

National Assessment and Accreditation Council (NAAC)Employer's Feedback Analysis 2021-22

Department of Economics:

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₇(Course produces industry ready graduates) subject and less satisfactory in the subject of c₄ (Learning value). Over all Employers satisfactory agree the all subjects.

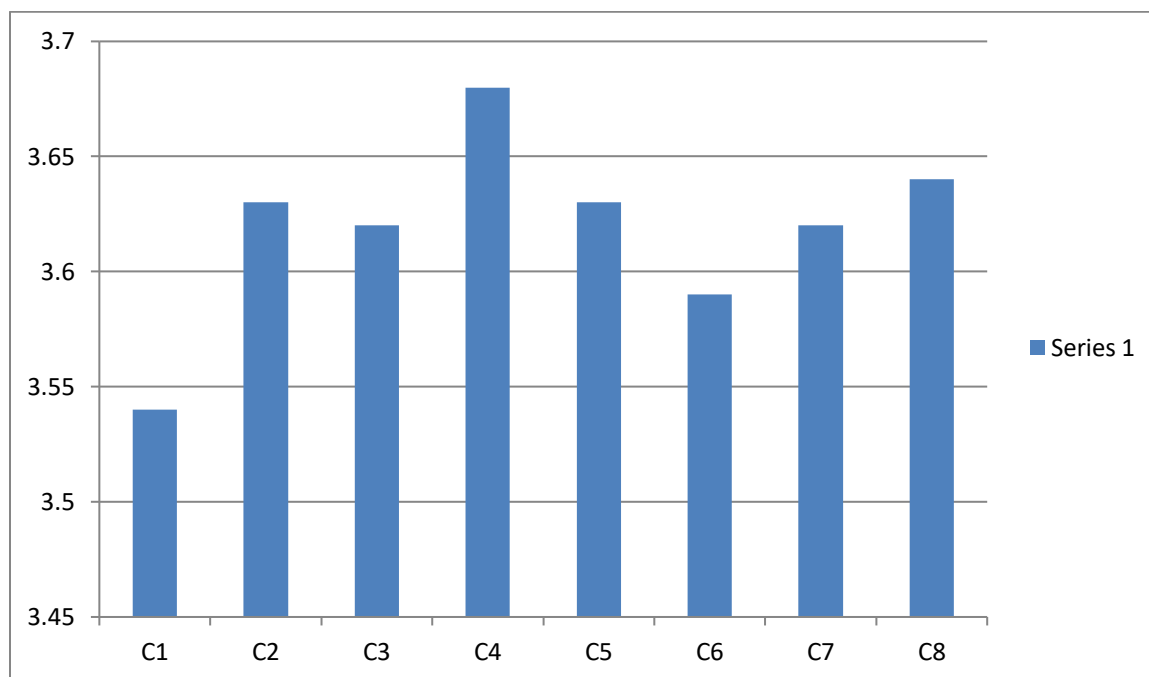

Department of mathematics:

The charts shows the students have provided their feedback on the employers of the programme basis of

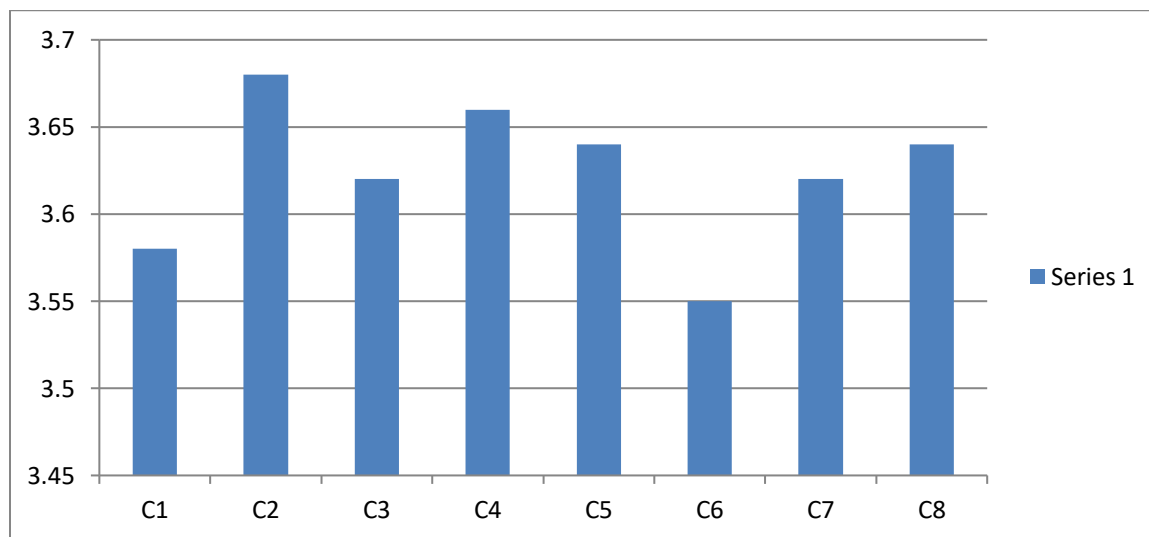

likart's scale, more number of employers have good opinion for the c_6 (Incorporation of recent trends in the subject) subject and less satisfactory in the subject of c_3 (Applicability/ relevance to real life situations). Over all Employers satisfactory agree the all subjects.

Department of Statistics:

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c_4 (Learning value) subject and less satisfactory in the subject of c_1 (Depth of the course contest including project work). Over all Employers satisfactory agree the all subjects.

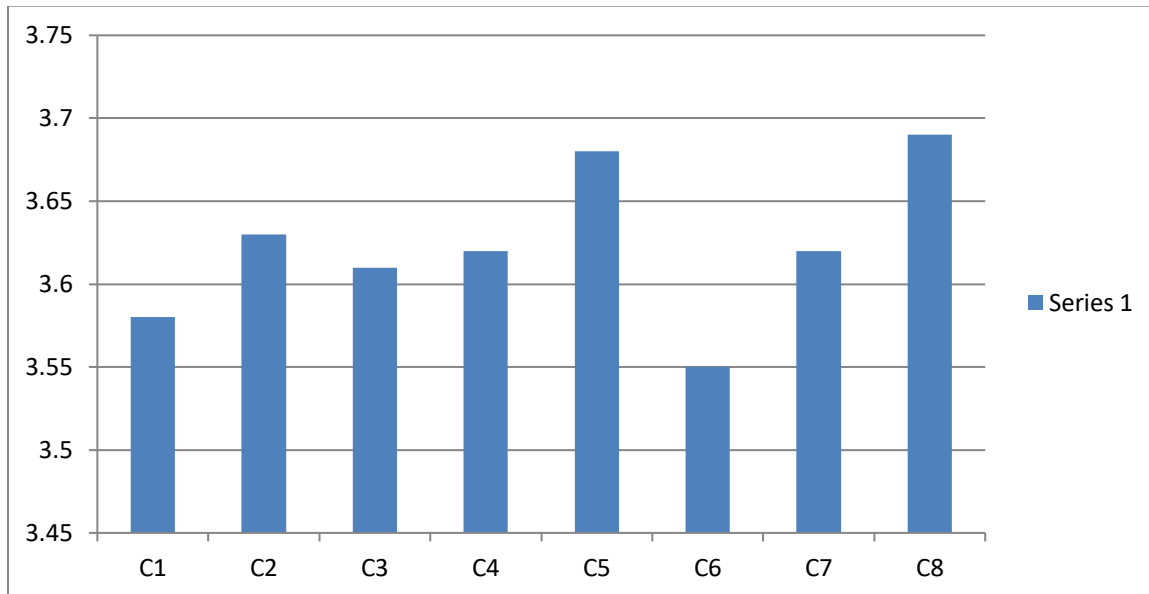

Department of Chemistry:

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c_2 (Extent of coverage of course)

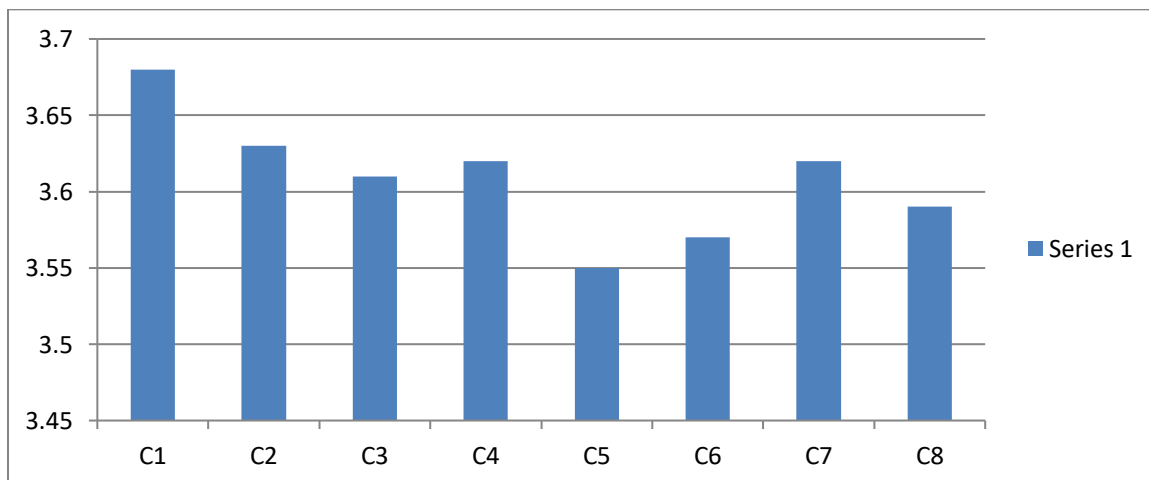

subject and less satisfactory in the subject of c_6 (Incorporation of recent trends in the subject). Over all Employers satisfactory agree the parameters.

Department of Pharma-Chemistry:

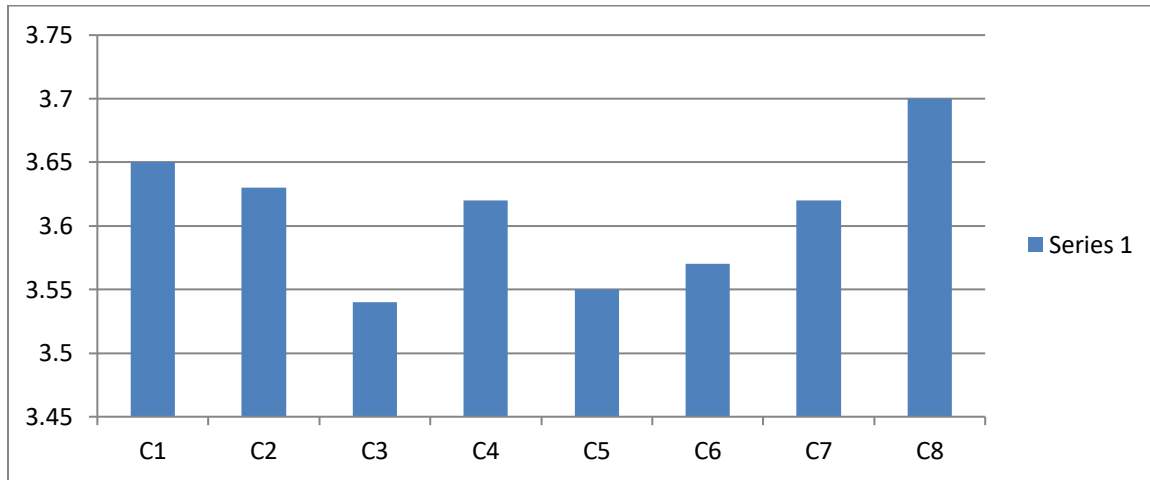

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c_8 (Overall rating) subject and less satisfactory in the subject of c_6 (Incorporation of recent trends in the subject). Overall rating of the Employers are good satisfactory.

Department of Food processing and nutrition:

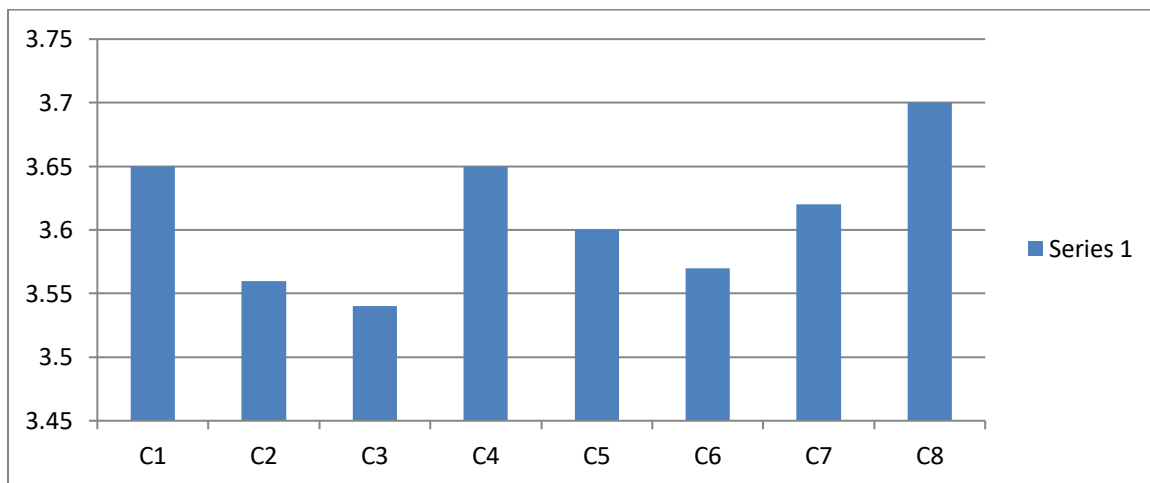

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c_1 (Depth of the course content including project work) subject and less satisfactory in the subject of c_5 (clarity and relevance of textual reading materials). Overall Employers are good satisfactory about 3.55.

