Overall Teachers are average agree about 3.57.
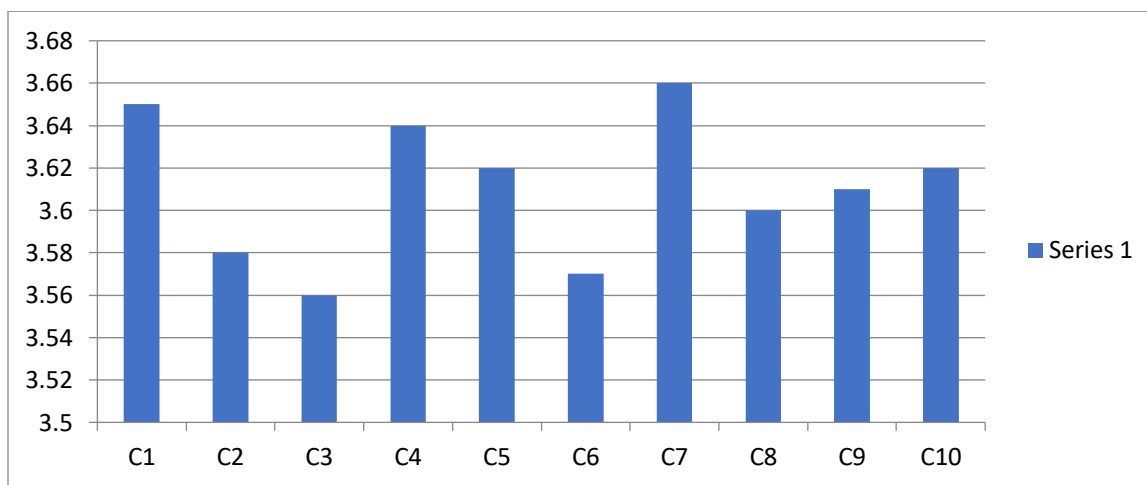

Department of Botany:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_4(Skills necessary to meet the global challenges) subject and less satisfactory in the subject of c_3 (develops competitive skills). Overall Teachers are average agree about 3.56.
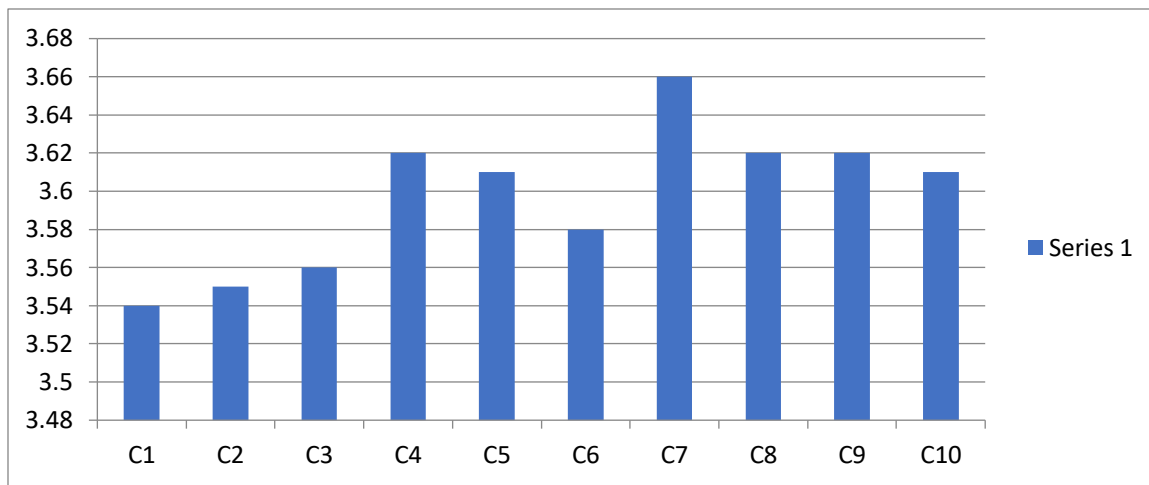

Department of Zoology:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_4(Skills necessary to meet the global challenges) subject and less satisfactory in the subject of c_3 (Develops competitive spirit). Overall Teachers are average agree about 3.54.
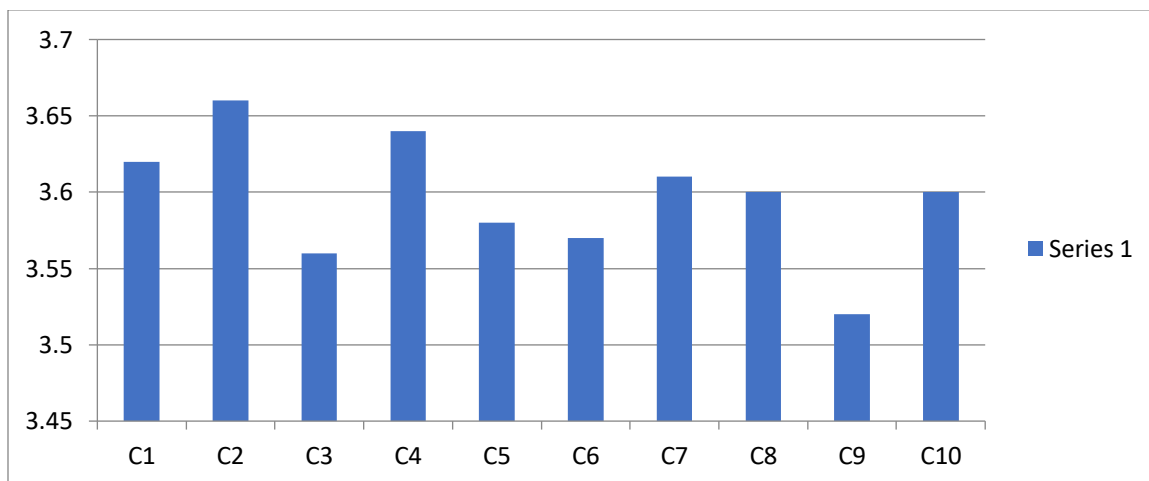

