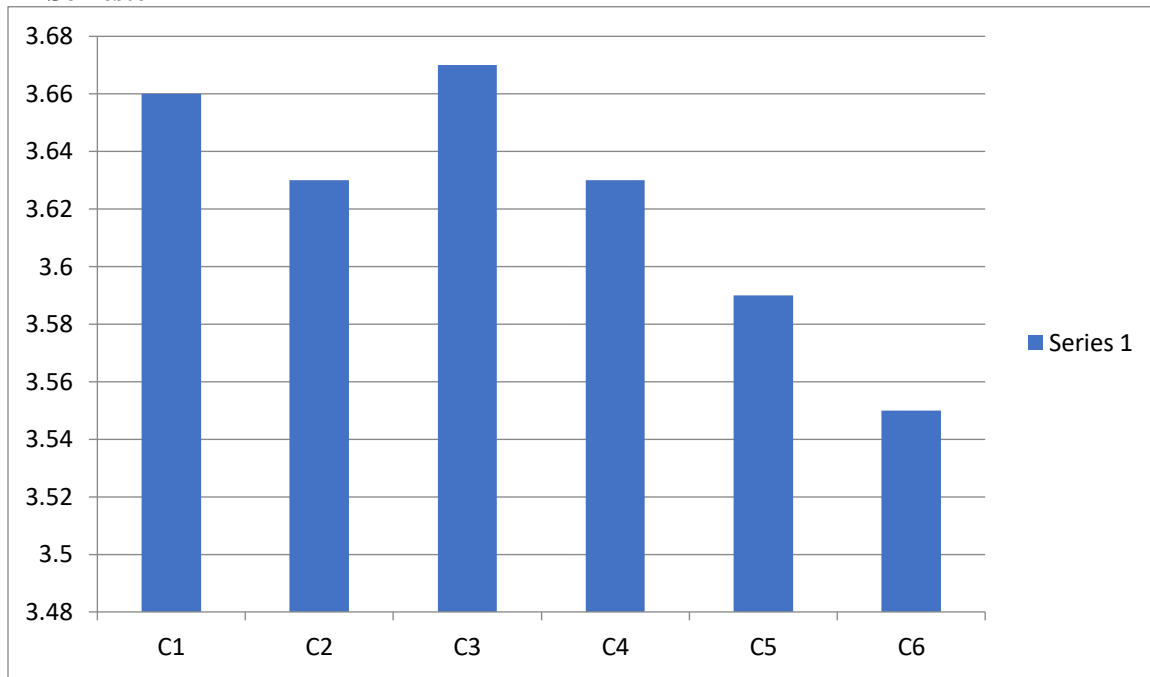

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (programming in C) subject and less satisfactory in the subject of  $c_3$ (algebra-II) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (functional analysis) subject and less satisfactory in the subject of  $c_6$  (foundation of mathematics) . Over all students satisfactory agree the all subjects.