Department of Botany:

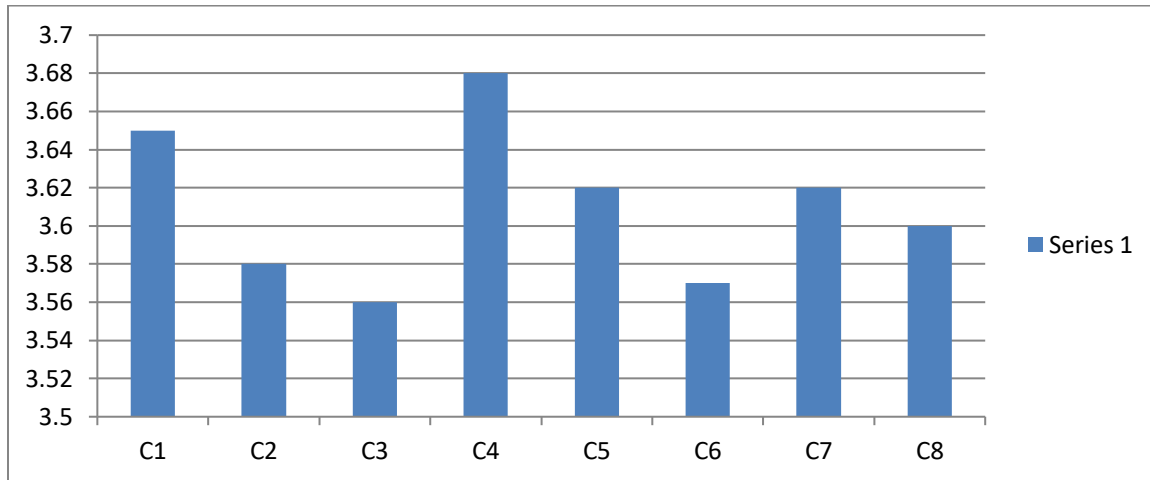

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(overall rating) subject and less satisfactory in the subject of c₃ (applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of Zoology:

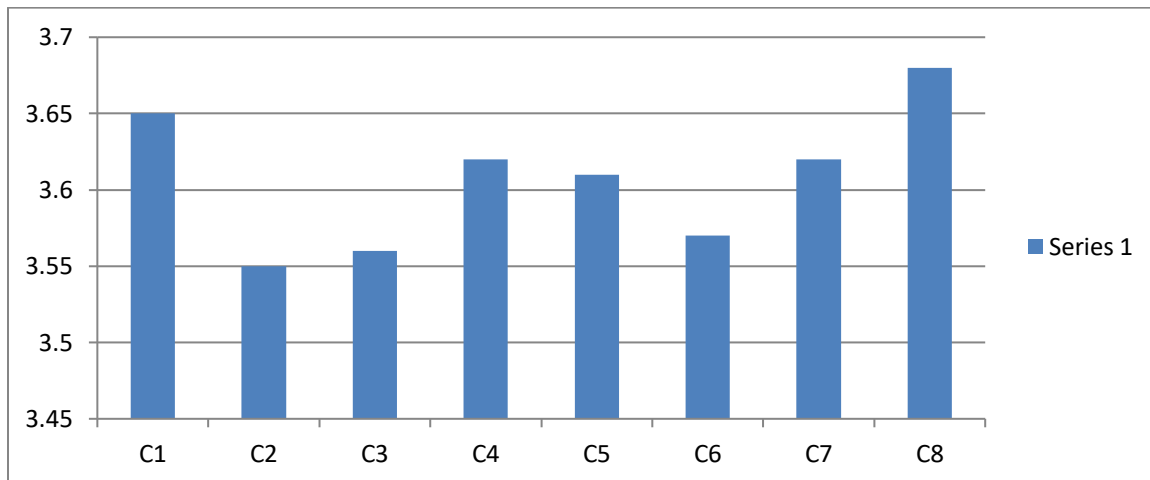

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(overall rating) subject and less satisfactory in the subject of c₃ (applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of Physics:

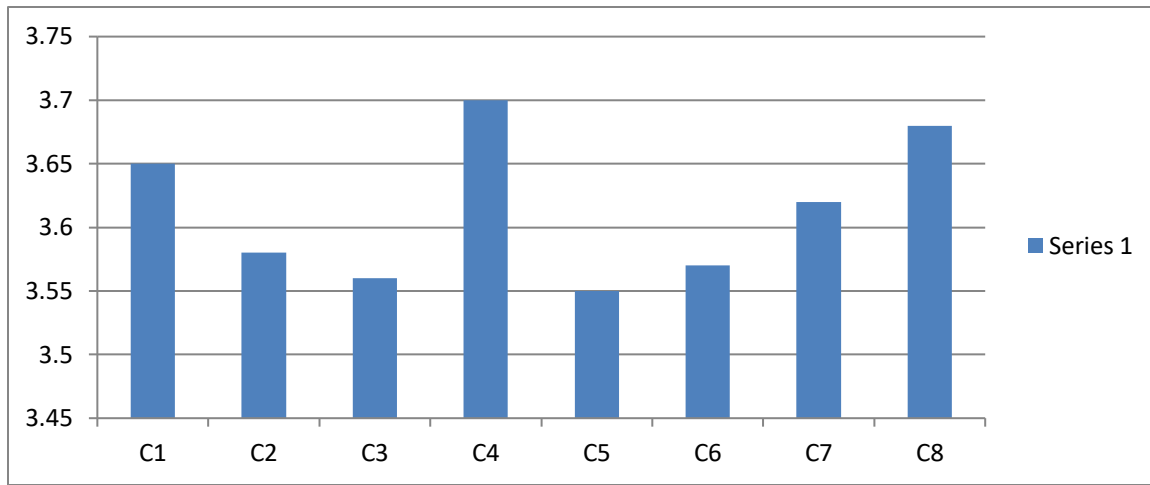

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₄(Learning value) subject and less satisfactory in the subject of c₃ (applicability/ relevance to real life situations). Overall Employers are good satisfactory.

