

# Student Feedback Analysis Report 2021-22

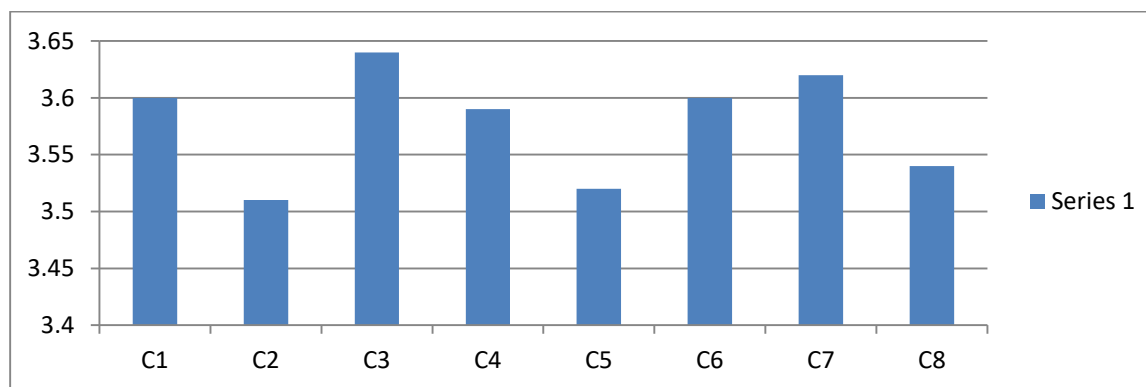

## Department of Chemistry:

### 1<sup>st</sup> Semester

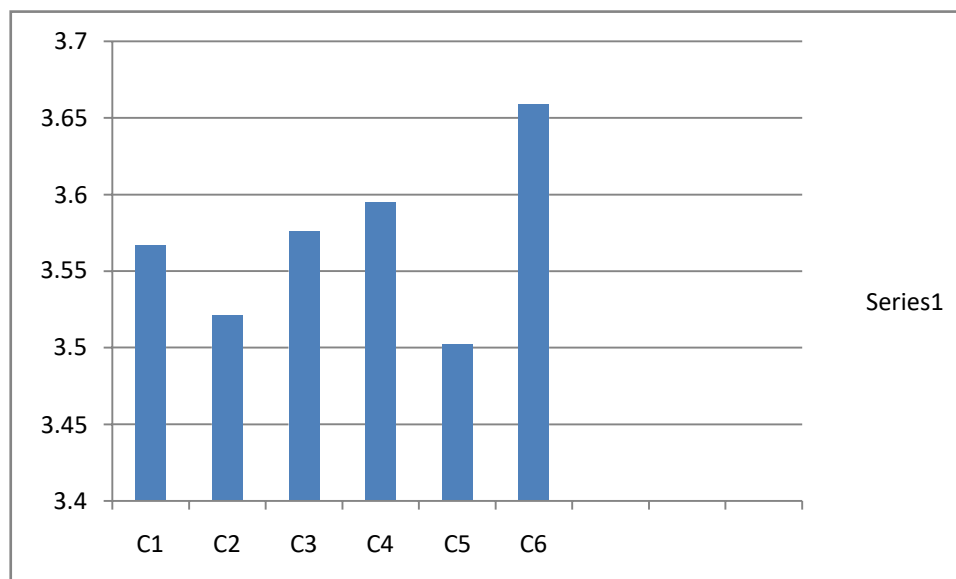

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (Concepts and models in inorganic chemistry) subject and less satisfactory in the subject of  $c_5$  (R and D quality control). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

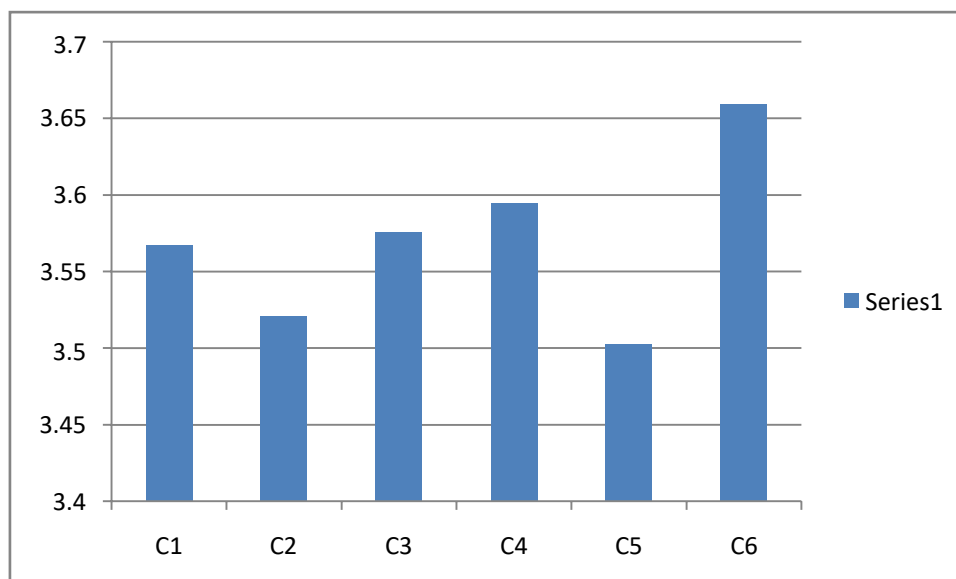

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (electro, quantum and photo chemistry) subject and less satisfactory in the subject of  $c_2$  (reaction mechanism in inorganic synthesis peri-cyclic reactions). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The chart shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$ (open elective) subject and less satisfactory in the subject of  $c_5$  (Analytical chemistry). Over all students satisfactory agree the all subjects.

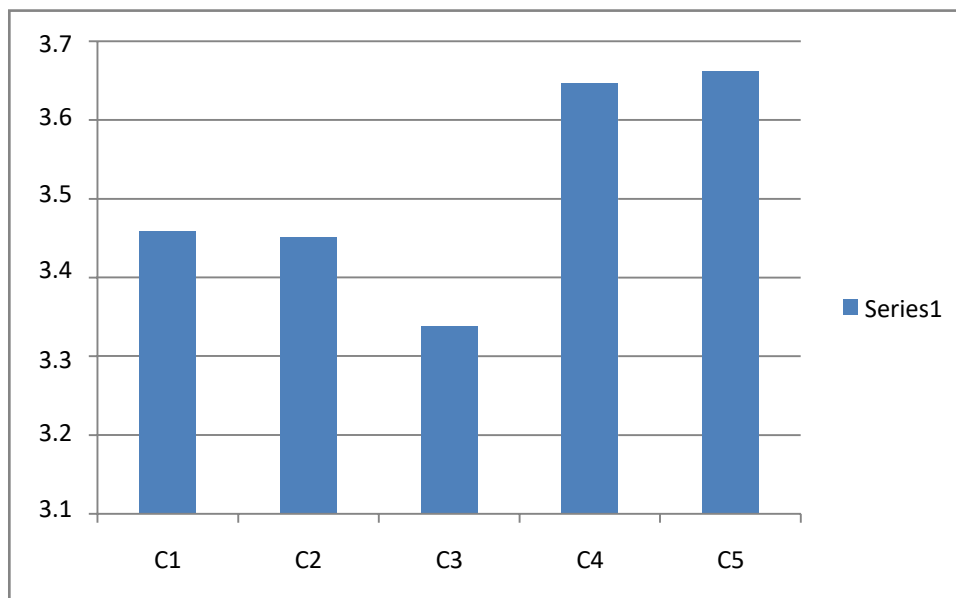

### 4<sup>th</sup> Semester

The chart shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$ (Spectral interpretation of data) subject and less satisfactory in the subject of  $c_5$  (Chemistry for daily life). Over all students satisfactory agree the all subjects.

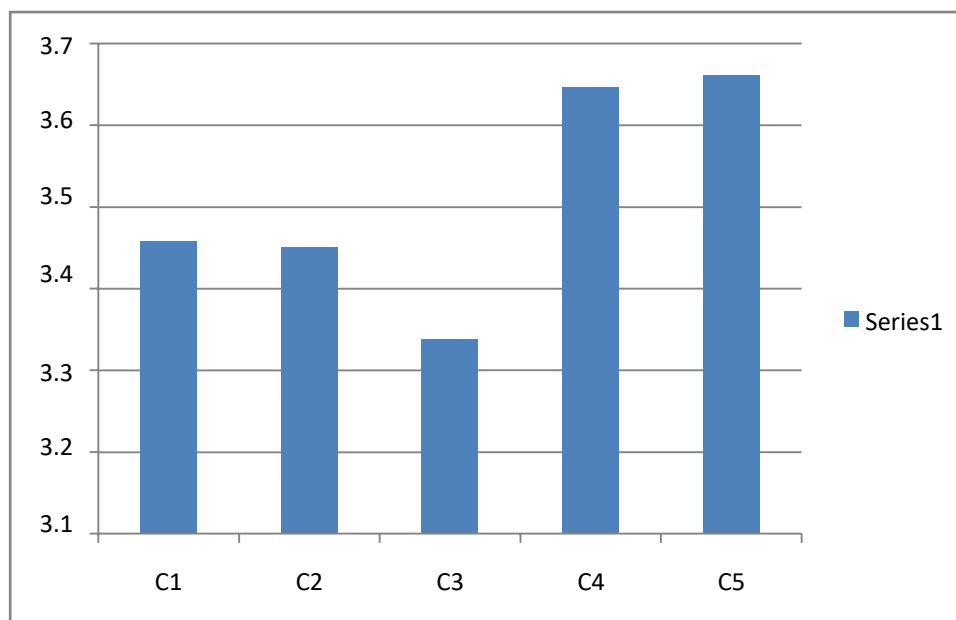

# Department of English:

## 1<sup>st</sup> Semester

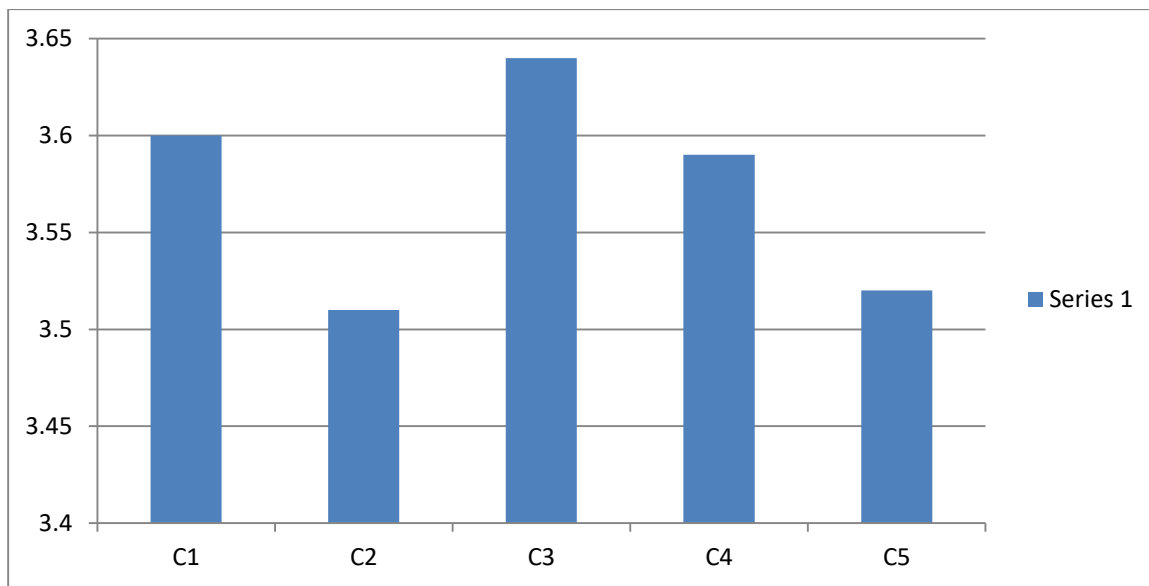

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Indian women's writings) subject and less satisfactory in the subject of c<sub>3</sub> (English language proficiency). Over all students satisfactory agree the all subjects.

## 2<sup>nd</sup> Semester

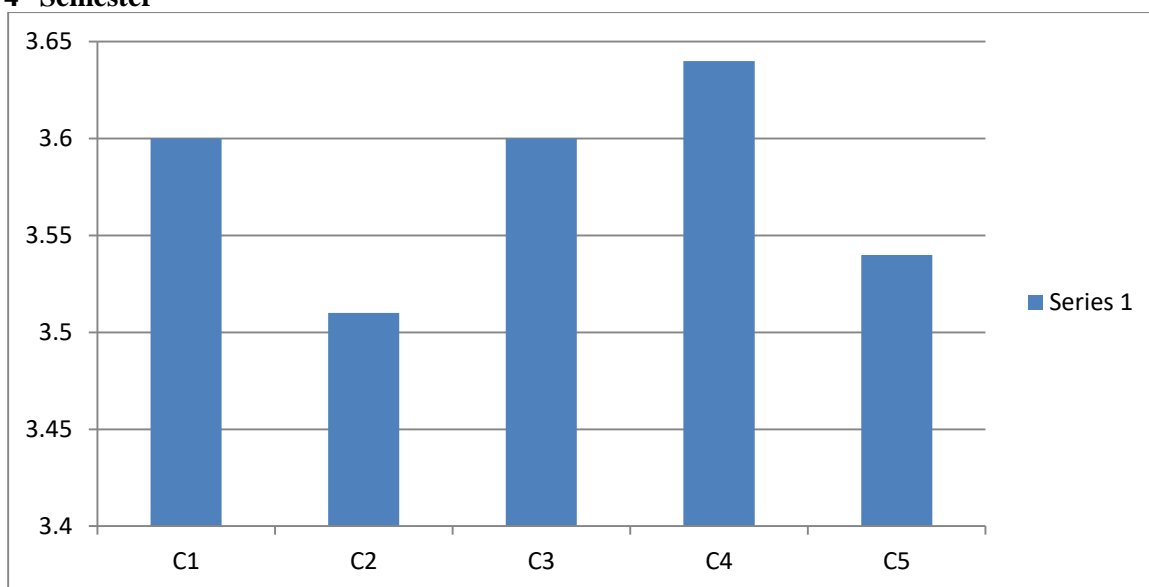

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Cultural studies) subject and less satisfactory in the subject of c<sub>3</sub> (Structure of English language). Over all students satisfactory agree the all subjects.

## 3<sup>rd</sup> Semester

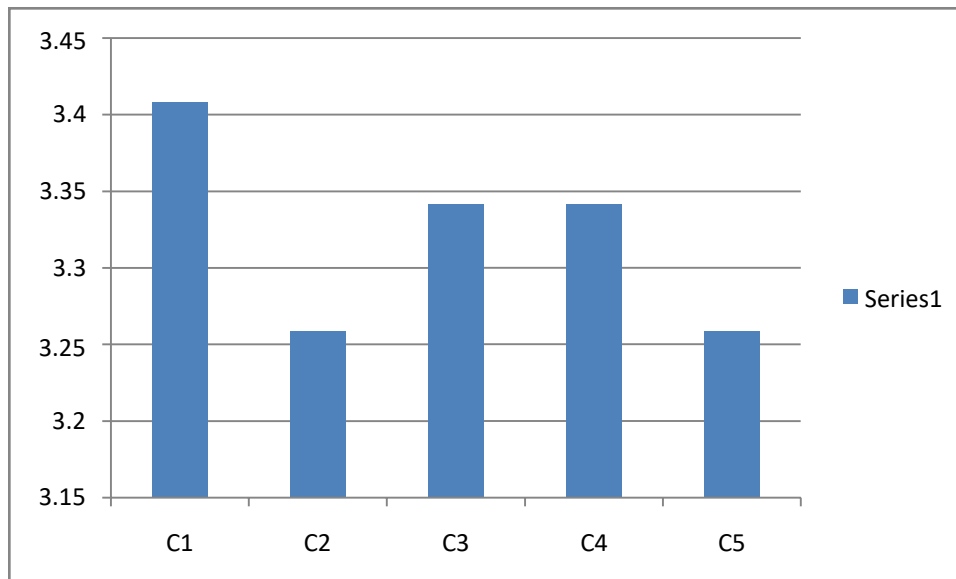

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Indian writing in English) subject and less satisfactory in the subject of  $c_2$  (literary theory). Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

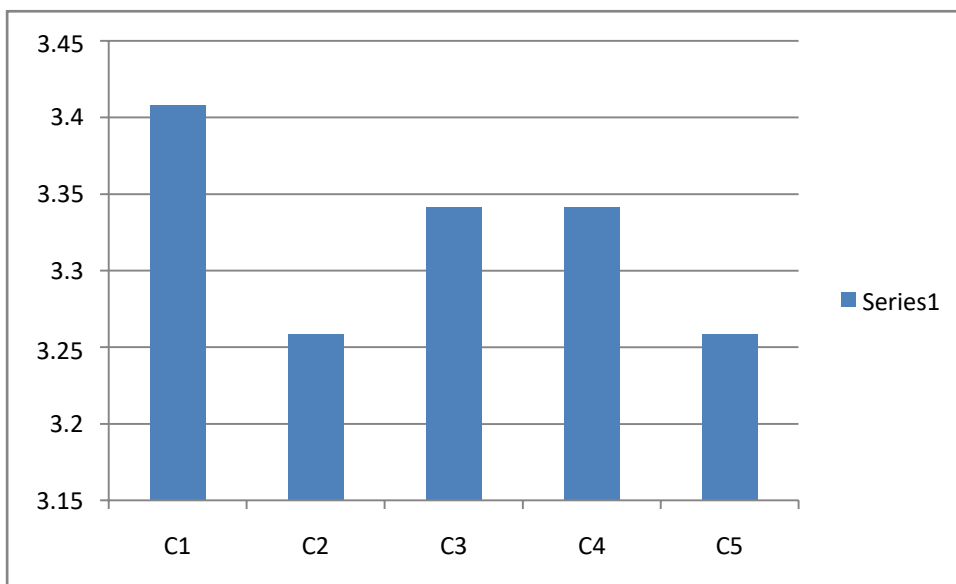

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Indian diasporic literature ) subject and less satisfactory in the subject of  $c_2$  (Cultural Studies). Over all students satisfactory agree the all subjects.