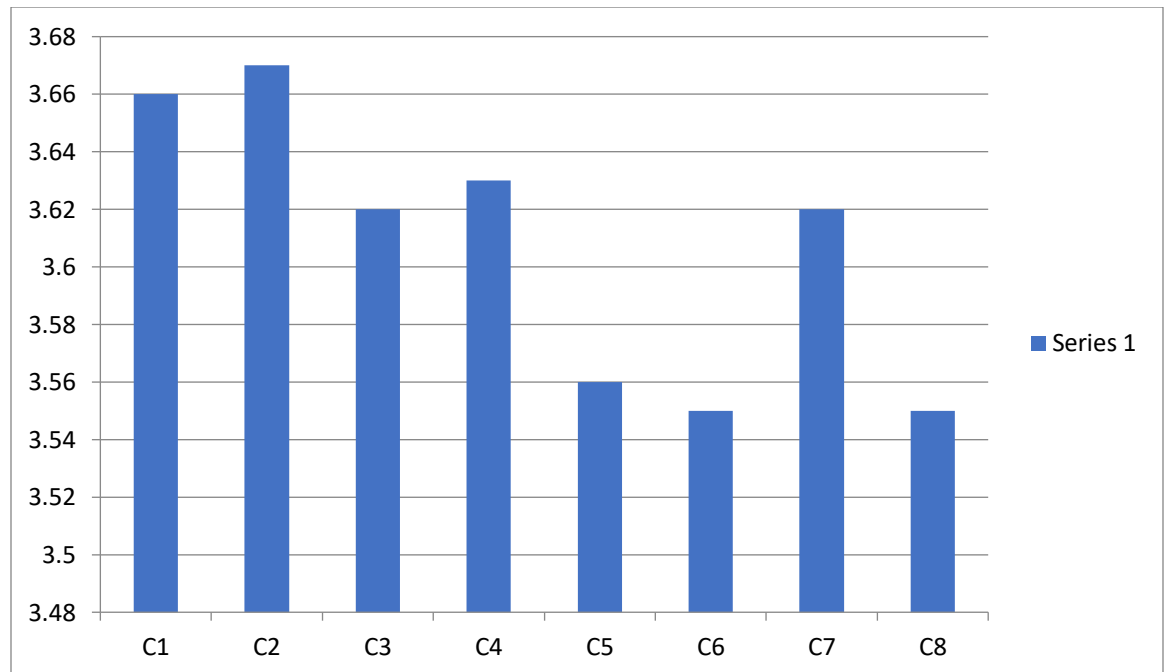

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>3</sub> (project work) subject and less satisfactory in the subject of c<sub>6</sub> (open elective). Over all students satisfactory agree the all subjects.