Department of Electronics:

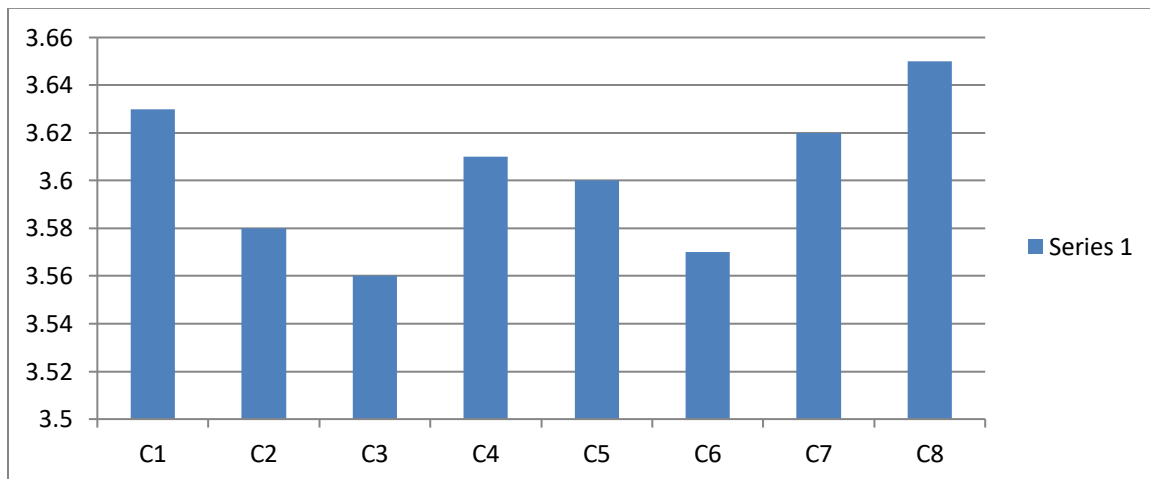

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(overall rating) subject and less satisfactory in the subject of c₂ (Extent of coverage of course). Overall rating of the Employers are good satisfactory.

Department of English:

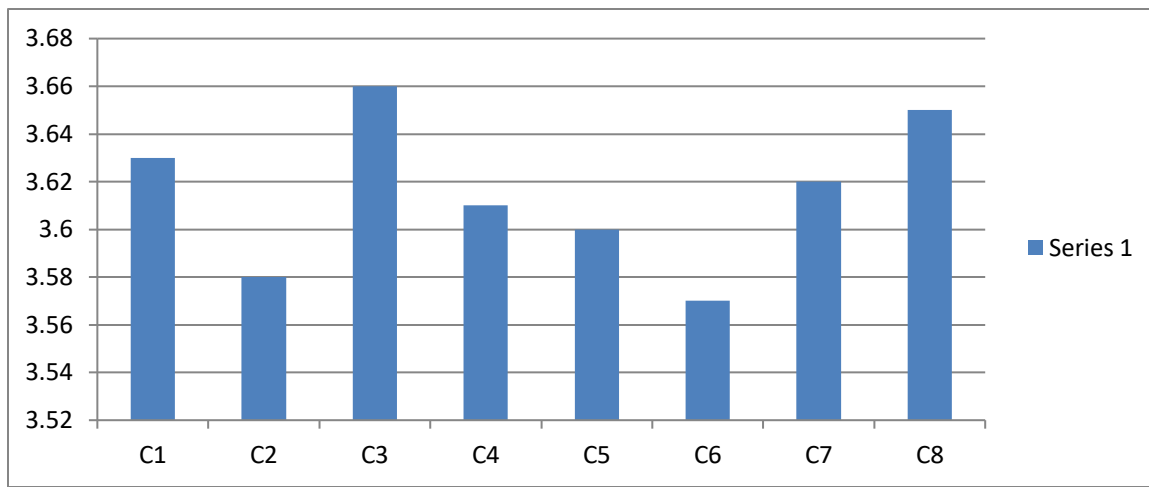

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₄(Learning value) subject and less satisfactory in the subject of c₅ (Clarity and relevance of textual reading materials). Overall Employers are good satisfactory about 3.55.

Department of Hindi:

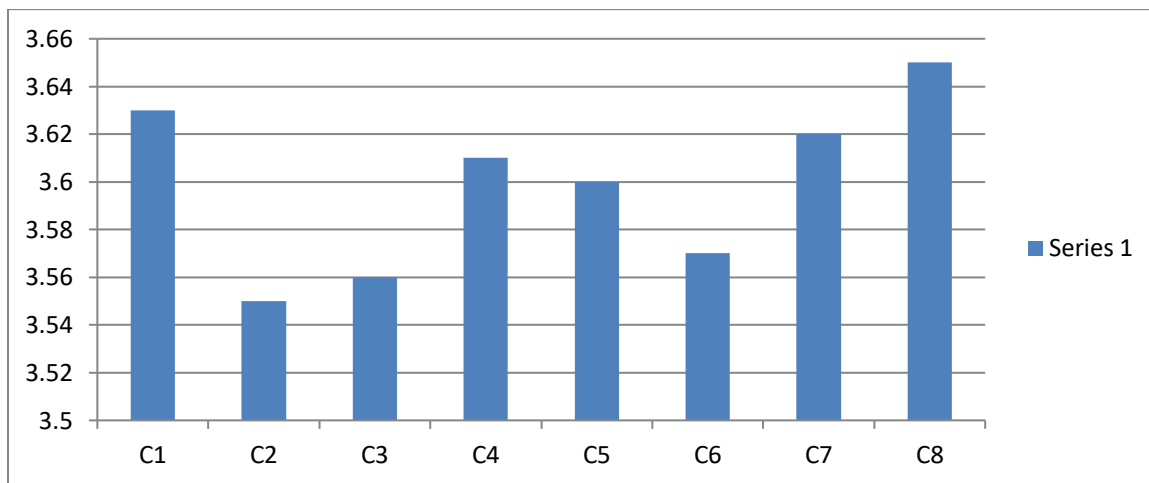

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of History:

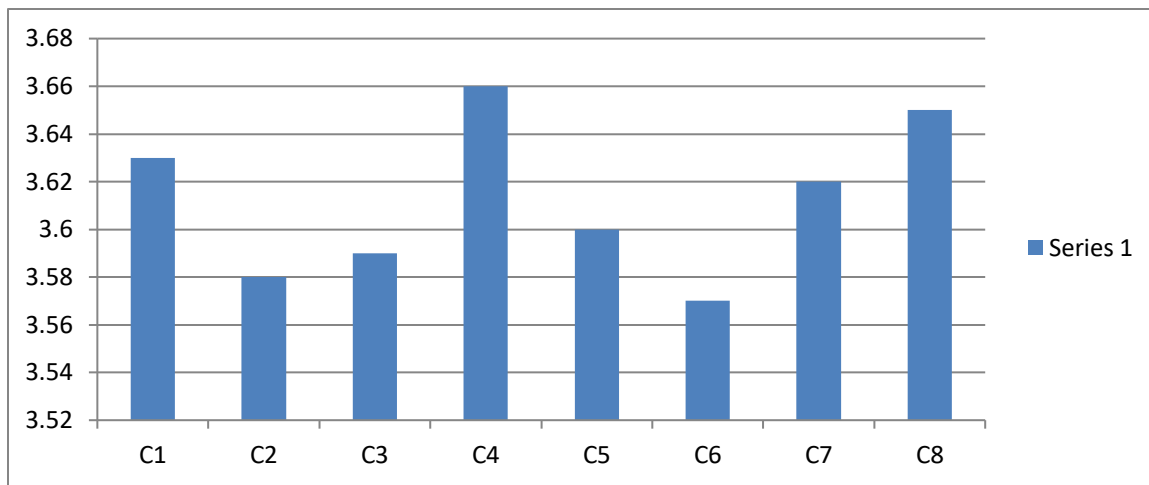

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₃(Applicability/relevance to real life situations) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall Employers are average satisfactory about 3.57.