#### Department of Hindi: 1<sup>st</sup> Semester

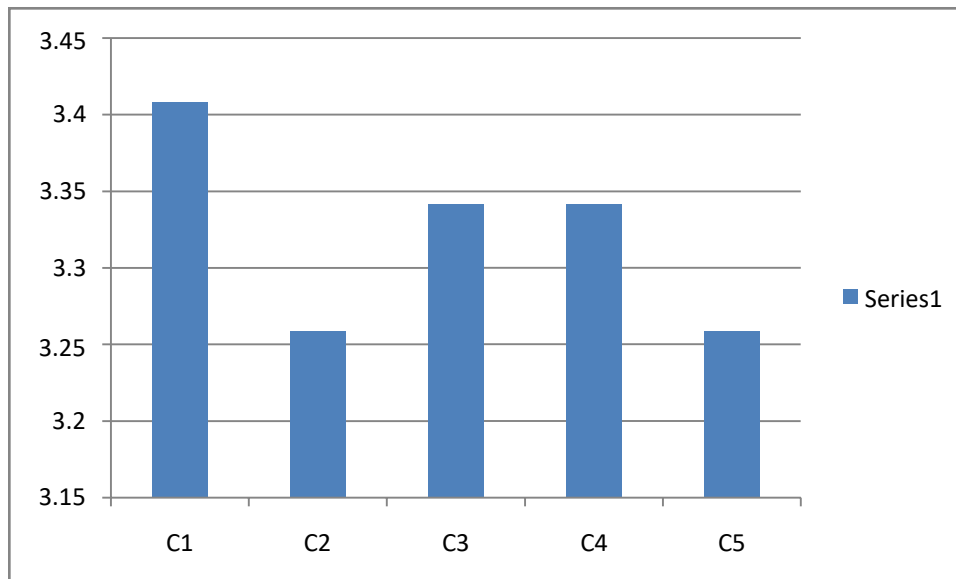

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (History of Hindi literature ) subject and less satisfactory in the subject of  $c_5$  (Contemporary Hindi Poetry). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

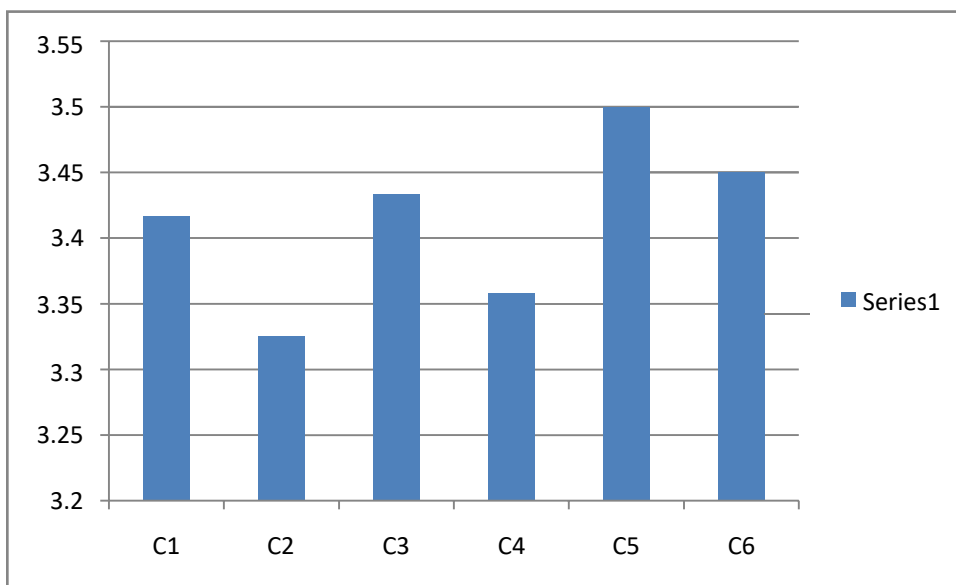

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (History of Hindi literature part 2) subject and less satisfactory in the subject of  $c_2$  (Western Poetics). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

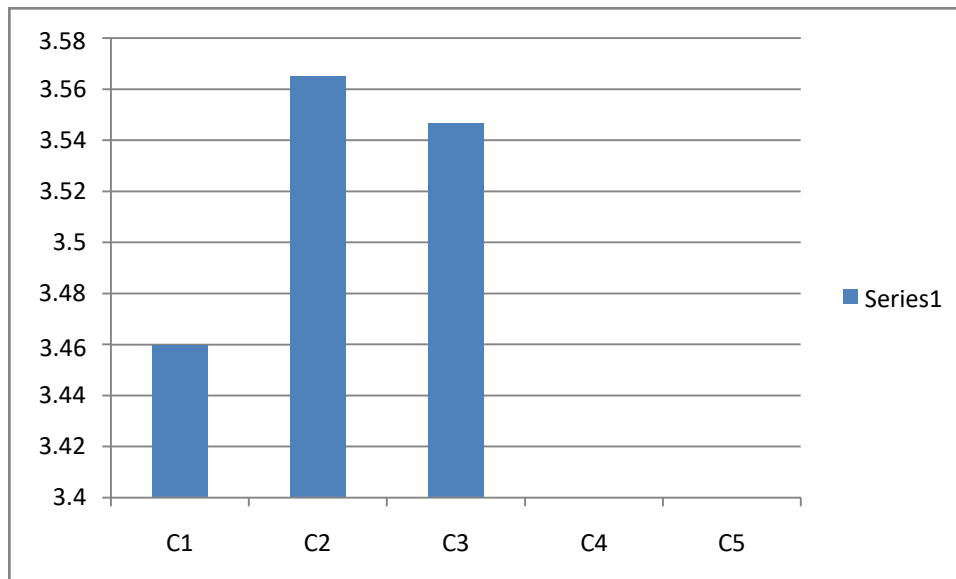

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (Hindi language study) subject and less satisfactory in the subject of  $c_5$  (Hindi modern poetry). Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

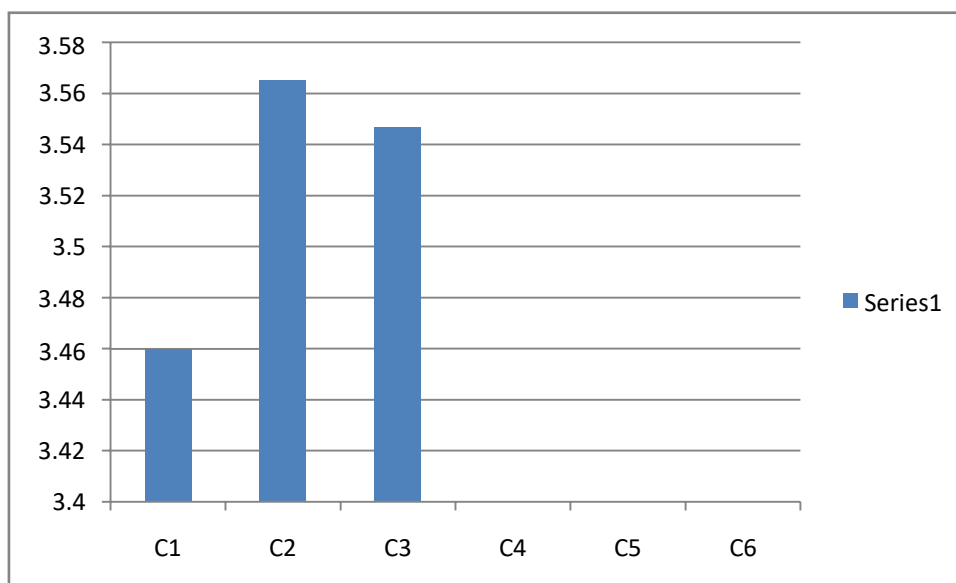

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Dissertation and Personality development) subject and less satisfactory in the subject of  $c_2$  (Hindi ancient and medieval literature). Over all students satisfactory agree the all subjects.

#### Department of History: 1<sup>st</sup> Semester

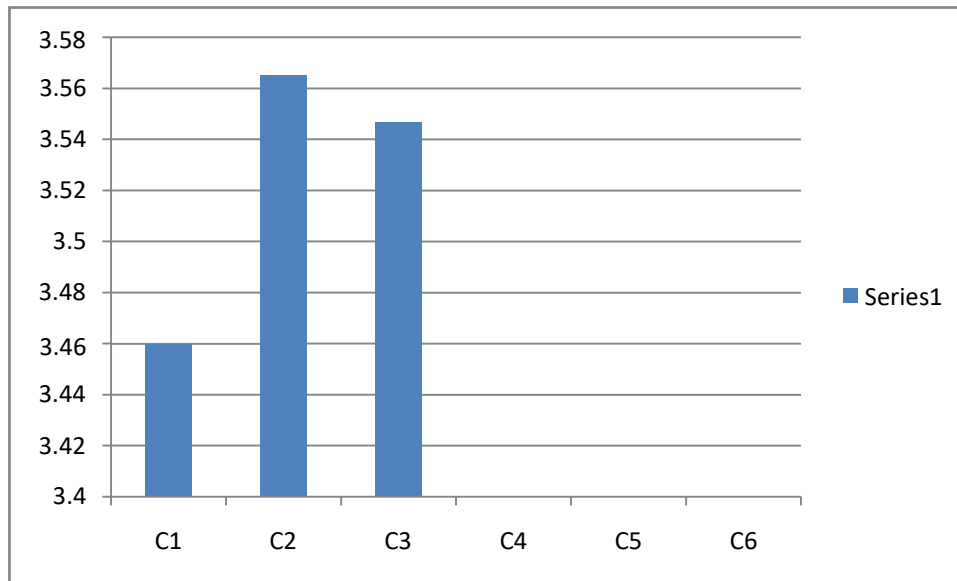

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (History of Medieval India) subject and less satisfactory in the subject of  $c_1$  (History of Ancient India). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

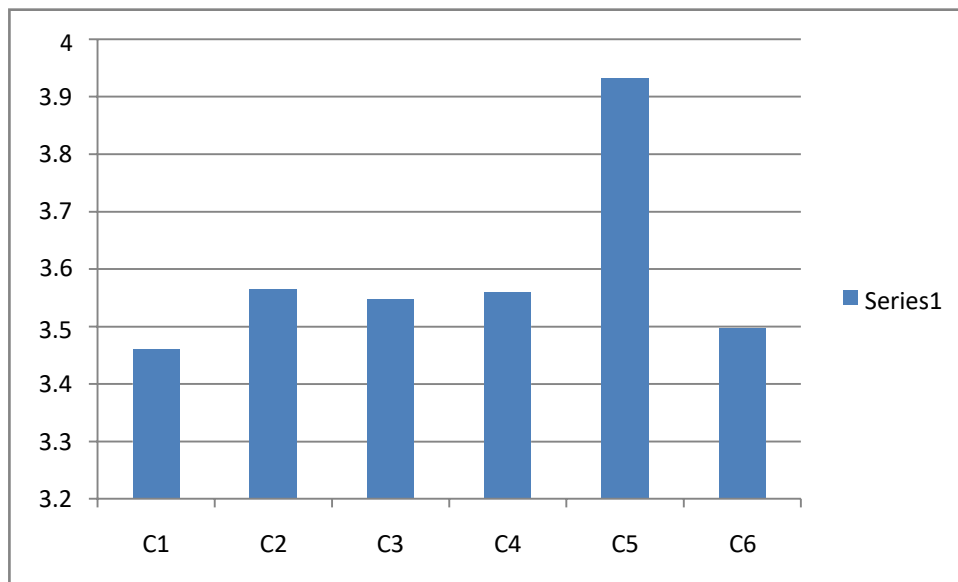

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (History of Medieval India) subject and less satisfactory in the subject of  $c_1$  (Ancient Indian History). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(History and culture of Adil Shahi of Bijapur ) subject and less satisfactory in the subject of c<sub>1</sub> (History of Modern India). Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

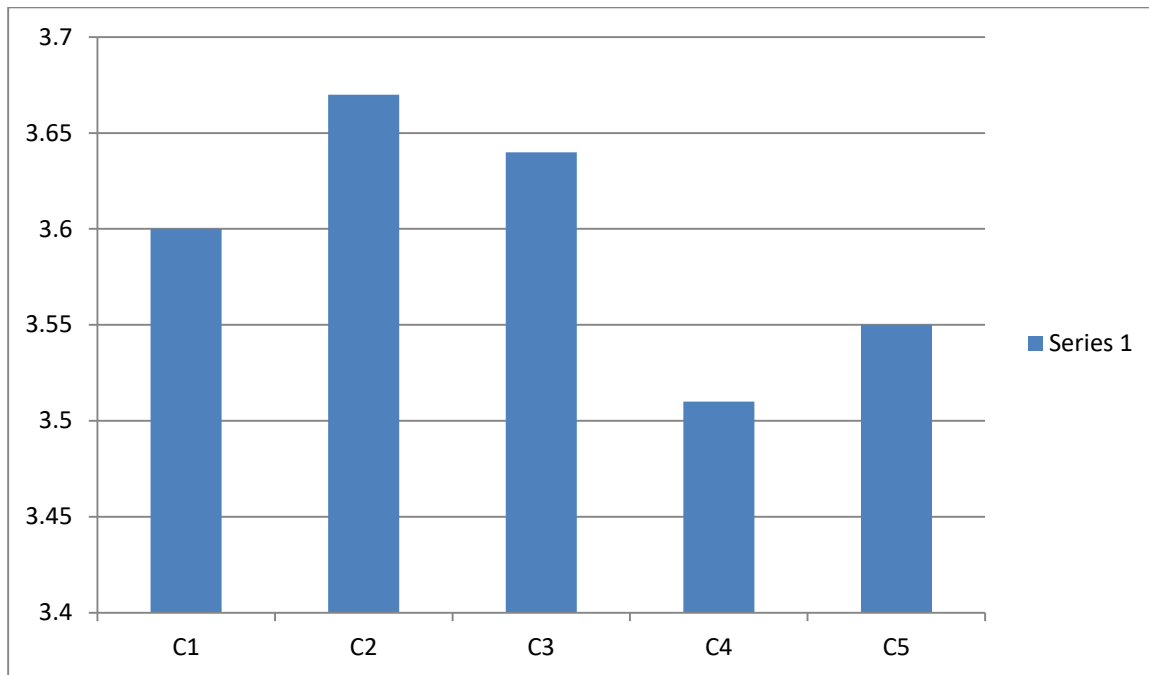

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(History of South India) subject and less satisfactory in the subject of c<sub>1</sub> (History of Modern India). Over all students satisfactory agree the all subjects.

**Department of Kannada:**

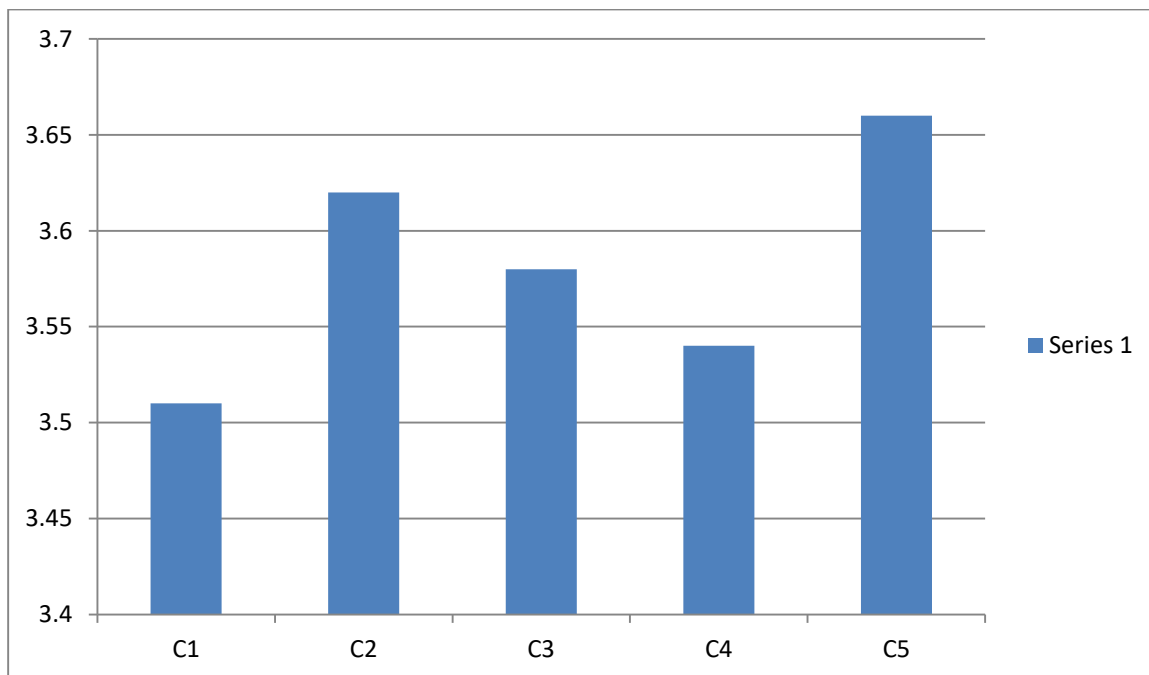

## 1<sup>st</sup> Semester

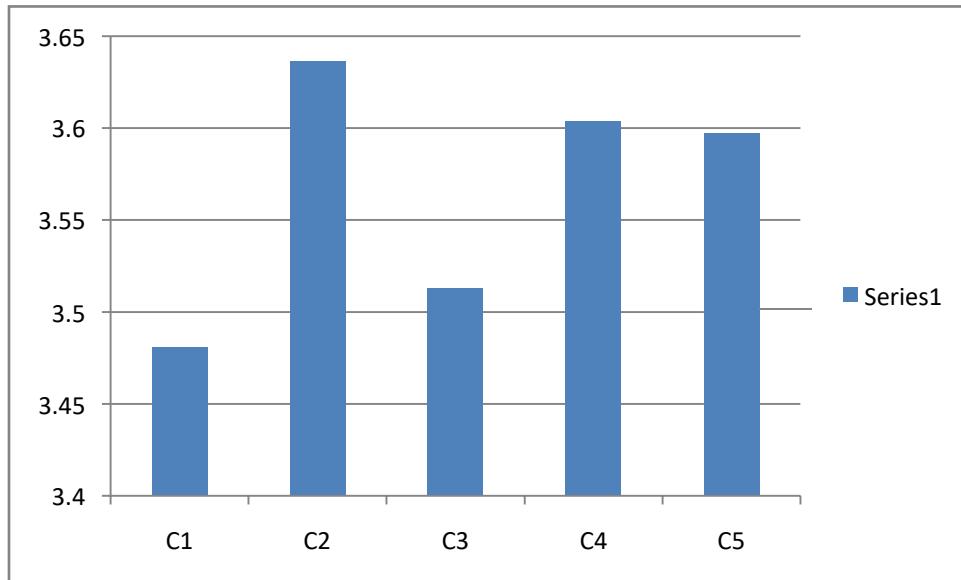

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Bharatiya kavya mimanse) subject and less satisfactory in the subject of  $c_4$  (Mahila Adhyan ). Over all students satisfactory agree the all subjects.

## 2<sup>nd</sup> Semester

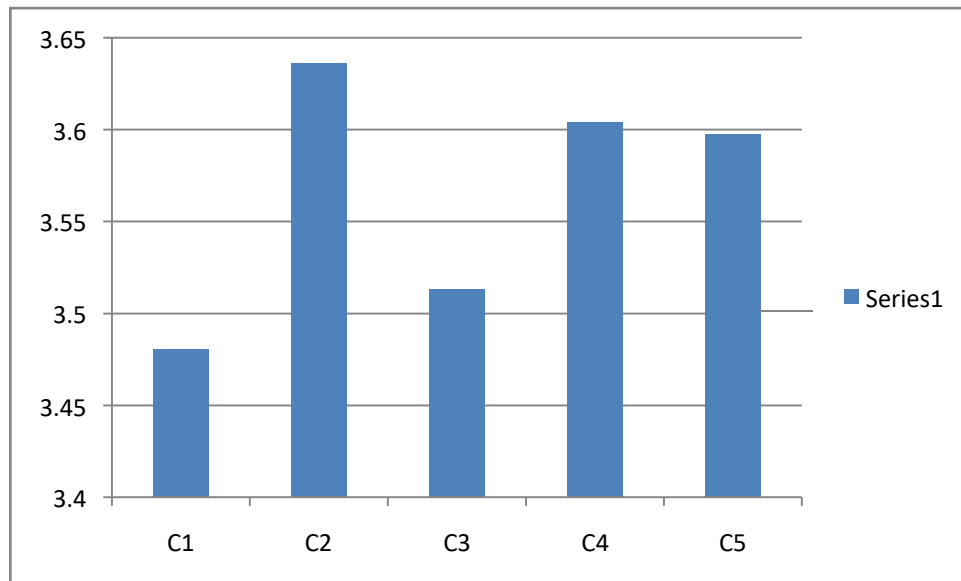

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Sharana Sahitya ) subject and less satisfactory in the subject of  $c_1$  (Madhyakalina Kannada Sahitya). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Bhasha Vigyan) subject and less satisfactory in the subject of c<sub>1</sub> (Adhunika kannada sahitya). Over all students satisfactory agree the all subjects.

