## DESCRIPTION OF THE EMBLEM

A woman with a book in hand and a pen in the other is the very incarnation of self-confidence. This is the emblem of Akkamahadevi Women's University, Vijayapura. The Lamps symbolize knowledge. The Hands denote Akkamahadevi and Chand Bi Bi, two women of this region who crusaded for the upliftment of women. The Seven bangles in the hand represent the seven colors emerging unified as a ray of light. The bangles in the left hand represent the Panchabhutas. The rainbow behind the Women holding a pen aloft represents the rainbow of promises; the figure of the Arch in the background stands for the architectural heritage of Bijapur, the Gol Gumbaz to its right and the Anubhava Mantap to its left herald the religious harmony and history of Vijayapura. The peepul tree and the coconut tree, which form a halo around the arch, symbolize enlightenment and prosperity.

The Structure supporting all these signifies the mythological Adishesha who believed to be upholding the earth. The dancing lines are metaphorical of femininity, Gestaltic, the picture reminds us of the Buddha in deep meditation, and the motto is education for women is education for all.