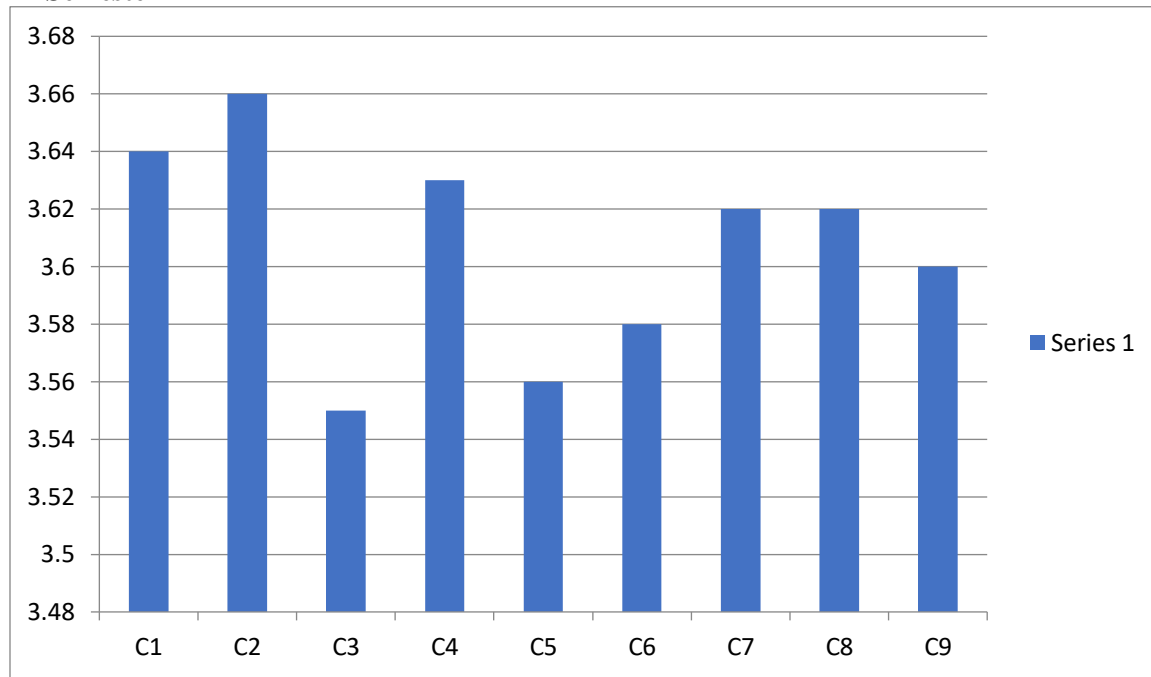

#### Department of Zoology

##### 1<sup>st</sup> Semester

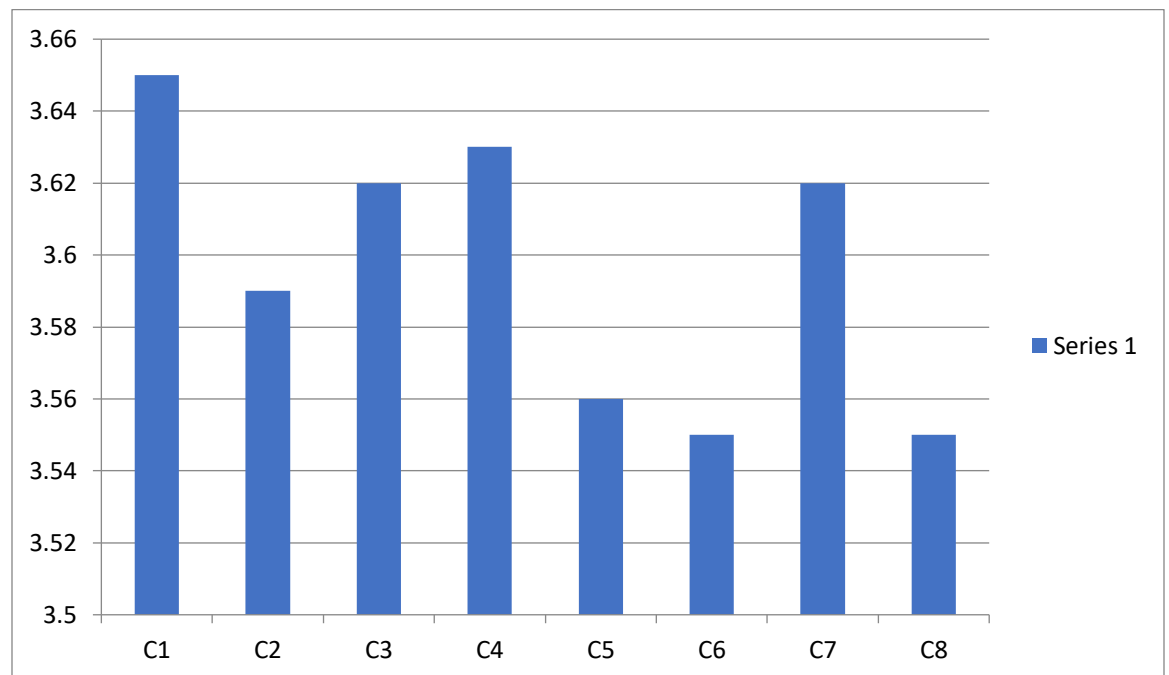

The charts shows the first semester zoology students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(biology of non-chordates )) subject and less satisfactory in the subject of c<sub>8</sub> (open elective). Over all students satisfactory agree the all subjects.

## 2<sup>nd</sup> Semester

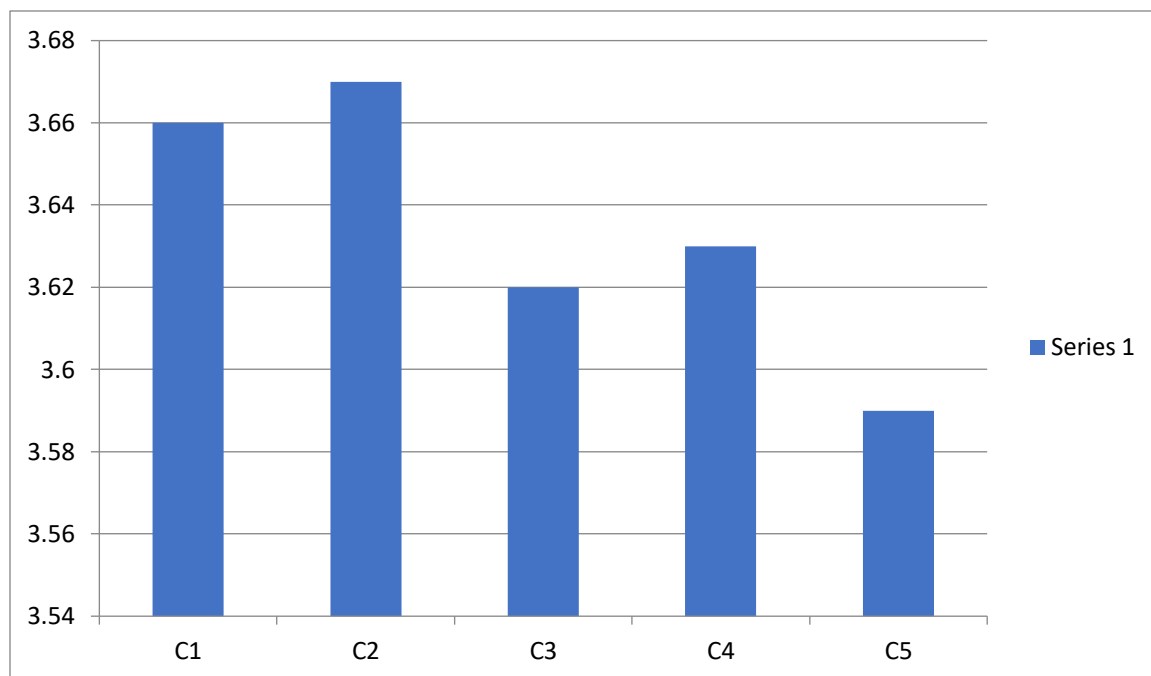

The charts shows the second semester zoology students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub> (molecular genetics) subject and less satisfactory in the subject of c<sub>3</sub>(developmental biology ) . Over all students satisfactory agree the all subjects.

## 3<sup>rd</sup> Semester

The charts shows the third semester zoology students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>1</sub>(Animal physiology) subject and less satisfactory in the subject of c<sub>8</sub>(parasitology) . Over all students satisfactory agree the all subjects.

## 4<sup>th</sup> Semester

The charts shows the fourth semester zoology students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>3</sub> (project work and submission of dissertation) subject and less satisfactory in the subject of c<sub>5</sub> (applied zoology). Over all students satisfactory agree the all subjects.