Department of Physics:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_7(Ample opportunities for creativity) subject and less satisfactory in the subject of c_3 (Develops competitive spirit). Overall Teachers are average agree about 3.56.
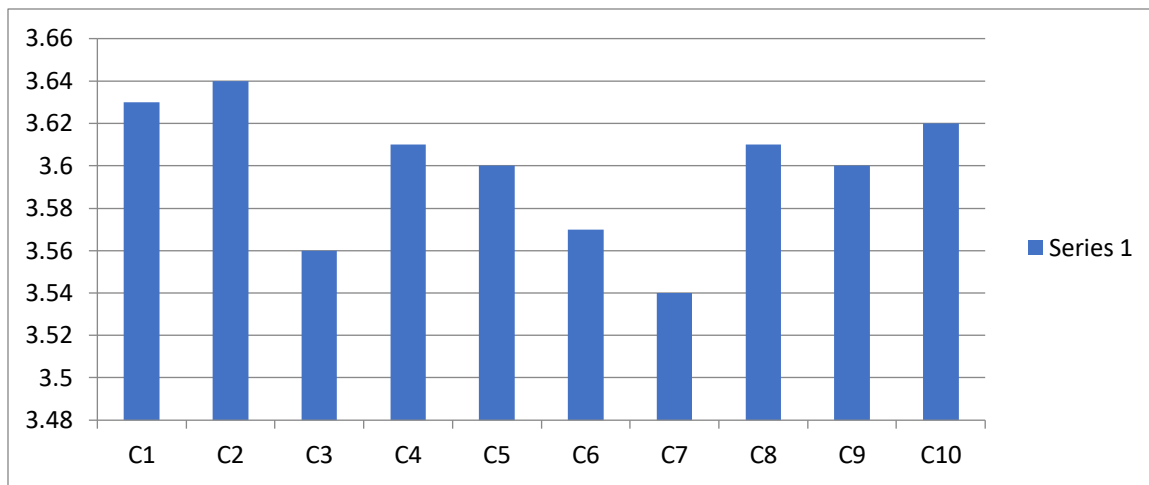

Department of Electronics:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_7(Ample opportunities for creativity) subject and less satisfactory in the subject of c_1 (Develops useful citizens to society). Overall Teachers are average agree about 3.54.
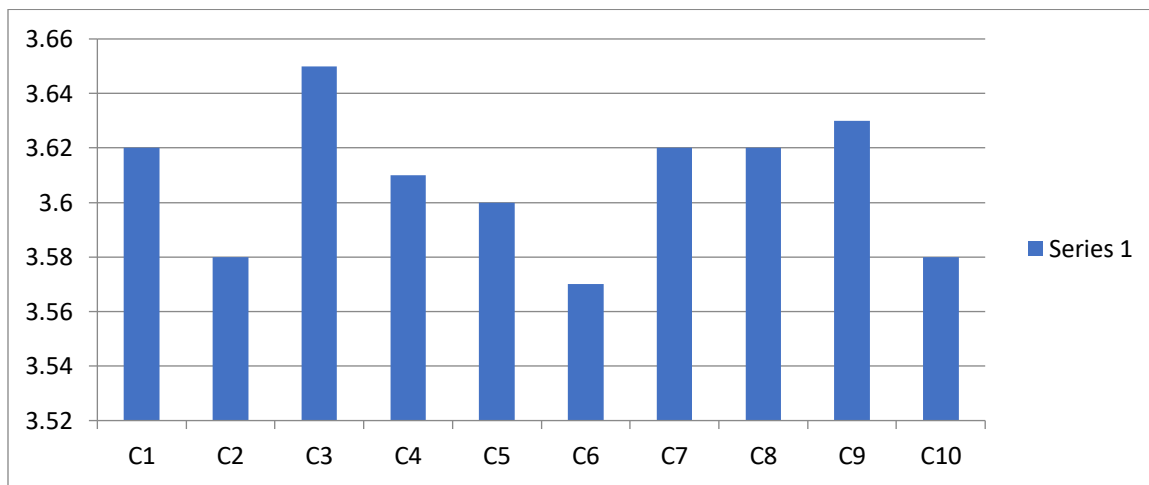