Department of Kannada

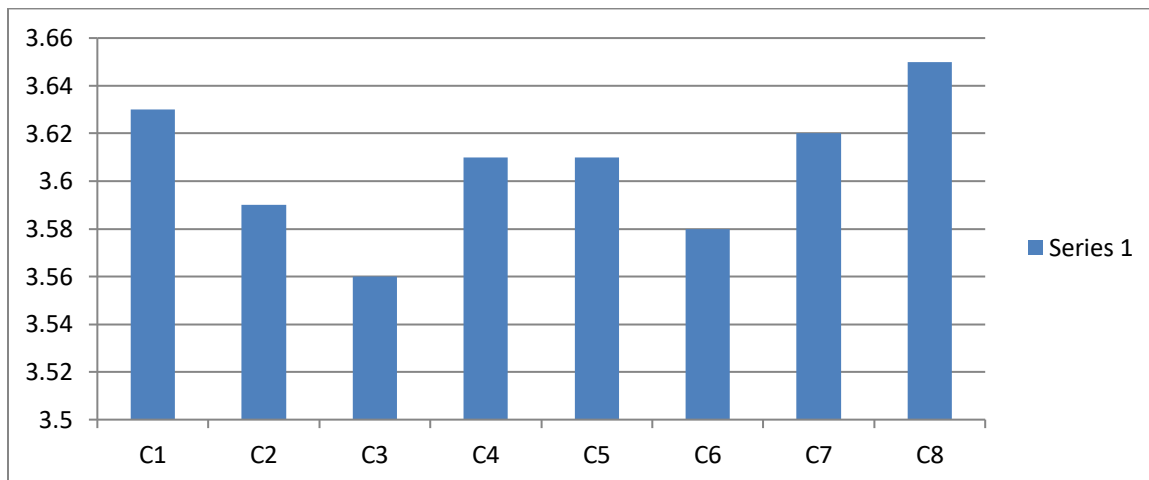

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₂ (Extent of coverage of course). Overall rating of the Employers are good satisfactory.

Department of MLISc:

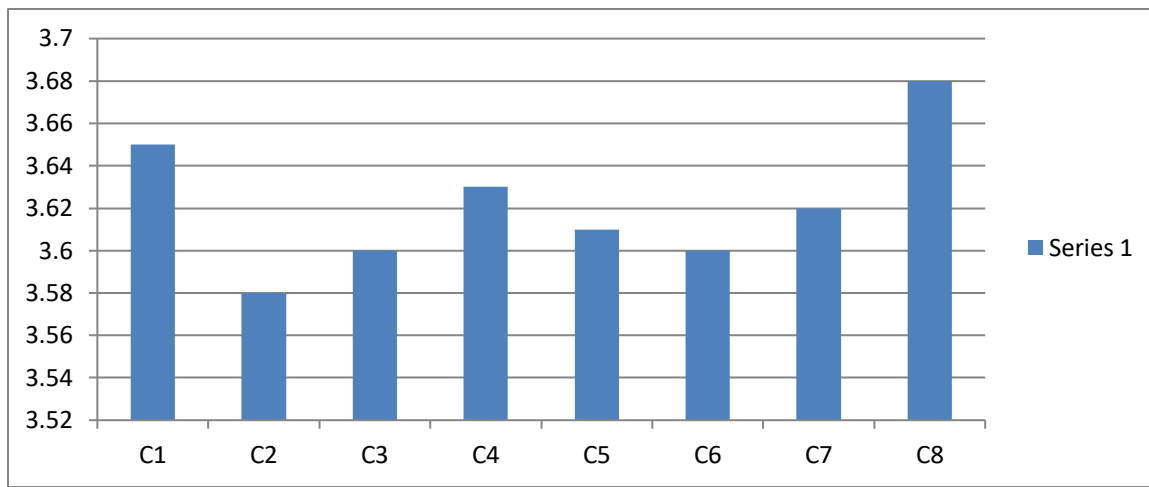

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(learning value) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall Employers are average satisfactory about 3.57.

Department of MSW:

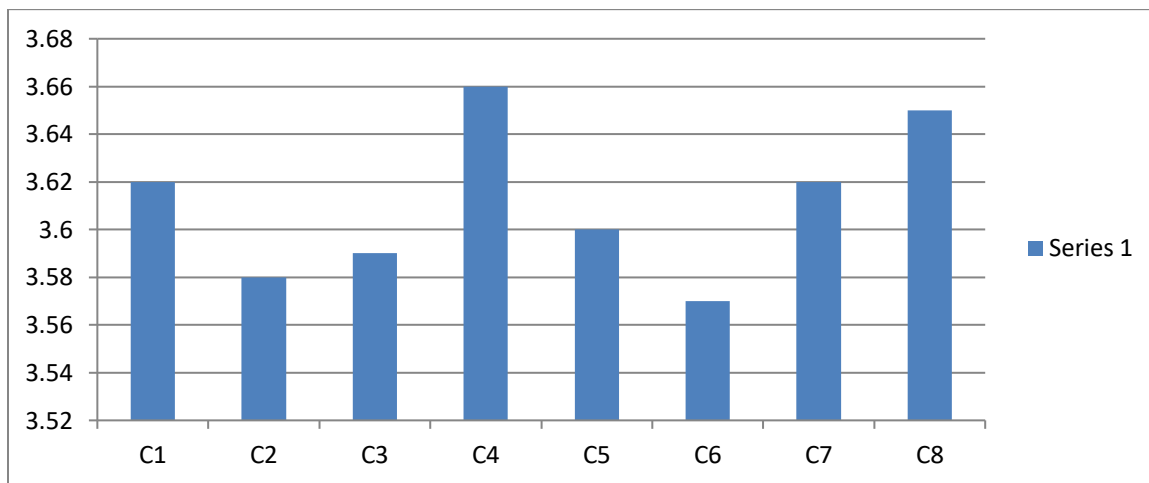

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of Music:

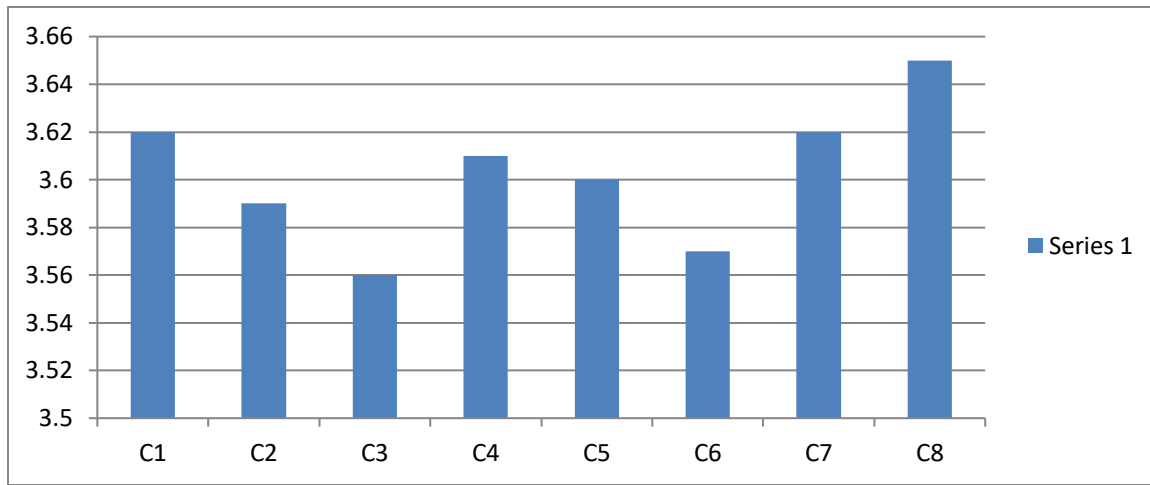

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₂ (Extent of coverage of course). Overall rating of the Employers are good satisfactory.

