HIS EXCELLENCY GOVERNOR OF KARNATAKA SHRI. VAJUBAI VALA INAUGURATED NEW BUILDINGS OF KARNATAKA STATE WOMEN'S UNIVERSITY ON 4TH MARCH 2016.

Good to better, better to best!!

I assumed charge as the third Vice Chancellor of the only Women's University in Karnataka, on 8th March, 2012, International Women's Day. My aspiration was fulfilled but I had many challenging issues to be handled for which I had to seriously gear up to carry forward the valuable work initiated by the previous Vice Chancellor, Prof Geeta Bali.

I commenced with preparation of a Vision Document for the future and with the cooperation of all stakeholders, we were able to tread on the perceived path. Focus was on extending the jurisdiction of the university to the entire state, recruiting suitable human resource, strengthening our finances, creating adequate infrastructure, optimum use of natural resources, establishing international collaborations for research and accreditation by National Assessment and Accreditation Council, Bangalore. Persistent efforts and effective team work ensured the achievement of most of the goals.

It is crucial to realise that the journey from good to better and better to best is an ongoing one. Besides, it is always possible to better one's best. If one is convinced of this fact, nothing is impossible!! Karnataka State Women's University, Vijayapur will certainly be a university of Choice in the years to come and earn the brand name ANANYA!

I take this opportunity to thank each one who supported my efforts to make this institution of higher learning a boon for women education.