Department of English:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_2(Moral, Cultural and Ethical Values in Students) subject and less satisfactory in the subject of c9 (Balance in Curricular and Extra curriculum Activities). Overall Teachers are Average agree about 3.52.
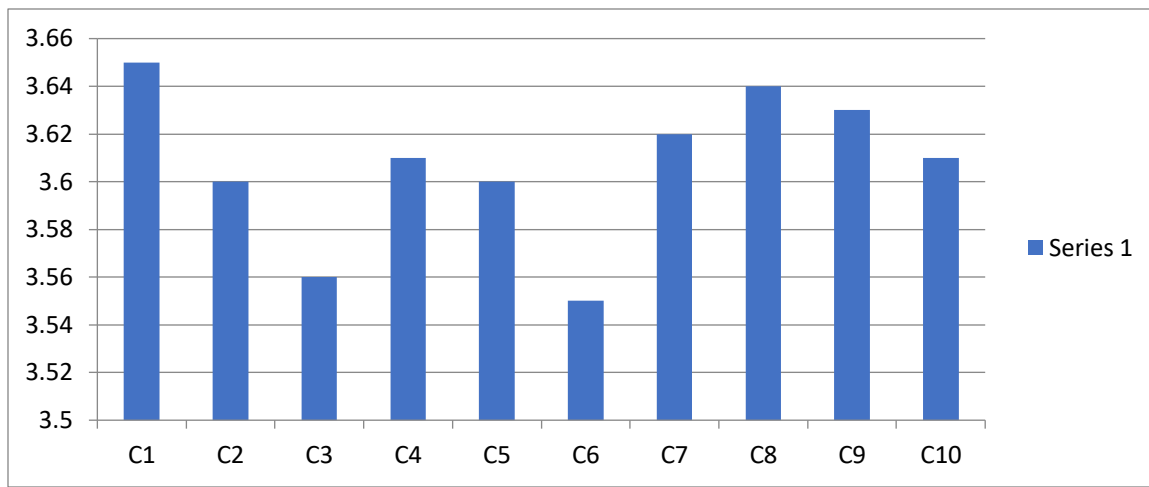

Department of Hindi:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_2(Moral, Cultural and Ethical Values in Students) subject and less satisfactory in the subject of c7 (Ample opportunities for Creativity). Overall Teachers are average satisfactory about 3.4.
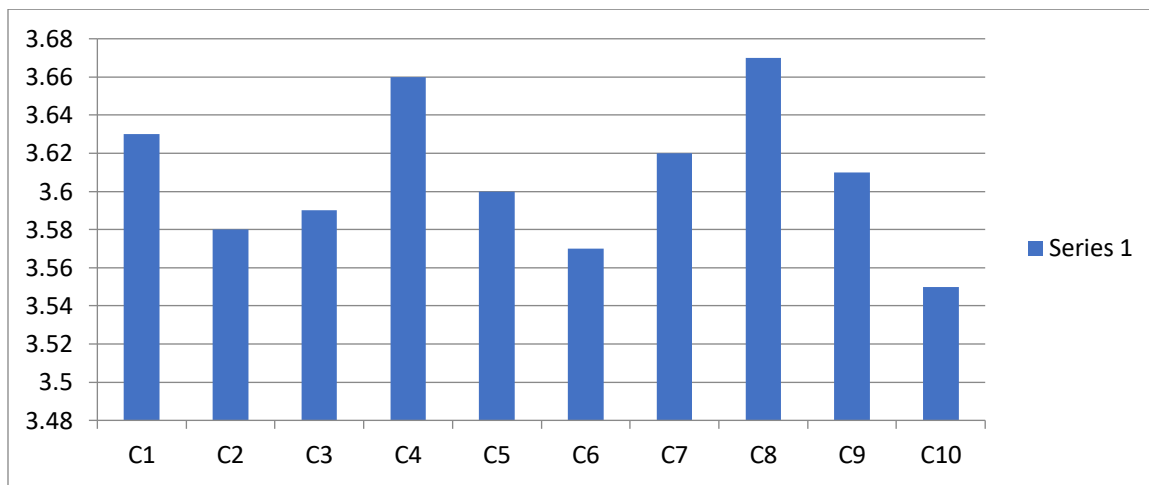

Department of History:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c3(Develops Competitive Spirit) subject and less satisfactory in the subject of c_6 (Self dependent or self reliant of students). Overall Teachers are average satisfactory about 3.57
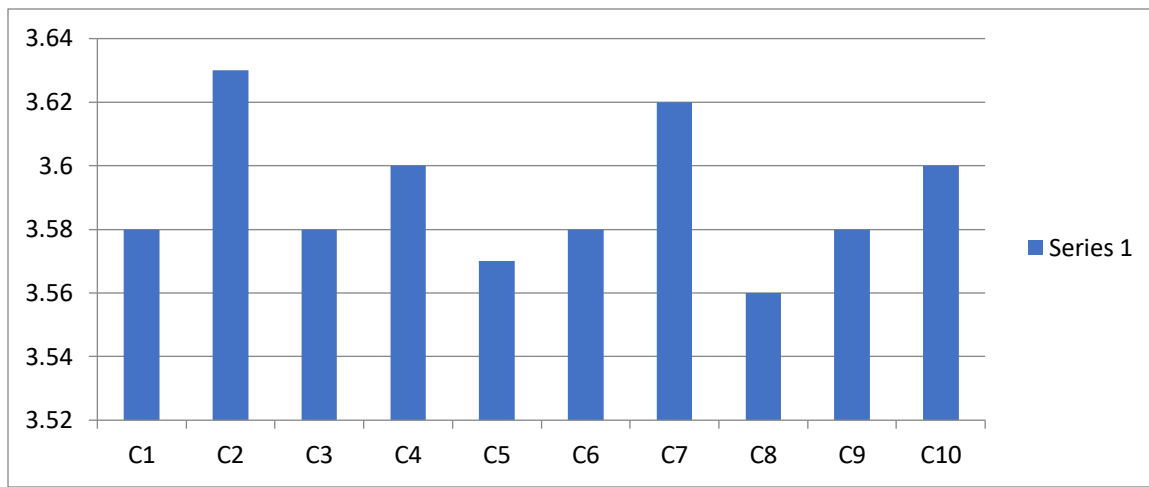