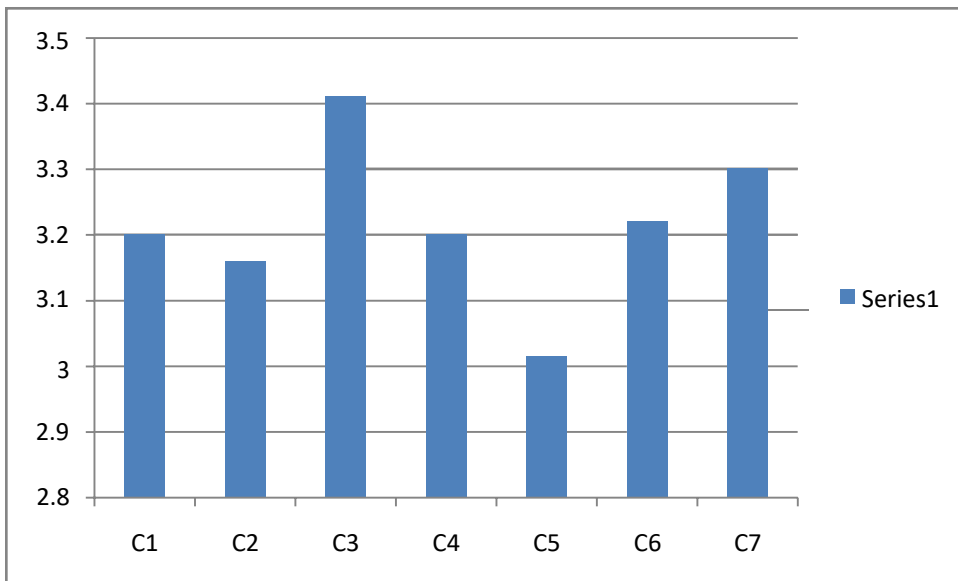

### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Chandassu mattua grantha sampadane) subject and less satisfactory in the subject of c<sub>1</sub> (Janapada sahitya). Over all students satisfactory agree the all subjects.

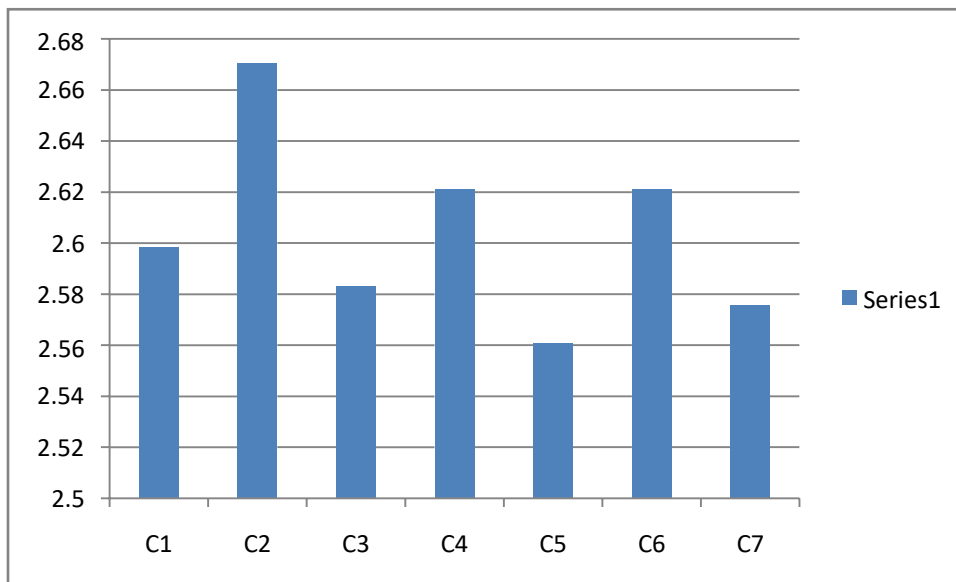

### Department of MBA:

### 1<sup>st</sup> Semester

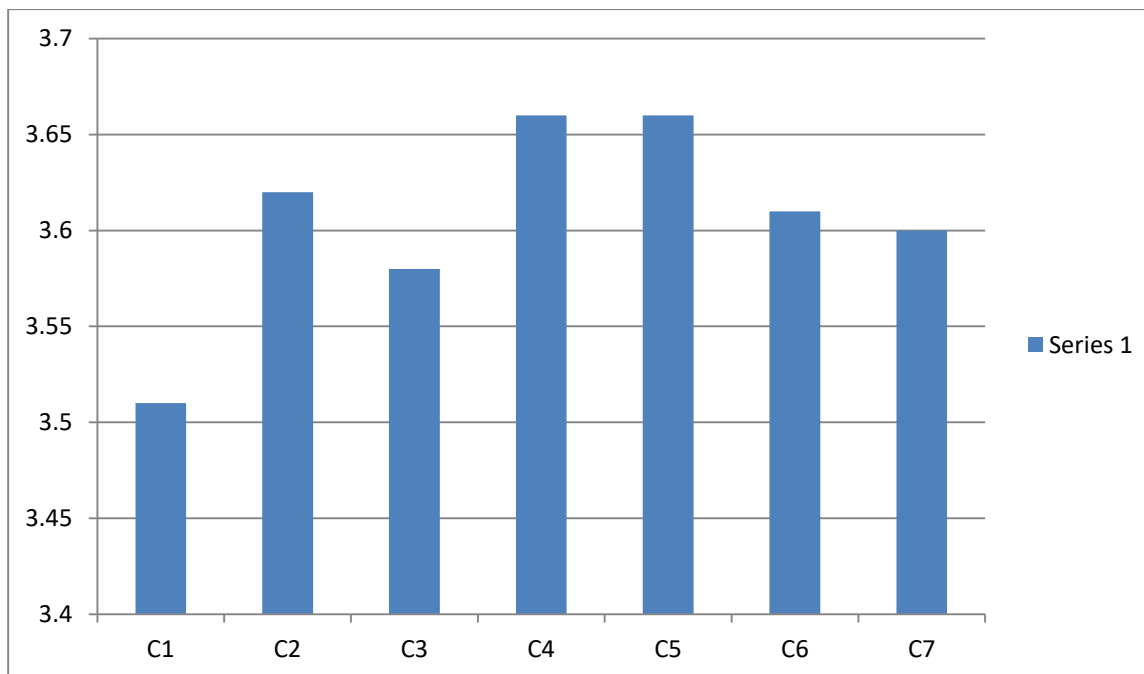

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Accounting for managers) subject and less satisfactory in the subject of  $c_5$  (Managerial Economics). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

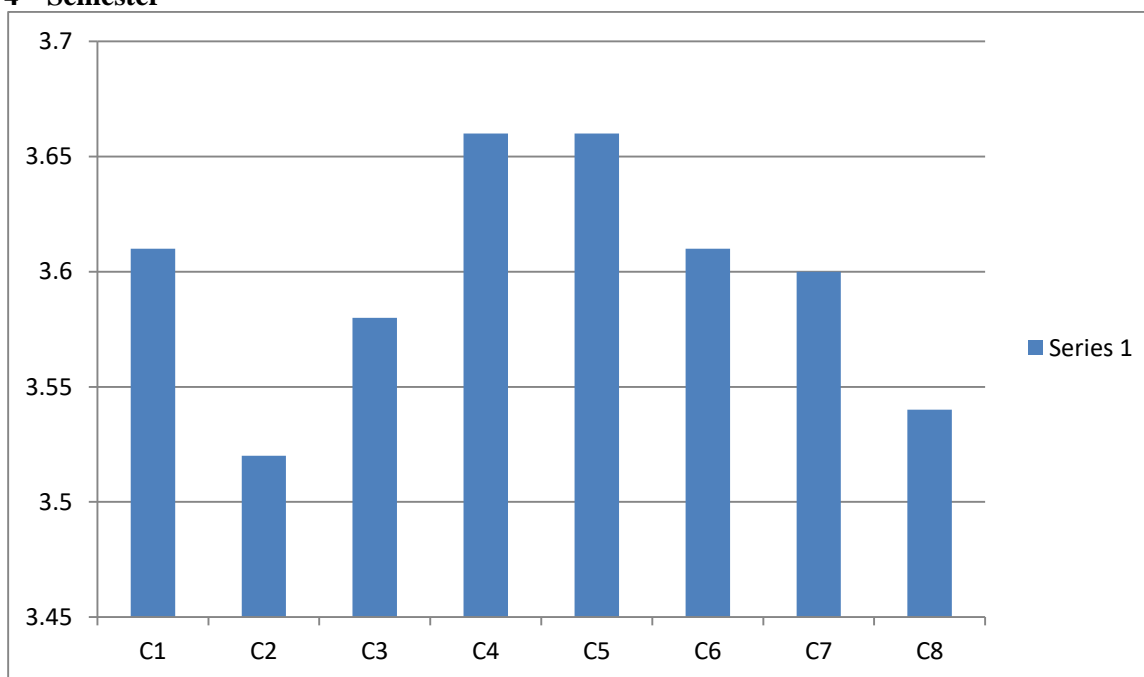

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (Organisational Behaviour) subject and less satisfactory in the subject of  $c_5$  (Business Research Methods). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Elective I) subject and less satisfactory in the subject of  $c_1$  (Strategic management). Over all students satisfactory agree the all subjects.

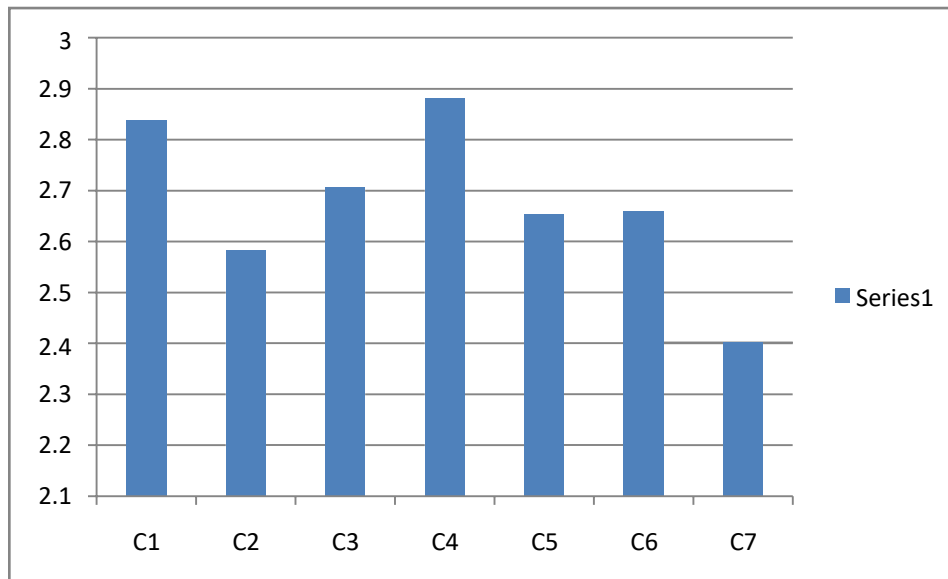

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Elective-IV) subject and less satisfactory in the subject of  $c_2$  (Entrepreneurship development and project management). Over all students satisfactory agree the all subjects.

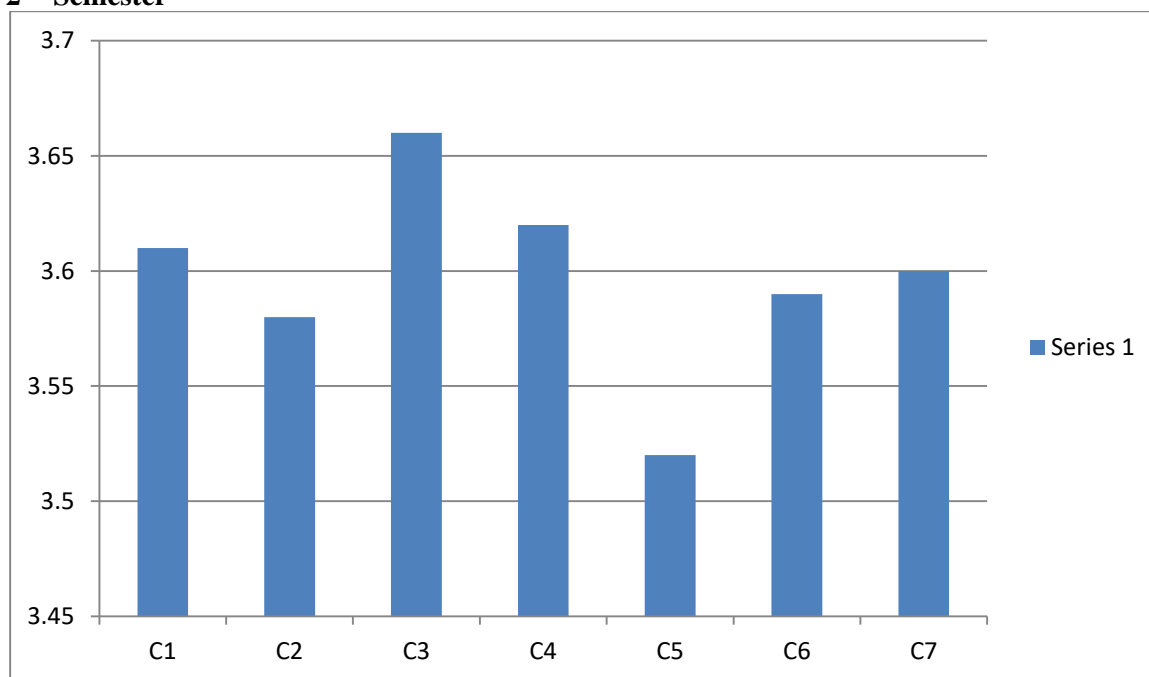

**Department of MCA:**

## 1<sup>st</sup> Semester

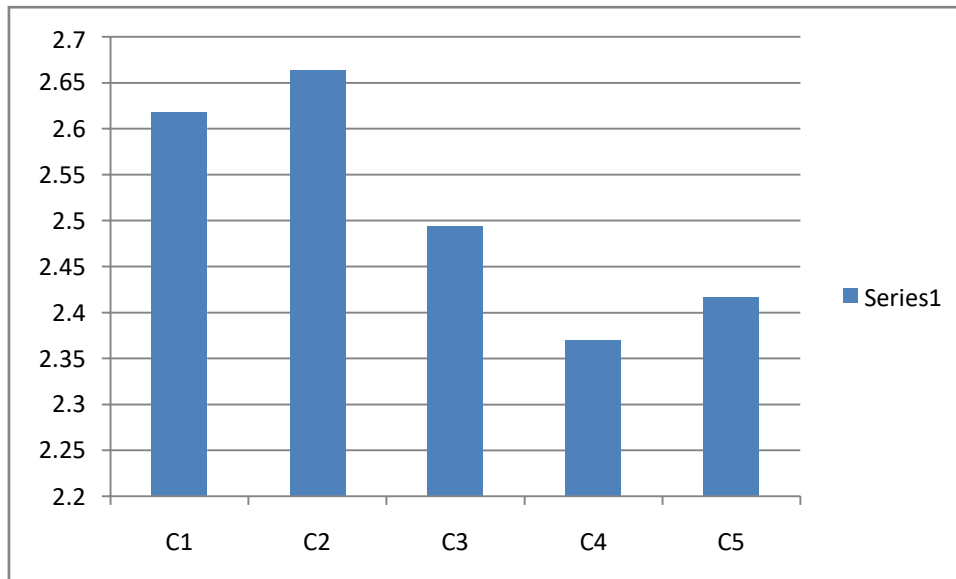

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$ (Digital logic lab) subject and less satisfactory in the subject of  $c_7$  (Fundamentals of program). Over all students satisfactory agree the all subjects.

## 2<sup>nd</sup> Semester

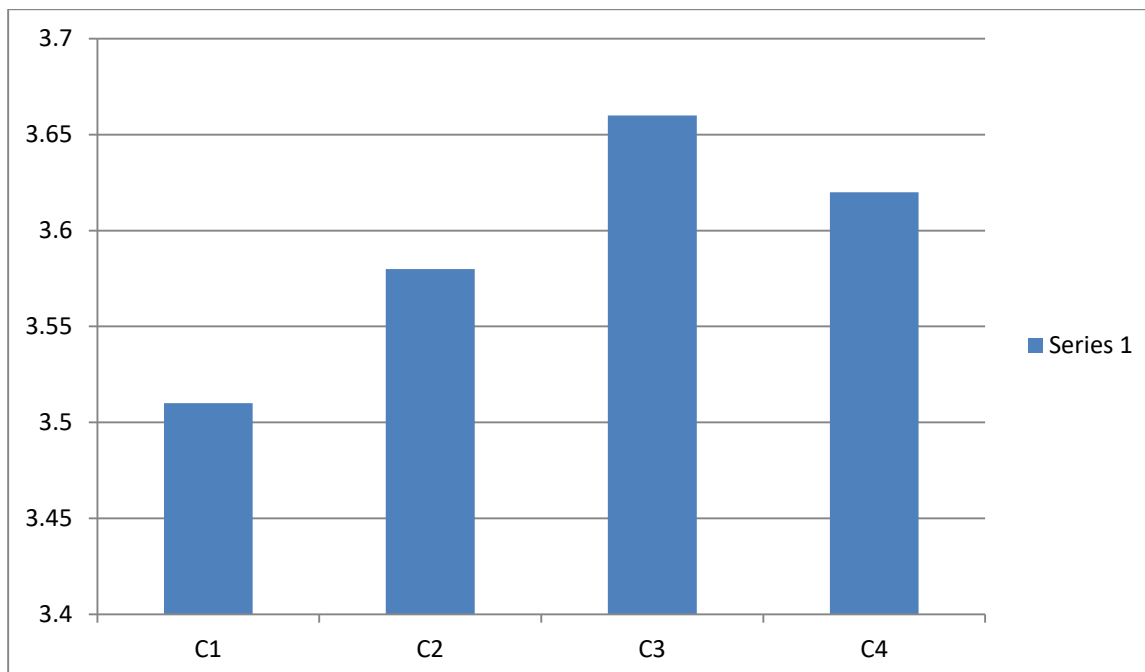

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (Data structure using  $C^{++}$ ) subject and less satisfactory in the subject of  $c_5$  (Data Structure Lab). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

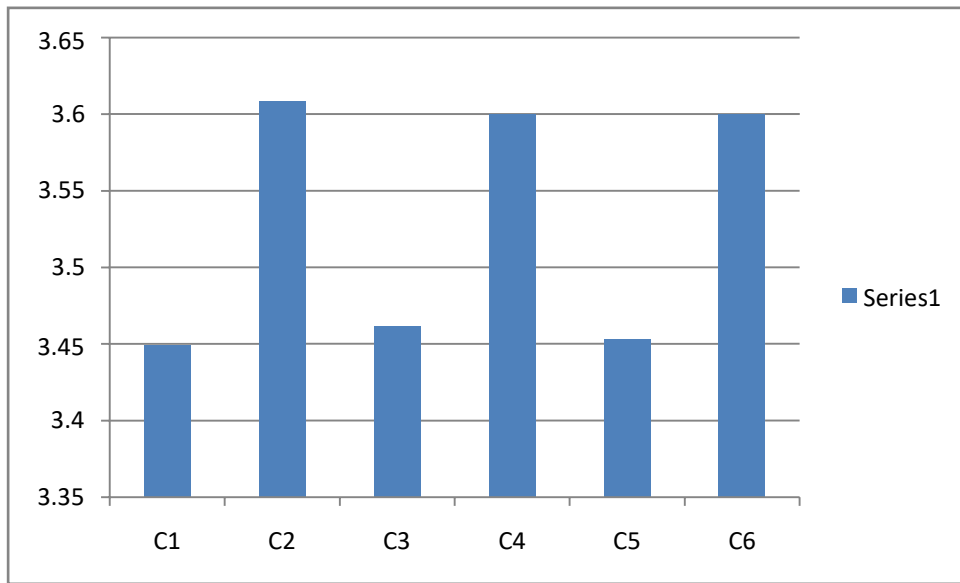

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Digital image processing) subject and less satisfactory in the subject of  $c_4$  (IOT). Over all students satisfactory agree the all subjects.

