About Karnataka State Akkamahadevi Women's University:

Karnataka State Akkamahadevi Women's University formerly known as Karnataka State Women's University, established in 2003 in the city of Vijayapura (Formerly Bijapur), is the only Women's University in Karnataka dedicated exclusively for women's education. It is recognized under 2(f) and 12(B) of the UGC Act. It has been accredited 'B' grade by NAAC. The university is also a recipient of four Stars in KSURF rankings. One hundred and thirty seven women's colleges of Karnataka, are affiliated to this University and one P G center at Sindhanoor and also at Udatadi, one Extension center at Mandya are also offering various programmes.

The University offers various UG programmes leading to Bachelor's degree in Arts, Business Administration, Computer Applications, Commerce, Education, Fashion Technology, Home Science, Physical Education, Science and Social Work. It also offers 32 P G Courses, P G Diploma and Certificate Courses in the Faculties of Arts, Commerce and Management, Social Sciences, Science and Technology and Education.

About IQAC:

Internal Quality Assurance Cell (IQAC) has been established in the University on 24 November 2009. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the University. It is the part of the University's system and work towards realization of the goals of quality enhancement and sustained development.

About Workshop:

In today's globally competitive environment, intellectual property has placed itself on a pedestal in the context of economic growth and is becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance.

Outcome of the Workshop:

The participants of the workshop will be able to understand the procedures to convert the research outcome into patents. This training will bring a positive transformation in the faculty member's attitude in their project and research works and get them more focused as well as result oriented, and the process for further commercialization/ technology transfer. This will help the respective academic institutes to find a better placement in NIRF, ARIIA rankings.

Target Audience:

Faculty members, Industry personnel, Scientists, Research scholars, Students who are into research and want to know more about IPRs, Patents, commercialization and Technology Transfer procedures.

Resource Persons:

The resource persons are IPR, Patent experts having vast experience in technology transfer, IP management and extensively conducts IPR awareness workshops at various universities and institutes across the country.

Contents of the Workshop:

The workshop is organized as three technical sessions with the following topics:

1st Session: Trade-Related Aspects Of Intellectual Property Rights(TRIPS), Purpose, Criticism and types of IPR such as Patents, Trademark, Trade secrets, Design, Copyright, Geographical Indication citing examples.

2nd Session: Overview on Patent, Indian Patent Act, Patentability criteria and patent commercialization. Patent law, infringement and right of a patentee.

3rd Session: Search strategy, Patent drafting, filing and licensing process. Prior art search, drafting of a patent application and defending a patent through the examination procedure at the Patent Office.

FDP on AI Pedagogy

Faculty Development Programme on Artificial Intelligence for college teachers of KSAWU who were teaching Artificial Intelligence course was organised by IQAC Cell, KSAWU, Vijayapura on 23-05-2023. Prof. Y. S. Siddegouda, Vice-Chairman, KSHEC, Bangalore was the Chief guest and Inaugurated the workshop. He addressed the gathering informing that the students should develop multiple skills while studying for better job opportunities in future. 66% of India population is youth. They are the huge human resources if used optimally India definitely stand in a very higher position in the global standards. After implementing NEP in Karnataka teachers roles and responsibilities are increased and all the teachers should equip themselves for a changed situation. KSHEC is organising many such workshops and teachers should make use of these workshops Prof. Tulasimala Hon'ble Vice Chancellor had presided over the workshop and said students must develop life skills to make themselves more knowledgeable in academically Empowered. Today knowingly or unknowingly we are using AI in majority of fields and its main objective is to bring transparency in the system. In this regard students should learn AI. After the inauguration there were two sessions handled by Dinesh Panigrahi, Regional Head, NASSCOM and Shri.Sharma, Resource person. The Programme structure was narrated by Dr.Jayappa, Special Officer, KSHEC. Prof. P.G.Tadasad, IQAC director spoke on the FDP Programmes organised by the University.

Prayer song was sung by Music department students. IQAC deputy director Dr. Renuka Meti conducted master of ceremony, FDP co-ordinator Prof. Onkar Kakade proposed vote of thanks 54 college teachers were present during the FDP from different affiliated colleges including research scholars, guest faculty.