Department of Kannada

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_1(Develops useful citizens to society) subject and less satisfactory in the subject of c_6 (Self dependent or self reliant of students). Overall Teachers are Avarage agree about 3.55.
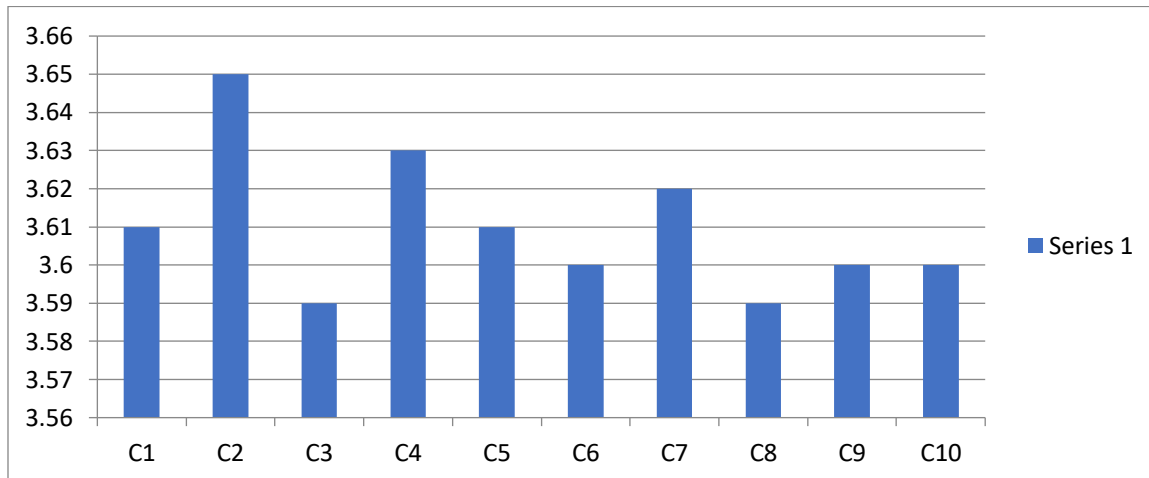

Department of MLISc:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_8(Assure them of definite benefit for students) subject and less satisfactory in the subject of c_{10} (Present curriculum requires more time and effort). Overall Teachers are Average agree about 3.55.
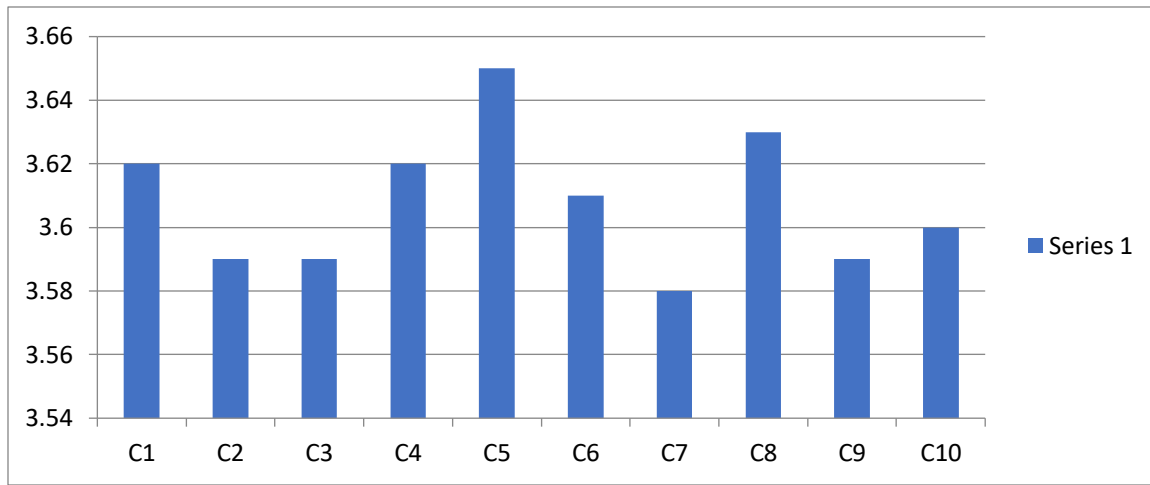