### 4<sup>th</sup> Semester

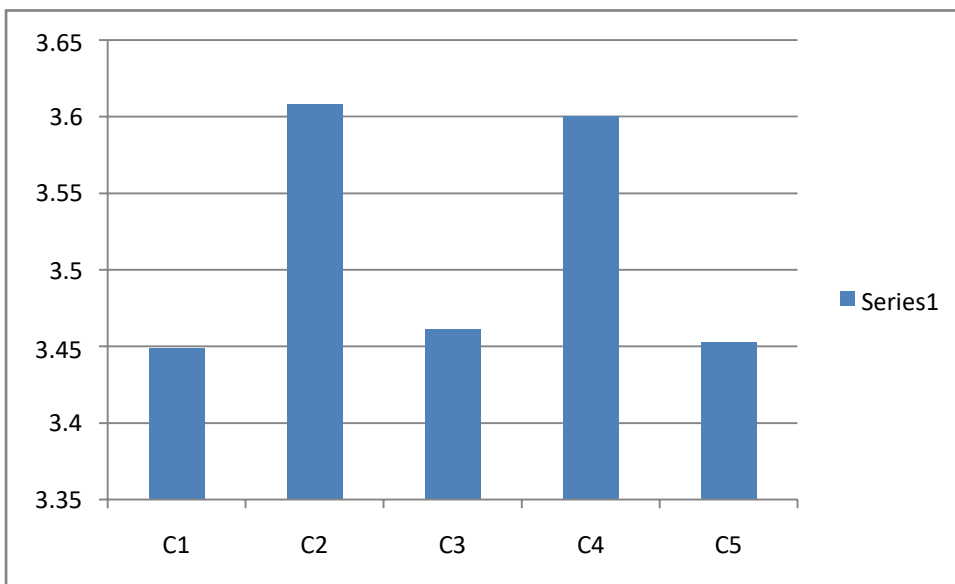

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Project work) subject and less satisfactory in the subject of  $c_1$  (Artificial intelligence machine learning). Over all students satisfactory agree the all subjects.

### Department of M. COM: 1<sup>st</sup> Semester

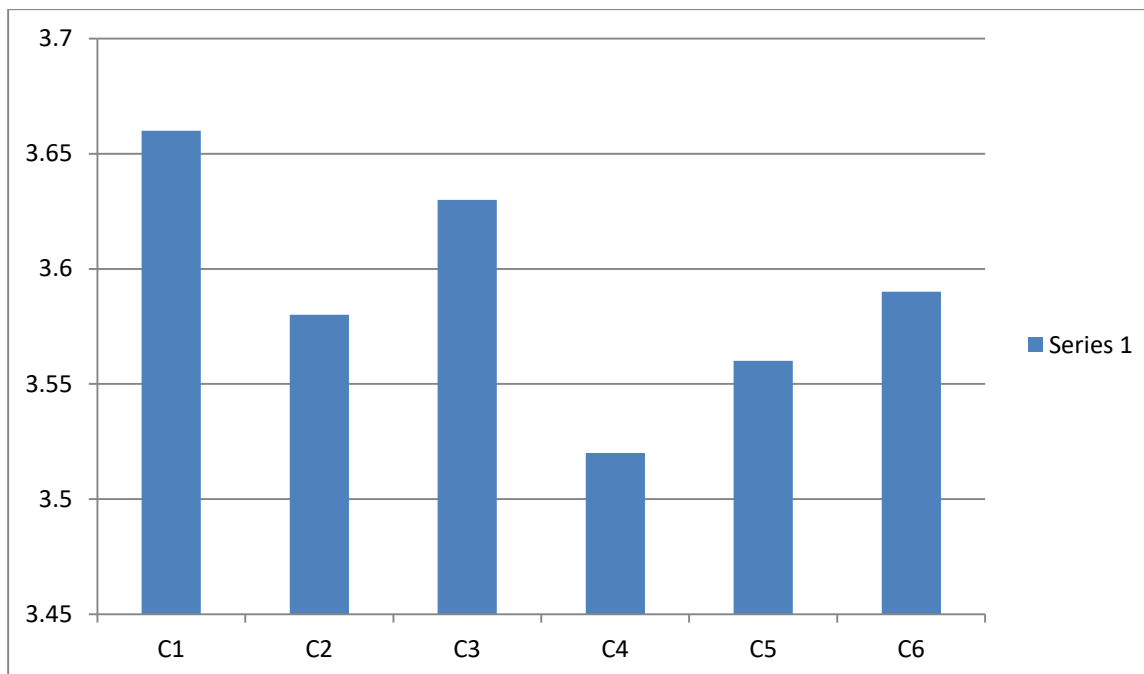

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Financial Management) subject and less satisfactory in the subject of  $c_1$  (Management Process and Practices). Over all students satisfactory agree the all subjects

### 2<sup>nd</sup> Semester

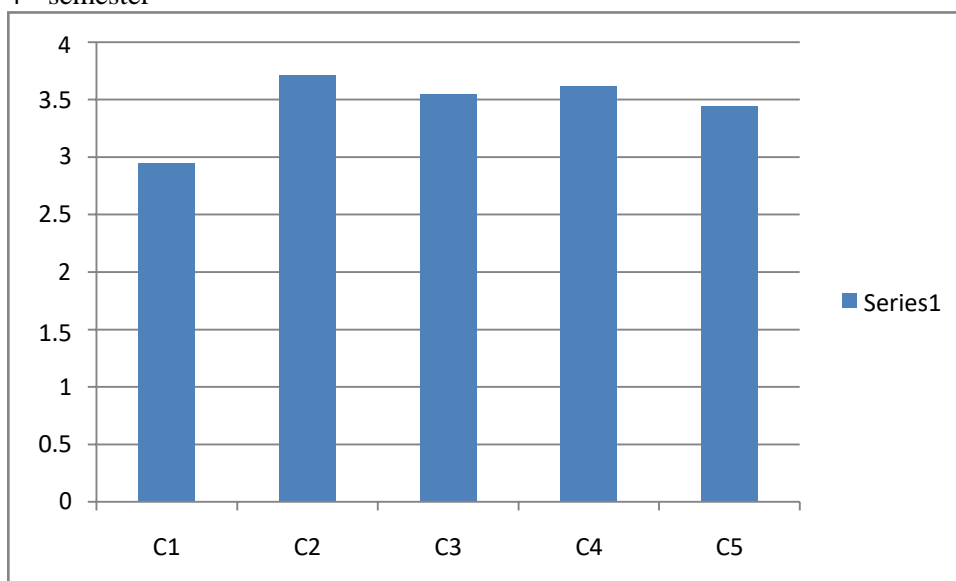

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (Business Research Methods) subject and less satisfactory in the subject of  $c_1$  (Organizational Behaviour). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (strategic management) subject and less satisfactory in the subject of  $c_4$  (international business). Over all students satisfactory agree the all subjects.

4<sup>th</sup> semester

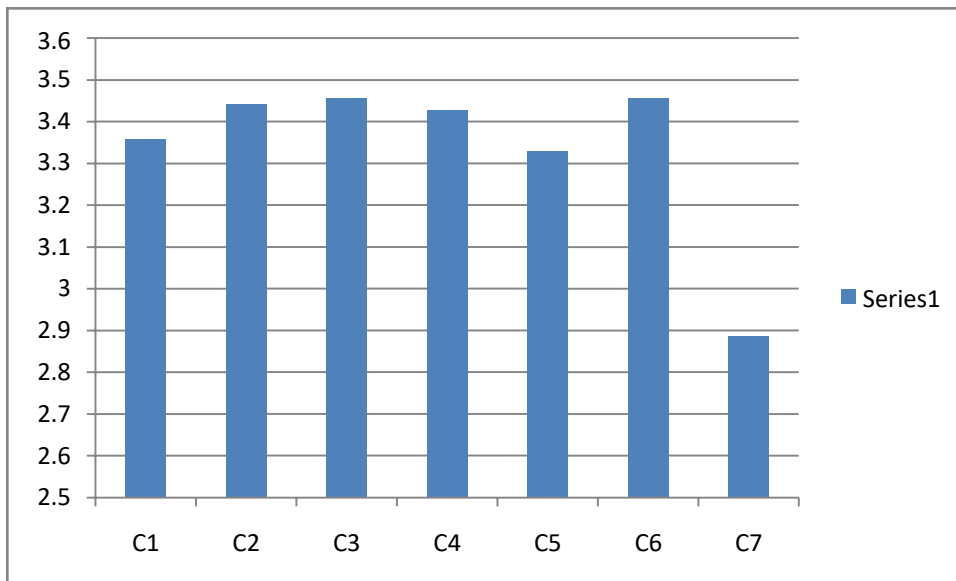

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Corporate Law) subject and less satisfactory in the subject of  $c_1$  (Business Ethics and Corporate Governance). Over all students satisfactory agree the all subjects.

### Department of MLISc:

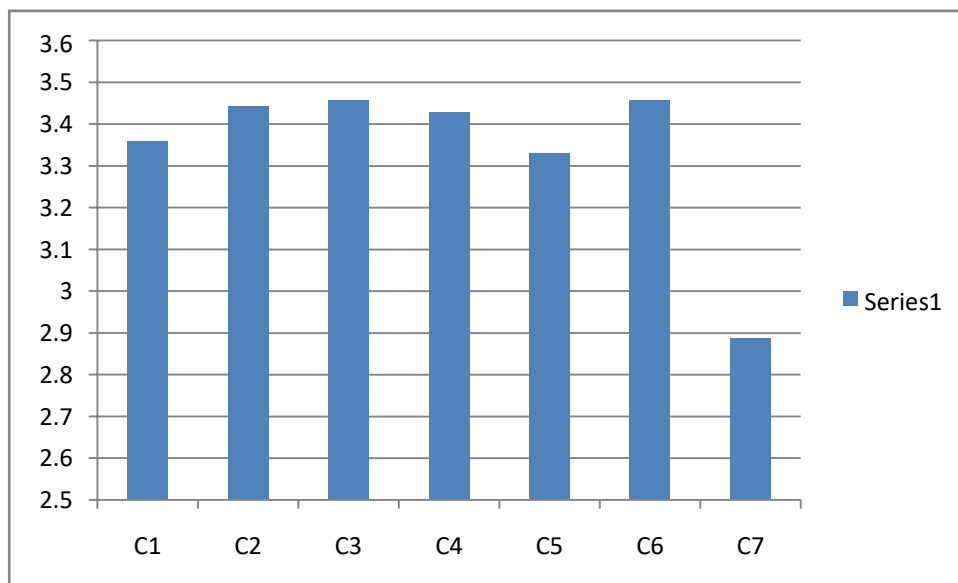

1<sup>st</sup> semester

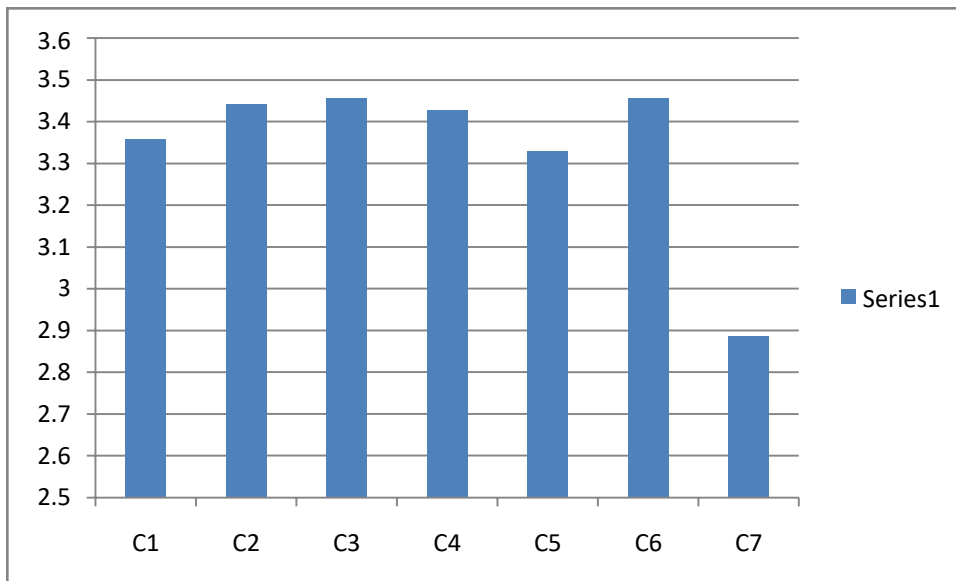

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$ (Fundamentals of information technology practical) subject and less satisfactory in the subject of  $c_7$  (Feminine jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

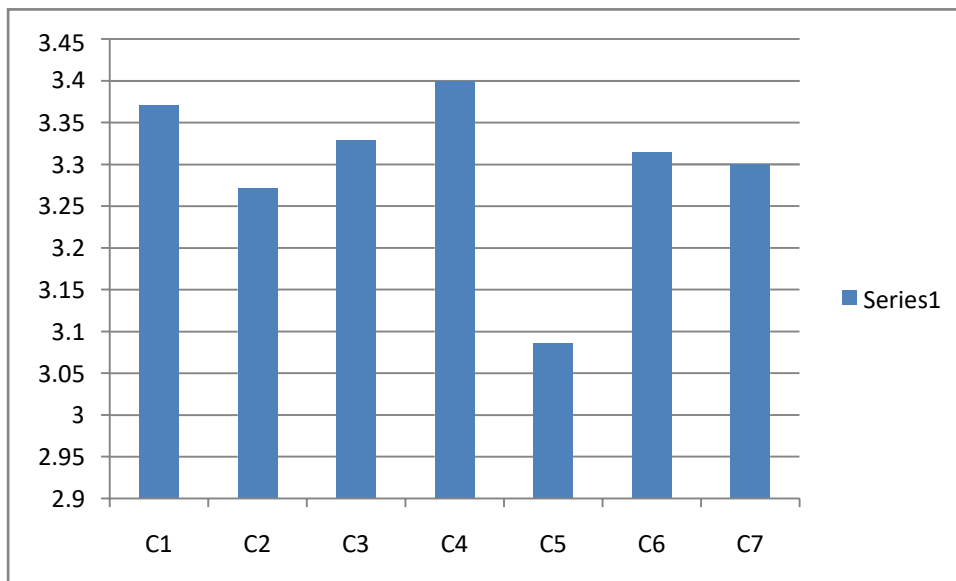

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$  (Library classification) subject and less satisfactory in the subject of  $c_7$  (Women and health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(Research methodology practical) subject and less satisfactory in the subject of c<sub>7</sub> (Open elective). Over all students satisfactory agree the all subjects.

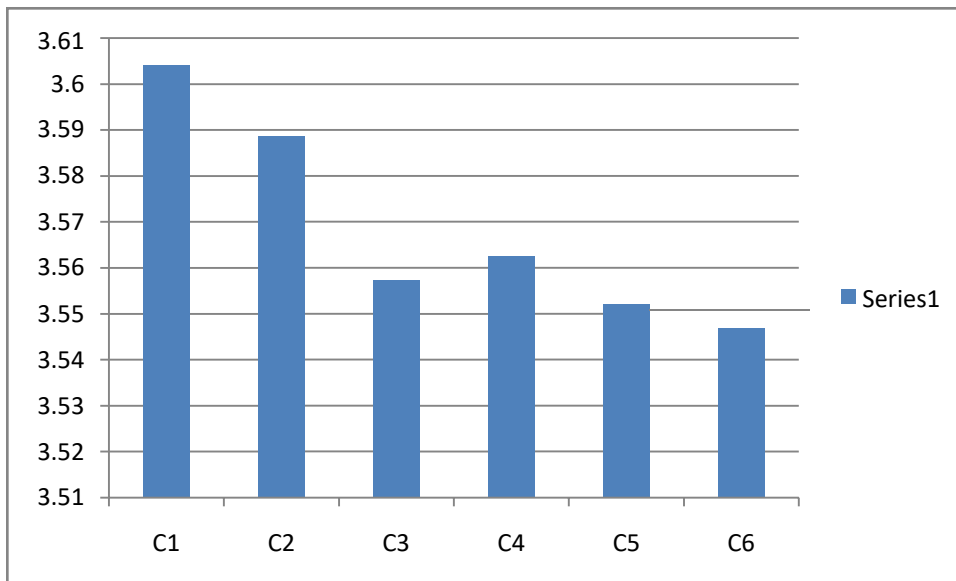

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Study tour and internship) subject and less satisfactory in the subject of c<sub>5</sub> (Dissertation and viva voce). Over all students satisfactory agree the all subjects.

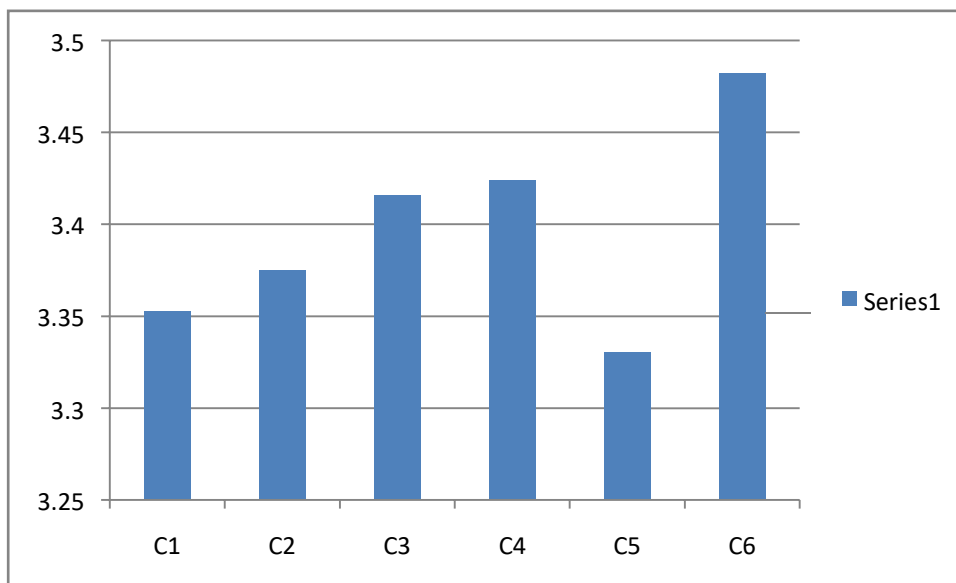

**Department of MSW**

1<sup>st</sup> semester

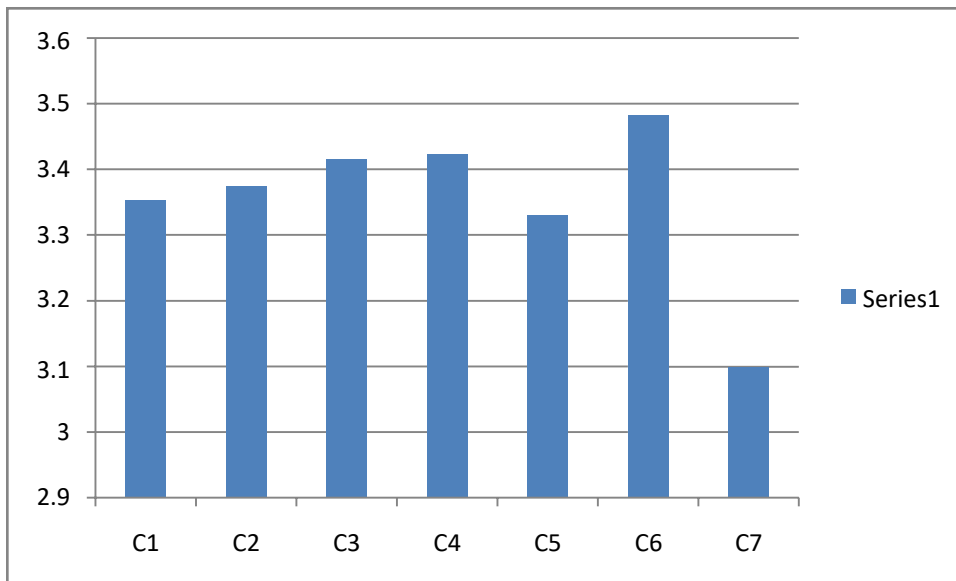

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (History and Philosophy of Social Work) subject and less satisfactory in the subject of  $c_6$  (Feminine Jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

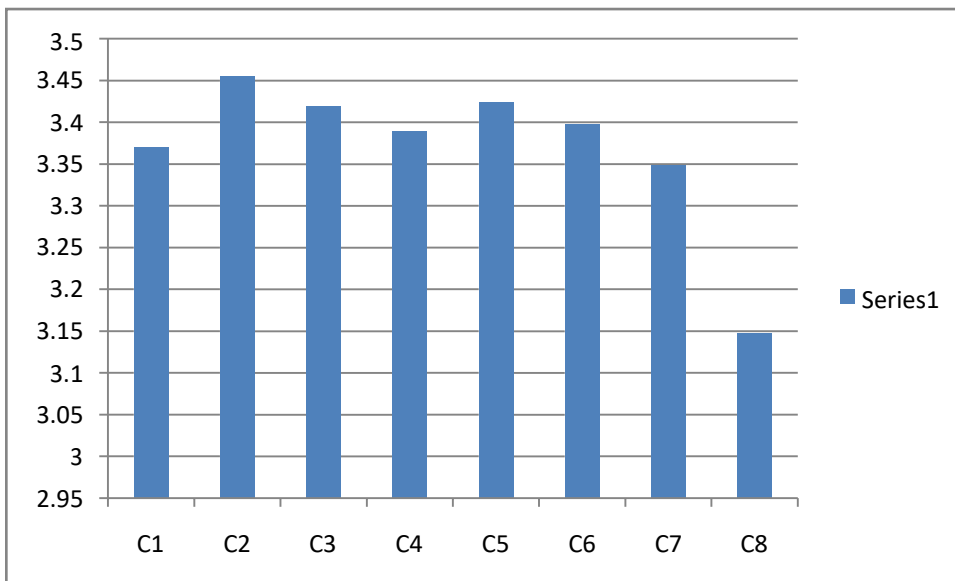

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$ (Women and Health) subject and less satisfactory in the subject of  $c_5$  (Social Policy, Planning and Development). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(Management of Non Governmental Organisations.) subject and less satisfactory in the subject of c<sub>7</sub> (Open elective). Over all students satisfactory agree the all subjects.

