DESCRIPTION OF THE EMBLEM

A woman with a book in hand and a pen in the other is the very incarnation of self-confidence. This is the emblem of Karnataka State Akkamahadevi Women's University, Vijayapura. The Lamps symbolize knowledge. The Hands denote Akkamahadevi and Chand Bi Bi, two women of this region who crusaded for the upliftment of women. The Seven bangles in the hand represent the seven colors emerging unified as a ray of light. The bangles in the left hand represent the Panchabhutas. The rainbow behind the Women holding a pen aloft represents the rainbow of promises; the figure of the Arch in the background stands for the architectural heritage of Bijapur, the GolGumbaz to its right and the Anubhava Mantap to its left herald the religious harmony and history of Vijayapura. The peepul tree and the coconut tree, which form a halo around the arch, symbolize enlightenment and prosperity.

The Structure supporting all these signifies the mythological Adishesha who believed to be upholding the earth. The dancing lines are metaphorical of femininity, Gestaltic, the picture reminds us of the Buddha in deep meditation, and the motto is education for women is education for all.

FOREWORD BY THE VICE-CHANCELLOR

“We are proud to be part of KSAW University promoting Empowerment of women through education and I thank our staff and students for their ongoing support, commitment to our success and involvement”

The Karnataka State Akkamahadevi Women's University established in the year 2003 has carried a niche for itself as an institution that every year churns out young women of character and academic excellence. Foreseeing the challenges in higher education, various PG programmes, both professional and traditional, have been introduced.

It is my privilege and pleasure to present the progressive Annual Report of our University for the academic year 2019-20. The report illustrates the University's commitment to advancing excellence in education, research, and scholarship. The highlights of the activities/events for the academic year 2019-20 are summarized below.

- The past year was one of transformation and positive development for the University. The University reviewed its internal operations through AAA.
- Focus on equity and diversity and continued promotion of an inclusive culture.
- The University has 2465 students on its roll pursuing various Doctoral and PG programmes and 35013 students' persuing UG programmes in affiliated colleges.
- Participation in 280 Seminars/conferences/ workshops, etc, by faculty.
- Ongoing research Projects: 07 and completed research projects: 07
- 186 reaserch publications in peer reviewed National/International journals and proceedings of peer reviewed Nation/International conferences.
- Publication of 33 book chapters in International publications (India and Abroad)
- Revision of UG/PG curriculum in accordance with CBCS.
- Independent buildings for Electronics, Botany and Chemistry Departments.
- Additional class-rooms for Physical Education and Education Departments under RUSA grant.

- Extension of Library building (ground floor and first floor).
- Construction of Science Center building, Convention Hall and Art Gallery in progress.

The University is responding to the challenges and opportunities that arose due to ongoing Dure to Covid-19 Pandemic, Online classes were taken up by our faculty to all PG students through several popular softwares viz.. GoogleMeet/Microsoft Team/Zoom. Students were kept engaged through regular online classes, online/offline assignments, online seminar presentation, and online internal assessment test. Online mode of education was well received by University students. The University has established Online Education Resource Center which will be responsible for creating online resouces with an objective to offer convenience and flexibility to students in persuing higher education in online mode.

The progress of the University documented in this annual report justifies our genuine committment in making a positive impact on education and research.

I look forward to building on our traditions and significant achievements of the past year and to continuing to nurture and support our staff and students to achieve their full potential.

OBC Cell and Minority Cell

University Equal Opportunity Cell of the university was established in the year 2009. The main purpose of this cell is to provide career counselling, on campus employment opportunities to students belonging to the OBC and minority communities. The cell works in collaboration with different P.G. Departments of the university. It is an innovative cell of the university funded by UGC through which the OBC and minority students get an opportunity to enhance their communication skills, soft skills and to have a career of their choice. The cell is managed by the Coordinator along with two supporting staff. Equal Opportunity Cell is functioning in the University, focusing on the upliftment of the weaker sections in the Students community. Under the guidance of the staff members, Equal Opportunity Cell provides academic, personal and psychological support to the students

SC/ST Cell:

The University Grants Commission (UGC) has given priority to the downtrodden students and staff members during IX plan period and given direction to all the universities to establish SC/ST Cell.

1. The SC/ST Cell at Karnataka State Akkamahadevi Women's University was constituted in the year 2003.
2. After the establishment of the Cell in the university, it specifically concentrated on the welfare of the SC/ST students, Research scholars and Staff members.
3. The main aim of the cell is to monitor the guidelines issued by the University Grants Commission and by the department of Ministry of Social Welfare Government of Karnataka from time to time.

- **Akka TV-**The Youtube channel streams and uploads bulletins daily on the current issues as well as events taking place in the department. The content specifically focuses on women issues and success stories. Each day a group of students works to prepare the content headed by a staff member. The students have been lauded for releasing of the bulletin immediately after any major event for example Meet the Press with P. Sainath at Bidar. The development journalist appreciated the timeliness of the students in coming up with the package.
- **MahilaDhwani-** The two-page newspaper is a daily issue rigorously worked by the students spearheaded by a staff who acts as the mentor. In Tune with the Akka TV, the

students write and focus on the current issues as well as the major happenings in the University campus. It is uploaded in the official Facebook page of the department-KSAWU Media Cell everyday and gets enormous feedback from the followers for its content and timeliness. The newspaper has been released by the Hon'ble Vice Chancellor of the University as well as stalwarts from various fields and received tremendous appraisal.

- **Media Content Analysis**-Journalism and Mass Communication department conducts newspaper reading session which includes discussion on the current topics and analysing it.
- **Alumni Association**- The association is a forum for connecting with the students and the scholars of the department who are working in different parts of the state and utilize their expertise to develop the department and organise worthy programmes.
- **Training the Rural Journalists**- The department of Journalism and Mass Communication has extensively worked hard in organising programme in collaboration with other media organisations and Universities to conduct an event to train the rural journalists and enable them to understand the burning developmental issues. The programme is helmed by developmental journalists, N.G.O's, Social workers and academicians.
- **Awards**- The department of Journalism and Mass Communication has special awards constituted for the Best page designer of MahilaDhwani, Best Video Editor, Best Photographer, Best Anchor, Best Feature Article, Best Reporter and the student with the Highest Attendance.