Department of MSW:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c2(Moral cultural and Ethical Values in students) subject and less satisfactory in the subject of c8 (Assure them of definite benefit for students). Overall Teachers are Avarage agree about 3.56..
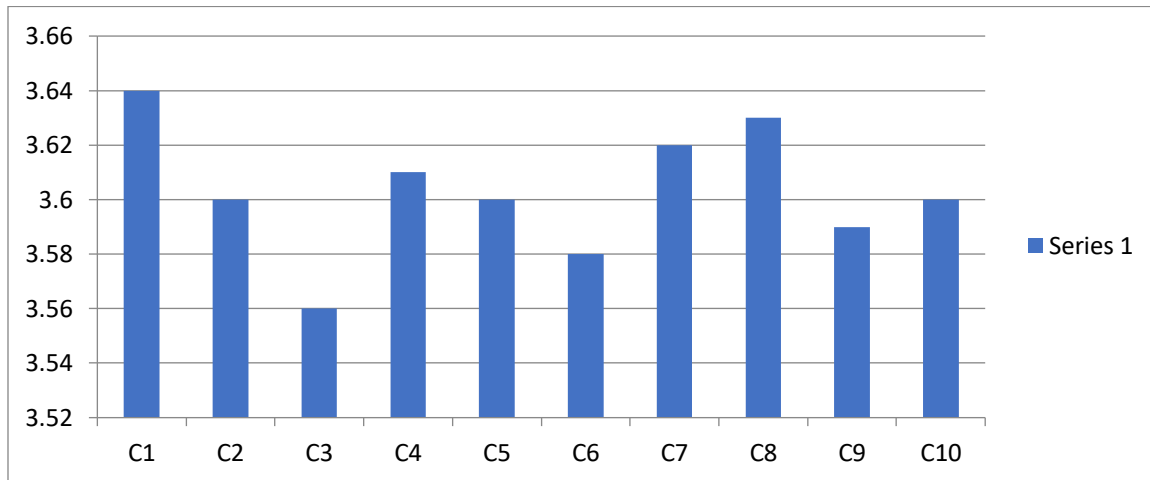

Department of Music:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_2(Moral cultural and Ethical Values in students) subject and less satisfactory in the subject of c_8(Assure them of definite benefit for students). Overall Teachers are average agree about 3.59.

Department of Political Science:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c5(Develops potential for job market) subject and less satisfactory in the subject of c_7 (Ample oppurtunities for creativity). Overall Teachers are average agree about 3.58.
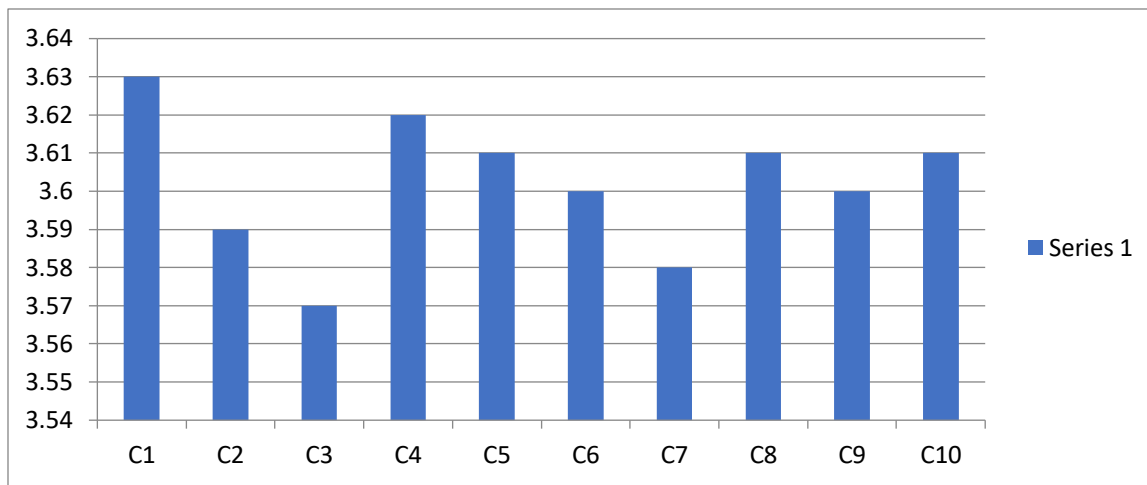

Department of Sociology:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_1(Develops useful citizens to society) subject and less satisfactory in the subject of c_3 (Develops competitive spirit). Overall Teachers are average satisfactory about 3.56.
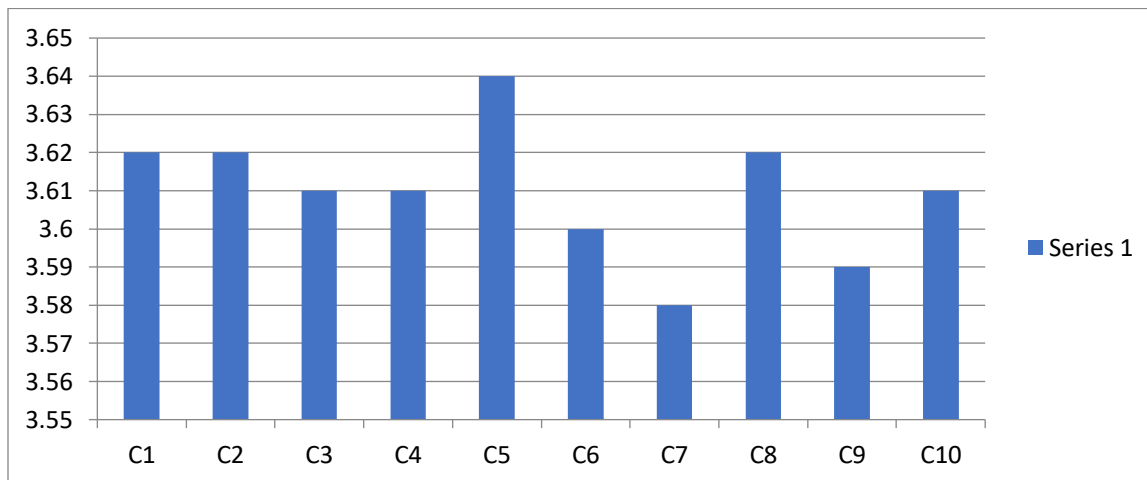