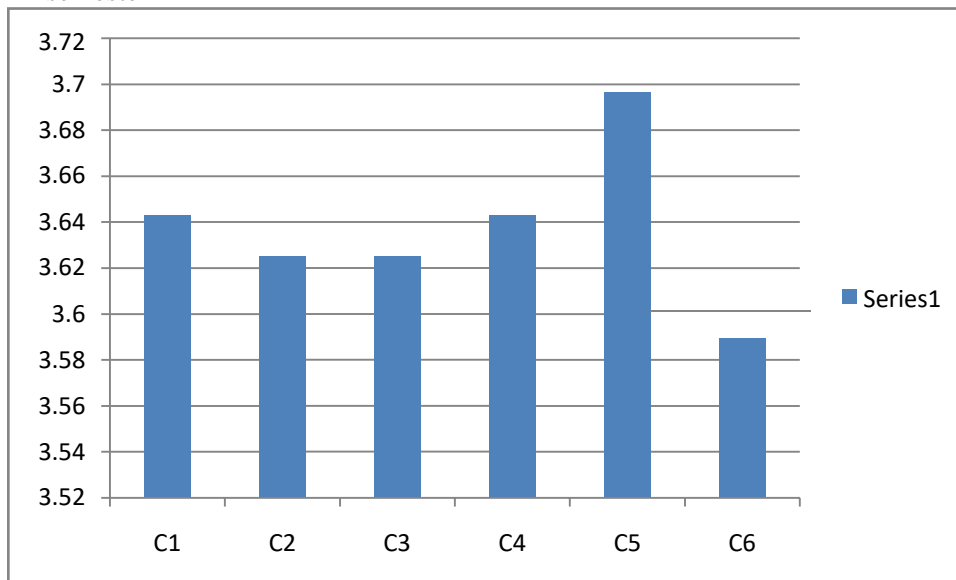

#### 4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Medical and Psychiatric Social Work) subject and less satisfactory in the subject of c<sub>8</sub> (Open elective). Over all students satisfactory agree the all subjects.

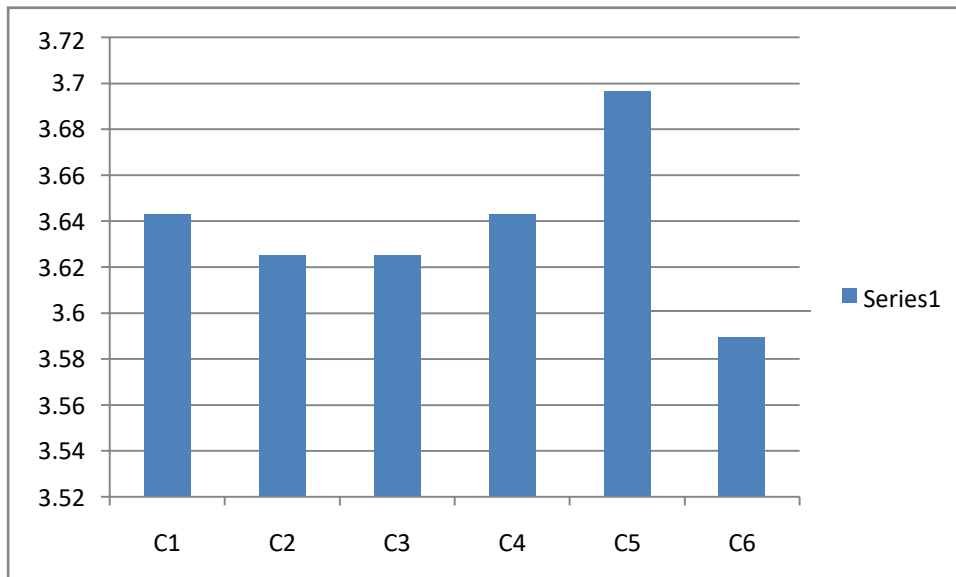

## Department of Music

1<sup>st</sup> semester

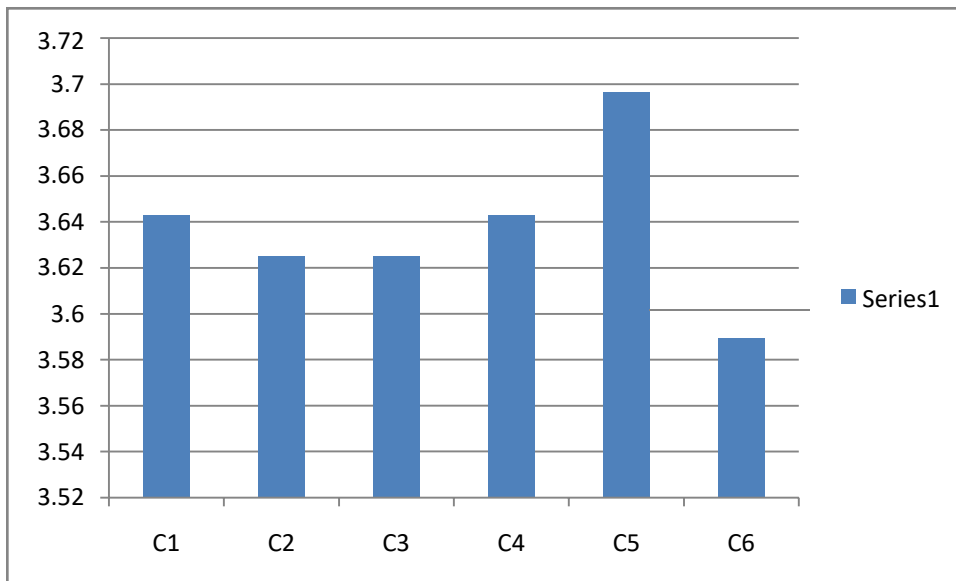

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Practical Hindustani Vocal –III) subject and less satisfactory in the subject of c<sub>6</sub> (Feminist Jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

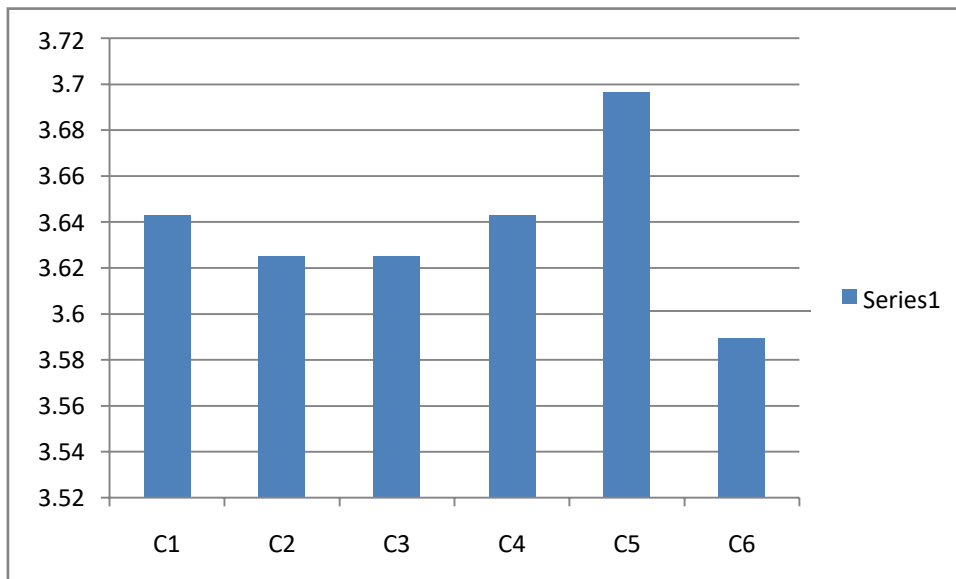

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub> (Practical Hindustani Vocal -II.) subject and less satisfactory in the subject of c<sub>6</sub> (Women's Health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Practical Hindustani Vocal -III.) subject and less satisfactory in the subject of  $c_6$  (Open elective.). Over all students satisfactory agree the all subjects.

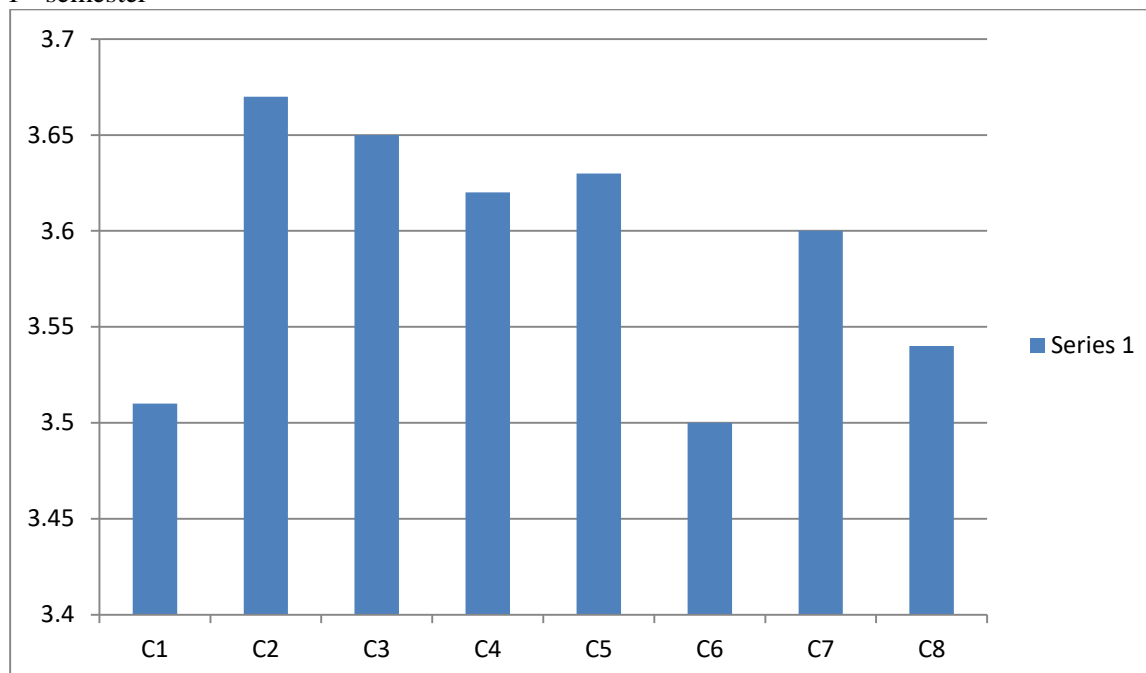

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Practical Hindustani Vocal -III.) subject and less satisfactory in the subject of  $c_6$  (Personality Development). Over all students satisfactory agree the all subjects.

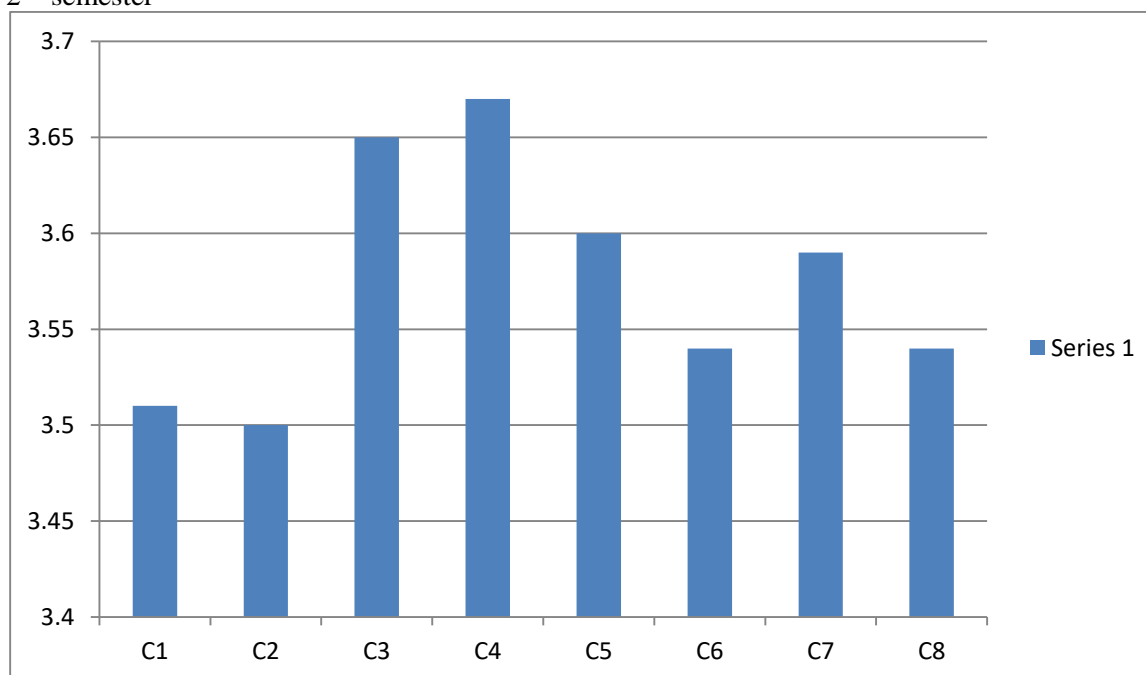

## Department of Pharma chemistry

1<sup>st</sup> semester

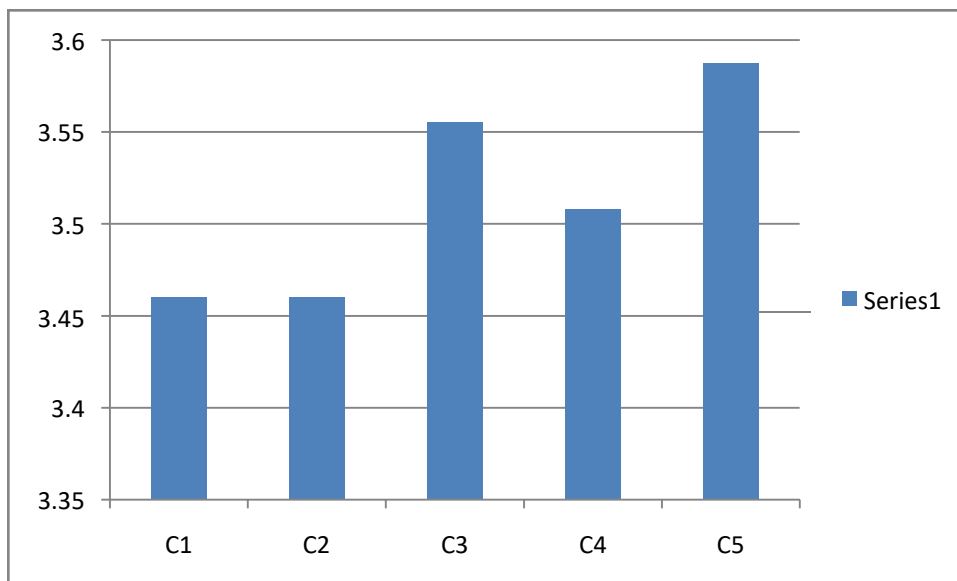

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Organic chemistry I) subject and less satisfactory in the subject of c<sub>6</sub> (Inorganic chemistry practical I). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

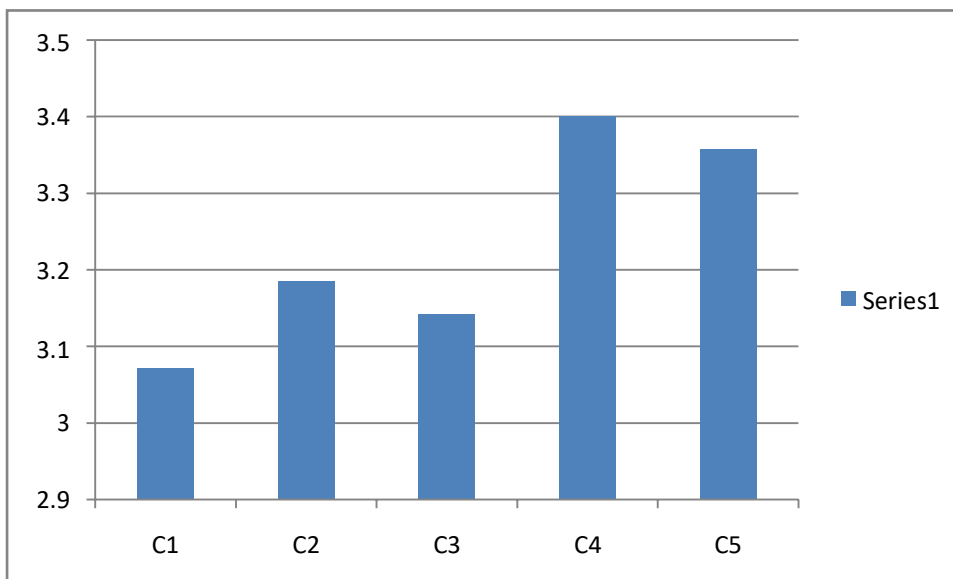

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Physical chemistry II) subject and less satisfactory in the subject of c<sub>3</sub> (Analytical chemistry II). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Assay of Drug Molecules) subject and less satisfactory in the subject of c<sub>2</sub> (Medicinal Chemistry-I). Over all students satisfactory agree the all subjects.