Department of Political Science:

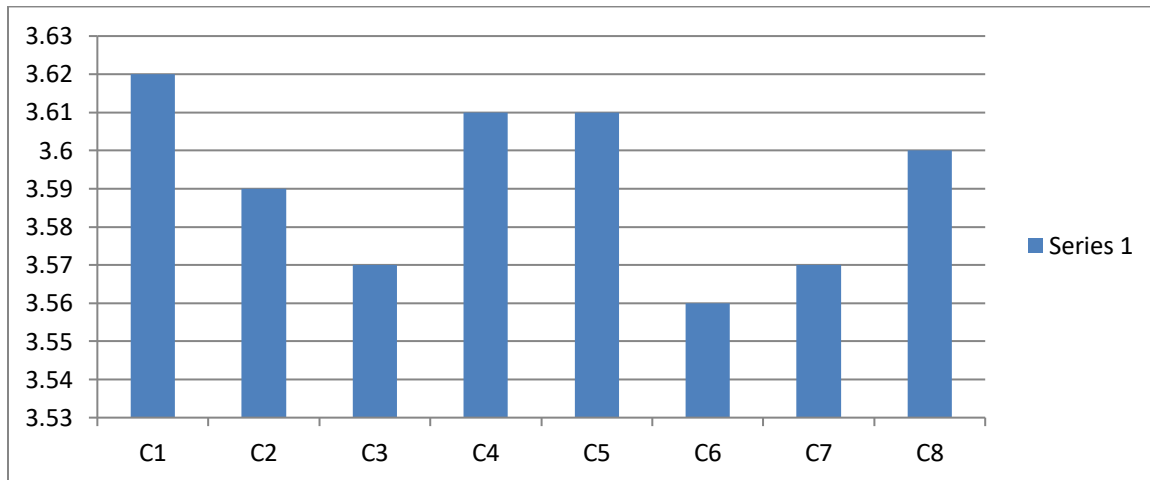

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₄(Learning value) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall Employers are average satisfactory about 3.57.

Department of Sociology:

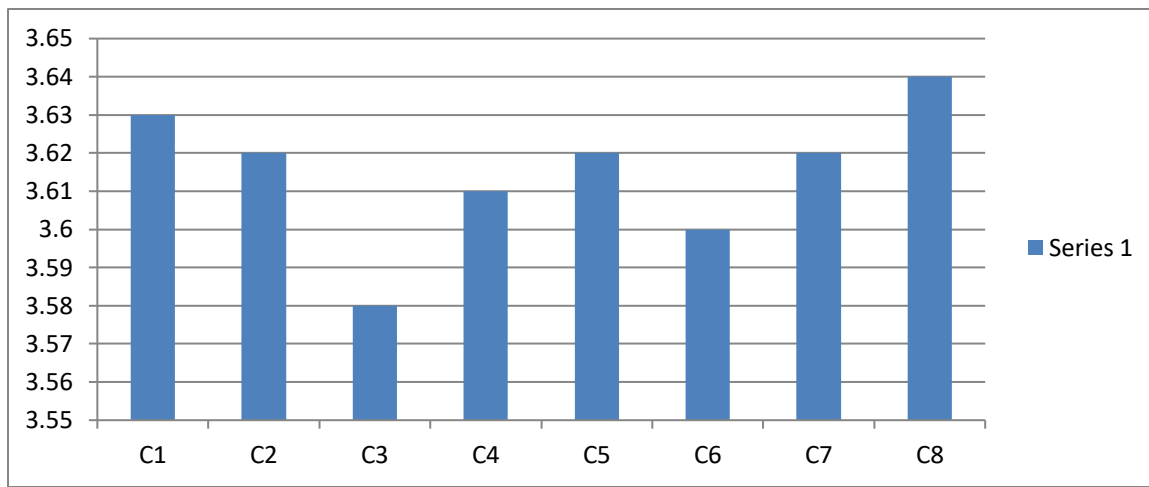

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of Urdu:

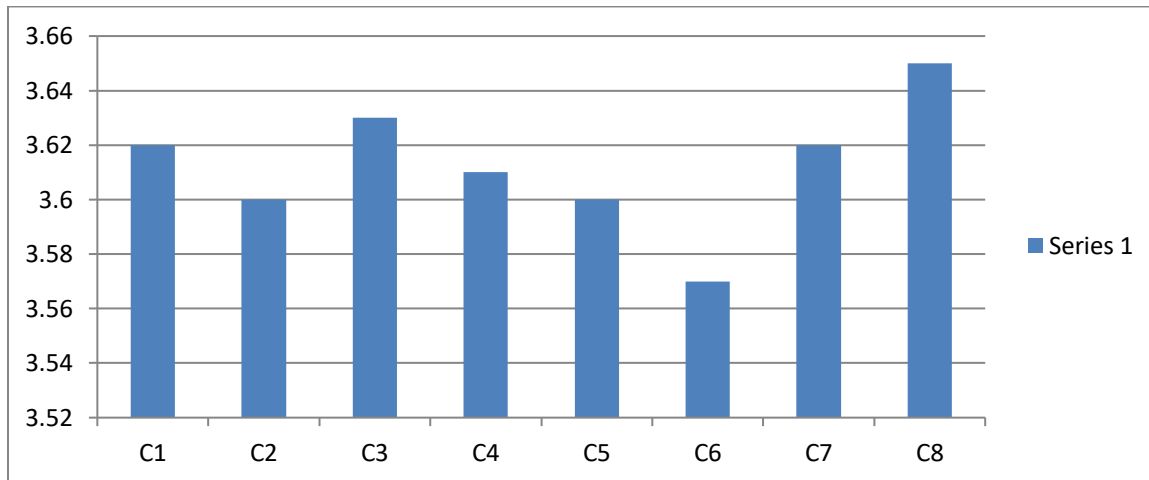

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Depth of the course content including project work) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall rating of the Employers are good satisfactory.