Department of Urdu:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c1(Develops useful citizens to society) subject and less satisfactory in the subject of c_3 (Develops competitive spirit). Overall Teachers are satisfactory about 3.57.
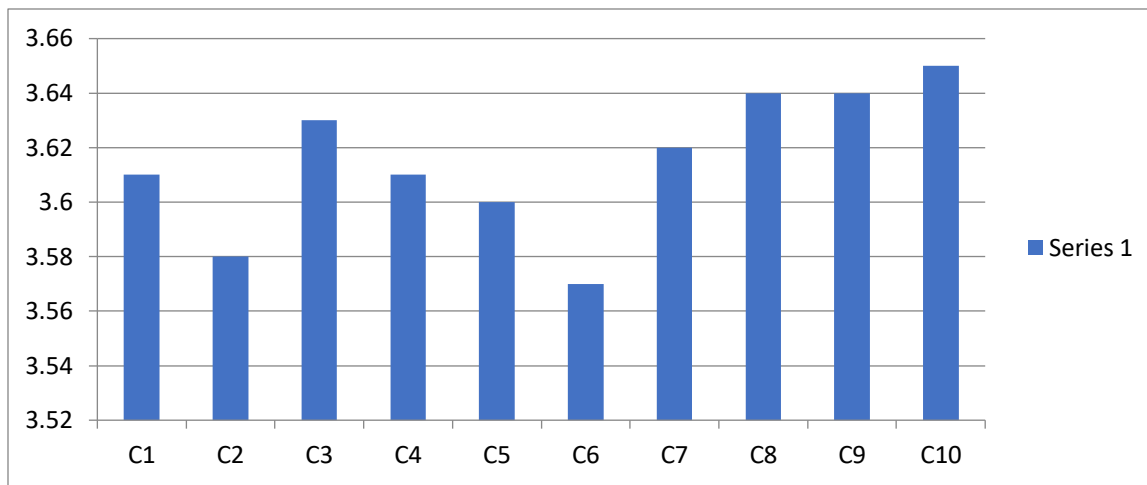

Department of MBA:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c5(Develops potential essential for job market) subject and less satisfactory in the subject of c_7 (Ample oppurtunities for creativity). Overall Teachers are average agree about 3.58.
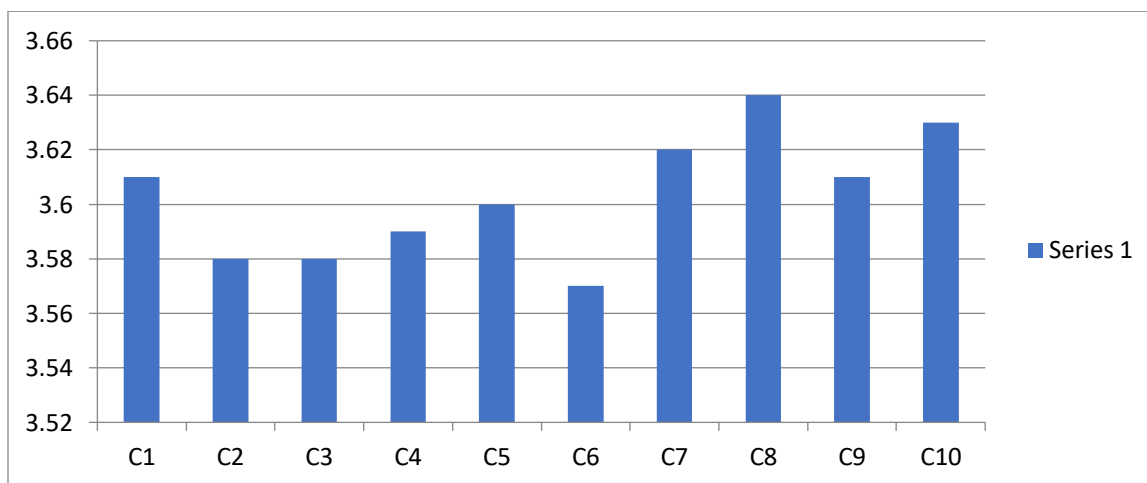