4<sup>th</sup> semester

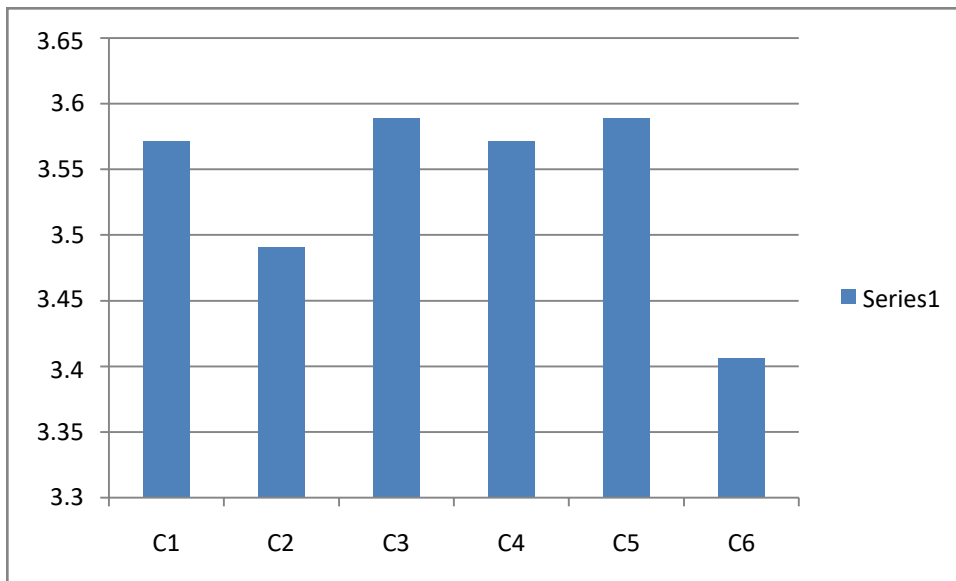

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Pharmacology and therapeutic agents) subject and less satisfactory in the subject of c<sub>1</sub> (Basics of Pharmacology and Pharmaceutics). Over all students satisfactory agree the all subjects.

### Department of Political Science

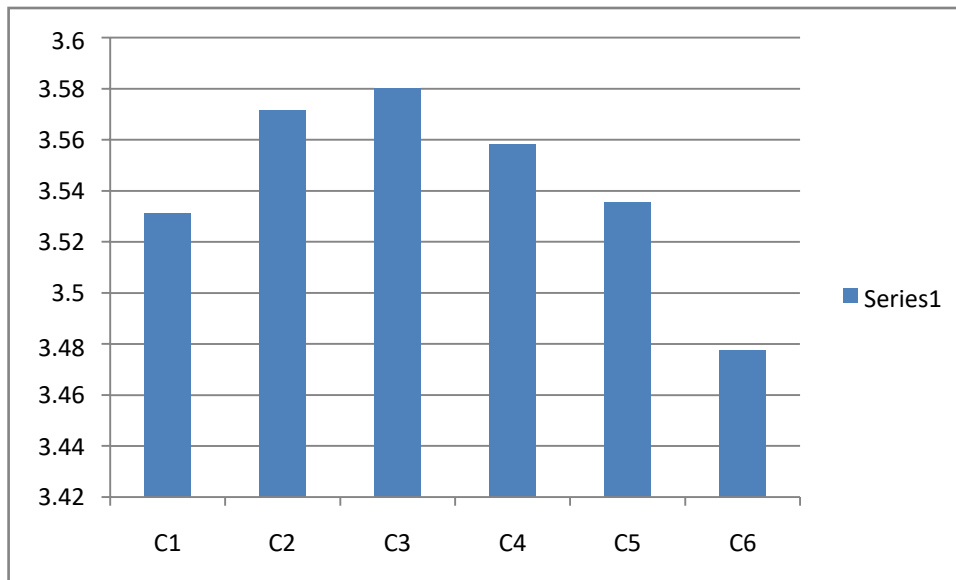

1<sup>st</sup> semester

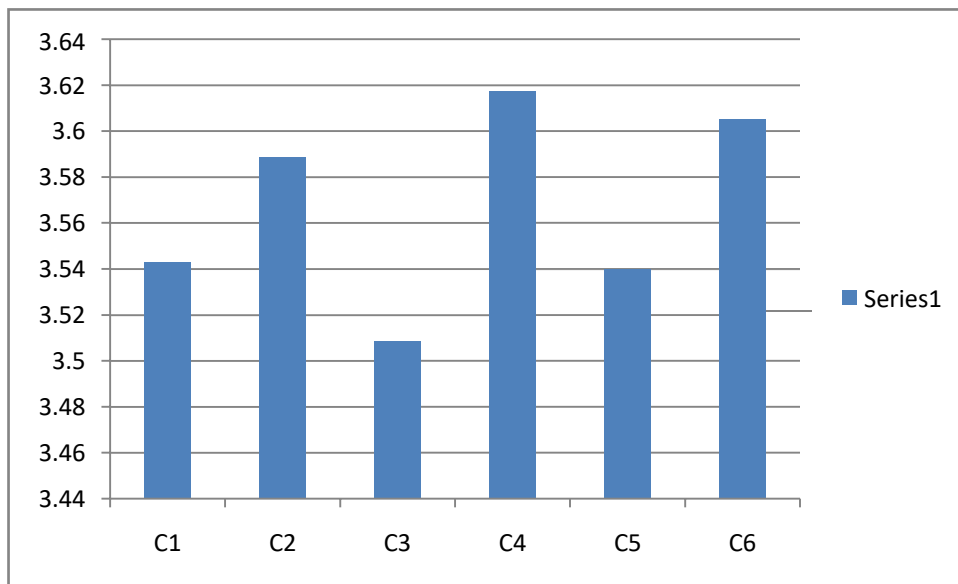

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$ (Theories of International Relations) subject and less satisfactory in the subject of  $c_6$  (Feminist Jurisprudence). Over all students satisfactory agree the all subjects.

2<sup>nd</sup> semester

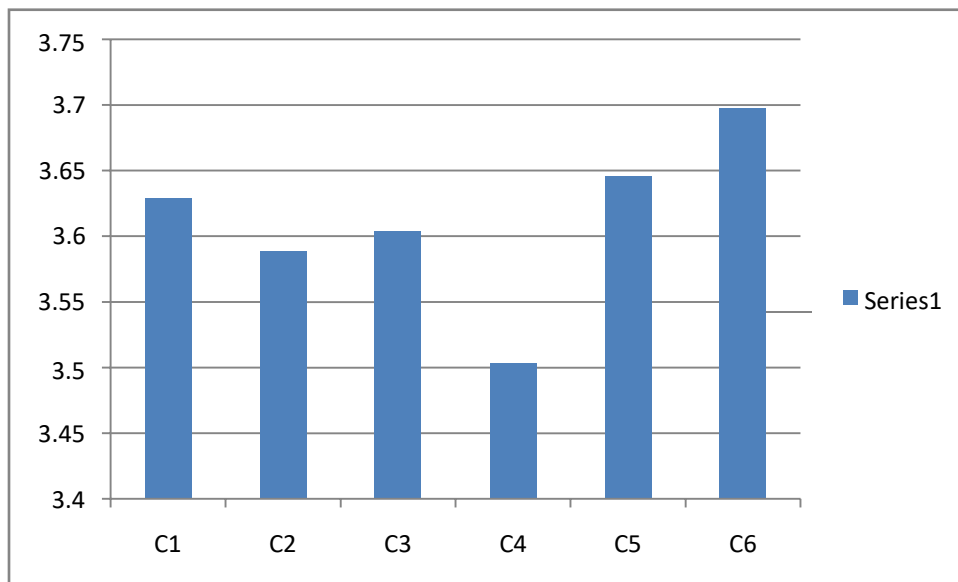

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_3$  (Major Issues in Contemporary World Politics) subject and less satisfactory in the subject of  $c_6$  (women and health). Over all students satisfactory agree the all subjects.

3<sup>rd</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Major issues in Indian Administration) subject and less satisfactory in the subject of c<sub>3</sub> (Research Methodology and Computer Application). Over all students satisfactory agree the all subjects.

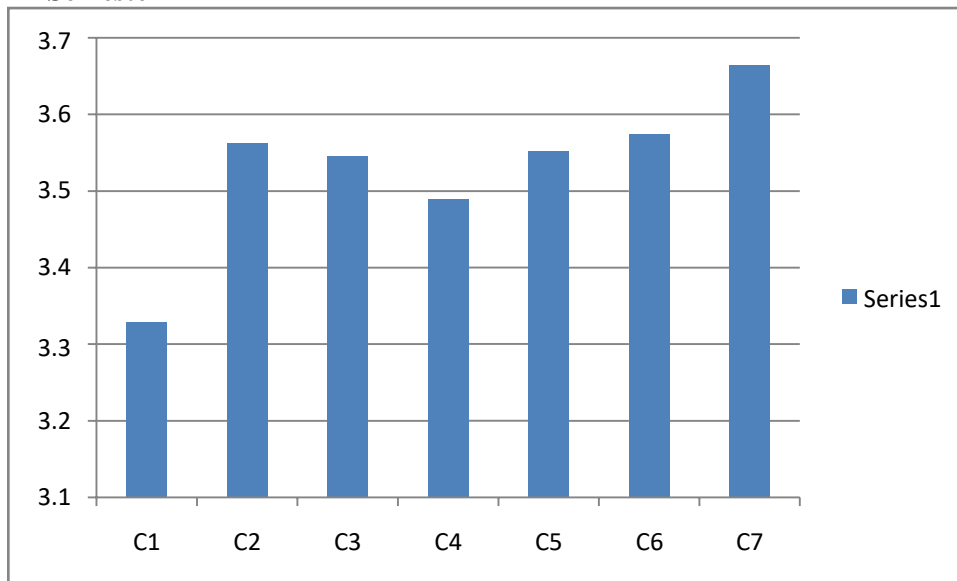

4<sup>th</sup> semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>6</sub>(Public Administration) subject and less satisfactory in the subject of c<sub>4</sub> (Contemporary Political Thoughts.). Over all students satisfactory agree the all subjects.

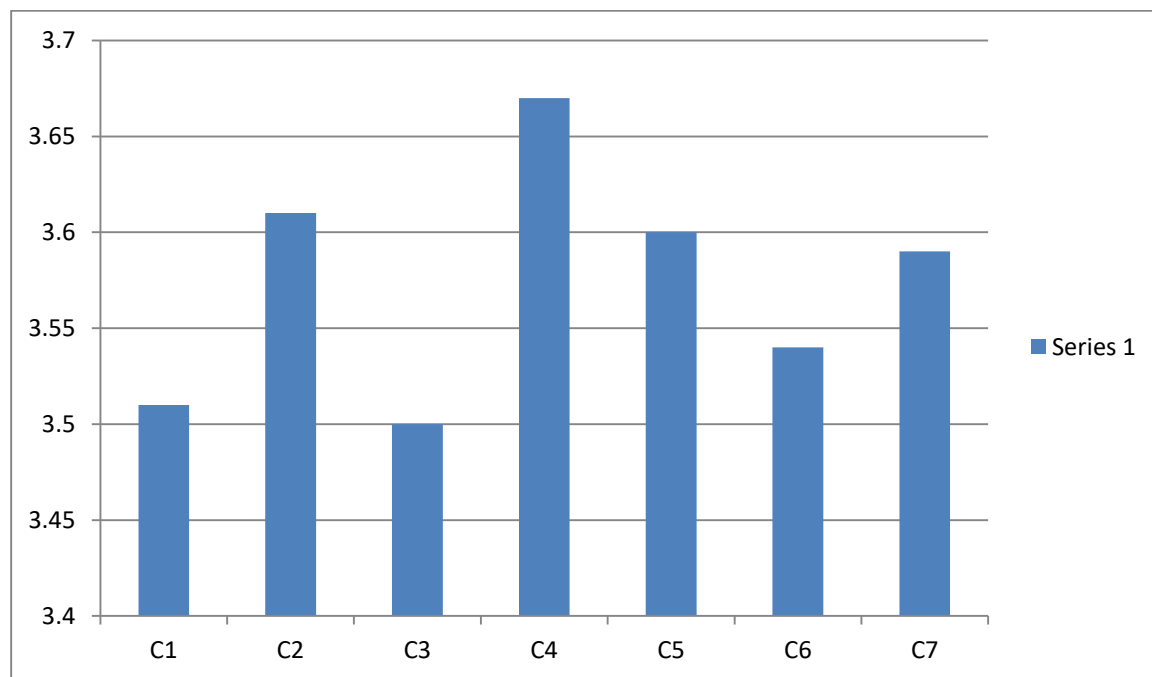

**Department of Statistics**

### 1<sup>st</sup> Semester

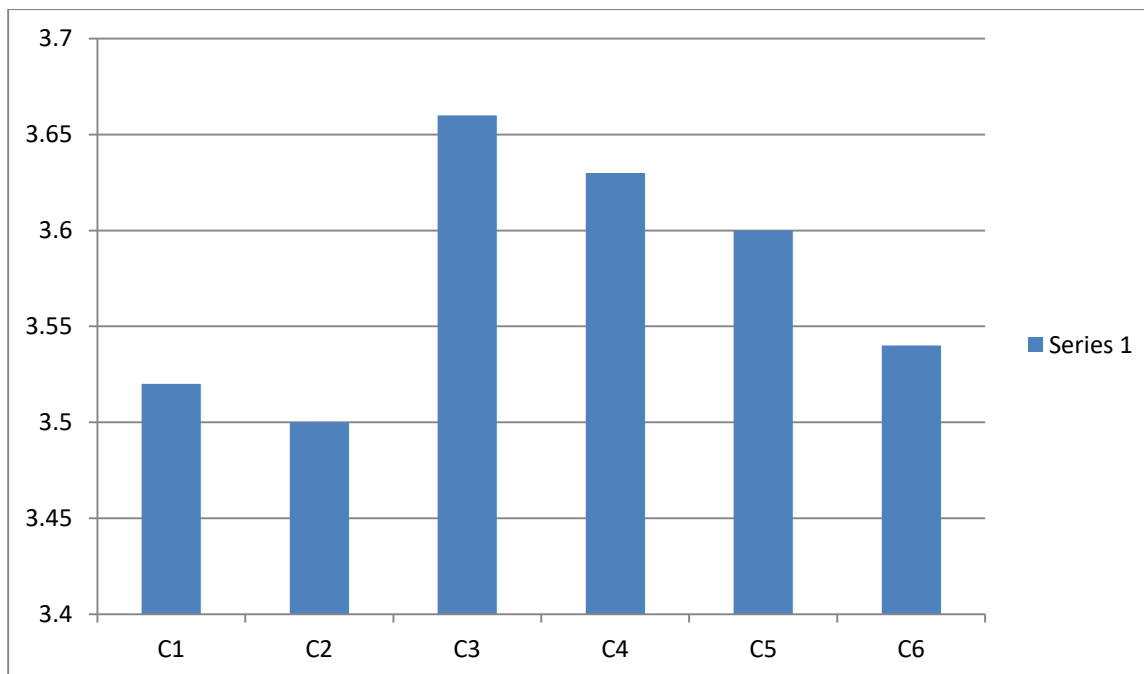

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_7$  (Statistical Methods and Applications) subject and less satisfactory in the subject  $c_1$  (Probability Theory). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

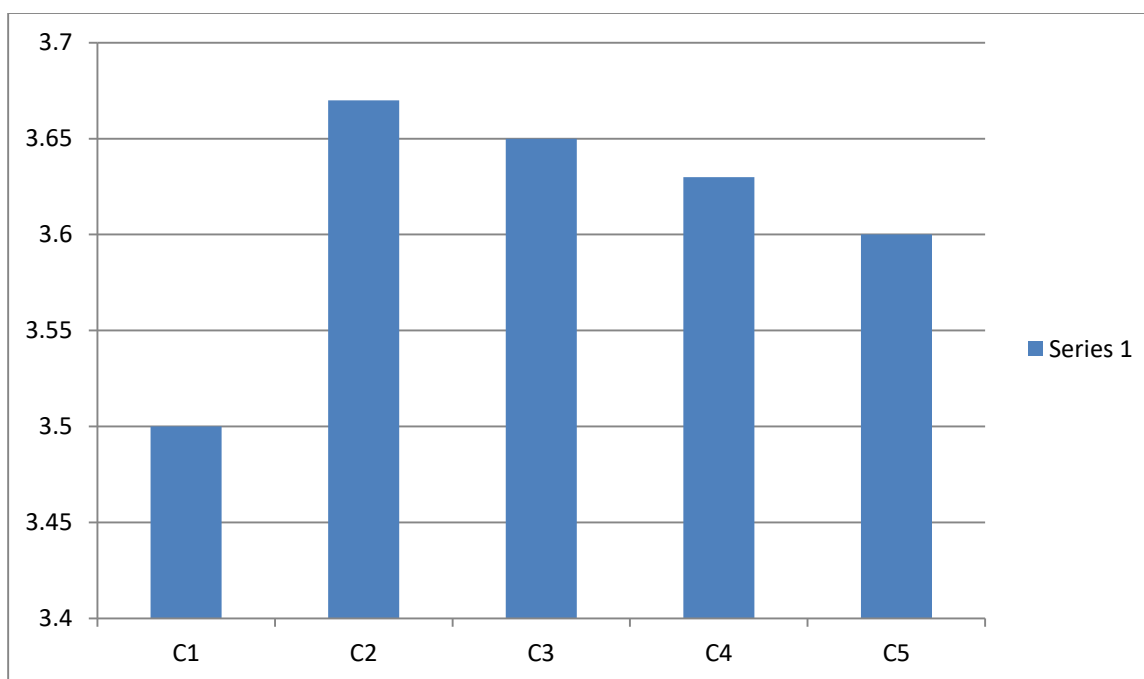

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_4$  (Sampling Theory) subject and less satisfactory in the subject  $c_3$  (Design of experiments). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the Bio-statistic subject and less satisfactory in the subject of Multivariate Analysis. Over all students satisfactory agree the all subjects.

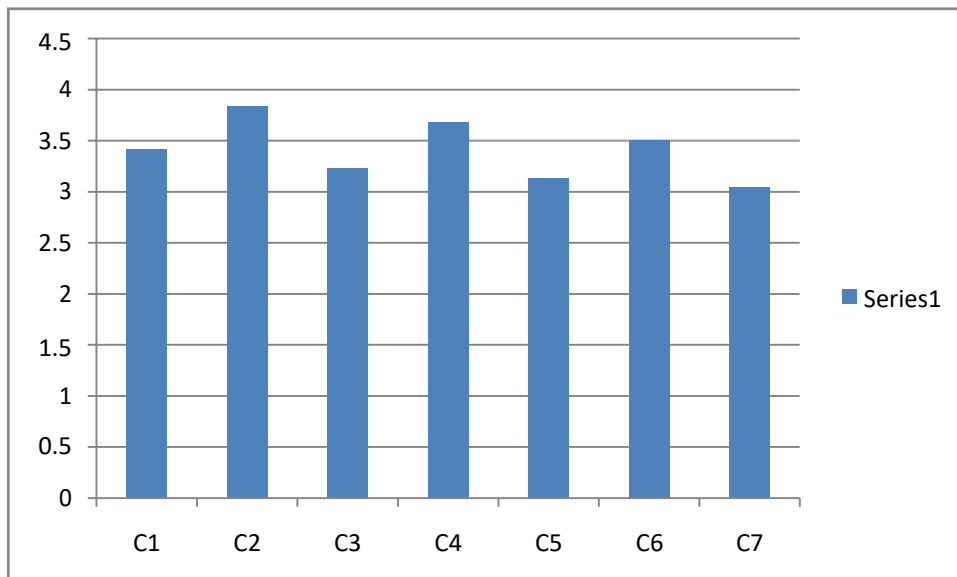

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the Statistical Machine learning algorithmic using Python subject and less satisfactory in the subject of Non-parametric methods. Over all students satisfactory agree the all subjects.