Department of MBA:

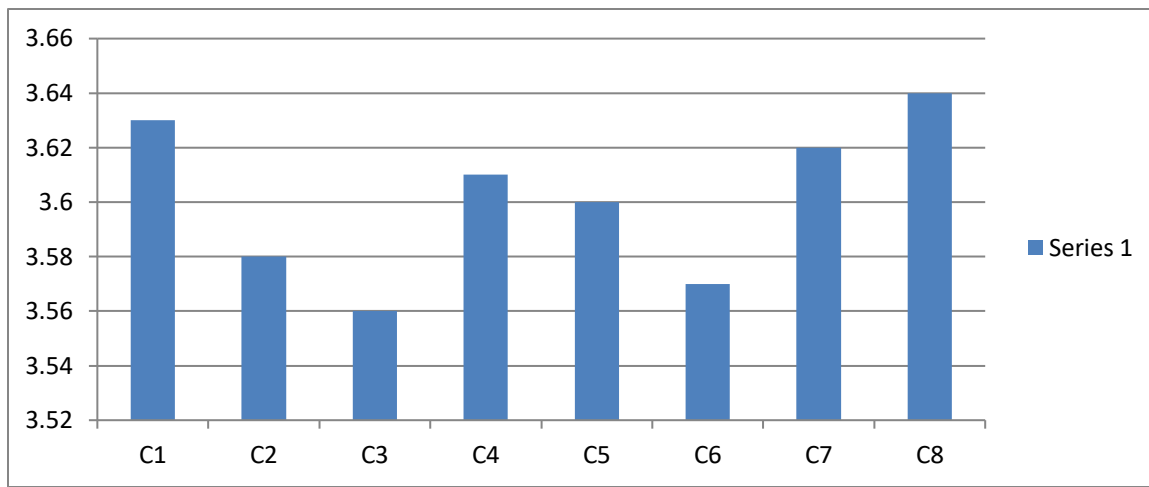

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of MCA:

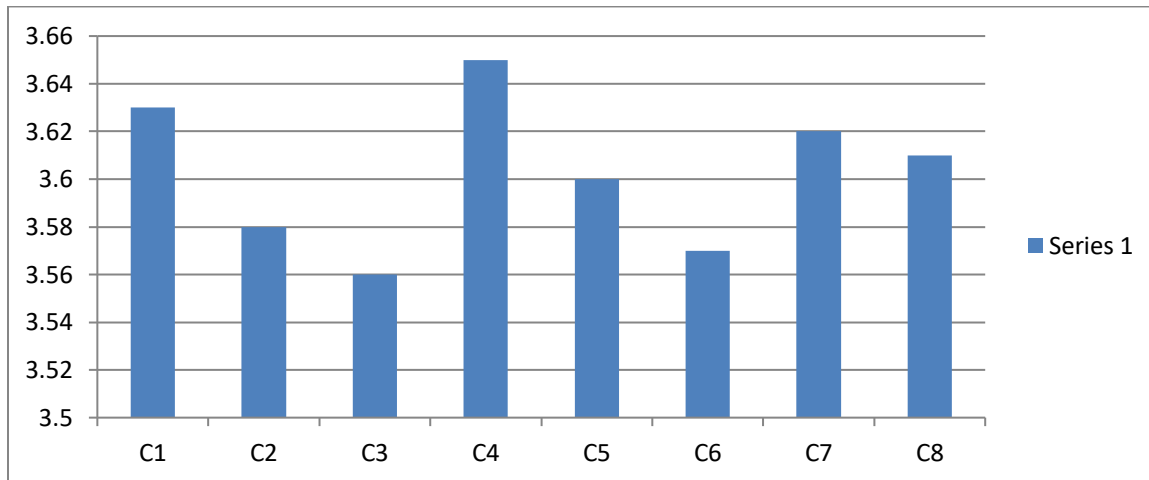

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall rating of the Employers are good satisfactory.

Department of M.Com:

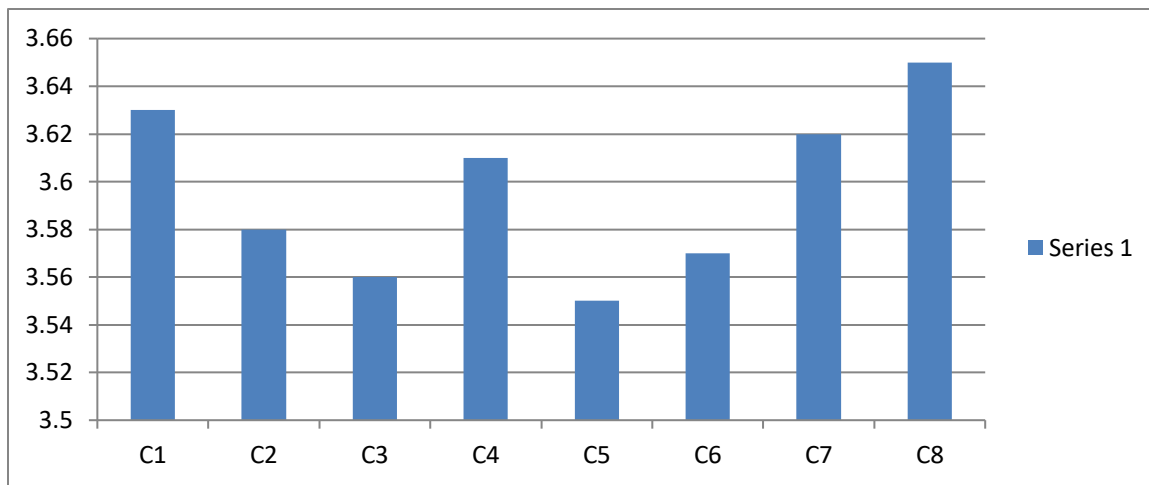

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of M.Ed:

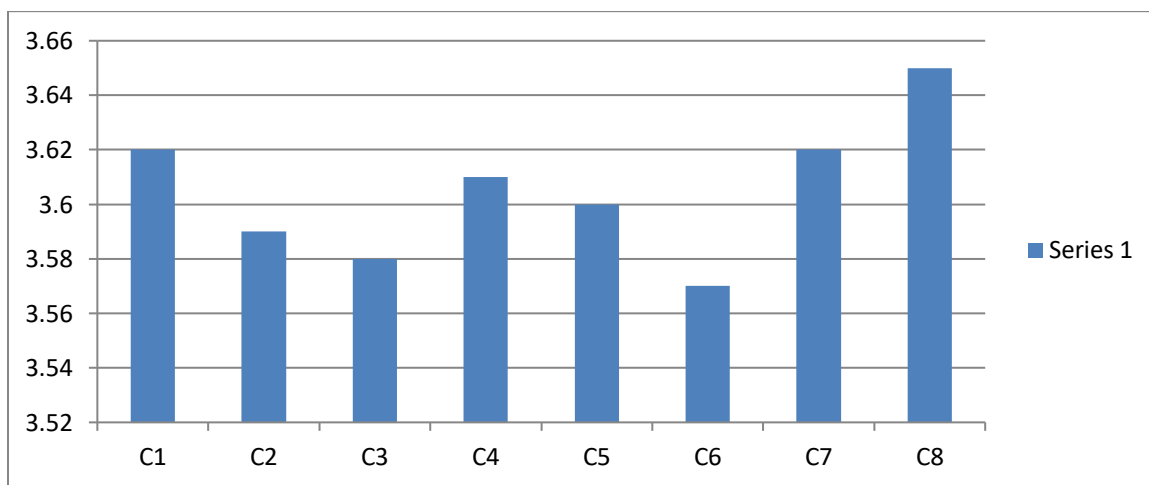

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Learning value) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.