Department of MCA:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_{10}(present curriculum requires more time and effort) subject and less satisfactory in the subject of c_6 (self dependent or self reliant of students). Overall Teachers are good curriculum activities about 3.57.
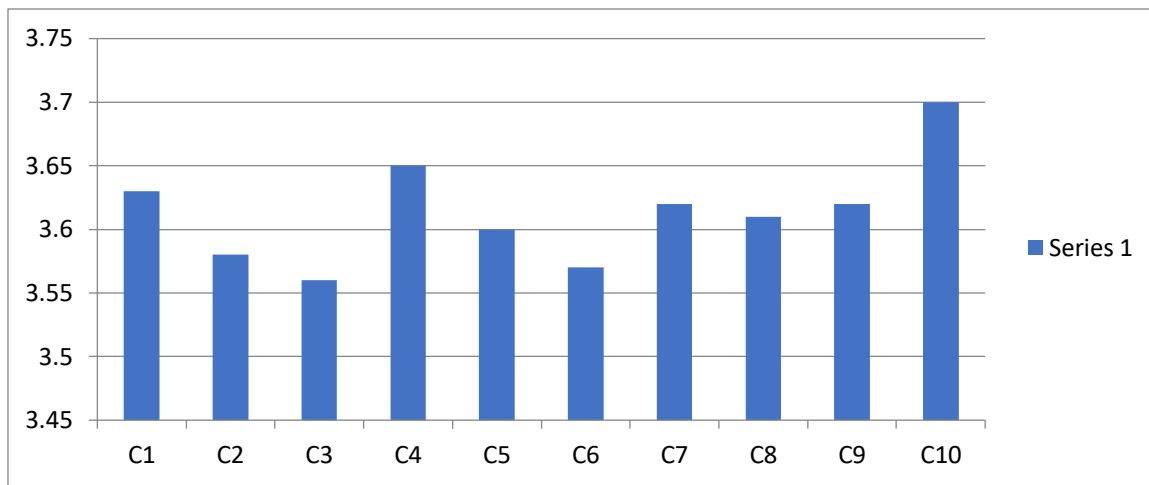

Department of M.Com:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_8(Assure them definite benefit for students) subject and less satisfactory in the subject of c_6 (self dependent or self reliant of students). Overall Teachers are average curriculum activities about 3.57.
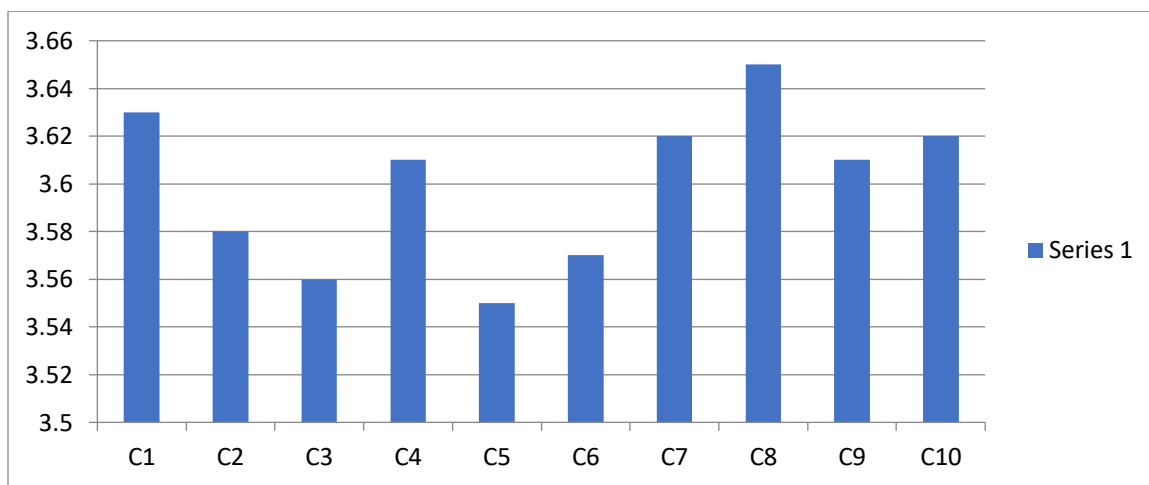

Department of M.Ed:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_{10}(present curriculum requires more time and effort) subject and less satisfactory in the subject of c_3 (develops competitive spirit). Overall Teachers are good satisfactory about 3.56.
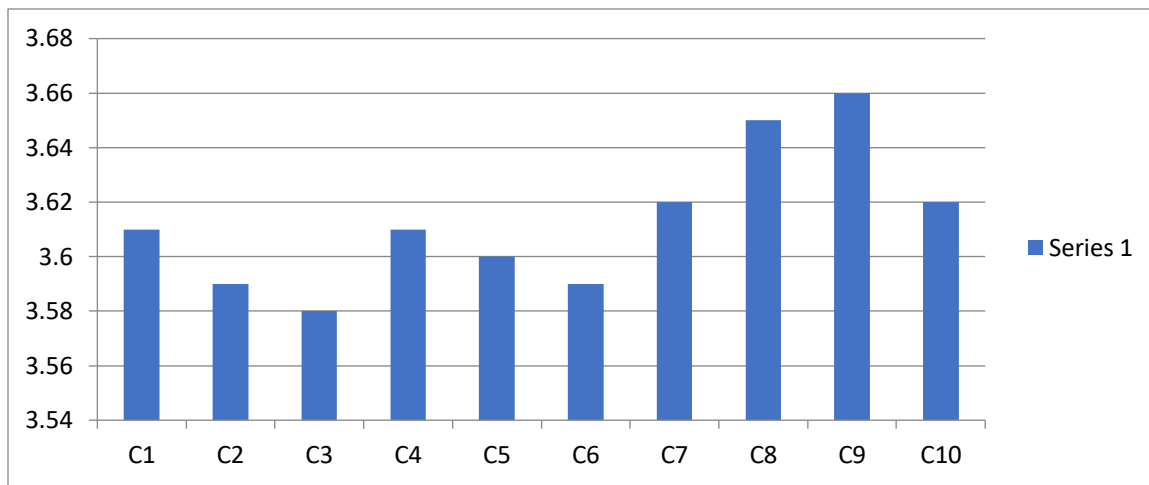