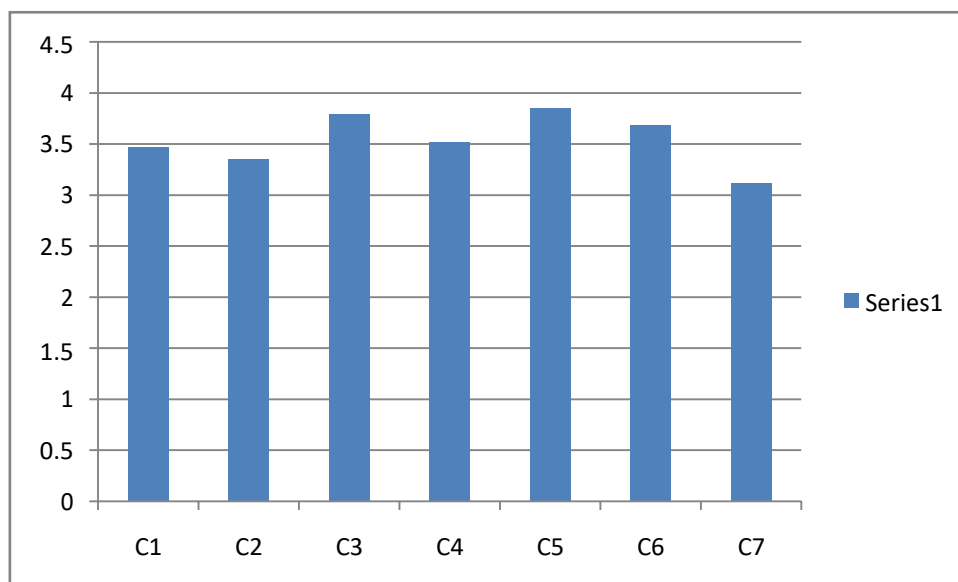

#### Department of Food Processing and Nutrition

### 1<sup>st</sup> Semester

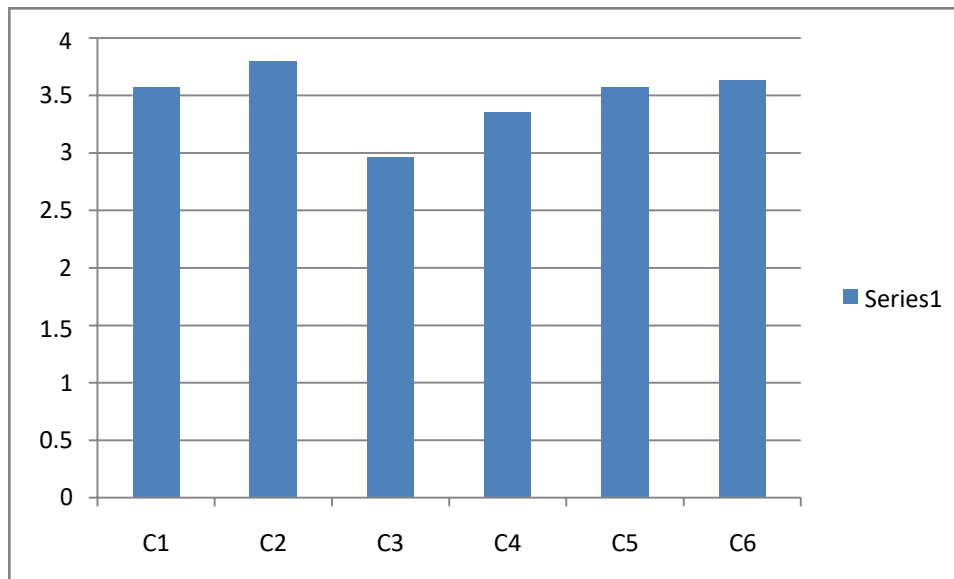

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Principles of Human Nutrition) subject and less satisfactory in the subject of c<sub>7</sub> (Practical based on FPN 1.3). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

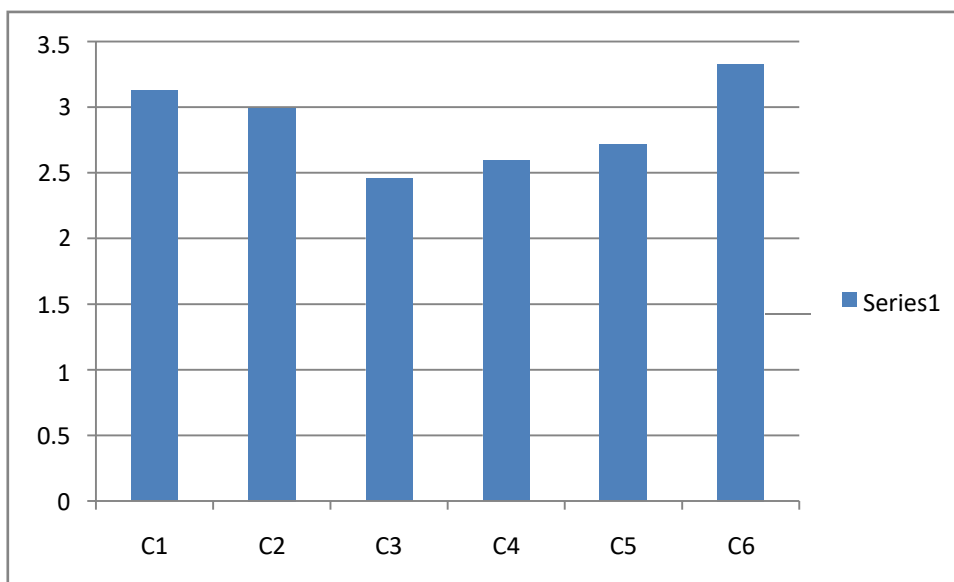

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub> (Practical based on FPN 2.1) subject and less satisfactory in the subject of c<sub>7</sub>(Practical based on FPN 2.3) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

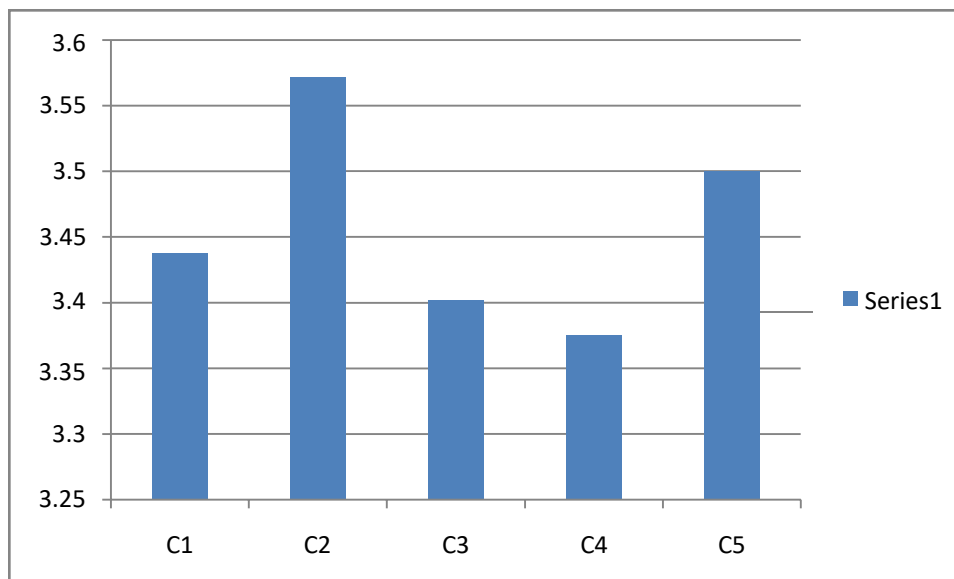

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Public Health Nutrition) subject and less satisfactory in the subject of  $c_3$  (Nutraceuticals and Functional Foods). Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

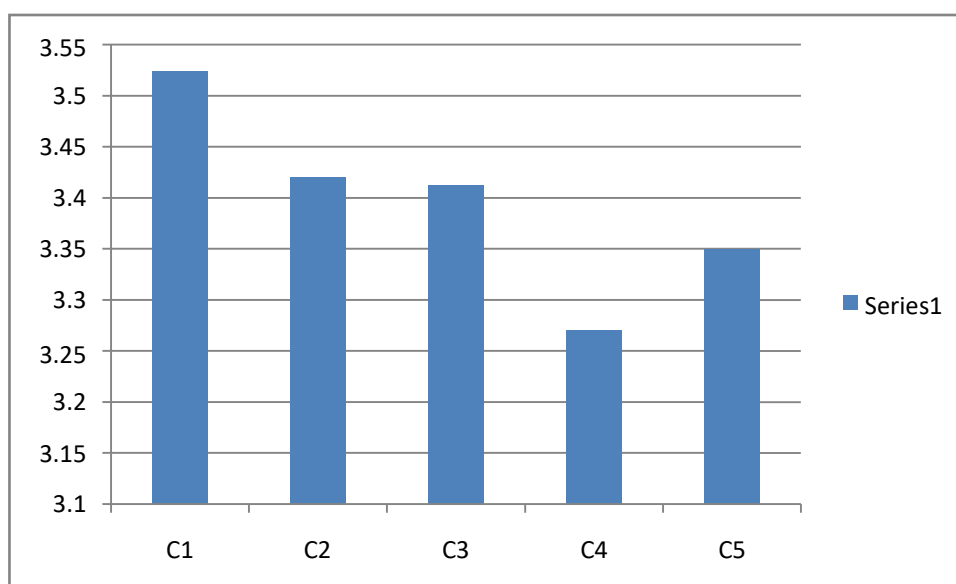

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_6$  (Nutrition in Health and Diseases) subject and less satisfactory in the subject of  $c_3$  (Dissertation) . Over all students satisfactory agree the all subjects.

#### Department of M.Ed 1<sup>st</sup> Semester

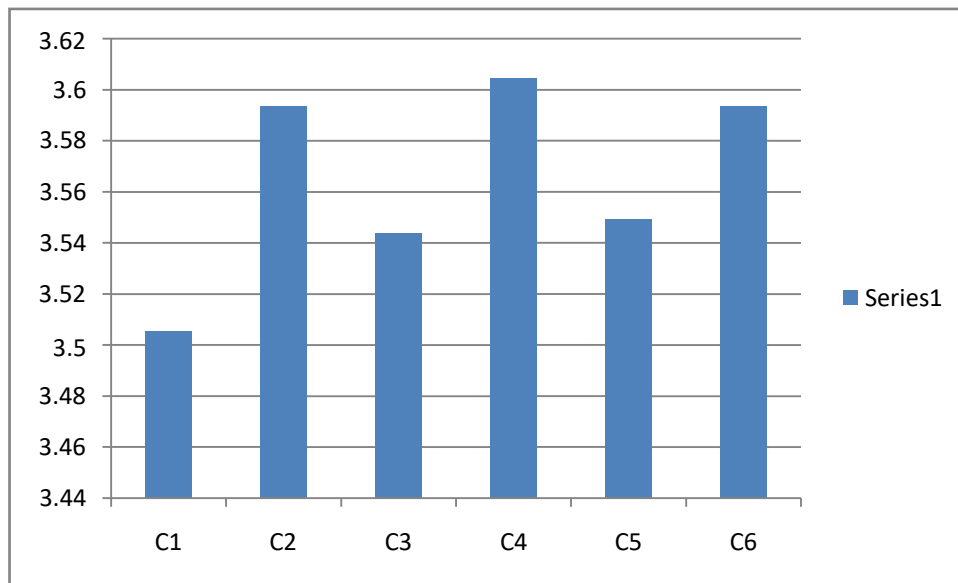

The chart shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$ (Historical, Political and Economic Foundations of Education) subject and less satisfactory in the subject of  $c_4$  (Curriculum Studies). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

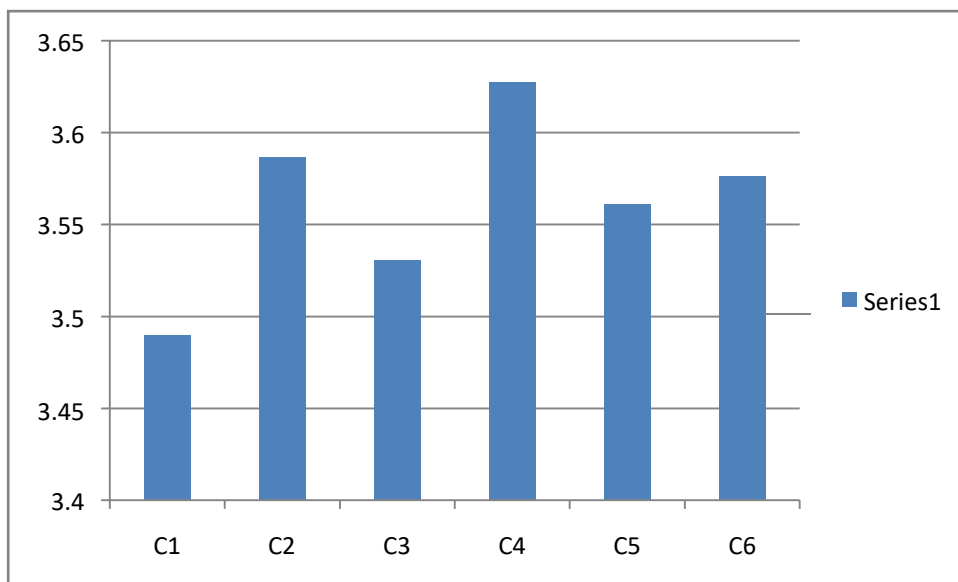

The chart shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$  (Philosophy of Education) subject and less satisfactory in the subject of  $c_4$ (Pre-Service and In-Service Teacher Education) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Perspectives And Research In Teacher Education) subject and less satisfactory in the subject of c<sub>1</sub> (Policy Economics and Planning in Education) . Over all students satisfactory agree the all subjects.

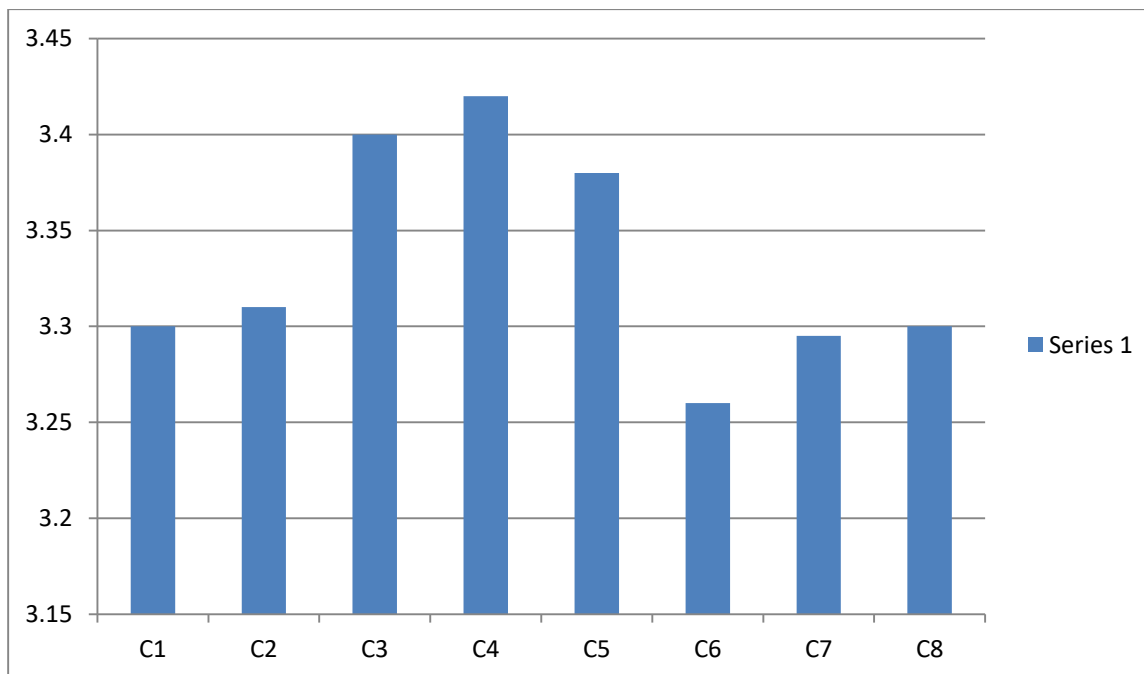

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Women In Education Management (At Secondary/Senior Secondary Level)) subject and less satisfactory in the subject of c<sub>1</sub> (Administration, Management and Leadership in Education) . Over all students satisfactory agree the all subjects.

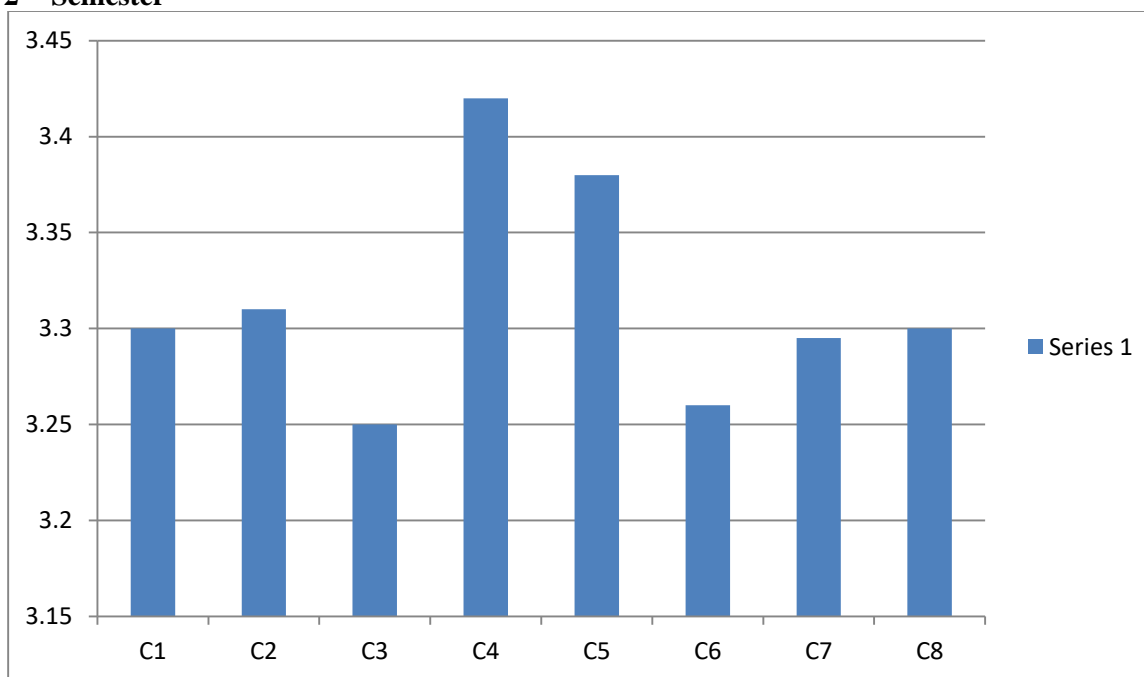

#### Department of M.PEd 1<sup>st</sup> Semester

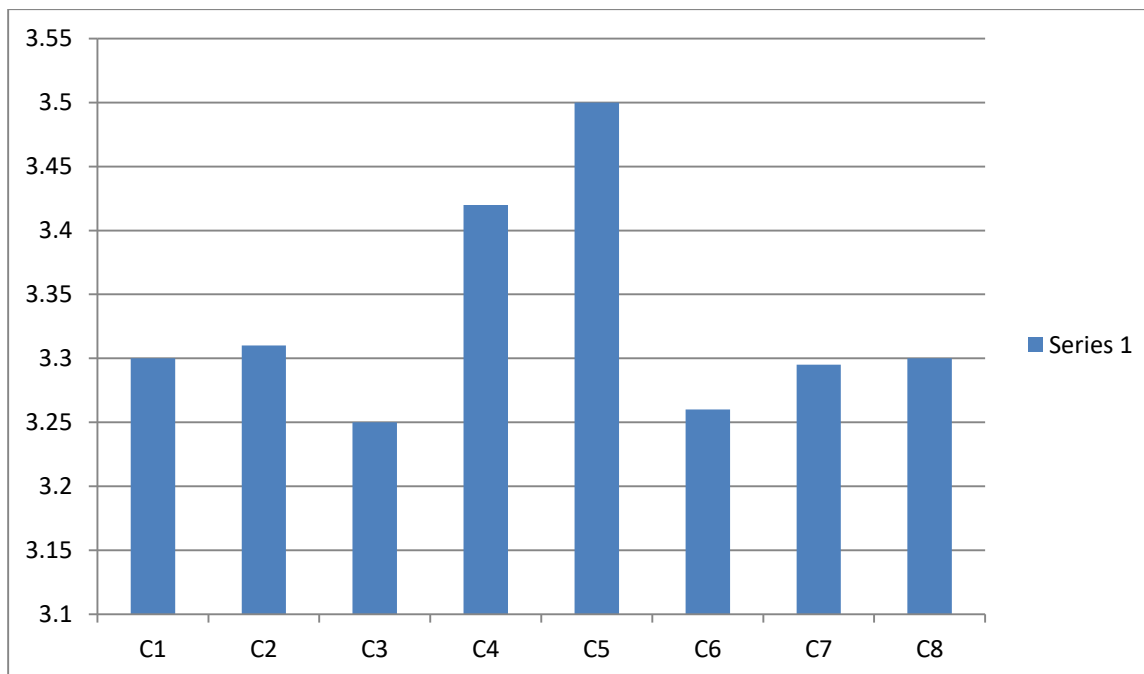

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub>(Test, measurement and evaluation in physical education) subject and less satisfactory in the subject of c<sub>5</sub> (track and field ). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