Department of M.PEd:

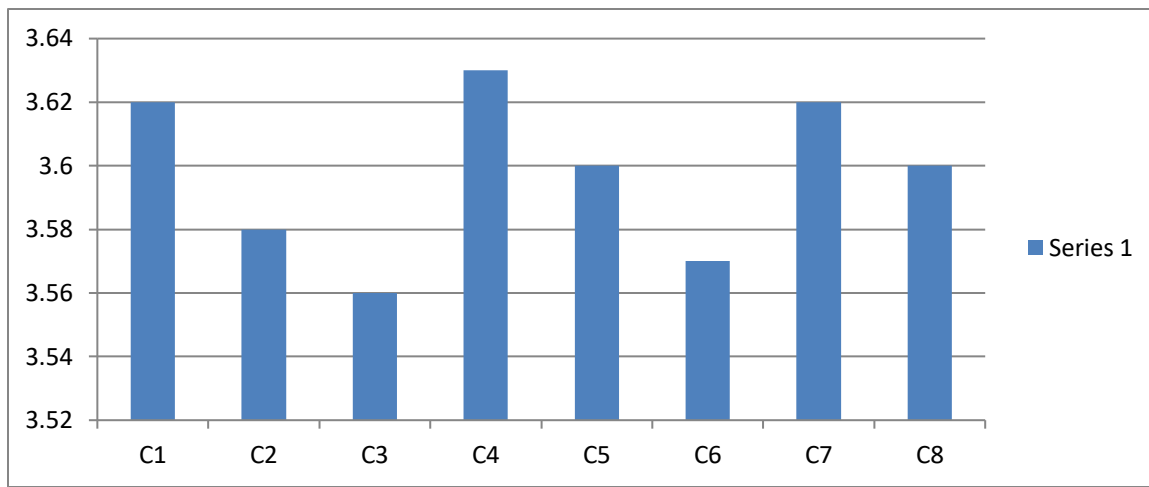

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₅ (Clarity and relevance of textual reading materials). Overall rating of the Employers are good satisfactory.

Department of Computer Science:

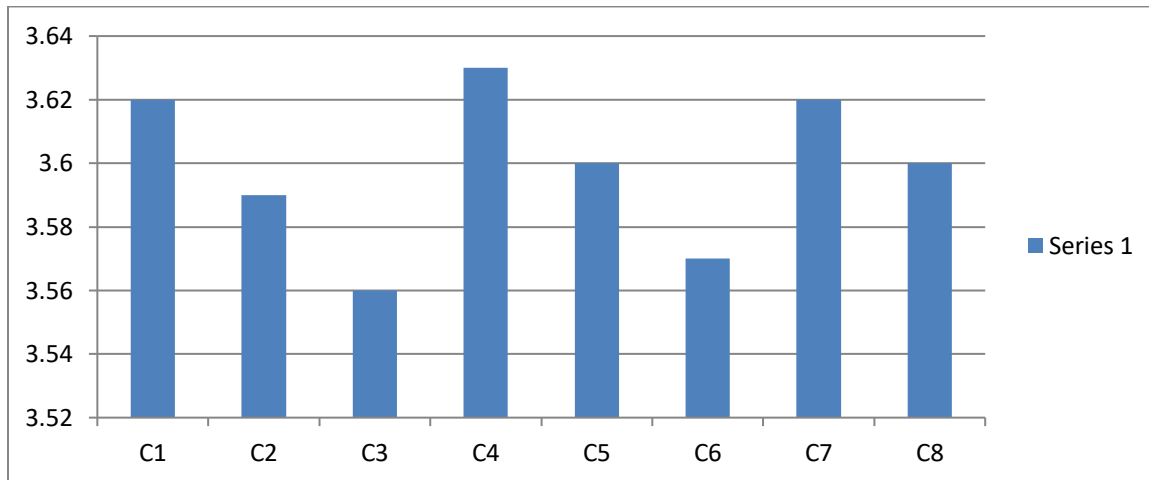

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₆ (Incorporation of recent trends in the subject). Overall rating of the Employers are good satisfactory.

Department of Journalism and mass communication:

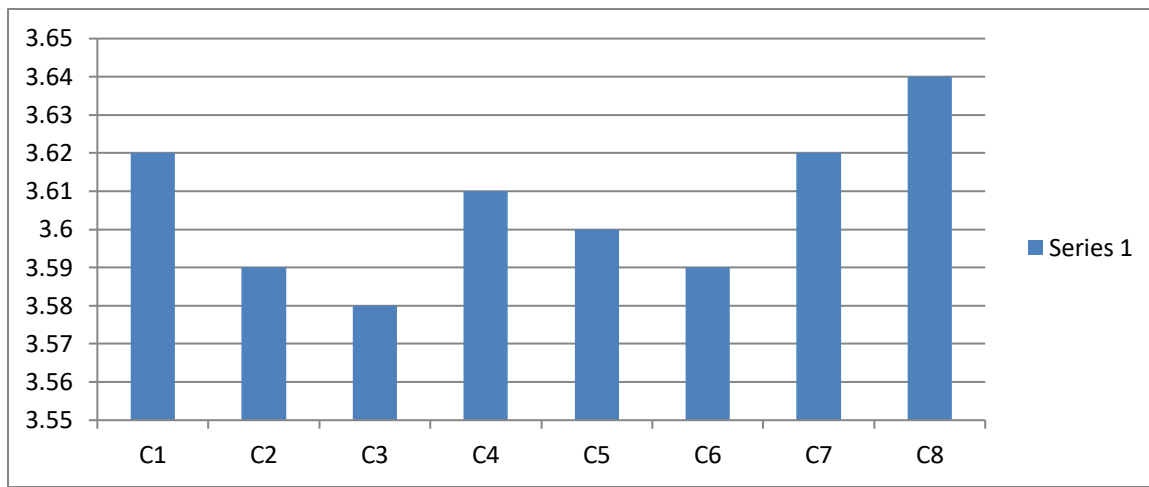

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Learning value) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall Employers are average satisfactory about 3.56.

Department of Women studies:

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₄(Learning value) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall Employers are average satisfactory about 3.56.

Department of B.Ed:

The charts shows the students have provided their feedback on the employers of the programme basis of likart's scale, more number of employers have good opinion for the c₈(Overall rating) subject and less satisfactory in the subject of c₃ (Applicability/ relevance to real life situations). Overall rating of the Employers are good satisfactory.