Department of M.PEd:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_8(Assure them of definite benefit for students) subject and less satisfactory in the subject of c_5 (ample opportunities for creativity). Overall Teachers are good satisfactory about 3.55.
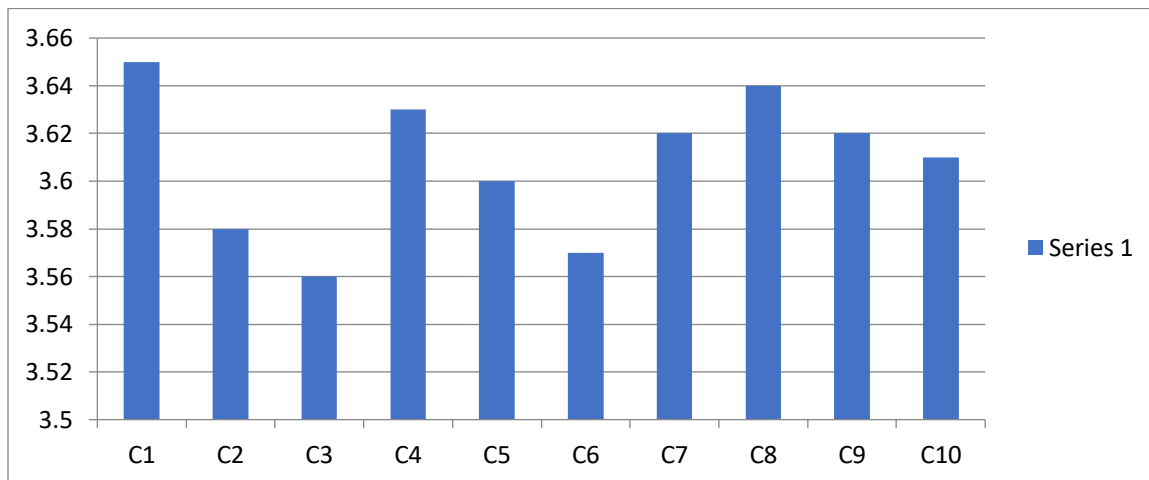

Department of Computer Science:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_9(balance in curricular and extra curriculum activities) subject and less satisfactory in the subject of c_3 (Develops competitive spirit). Overall Teachers are average curricular activities about 3.58.

## Department of Journalism and mass communication:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_1(Develops useful citizens to society) subject and less satisfactory in the subject of c_3 (develops competitive spirit). Overall Teachers are average agree about 3.56.
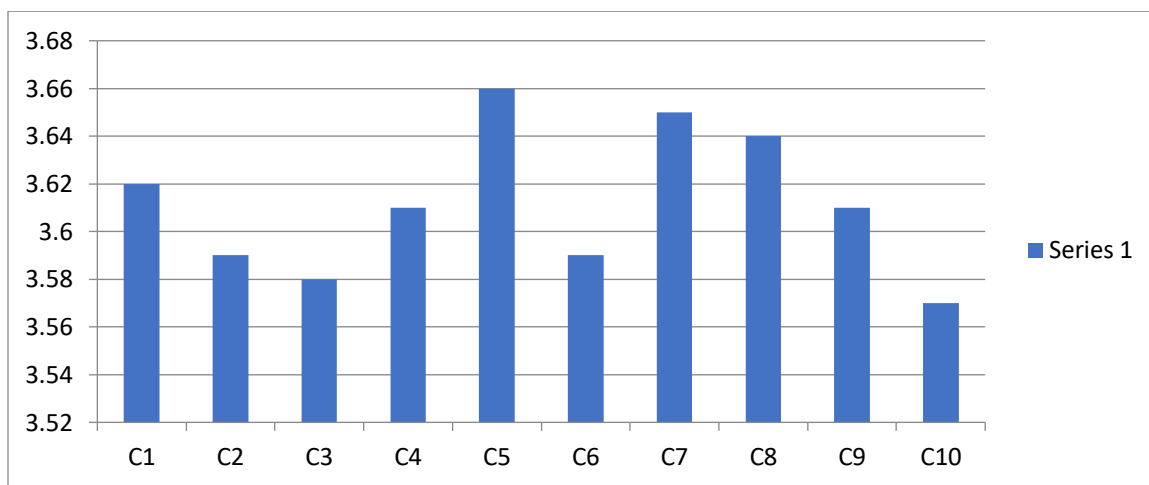

Department of Women studies:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_2 (Moral, cultural and ethical values in students) subject and less satisfactory in the subject of c_7 (ample opportunities for creativity). Overall Teachers are average satisfactory about 3.56.

Department of B.Ed:

The charts shows the Teachers have provided their feedback on the Teaching of the programme based on likart's scale, more number of Teachers have good opinion for the c_5(develops potential essential for job market) subject and less satisfactory in the subject of c_{10} (present curriculum requires more time and effort). Overall Teachers are average satisfactory about 3.57.