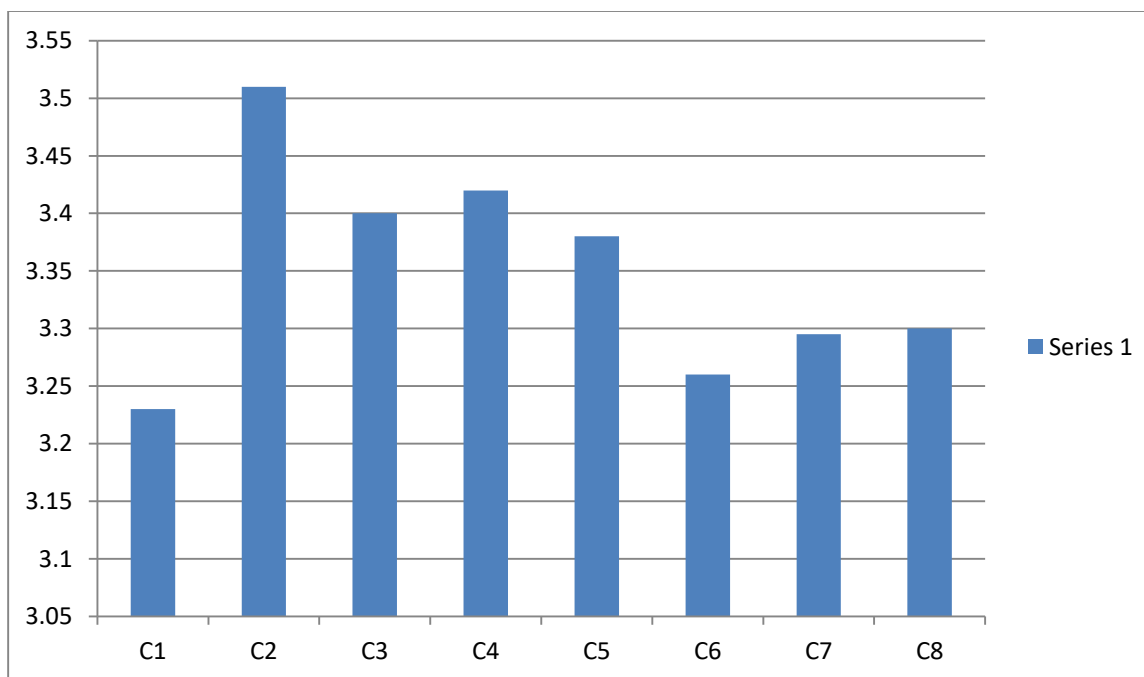

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Athlete care and Rehabilitation) subject and less satisfactory in the subject of c<sub>3</sub>(Open Elective ( Health Education and Sports Nutrition)) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

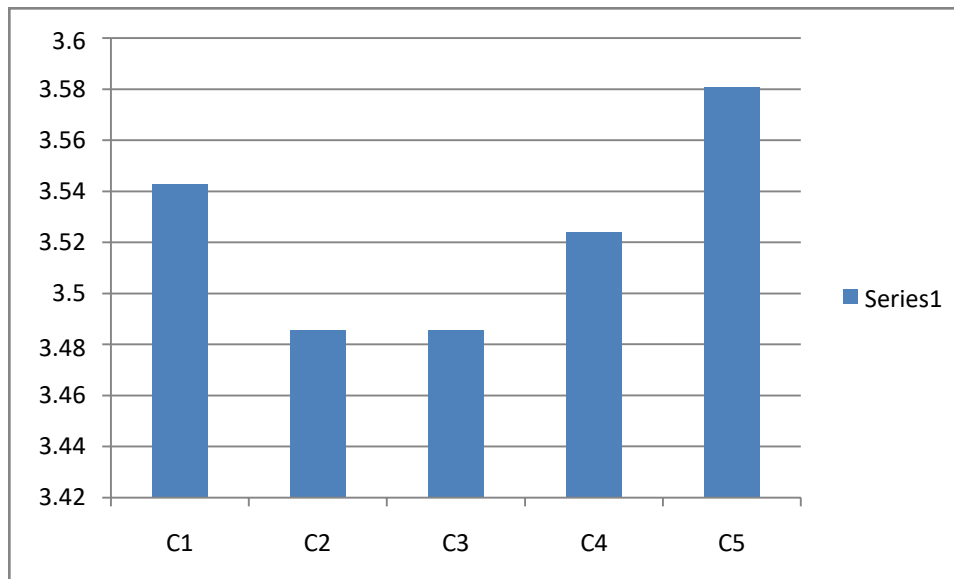

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_5$ (Sports medicine ) subject and less satisfactory in the subject of  $c_3$  (Health fitness and wellness) . Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

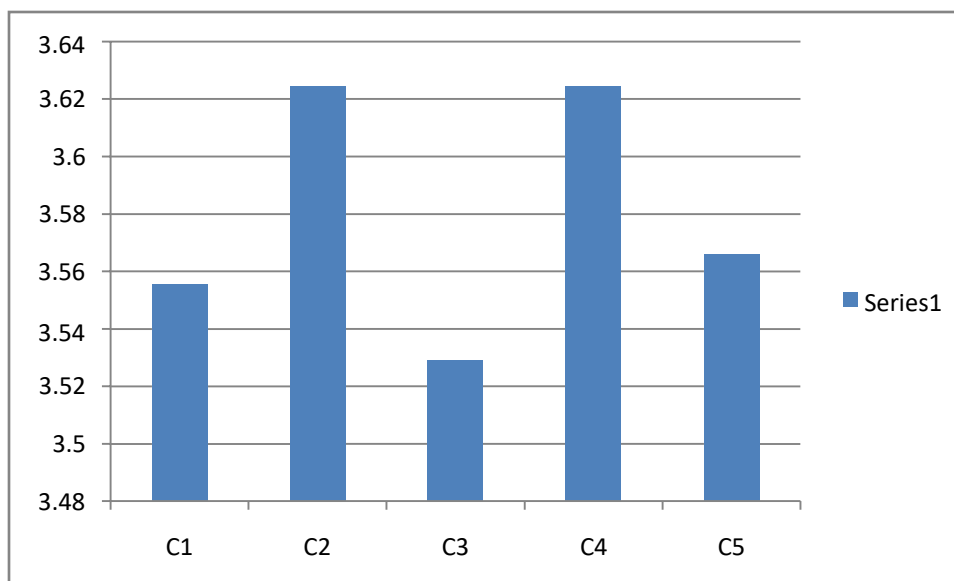

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_2$  (Information Communication Technology in Physical Education (ICT)) subject and less satisfactory in the subject of  $c_1$  (Applied Statistics in Physical Education). Over all students satisfactory agree the all subjects.

#### Department of Sociology 1<sup>st</sup> Semester

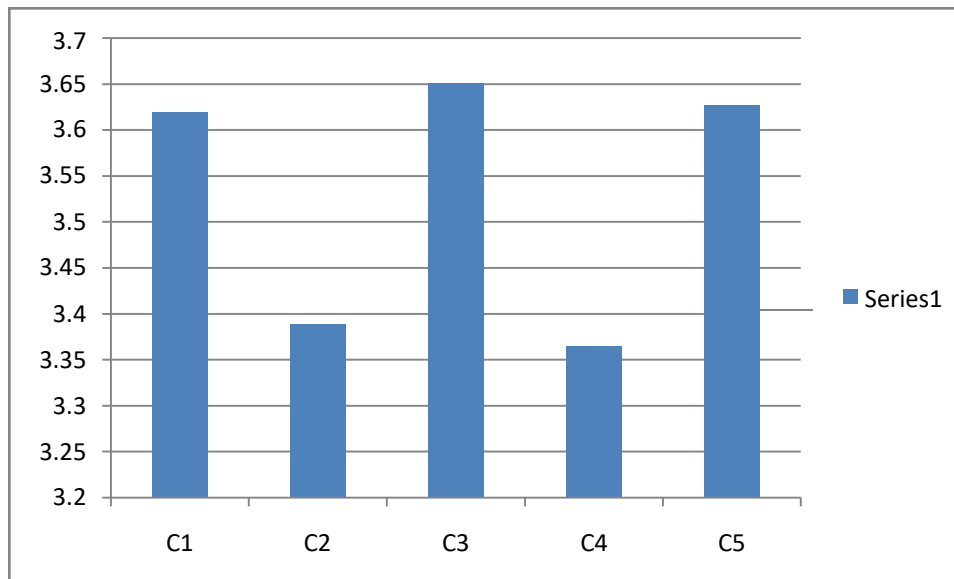

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>5</sub>(Sociology of Tribe) subject and less satisfactory in the subject of c<sub>3</sub> (Sociology of Gender). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

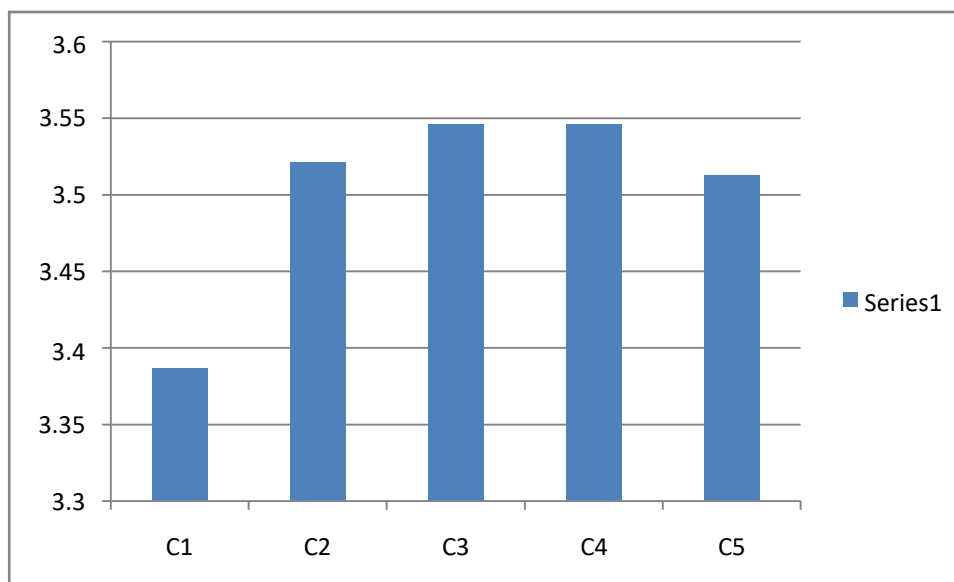

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Social Gerontology) subject and less satisfactory in the subject of c<sub>3</sub>(Rural Sociology). Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>3</sub>(Urban Sociology) subject and less satisfactory in the subject of c<sub>4</sub> (Sociology of Religion). Over all students satisfactory agree the all subjects.

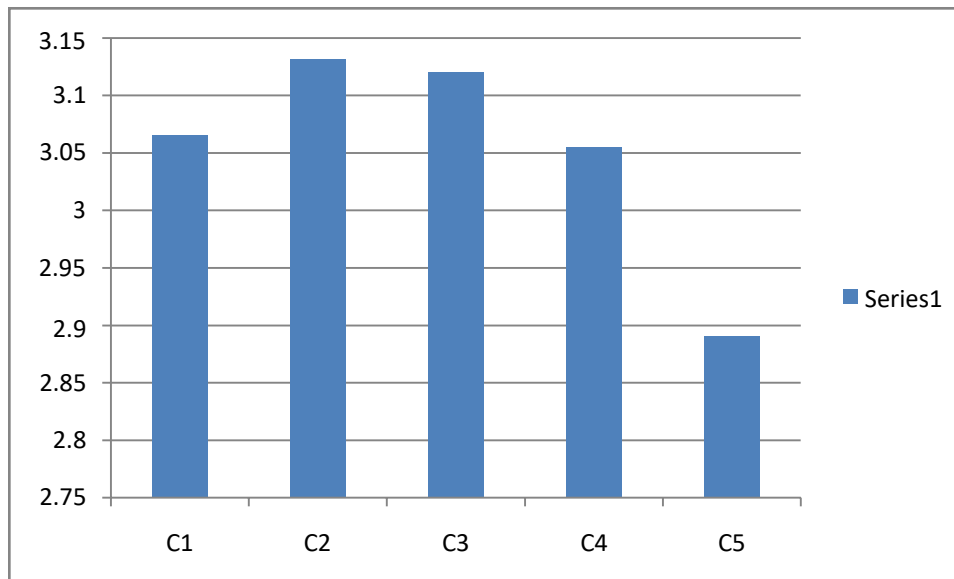

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>4</sub> (Sociology of Family and Kinship) subject and less satisfactory in the subject of c<sub>1</sub> (Indian Sociological Theory). Over all students satisfactory agree the all subjects.

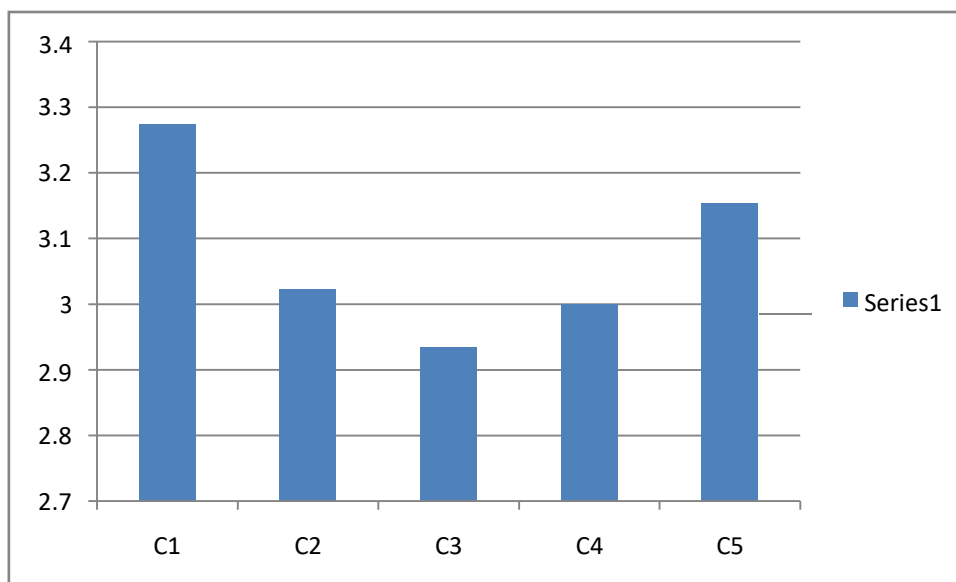

#### Department of Urdu

#### 1<sup>st</sup> Semester

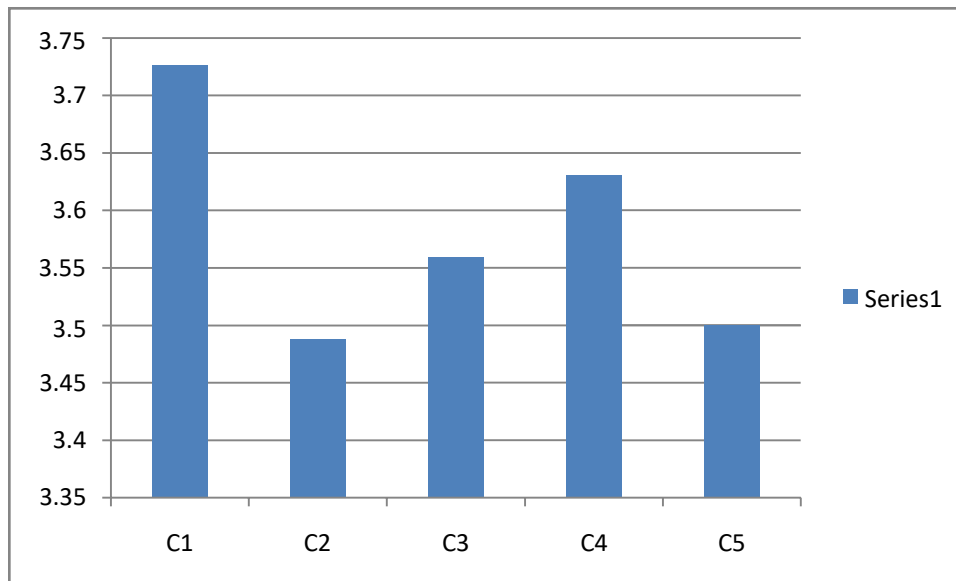

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>2</sub>(Classical Prose (Dastanain)) subject and less satisfactory in the subject of c<sub>5</sub> (Study of Urdu Languages & Simple Grammer). Over all students satisfactory agree the all subjects.

### 2<sup>nd</sup> Semester

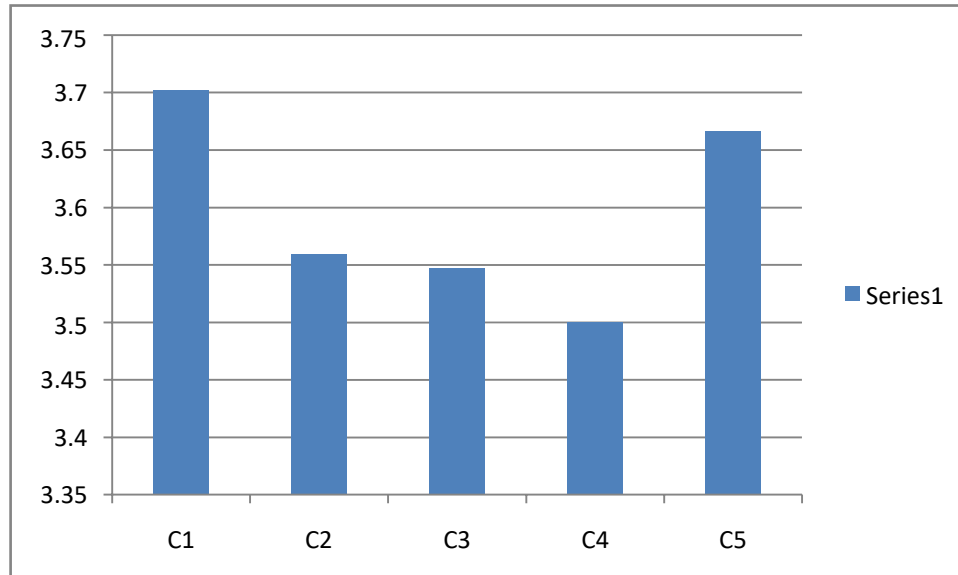

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the c<sub>1</sub> (Novel Aur Afsana) subject and less satisfactory in the subject of c<sub>3</sub>(Mass Media & Translation) . Over all students satisfactory agree the all subjects.

### 3<sup>rd</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$ (Literary Criticism) subject and less satisfactory in the subject of  $c_2$ (Urdu Ghazal) . Over all students satisfactory agree the all subjects.

#### 4<sup>th</sup> Semester

The charts shows the students have provided their feedback on the curriculum of the programme basis of likart's scale, more number of students have good opinion for the  $c_1$  (Marsiya Aur Rubai) subject and less satisfactory in the subject of  $c_4$ (Shibli Naumani). Over all students satisfactory agree the all subjects.
